A. Use Regulations - The following regulations shall apply to all uses made of land in the above-described PR Planned Residential District:

1. Principal permitted uses shall be limited to one 16-unit multi-family residential building, one 24-unit multi-family residential buildings, and a detached parking garage.
2. Accessory uses shall include any use customarily incidental and subordinate to the principal use it serves.

B. Lot and Bulk Regulations - Development of land in the PR Planned Residential District shall be regulated as follows:

1. Buildings setbacks shall be located in substantial conformance with the approved conceptual development plan.
2. Maximum building height of 40 ft. shall be allowed in this Planned Residential District.
3. Unless otherwise indicated, the development of the property in this Planned Residential District shall be regulated by Section 16-5-5 of the Unified Development Code, R-4 Multi-Family Residential District.

C. Performance Standards - The development and maintenance of uses in this PR Planned Residential District shall be regulated as follows:

1. Parking Regulations
 - a. All vehicle-related features shall be surfaced with either asphalt or concrete.
 - b. Curbing and proper surface drainage of storm water shall be provided.
 - c. All parking and loading spaces shall be delineated on the surfacing material by painted stripes or other permanent means.

- d. Off-street parking shall be provided based on the approved conceptual plan.
- e. The number, size, and design of parking spaces shall be governed by applicable provisions of the Unified Development Code Section 13-3 Site Development Regulations.
- f. The number, size, design, and location of parking spaces designated for persons with disabilities shall be according to the local, state, or federal requirements in effect at the time of development.
- 2. Site Lighting
 - a. Exterior illumination of site features shall be limited to the illumination of the following:
 - i. Parking areas, driveways, and loading facilities.
 - ii. Pedestrian walkway surfaces and entrances to building.
 - iii. Building exterior.
 - b. Location and Design
 - i. No light source shall provide illumination onto adjacent lots, buildings, or streets in excess of 1.0-foot candle.
 - ii. All exterior lighting luminaries shall be designed and installed to shield light from the luminaries at angles above 72-degrees from vertical.

RESOLUTION NO. 73-23

**APPROVING THE AMENDED AND RE-
STATED URBAN RENEWAL PLAN, VER-
SION 2023.1, FOR THE DUBUQUE INDUS-
TRIAL CENTER ECONOMIC DEVELOP-
MENT DISTRICT**

Whereas, by Resolution 52-23 adopted on February 20, 2023, the City Council of the City of Dubuque, Iowa authorized the preparation of an Amended and Restated Urban Renewal Plan (the "Amended and Restated Urban Renewal Plan" or "Plan") for the Dubuque Industrial Center Economic Development District (the "District"); and

Whereas, the Amended and Restated Urban Renewal Plan for the District, Version 2023.1, is on file in the City Clerk's Office; and

Whereas, the City Council's primary objective for the Amended and Restated Urban Renewal Plan for the District is to remove property from Subarea E of the District and to add a project to the Public Purpose Activities as shown in the [provided] Amended and Restated Urban Renewal Plan to provide opportunities which will further economic development purposes and objectives as described in the Plan; and

Whereas, a consultation process has been undertaken with affected taxing entities in accordance with Chapter 403 of the Code of Iowa and no written objections or recommended changes to the Plan have been received; and

Whereas, the City Council, in accordance with Chapter 403 of the Code of Iowa, has held a public hearing on the Amended and Restated Urban Renewal Plan after public notice thereof.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Amended and Restated Urban Renewal Plan for the Dubuque Industrial Center Economic Development District, Version 2023.1, is hereby approved.

Section 2. That a feasible method exists for the location of any families who will be displaced from the District, as amended, into decent, safe, and sanitary dwelling accommodations within their means and without undue hardship to such families; and that the Amended and Restated Plan conforms to the general plan of the City as a whole. With respect to any real property in the District acquired by the City in connection with the land and projects included in the Plan, non-residential use is expected and with reference to those portions thereof which are to be developed for non-residential uses, such non-residential uses are necessary and appropriate to facilitate the proper growth and development of the City in accordance with sound planning

standards and local community objectives.

Section 3. That the District, as amended, continues to be an area for economic development (commercial and industrial) within the meaning of Iowa Code Chapter 403; that such area is eligible for designation as an urban renewal area and otherwise meets all requisites under the provisions of Iowa Code Chapter 403; and that the rehabilitation, conservation, redevelopment, development, or a combination thereof, of such area is necessary in the interest of the public health, safety or welfare of the residents of this City.

Section 4. That, notwithstanding any resolution, ordinance, plan, amendment, or any other document, the Amended and Restated Plan shall be in full force and effect from the date of this Resolution until the Council amends or repeals the Plan.

Section 5. That the City Clerk of the City of Dubuque, Iowa is hereby authorized and directed to file a certified copy of this Resolution in the office of the Dubuque County Auditor.

Passed, approved, and adopted this 20th day of March, 2023.

5. Request to Vacate a Portion of Certain Sanitary Sewer Easements across a Part of Lot 1 of Dubuque Industrial Center 14th Addition: Motion by Sprank to receive and file the documents and adopt Resolution No. 75-23 Disposing of Property by Vacating City Interest in a Portion of Easements for Sanitary Sewer Utilities Over and Across a Part of Lot 1 of Dubuque Industrial Center 14th Addition, in the City of Dubuque, Iowa. Seconded by Resnick. Motion carried 6-0 with Jones momentarily away from the dais at the time of the vote.

**RESOLUTION NO. 75-23
DISPOSING OF PROPERTY BY VACATING
CITY INTEREST IN A PORTION OF EASE-
MENTS FOR SANITARY SEWER UTILITIES
OVER AND ACROSS A PART OF LOT 1 OF
DUBUQUE INDUSTRIAL CENTER 14TH AD-
DITION, IN THE CITY OF DUBUQUE, IOWA**

Whereas, the City Council, by Resolution No. 61-23, dated the 6th day of March 2023, declared its intent to dispose of City interest in utility easements on real property, legally described as:

Part of Lot 1 of Dubuque Industrial Center 14th Addition, in the City of Dubuque, Dubuque County, Iowa, according to the recorded plat thereof (the Property); and

Whereas, per an agreement between the City of Dubuque, Dubuque Initiatives, MAR Holdings, and Geisler Family Realty Company, the parties wish to set forth terms for the relocation of a proposed public sanitary sewer utility located in Part of Lot 1 of Dubuque Industrial Center 14th Addition, in the City of Dubuque, Dubuque County, Iowa; and

Whereas, that sanitary sewer easements were included on the Plat of Survey recorded as Instrument No. 10616-99 and the Final Plat recorded as Instrument No. 2006-11108 in the Dubuque County Recorder's Office; and

Whereas, a part of the City of Dubuque sanitary sewer that had previously been constructed inside the easements provided on Plat of Survey recorded as Instrument No. 10616-99 and the Final Plat recorded as Instrument No. 2006-11108 in the Dubuque County Recorder's Office have been relocated to a new alignment by Geisler Family Realty; and

Whereas, per Resolution No. 272-22 the City of Dubuque has inspected and tested and accepted the newly constructed and relocated sanitary sewer for ownership and maintenance and as per Resolution No. 40-22 the City has accepted a Grant of Sanitary Sewer for the newly constructed and relocated sanitary sewer; and

Whereas, per said agreement the City is responsible for vacating a portion of the former sanitary sewer easement area through a part of Lot 1 of Dubuque Industrial Center 14th

Addition, in the City of Dubuque, Dubuque County, Iowa.

Whereas, pursuant to published notice, a public hearing was held on the proposed disposition on the 6th day of March 20, 2023 at 6:30 p.m. in the Historic Federal Building, 350 W. 6th Street, Dubuque, Iowa; and

Whereas, it is the determination of the City Council that City interest in a portion of the sanitary sewer easements across a part of Lot 1 of Dubuque Industrial Center 14th Addition, in the City of Dubuque, Iowa, included on the Plat of Survey recorded as Instrument No. 10616-99 and the Final Plat recorded as Instrument No. 2006-11108 in the Dubuque County Recorder's Office, as shown on the [provided] Exhibit A should be vacated and doing so is in the public interest of the City of Dubuque.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA;

Section 1. The City hereby vacates all interest in a portion of the sanitary sewer easements across a part of Lot 1 of Dubuque Industrial Center 14th Addition, in the City of Dubuque, Iowa, included on the Plat of Survey recorded as Instrument No. 10616-99 and the Final Plat recorded as Instrument No. 2006-11108 in the Dubuque County Recorder's Office, as shown on the [provided] Exhibit A.

Section 2. The City Clerk is hereby authorized to and directed to record this resolution with the Dubuque County Recorder.

Passed, approved, and adopted this 20th day of March 2023.

PUBLIC INPUT

Regarding Action Item No. 3, Mark Amber, 315 River Ridge St., spoke in opposition to the recommended management firm.

ACTION ITEMS

1. Solid Waste Automated Curbside Collection System Implementation Council Update: Motion by Resnick to receive and file the documents and listen to the presentation. Seconded by Farber. Public Works Director John Klostermann introduced Assistant Public Works Director Arielle Swift, who made a presentation on the implementation plan for the automated solid waste conveyance system and the distribution of solid waste carts to support that system. Responding to a question from the City Council, Resource Management Supervisor Jacob Jansen and Mr. Klostermann stated that the department is developing a procedure to assist specific residents who need assistance with collecting their solid waste carts. Motion carried 7-0.

2. Emergency Preparedness Railway Incidents Presentation: Motion by Roussell to receive and file the documents and listen to the presentation. Seconded by Sprank. Thomas Berger, Dubuque County Emergency Management Coordinator, made a presentation on emergency preparedness for railway incidents. Responding to a question from the City Council, Mr. Berger stated that he receives weekly reports from the railroad companies summarizing the types of chemicals they transported in the past week. Mr. Berger also stated that railroad companies are governed at the federal level, therefore railroad companies would communicate any suggested improvements to the appropriate federal agency. City Council members expressed their desire to have open communication with the railroad companies. Motion carried 7-0.

3. Grand River Center Management Agreement with Global Spectrum, L.P. d/b/a OVG360 Approval: Motion by Farber to receive and file the documents, approve the Grand River Center Management Agreement between the City of Dubuque and Global Spectrum, L.P. d/b/a OVG360, and listen to the presentation. Seconded by Jones. Leisure Services Manager Marie Ware made a presentation and introduced Shura Garnett, Senior Vice President of Convention Centers for OVG360. Responding to questions from the City Council, Ms. Garnett stated that the company will create a list of revenue enhancing priorities for the capital fund and that they intend to retain as many current Grand River Center employees as possible. City Manager Van Milligen stated that partnering with a national firm will help the Grand River Center host more events, therefore benefiting Dubuque hotels and amenities. Motion carried 7-0.

4. Amending Tax Increment Ordinance 28-22A for the Dubuque Industrial Center Economic Development District, as amended by Version 2023.1 of the Amended and Restated Plan: Motion by Roussell to receive and file the documents and that the requirement that a proposed ordinance be considered and voted on for passage at two Council meetings prior to the meeting at which it is to be passed be suspended. Seconded by Farber. Motion carried 7-0.

Motion by Roussell for final consideration and passage of Ordinance No. 9-23 Correcting and amending Ordinance No. 28-22A, previously amended, providing that general property taxes levied and collected each year on all property located within the Amended and Restated Dubuque Industrial Center Economic Development District Urban Renewal Area of the City of Dubuque, County of Dubuque, State of Iowa, by and for the benefit of the State of

Iowa, City of Dubuque, County of Dubuque, Dubuque Community School District, and other taxing districts, be paid to a special fund for payment of principal and interest on loans, monies advanced to and indebtedness, including bonds issued or to be issued, incurred by said city in connection with the Amended and Restated Dubuque Industrial Center Economic Development District Urban Renewal Redevelopment Project by removing certain property from Subarea E from the division of revenues. Seconded by Farber. Motion carried 7-0.

**ORDINANCE NO. 9-23
CORRECTING AND AMENDING ORDINANCE NO. 28-22A, PREVIOUSLY AMENDED, PROVIDING THAT GENERAL PROPERTY TAXES LEVIED AND COLLECTED EACH YEAR ON ALL PROPERTY LOCATED WITHIN THE AMENDED AND RE-

As to Subarea K, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2017, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 18-18.

As to Subarea L, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2017, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 45-18.

As to Subarea M, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2017, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 45-18.

As to Subarea N, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2020, being the assessment roll applicable to property in such subarea as of January 1 of preceding the effective date of Ordinance No. 16-21.

As to Subarea O, base period taxes shall be computed in the same manner using the total assessed value shown on

the assessment roll as of January 1, 2020, being the assessment roll applicable to property in such subarea as of January 1 of preceding the effective date of Ordinance 32-21.

As to Subarea P, Subarea P has been removed from the division of revenues by Ordinance 21-22. Subarea P will remain within the District.

As to Subarea Q, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2021, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 21-22.

As to Subarea R, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2021, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of this Ordinance No. 28-22-A.

Section 4: That portion of the taxes each year in excess of the base period taxes for the Amended Project Area, determined for each sub-area thereof as provided in Section 3 of this Ordinance, shall be allocated to and when collected be paid into the special tax increment fund previously established by the City of Dubuque to pay the principal of and interest on loans, monies advanced to, or indebtedness, whether funded, refunded, assumed or otherwise, including bonds issued under authority of Section 403.9 or Section 403.12 of the Code of Iowa, incurred by the City of Dubuque, Iowa to finance or refinance, in whole or in part, urban renewal projects undertaken within the District pursuant to the Urban Renewal Plan, except that taxes for the regular and voter-approved physical plant and equipment levy of a school district imposed pursuant to Section 298.2 of the Code of Iowa and taxes for the instructional support program of a school district imposed pursuant to Section 257.19 (but in each case only to the extent required under Section 403.19(2)), taxes for the payment of bonds and interest of each taxing district, and taxes imposed under Section 346.77 (22) related to joint county-city buildings, shall be collected against all taxable property within the Amended Project Area without any limitation as hereinabove provided.

Section 5: Unless or until the total assessed valuation of the taxable property in the subareas of the Amended Project Area exceeds the total assessed value of the taxable property in said subareas shown by the assessment rolls referred to in Section 3 of this Ordinance, all of the taxes levied and collected upon the taxable

property in the Amended Project Area shall be paid into the funds for the respective taxing districts as taxes by or for the taxing districts in the same manner as all other property taxes.

Section 6: At such time as the loans, monies advanced, bonds and interest thereon and indebtedness of the City of Dubuque referred to in Section 4 hereof have been paid, all monies thereafter received from taxes upon the taxable property in the Amended Project Area shall be paid into the funds for the respective taxing districts in the same manner as taxes on all other property.

Section 7: All ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed. The provisions of this Ordinance are intended and shall be construed so as to continue the division of taxes from taxable property in the Amended Project Area under the provisions of Section 403.19 of the Code of Iowa, as authorized in this Ordinance No. 9-23. In the event that any provision of this Ordinance shall be determined to be contrary to law it shall not affect other provisions or application of this Ordinance which shall at all times be construed to fully invoke the provisions of Section 403.19 of the Code of Iowa with reference to the Amended Project Area and the subareas contained therein.

Section 8: This Ordinance shall be in effect after its final passage, approval and publication as provided by law.

Passed and approved this 20th day of March, 2023.

January 1 of the calendar year preceding the effective date of Ordinance No. 55-15.

As to Subarea H, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2015, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 49-16.

As to Subarea I, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2015, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 49-16.

As to Subarea J, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2015, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 49-16.

As to Subarea K, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2017, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 18-18.

As to Subarea L, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2017, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 45-18.

As to Subarea M, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2017, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 45-18.

As to Subarea N, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2020, being the assessment roll applicable to property in such subarea as of

January 1 of preceding the effective date of Ordinance No. 16-21.

As to Subarea O, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2020, being the assessment roll applicable to property in such subarea as of January 1 of preceding the effective date of Ordinance 32-21.

As to Subarea P, Subarea P has been removed from the division of revenues by Ordinance 21-22. Subarea P will remain within the District.

As to Subarea Q, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2021, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of Ordinance No. 21-22.

As to Subarea R, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2021, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of this Ordinance No. 28-22-A.

As to Subarea S, base period taxes shall be computed in the same manner using the total assessed value shown on the assessment roll as of January 1, 2022, being the assessment roll applicable to property in such subarea as of January 1 of the calendar year preceding the effective date of this Ordinance No. 10-23.

Section 4: That portion of the taxes each year in excess of the base period taxes for the Amended Project Area, determined for each sub-area thereof as provided in Section 3 of this Ordinance, shall be allocated to and when collected be paid into the special tax increment fund previously established by the City of Dubuque to pay the principal of and interest on loans, monies advanced to, or indebtedness, whether funded, refunded, assumed or otherwise, including bonds issued under authority of Section 403.9 or Section 403.12 of the Code of Iowa, incurred by the City of Dubuque, Iowa to finance or refinance, in whole or in part, urban renewal projects undertaken within the District pursuant to the Urban Renewal Plan, except that taxes for the regular and voter-approved physical plant and equipment levy of a school district imposed pursuant to Section 298.2 of the Code of Iowa and taxes for the instructional support program of a school district imposed pursuant to Section 257.19 (but in each case

only to the extent required under Section 403.19(2)), taxes for the payment of bonds and interest of each taxing district, and taxes imposed under Section 346.77 (22) related to joint county-city buildings, shall be collected against all taxable property within the Amended Project Area without any limitation as hereinabove provided.

Section 5: Unless or until the total assessed valuation of the taxable property in the subareas of the Amended Project Area exceeds the total assessed value of the taxable property in said subareas shown by the assessment rolls referred to in Section 3 of this Ordinance, all of the taxes levied and collected upon the taxable property in the Amended Project Area shall be paid into the funds for the respective taxing districts as taxes by or for the taxing districts in the same manner as all other property taxes.

Section 6: At such time as the loans, monies advanced, bonds and interest thereon and indebtedness of the City of Dubuque referred to in Section 4 hereof have been paid, all monies thereafter received from taxes upon the taxable property in the Amended Project Area shall be paid into the funds for the respective taxing districts in the same manner as taxes on all other property.

Section 7: All ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed. The provisions of this Ordinance are intended and shall be construed so as to continue the division of taxes from taxable property in the Amended Project Area under the provisions of Section 403.19 of the Code of Iowa, as authorized in this Ordinance No. 10-23. In the event that any provision of this Ordinance shall be determined to be contrary to law it shall not affect other provisions or application of this Ordinance which shall at all times be construed to fully invoke the provisions of Section 403.19 of the Code of Iowa with reference to the Amended Project Area and the subareas contained therein.

Section 8: This Ordinance shall be in effect after its final passage, approval and publication as provided by law.

Passed and approved this 20th day of March, 2023.

**CITY OF DUBUQUE, IOWA
CITY COUNCIL PROCEEDINGS
SPECIAL SESSION
OFFICIAL**

The Dubuque City Council met in special session at 6:30 p.m. on March 21, 2023, in the second-floor Council Chambers of the Historic Federal Building, 350 W. 6th Street.

Present: Mayor Cavanagh; Council Members Farber, Jones, Resnick, Roussell, Sprank, Wethal; City Manager Van Milligen.

Mayor Cavanagh read the call and stated this is a special session of the City Council called for the purpose of conducting public hearings on certain Fiscal Year 2024 Department Budgets.

ACTION ITEMS

1. Budget Hearing Amendment Process: Motion by Roussell to receive and file the documents and discuss the budget hearing amendment process. Seconded by Resnick. City Council members agreed that Option No. 2, in which an informal poll is conducted to determine if a majority agrees with holding a budget item for separate discussion, is the recommended option for the budget hearing process. Responding to a question from the City Council, City Manager Van Milligen stated that debt reduction information will be provided at the March 23, 2023, final hearing to adopt the Fiscal Year 2024 budget. Motion carried 7-0.

PUBLIC HEARINGS

FISCAL YEAR 2024 DEPARTMENT BUDGETS

Fiscal Year 2024 City department budgets were presented by staff from the following departments:

1. Information Services Fiscal Year 2024 Budget Presentation: Chris Kohlmann, Information Services Manager.
2. Water Department Fiscal Year 2024 Budget Presentation: Christopher Lester, Water Department Manager.
3. Water & Resource Recovery Center Fiscal Year 2024 Budget Presentation: William O'Brien, Water and Resource Recovery Center Manager.
4. Public Works Fiscal Year 2024 Budget Presentation: John Klostermann, Public Works Director; and Arielle Swift, Assistant Public Works Director.

Staff responded to questions from the City Council following their respective presentations.

At the conclusion of Public Hearing No. 4, Council Member Wethal requested discussion of Fire Department Improvement Package No. 2 for the addition of one full-time Firefighter position, which was not recommended by City Manager Van Milligen. Council Member Wethal expressed support for funding this improvement package and stated that funding could come from three sources: the first funding source is \$65,329 from the Parks Department Improvement Package No. 3 for one full-time confidential account clerk; the second funding source is \$15,000 from the Planning Services Department's utility adjustments; and the third funding source is \$25,000 from the Health Services Department's Improvement Package No. 4 for a vehicle for the Health Services Environmental Sanitarian/Emergency Preparedness Planner. After City Council discussion, Mayor Cavanagh conducted a straw poll to determine if the request had majority support for additional discussion. The poll carried 6-1, with Resnick opposed. The City Council agreed to discuss the request during the March 23, 2023, final budget hearing to adopt the Fiscal Year 2024 budget.

Council Member Farber requested discussion of the Public Information Office's Improvement Package No. 1 for the addition of one full-time GIS Applications Specialist and suggested using excess funding from the maximum property tax dollars set by the City Council as a potential funding source. City Council members discussed the recommendation and reached a consensus that they did not want to increase the maximum property tax dollars from the amount recommended by City Manager Van Milligen. Based on consensus to not conduct additional discussion, Council Member Farber withdrew her request.

Council Member Resnick requested discussion of the Parks Department's Improvement Package No. 1 on funding additional pollinator areas throughout the park system. Council Member Resnick suggested the funding amount be reduced from \$50,000 to \$25,000. Chief Financial Officer Jennifer Larson stated that the Parks Policy Budget Book listed the incorrect amount for the improvement package, and that \$10,000 is the correct recommended funding amount. After confirming the recommended funding amount, Council Member Resnick determined that no additional discussion was needed.

City Manager Van Milligen stated that he developed a recommendation for the \$23,000 in additional Planning Services Department funds that he will submit to the City Council on March 22, 2023,

in advance of the March 23, 2023 final hearing to adopt the Fiscal Year 2024 budget.

There being no further business, Mayor Cavanagh declared the meeting adjourned at 10:02 p.m.

PUBLIC HEARINGS

1. Amended Fiscal Year 2024 Budget Recommendation: Motion by Roussell to receive and file the documents and adopt Resolution No. 76-23 Adopting the City of Dubuque Fiscal Year 2024 Annual Budget; and Resolution No. 77-23 Adopting the City of Dubuque Five Year Capital Improvement Program. Seconded by Sprank. City Manager Van Milligen made a presentation. Ryan Sempf, 300 Main St., Suite 200, provided input in support of increased funding for the targeted small business grant program. City Clerk Breitfelder stated that written input was received from: Dubuque Area Chamber of Commerce; Jesse Green, 5545 Chicago Ave.; Gail Chavenelle and Bill Dicken, 1155 Kelly Ln.; Clark Schloz, 2925 Burlington St.; Fred Miller; and the Resilient Community Advisory Commission. Responding to a question from the City Council, Chief Financial Officer Jennifer Larson stated that the city's recommended total full-time equivalents for Fiscal

Year 2024 is 769.02, which includes full-time, part-time, and temporary positions. Responding to a question from the City Council, City Manager Van Milligen summarized the city's growth over the past 40 years. City Manager Van Milligen stated that there is an additional \$23,000 in Fiscal Year 2024 funds due to the Planning Services Department's recommendation to increase fees. \$10,000 of the funding is intended to be spent on historic surveys through the Historic Preservation Technical Assistance Program. Assistant City Manager Cori Burbach stated that the remaining \$13,000 would be provided to the East Central Intergovernmental Association (ECIA)'s Community Solutions of Eastern Iowa, which provides homelessness and housing instability programming and aligns with the city's secondary responder model.

**RESOLUTION NO. 76-23
ADOPTING THE CITY OF DUBUQUE FISCAL YEAR 2024 ANNUAL BUDGET**

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the annual budget for the fiscal year ending June 30, 2024, as set forth in the Adoption of Budget and Certification of Taxes and supporting state budget forms showing the revenue estimates and appropriation expenditures and allocations to programs and activities for said fiscal year, is adopted as amended.

Section 2. The Chief Financial Officer is directed to make the filings required by law.

Passed, approved, and adopted this 23rd day of March 2023.

**RESOLUTION NO. 77-23
ADOPTING THE CITY OF DUBUQUE FIVE YEAR CAPITAL IMPROVEMENT PROGRAM**

Whereas, a recommended five-year Capital Improvement Program for the period beginning July 1, 2023, and ending June 30, 2028, for the City of Dubuque has been prepared and submitted to the City Council; and

Whereas, the five-year Capital Improvement Program describes specific capital improvement projects, provides estimated costs for those projects, proposes sources of funds for each of them, and schedules the year during which each project will be undertaken; and

Whereas, the capital improvement projects for the first year are included in the Fiscal Year 2024 budget for the City of Dubuque; and

Whereas, the five-year Capital Improvement Program will be reconsidered annually by the City Council and appropriately revised; and

Whereas, the adoption of the five-year Capital Improvement Program is a prudent

measure to provide continuity of programs and is in the best interest of the City of Dubuque.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the five-year Capital Improvement Program for the period beginning July 1, 2023, set out in the Fiscal Year 2024-2028 Recommended Capital Improvement Budget, is hereby approved, and adopted as allocation of City resources for capital improvements as scheduled in the years shown, subject to annual review and revision.

Passed, approved, and adopted this 23rd day of March 2023.

City Council members then discussed Council Member Wethal's request to recommend Fire Department Improvement Package No. 2 for the addition of one full-time Firefighter position. City Council members referenced the pending fire station study to help determine future Fire Department staffing needs and stressed the importance of adequate staffing for the Leisure Services Department, which was the department that Council Member Wethal had suggested eliminating a recommended position to help fund the additional firefighter. City Council Members also discussed their desire to not increase the maximum property tax rate from the rate recommended by City Manager Van Milligen. It was determined that there was not adequate City Council member support of Council Member Wethal's request.

City Council Members then discussed their desire to have additional community discussion on the Police Department's Improvement Package No. 2 of an Automated License Plate Reader system in the future. Motion carried 7-0.

Seconded by Farber. Motion carried 7-0.

**ORDINANCE NO. 15-23
AMENDING CITY OF DUBUQUE CODE OF
ORDINANCES TITLE 13 PUBLIC UTILITIES,
CHAPTER 6 SOLID WASTE, SECTION 13-6-3
CONTAINER REQUIREMENTS; COLLECTION
RESTRICTIONS; AND TITLE 13 PUBLIC
UTILITIES, CHAPTER 6 SOLID WASTE,**

ARTICLE A CITY OR PRIVATE COLLECTION SERVICE, SECTION 13-6A-6 RATES AND CHARGES ESTABLISHED; EXCEPTIONS AND SECTION 13-6A-8 YARD WASTE AND FOOD SCRAPS

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. Section 13-6-3 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

13-6-3: CONTAINER REQUIREMENTS; COLLECTION RESTRICTIONS:

A. Container Ownership, Refuse and Recycling Containers Provided:

1. Refuse. Any refuse container provided by the City shall be owned by the City.
2. One City owned curbside recycling container shall be provided by the City to each dwelling unit in Class I premises for the collection of recyclable materials. If additional recycling capacity is needed, a second container will be issued, or a City owned recycling tipper cart will be provided.

B. Disposal In Containers; Preparation Of Waste For Disposal: Solid waste shall be placed in bags secured with tags or otherwise sealed and placed in suitable containers or City owned tipper cart(s). Tree limbs and carpet shall be securely tied in bundles not more than forty-eight inches (48") long and eighteen inches (18") in diameter.

C. Container Standards: A standard solid waste container shall be not more than thirty-five (35) gallons nor be less than five (5) gallons in capacity except when only one container is used, in which case such container may be less than five (5) gallons in capacity. All such containers shall be waterproof and fitted with a tight lid and shall have handles, bails, or other suitable lifting devices. Containers shall be of a type originally manufactured for refuse or garbage, with tapered sides for easy emptying, and shall be of lightweight and sturdy construction. The weight of any individual standard container and its contents shall not exceed forty (40) pounds when utilizing non-City owned containers. Galvanized steel and similar metal containers, rubber containers, and plastic containers which do not become brittle in cold weather, may be used. Oil or grease drums, paint cans, and similar salvaged containers shall not be used. Disposable bags manufactured for garbage and solid waste disposal shall be acceptable unless they are left unattended for such a period of time or in such a location as to become a health hazard. Once a City owned trash tipper cart is

issued, the tipper cart becomes the only acceptable trash container unless the owner's container is approved by the City Manager.

D. Healthcare Waste:

1. Except for Class II premises, healthcare waste shall be placed in suitable containers separately from all other solid waste. Sharp objects such as hypodermic needles, syringes and lancets shall be securely contained in hard plastic or metal disposable containers with screw on or tightly secured lids for collection. Broken glass and similar materials shall be placed in disposable boxes with a secure closure. Other healthcare waste such as soiled bandages, disposable sheets and medical gloves shall be placed in thick disposable plastic bags or shall be double bagged.
2. Class II premises shall comply with all occupational safety health administration (OSHA) regulations concerning the disposal of potentially infectious wastes.

E. Unacceptable Items For Collection: A basket, box or noncomplying solid waste container shall be considered disposable solid waste and shall be removed by the collection crews if it is the proper size and otherwise acceptable for collection. It shall be left uncollected if it is larger than the allowable size or otherwise unacceptable for collection.

F. Large And Bulky Rubbish: Large and bulky rubbish such as furniture and appliances shall not be collected except when a special collection is established by the city manager for the collection of such items.

6. Five-Year Street Construction Program for Fiscal Years 2024 – 2028: Motion by Resnick to receive and file the documents and adopt Resolution No. 78-23 Adopting the Five-Year Street Construction Program for Fiscal Years 2024 - 2028. Seconded by Jones. Motion carried 7-0.

**RESOLUTION NO. 78-23
ADOPTING THE FIVE-YEAR STREET CONSTRUCTION PROGRAM FOR FISCAL YEARS 2024 - 2028**

Whereas, a recommended Five-Year Street Construction Program for the Fiscal Year 2024 - 2028 beginning July 1, 2023 and ending June 30, 2028, for the City of Dubuque has been prepared and submitted to the City Council; and

Whereas, the Five-Year Street Construction Program: 1) describes specific capital improvement projects; 2) provides estimated costs for those projects; 3) proposes sources of funding; and 4) schedules the fiscal/calendar year during which each project will be undertaken; and

Whereas, the capital improvement projects for the first year of such five-year program are included in the Fiscal Year 2024 budget; and

Whereas, the adoption of the Five-Year Street Construction Program is a prudent measure to provide continuity of programs and is in the best interest of the City of Dubuque.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Five-Year Street Construction Program for Fiscal Years 2024 – 2028 beginning July 1, 2023, set out in the Fiscal Years 2024 – 2028 recommended Capital Improvement Budget, is hereby approved, and adopted as the proposed allocation of City resources for capital improvements as scheduled in the years shown, subject to annual review and revision.

Passed, adopted, and approved this 23rd day of March 2023.

4. Approval of City Expenditures: Upon motion the documents were received and filed, and Resolution No. 79-23 Authorizing the Chief Financial Officer/City Treasurer to make certain payments of bills that must be paid and approved for payment in accordance with City procedures was adopted.

**RESOLUTION NO. 79-23
AUTHORIZING THE CHIEF FINANCIAL OFFICER / CITY TREASURER TO MAKE CERTAIN PAYMENTS OF BILLS THAT MUST BE PAID AND APPROVED FOR PAYMENT IN ACCORDANCE WITH CITY PROCEDURES**

Whereas, Section 1-7-7(E) of the Municipal Code of the City of Dubuque provides that the Finance Director-City Treasurer shall keep an accurate account of all disbursements, money, or property, specifying date, to whom, and from what fund paid; and

Whereas, the invoices, presented by those firms and persons providing such goods and services have been pre-audited by Finance Department personnel in accordance with generally accepted internal control procedures and have been determined to have been requisitioned for a lawful municipal purpose; and

Whereas, the Chief Financial Officer-City Treasurer has provided a list of Expenditures [provided] hereto, and by this reference made

a part hereof, to be drawn to pay for goods and services provided for City purposes; and

Whereas, the City Council of the City of Dubuque has heretofore, by Resolution 142-18 adopted May 7, 2018, authorized the Chief Financial Officer-City Treasurer to issue checks in payment of certain expenditures known as Exception Expenditures prior to City Council approval and such list is [provided] hereto.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA THAT:

Section 1. The Chief Financial Officer-City Treasurer is hereby authorized to issue payment for goods and services provided for City purposes in response to the purchase orders and contracts issued in compliance with state and municipal code requirements as requested by designated requisitioning authorities in accordance with approved budget appropriations.

Section 2. In accordance with Iowa Code Section 372.13(6), the City Clerk and Chief Financial Officer are hereby authorized and directed to provide the statement of receipts and disbursements to the City Council, and to publish a summary thereof.

Passed, approved, and adopted this 3rd day of April, 2023.

Brad M. Cavanagh, Mayor

5. Fiscal Year 2024 Community Development Block Grant Annual Action Plan: Upon motion the documents were received and filed, and Resolution No. 80-23 Adopting the Fiscal Year 2024 (Program Year 2023) Community Development Block Grant (CDBG) Annual Action Plan for Approval was adopted.

**RESOLUTION NO. 80-23
ADOPTING THE FISCAL YEAR 2024 (PROGRAM YEAR 2023) COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) ANNUAL ACTION PLAN FOR APPROVAL**

Whereas, the City of Dubuque, through a series of public meetings and hearings, proposed a Fiscal Year 2024 (Program Year 2023) Community Development Block Grant Annual Action Plan be approved addressing housing and non-housing needs in the community; and

Whereas, the Community Development Advisory Commission held a public hearing on January 18, 2023 to receive community input on the Fiscal Year 2024 (Program Year 2023) Community Development Block Grant Annual Action Plan; and

Whereas, the Community Development Advisory Commission unanimously recommended the City Council approve Fiscal Year 2024 (Program Year 2023) Community Development Block Grant Annual Action Plan on January 18, 2023.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Community Development Block Grant Fiscal Year 2024 (Program Year 2023) Annual Action Plan, [provided] hereto and by this reference made a part hereof, is hereby adopted.

Section 2. The City Manager or his designee of the City of Dubuque is hereby authorized to direct staff to prepare and submit to the United States Department of Housing and Urban Development the Fiscal Year 2024 (Program Year 2023) Annual Action Plan with all related documents, for the use of Community Development Block Grant funds based on this adopted budget and execute standard contracts and agreements.

Passed, approved, and adopted this 3rd day of April, 2023.

Brad M. Cavanagh, Mayor
Attest: Adrienne N. Breitfelder, City Clerk

6. Second Amendment to Community Development Block Grant (CDBG) Subrecipient Agreement between the City of Dubuque and Dubuque Community School District: Upon motion the documents were received and filed, and Resolution No. 81-23 Authorizing the Second Amendment to the CDBG Subrecipient Agreement between the City of Dubuque and Dubuque Community School District was adopted.

**RESOLUTION NO. 81-23
AUTHORIZING THE SECOND AMENDMENT
TO THE CDBG SUBRECIPIENT AGREEMENT
BETWEEN THE CITY OF DUBUQUE
AND DUBUQUE COMMUNITY SCHOOL DISTRICT**

Whereas, the City of Dubuque and Dubuque Community School District entered into a CDBG Subrecipient Agreement Amendment #1 dated May 16, 2022 with respect to the matters specified therein for the archaeological survey and planning costs; and

Whereas, the parties desire to modify the Subrecipient Agreement as set out in the Second Amendment to the Subrecipient Agreement [provided] hereto; and

Whereas, the Dubuque Community School District Lincoln Wellness Project provides services to low- to moderate-income areas.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Second Amendment to the CDBG Subrecipient Agreement be approved.

Section 2. That the Mayor of the City of Dubuque is hereby authorized and directed to execute said Amendment on behalf of the City of Dubuque, Iowa.

Passed, approved, and adopted this 3rd day of April 2023.

Brad M. Cavanagh, Mayor
Attest: Adrienne N. Breitfelder, City Clerk

7. First Amendment to the Housing TIF Agreement with Affordable Housing Network Inc (AHNI): Upon motion the documents were received and filed, and Resolution No. 82-23 Approving the First Amendment to an Agreement with Affordable Housing Network, Inc. for the rehabilitation of residential property within the City of Dubuque for resale or rental to low and moderate-income families was adopted.

**RESOLUTION NO. 82-23
APPROVING THE FIRST AMENDMENT TO
AN AGREEMENT WITH AFFORDABLE
HOUSING NETWORK, INC. FOR THE REHA-
BILITATION OF RESIDENTIAL PROPERTY
WITHIN THE CITY OF DUBUQUE FOR RE-
SALE OR RENTAL TO LOW AND MODER-
ATE-INCOME FAMILIES**

Whereas, the City of Dubuque ("City") and Affordable Housing Network, Inc. ("AHNI") are parties to an Agreement (the Agreement) dated for reference purposes the 3rd day of June, 2019; and

Whereas, the parties now desire to amend the agreement.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA, AS FOLLOWS:

Section 1. The First Amendment to the Agreement is hereby approved.

Section 2. The City Manager is hereby authorized and directed to execute such Amended Agreement on behalf of the City of Dubuque, Iowa.

Section 3. The City Council grants the authority to the City Manager or the City Manager's designee to manage the agreement and act in accordance with the terms of the agreement.

Passed, approved, and adopted this 3rd day of April, 2023.

Brad M. Cavanagh, Mayor

8. Grass and Weed Cutting and Garbage Collection Assessments: Upon motion the documents were received and filed, and Resolution No. 83-23 Authorizing the city to collect delinquent grass and weed cutting and garbage collection charges in accordance with Title 6-4-3A and Title 6-8-2 of the Code of Ordinances of the City of Dubuque, Iowa was adopted.

**RESOLUTION NO. 83-23
AUTHORIZING THE CITY TO COLLECT DE-
LINQUENT GRASS AND WEED CUTTING
AND GARBAGE COLLECTION CHARGES
IN ACCORDANCE WITH TITLE 6-4-3A and**

TITLE 6-8-2 OF THE CODE OF ORDINANCES OF THE CITY OF DUBUQUE, IOWA

Whereas, residential properties in the City of Dubuque are considered substandard if any conditions exist to an extent that endanger life, limb, health, property, safety, or welfare of the public or the occupants thereof; and

Whereas, whenever in the judgment of the Housing Officer, a nuisance that is "palpably and indisputably such" exists which requires immediate action to protect the public health, safety or welfare of the public, the Housing Officer may order the emergency abatement of such; and

Whereas, delinquent grass and weed cutting and garbage collection charges shall be certified by the City Clerk to the Dubuque County Treasurer for collection with, and in the same manner as general property taxes.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the persons listed on the attached Grass/Weed/Garbage Assessment Schedule are delinquent in the payment of grass and weed cutting and garbage collection charges.

Section 2. That the City Clerk be and is hereby ordered and directed to certify to the County Treasurer of Dubuque County, Iowa, that the persons named on the attached Grass/Weed/Garbage Assessment Schedule are delinquent in the payment of grass and weed cutting and garbage collection charges in the amount set aside of the respective names, and that said amounts shall be collected in the same manner as general property taxes against the respective parcels of property set opposite the names of the owners.

Passed, approved, and adopted this 3rd day of April, 2023.

PUBLIC HEARINGS

1. Submission of Annual Public Housing Agency (PHA) Plan – Federal Fiscal Year 2023

(PHA Fiscal Year 2024) Annual Plan: Motion by Resnick to receive and file the documents and adopt Resolution No. 94-23 Authorizing the Mayor to execute the Certification by State or Local Office of Public Housing Agency (PHA) Plan's Consistency with the Consolidated Plan and approval of the PHA Fiscal Year 2024 Annual Plan. Seconded by Rousell. Anthony Allen, Dubuque NAACP President; and R.R.S. Stewart, 460 Summit St. and 741 W. 3rd St., Dubuque NAACP Treasurer, spoke in opposition to the proposed plan, referencing the United States Department of Housing and Urban Development's (HUD) past conclusion that the city's previous policy on granting preference for housing choice vouchers (HCVs) to local residents was discriminatory. Tom LoGuidice, 786 Stoneridge Pl., expressed concerns that low-income residents cannot find quality housing and provided information on subsidized housing under Section 42. Responding to a question from the City Council, Housing and Community Development Director Alexis Steger stated that the city added 110 affordable housing units last year. Ms. Steger stated that the city has not yet implemented residency preference for HCVs and that the department has ongoing conversations with HUD regarding the proposed residency preference. City Manager Van Milligen stated that HUD authorizes the city for over 1100 HCVs but only funds around 800, and that if the city does not use all of the allocated HCVs then the city may receive less funding the following year. City Manager Van Milligen also stated that HUD provided names of cities that currently have residency preference provisions. City Attorney Brumwell referenced Code of Federal Regulations (CFR): 24 CFR 960.206, which states that residency requirements are prohibited but residency preferences are permitted. City Attorney Brumwell further stated that the plan is renewed on an annual basis and that the City Council has more control over the day-to-day operations of the administrative plan. Ms. Steger stated that the department will receive a Section 8 audit from HUD this June and will also receive eight hours of technical assistance on any topic of their choice, both of which will provide the department with key data and feedback for the plan. City Council members discussed the perceptions of residency preference and whether the plan should include it. City Council members also discussed the need for affordable housing and the importance of maintaining their allocated federal funding for HCVs. Motion carried 5-2 with Resnick and Wethal voting nay.

RESOLUTION NO. 94-23

AUTHORIZING THE MAYOR TO EXECUTE THE CERTIFICATION BY STATE OR LOCAL OFFICE OF PUBLIC HOUSING AGENCY

(PHA) PLAN'S CONSISTENCY WITH THE CONSOLIDATED PLAN AND APPROVAL OF THE PHA FISCAL YEAR 2024 ANNUAL PLAN

Whereas, the U.S. Department of Housing and Urban Development requires submission of the Public Housing Agency (PHA) Plan on an annual basis; and

Whereas, the U.S. Department of Housing and Urban Development requires Certification of the PHA Plan's Consistency with the Consolidated Plan; and

**RESOLUTION NO. 113-23
APPROVING THE CONSENT TO ASSIGN-
MENT AND ASSUMPTION AGREEMENT
BETWEEN THE HOTEL DUBUQUE L.L.C.,
AND NOVELTY IRON LANDLORD LLC AND
APPROVING THE EIGHTH AMENDMENT TO
DEVELOPMENT AGREEMENT BETWEEN
AND AMONG THE CITY OF DUBUQUE,
IOWA, THE HOTEL DUBUQUE L.L.C., AND
NOVELTY IRON LANDLORD LLC**

Whereas, the City of Dubuque, Iowa and Warehouse Trust, LLC, entered into a Development Agreement, dated for reference purposes the 17th day of June 2013, as amended, which Development Agreement was subsequently assigned by Warehouse Trust, LLC to Novelty Landlord LLC with the consent of the

City; and

Whereas, there have been seven prior amendments to the Development Agreement, namely: First Amendment, dated the 21st day of August 2013; Second Amendment, dated the 6th day of January, 2014; Third Amendment. Dated the 16th day of March, 2015; Fourth Amendment, dated the 21st day of December, 2015; Fifth Amendment, dated the 19th day of June, 2017; Sixth Amendment, dated the 4th day of October, 2022 and a Seventh Amendment, dated the 3rd of January, 2023; and

Whereas, the Development Agreement pertains to Property now comprised of Condominium Units and legally described as follows:

Unit 1, Unit 2, and Unit 3 of Novelty Iron Works Condominiums located on Lot 1 of Lot 1 of Center City Place #2, in the City of Dubuque, Iowa, according to Declaration of Submission to Horizontal Property Regime, Instrument #2014-2934 and the recorded Plat thereof (hereinafter "Unit 1", "Unit 2", and "Unit 3", and together with all corresponding common areas, collectively, the "Property"; and

Whereas, Novelty Landlord LLC and The Hotel Dubuque L.L.C. previously entered an Assignment and Assumption of Contract Rights and Obligations, dated as of September 15, 2022 and consented to by the City on September 20, 2022, pursuant to which Novelty Landlord LLC agreed to assign the Development Agreement to The Hotel Dubuque L.L.C. (the "Contemplated Prior Assignment"), contingent and effective upon closing under a Purchase and Sale Agreement whereby The Hotel Dubuque L.L.C. would acquire the entire Property from Novelty Landlord LLC (the "Prior Purchase Agreement"); and

Whereas, closing under the Prior Purchase Agreement has not occurred and, accordingly, the Contemplated Prior Assignment has not been consummated; and

Whereas, the Sixth Amendment and Seventh Amendment anticipated the Contemplated Prior Assignment, and the effect of such amendments was necessarily dependent upon consummation of the Contemplated Prior Purchase Agreement; and

Whereas, Novelty Landlord LLC and The Hotel Dubuque L.L.C. have Amended and Restated the Prior Purchase Agreement to provide for The Hotel Dubuque L.L.C. acquisition of Unit 3 from Novelty Landlord LLC (the "Unit 3 Acquisition"); and

Whereas, concurrent with this Amendment, the parties are rescinding the Contemplated Prior Assignment Agreement and entering the Partial Assignment and Assumption of Contract Rights and Obligations [provided] hereto as Exhibit A, subject to City's consent thereto, in order to provide for partial assignment of the

Development Agreement pertaining to Unit 3, upon the Unit 3 Acquisition; and

Whereas, as further set forth in the Eighth Amendment to Development Agreement, the parties also desire to amend the Development Agreement to (a) clarify the rights and obligations of the parties following the [provided] Partial Assignment and Assumption of Contract Rights and Obligations, and (b) to explicitly rescind the Sixth Amendment and the Seventh Amendment.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA AS FOLLOWS:

Section 1. The City consents to the [provided] Assignment and Assumption of Contract Rights and Obligations.

Section 2. The City approves the [provided] Eighth Amendment to Development Agreement.

Section 3. The Mayor and City Clerk are hereby authorized and directed to execute the Consent to Assignment and Assumption of Contract Rights and Obligations and the Eighth Amendment to Development Agreement.

Passed, approved, and adopted this 17th day of April, 2023.

- e. The Project Team, at its sole cost, will be responsible for bringing all existing public improvements that did not pass inspection, were defective, or were in need of repair, as detailed in section 1.5 of the Subdivision Development Agreement For Fox Hills Subdivision, approved per City Resolution No. 97-23, at the City's sole discretion, up to City standards before acceptance by the City.
- f. To construct the improvements outlined in (a), (b), (c), (d) and (e), above within two (2) years from the date of acceptance of this resolution, at the sole expense of the Project Team, or future owner. Notwithstanding the foregoing, if the completion of the improvements set

forth above is delayed due to any Force Majeure conditions, or by any other like event or condition beyond the reasonable control of the Project Team, and the Project Team provides written notice of such Force Majeure event within ninety (90) days of the end of the two (2) year period described in this clause, then the City shall toll the obligations of the Development Agreement on a day-for-day basis for the period of delay or suspension. For purposes of this provision, "Force Majeure" shall mean any delay caused by damage or destruction by fire or other casualty, or by reason of Acts of God, strikes, lockouts, unavailability of materials, failure of power, prohibitive governmental laws or regulations (beyond the control of the City), war, riots, insurrections, epidemics or pandemics that trigger the issuance of a gubernatorial disaster declaration by the Governor of the State of Iowa, the act or failure to act of the other party, adverse weather conditions preventing the performance of work, or other reason beyond such party's control, and in such case, the time for performance of such act shall be extended for a period equivalent to the period of such delay.

- g. To maintain the improvements outlined in (a), (b), (c), and (d) above for a period of two (2) years from the date of the acceptance of those improvements by the City Council of the City of Dubuque, Iowa, at the sole final expense of the Project Team, or future owner.
- h. To provide security for the performance of the foregoing conditions specified in this Section, in an amount of 110% of the estimated costs of the improvements outlined in (a), (b), (c), and (d) above, in such form and with such sureties as per the Subdivision Development Agreement For Fox Hills Subdivision, approved per City Resolution No. 97-23, and as may be acceptable to the City Manager of the City of Dubuque, Iowa.

Section 3. That sidewalk installation shall be the responsibility of each lot owner for each lot abutting the public rights-of-way, including lots with multiple frontages, as required by City Code Chapter 10-1-2 (Sidewalk Installation and Repair).

Section 4. That the Project Team must construct and maintain erosion and sediment control devices on the Site which minimize erosion and prevent sediment from leaving the Site. The Project Team shall also be responsible for maintenance of the detention facility in Lot B of Asbury Plaza No. 22 until 80% of the lots in the Site area, which drain into said detention

facility, have been fully developed and adequate erosion control measures, as approved by the City Engineer, have been installed on the remaining 20% of said lots. Maintenance of the detention facility and Lot B of Asbury Plaza No. 22 shall include general property maintenance, removal of sediment and other debris caused by construction activities on the Site and reshaping and reseeded of disturbed areas. After said 80% lots on the Site are developed and the detention facility is found to be in general conformance with the improvement plans, inspection, administration, and maintenance expenses incurred by the City for the storm water detention facility on Lot B of Asbury Plaza No. 22 shall be assessed against the benefiting property owners, except the City, in Fox Hills Addition, as indicated on the preliminary plats thereof, in equal amounts. The City Manager shall certify such costs to the City Clerk, who in turn shall promptly certify such costs to the Dubuque County Treasurer, and such costs shall then be collected with and in the same manner as general property taxes in accordance with provisions of law.

Section 5. That the Project Team must maintain the temporary cul-de-sacs on of Plaza Drive, Plaza Court, and North Plaza Loop, except for snow removal and deicing, until such time as the development of the adjacent property begins or Project Team designs and constructs permanent cul-de-sac improvements to current City Standards and dedicates said improvements and an appropriate right of way to the City.

Section 6. The Project Team shall design, construct, and maintain a privately owned redundant water main loop and a secondary/emergency access roadway, and grant appropriate associated easements, all per Sections 1.7 and 1.8 of the Subdivision Development Agreement For Fox Hills Subdivision, approved per City Resolution No. 97-23.

Section 7. Previously Installed Public Improvements. The Project Team shall be responsible for meeting all requirements (including repairs and maintenance) for any existing improvements installed prior to the date of this resolution that are to be dedicated to the City for ownership and maintenance. This responsibility, which is guaranteed by the Project Team, shall continue from the date of this Subdivision Development Agreement For Fox Hills Subdivision, approved per City Resolution No. 97-23, until the last certificate of occupancy is issued for the Project. City reserves the right to add any testing requirements for acceptance of improvements as it deems reasonably necessary. All reporting, documentation, and testing requirements will be to the exclusive and reasonable satisfaction of City. Notwithstanding the foregoing, the City shall not require any repairs, improvements, or replacements for any

existing improvements which: (a) were previously approved by the City and are in good working order; and (b) are not reasonably required for the overall operation of the system for which such improvement is a part.

Section 8. The Project Team and/or the Project's contractor will not be responsible for or warranty trees or other plant materials selected or planted by others. Notwithstanding the foregoing, the planting of street trees shall be coordinated with the City's Urban Forester. The tree(s) will be planted by the Project Team. Any tree(s) planted within the street right-of-way (including location and species) must be approved by the City's Urban Forester.

Section 9. That the final acceptance of the public improvements shall only occur upon certification of the City Engineer to the City Council that the public improvements have been completed in accordance with the approved improvement plans and City standards and specifications and accepted by City Council Resolution.

Section 10. That in the event the Project Team fails to execute the acceptance and furnish the guarantees provided hereof within 180 days after the date of this Resolution, the provisions hereof shall be null and void and the acceptance of the dedication and approval the plat shall not be effective.

Section 11. Inspection and Acceptance. The City will inspect any yet to be constructed public Project improvements throughout its implementation and at its completion to ensure compliance with the approved plans and specifications. The Project Team must pay to the City an inspection fee in the amount of three percent (3%) of the estimated construction cost for the yet to be constructed City streets and infrastructure improvements therein only. The City will conduct a periodic inspection of the completed sections of the public Project infrastructure. As individual sections of the public Project infrastructure are inspected and deemed substantially complete, the securities required can be reduced as detailed in Section 3.2 above. If the inspection establishes that the public Project infrastructure has been completed in accordance with the approved plans and City requirements and specifications, the Project will be accepted by City Council.

Passed, approved, and adopted this 17th day of April 2023.

ITEMS SET FOR PUBLIC HEARING

Motion by Roussell to receive and file the documents, adopt the resolutions, and set the public hearing as indicated. Seconded by Wethal. Motion carried 7-0.

1. Resolution Setting a Public Hearing on the Proposed First Amendment to Development Agreement by and between the City of Dubuque and Seippel Warehouse, LLC providing for the Issuance of Urban Renewal Tax Increment Revenue Grant Obligations Pursuant to the Development Agreement: Upon motion

the documents were received and filed and Resolution No. 115-23 Setting a public hearing on the First Amendment to Development Agreement between the City of Dubuque, Iowa and Seippel Warehouse, LLC was adopted setting a public hearing for a meeting to commence at 6:30 p.m. on May 1, 2023 in the Historic Federal Building.

**RESOLUTION NO. 115-23
SETTING A PUBLIC HEARING ON THE
FIRST AMENDMENT TO DEVELOPMENT
AGREEMENT BETWEEN THE CITY OF
DUBUQUE, IOWA AND SEIPPEL WARE-
HOUSE, LLC**

Whereas, the City of Dubuque (City) and Seippel Warehouse, LLC (Developer) previously entered into a Development Agreement dated February 20, 2023, for the development of real estate legally described as:

Lot 2 of Dubuque Center South First Additions, City of Dubuque, Iowa: (the "Initial Property"); and

Whereas, Developer desires to acquire additional real estate adjoining the Initial Property described as follows:

Lot 2 of Lot 3 of Dubuque Industrial Center South First Addition, Dubuque Iowa (the "Wilming Property"); and
Lot 2 in Brehm Acres Plat 3, Dubuque, Iowa (the "Brehm Property") (the "Property") all of which shall be combined in a consolidated plat; and

Whereas, Developer intends to expand the size of the warehouse to be constructed on the Initial Property, to extend the structure over portions of the Brehm Property and to obtain access to the structure over the Wilming Property; and

Whereas, the parties desire to amend the Development Agreement to include the Wilming Property and the Brehm Property in the definition of Property in the Development Agreement and to otherwise modify the Development Agreement to accommodate additional property; and

Whereas, City and Developer desire to amend the Development Agreement as set forth herein.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the City Council intends to approve the First Amendment to Development Agreement by and between the City of Dubuque and Seippel Warehouse, LLC, a copy of which is [provided] hereto.

Section 2. The City Clerk is hereby authorized and directed to cause this Resolution and a notice to be published as prescribed by Iowa Code Section 364.7 of a public hearing on the City's intent to enter into a First Amendment to Development Agreement by and between the

City of Dubuque and Seippel Warehouse, LLC, to be held on the 1st day of May, 2023 at 6:30 p.m. in the form [provided] hereto.

Section 3. The City Council will also meet at said time and place for the purpose of taking action on the matter of authorizing Urban Renewal Tax Increment Revenue obligations and the execution of the First Amendment to Development Agreement relating thereto with Seippel Warehouse, LLC, the proceeds of which obligations will be used to carry out certain of the special financing activities described in the Urban Renewal Plan for the Dubuque Industrial Center Economic Development District, consisting of the funding of economic development grants to Seippel Warehouse, LLC, pursuant to the Development Agreement under the terms and conditions of said Urban Renewal Plan. It is expected that the aggregate amount of the Tax Increment Revenue obligations will be approximately \$4,803,760.

Section 4. The City Clerk is hereby directed to cause at least one publication to be made of a notice of said meeting, in a newspaper, printed wholly in the English language, published at least once weekly, and having general circulation in said City, said publication to be not less than four days nor more than twenty days before the date of said meeting on the disposal of the City's interest in the Property and the issuance of said obligations.

Section 5. That the notice of the proposed action shall be in substantially the form [provided] hereto.

Passed, approved, and adopted this 17th day of April, 2023.

- E. Exterior Storage Regulations: Exterior storage shall be in accordance with the following regulations:

Allowable Products Store, Allowable Location, Allowable Screening Materials, Minimum Opacity, Maximum Height of Screening

Zone D, Raw or finished goods; equipment, Rear or side yards, Similar to building color, 50%, 12 ft.

Zone O, PROHIBITED

- 1) Exterior storage of materials, which could be blown into the air or strewn about by the wind, shall be prohibited.
- 2) Exterior storage, where allowed, shall not encroach into a front yard. A front yard may exceed the required front yard setback.
- 3) The ground area coverage of exterior storage areas shall be the area contained inside the required screening. This area shall be considered to be a building-related feature for purposes of calculating total land area coverage.
- 4) Exterior storage must be screened from view from adjacent public right-of-way.
- 5) The screening height shall be measured from the ground level outside the line of the screen. Screens built on sloping grades shall be stepped so that their top line shall be horizontal.
- 6) Required screening is intended to buffer surrounding property from the negative visual impact created by the storage of raw or finished goods, materials and equipment that can adversely impact the value of adjacent property.
- 7) The City Planner may grant a waiver for screening to exceed the maximum height allowed when topography or height of individual finished products or equipment could make it impossible to completely screen a storage area from every vantage point. The City Planner may not grant waiver in maximum screening height for raw materials or stacked goods.
- 8) All exterior entrances to a screened storage area shall be provided with a gate or door of similar design to that of the screen.
- 9) Long-term storage of products or materials in semi-trailers or shipping containers is prohibited.

F. Exterior Trash Collection Area Requirements

- 1) Exterior trash collection areas shall include collection bins, dumpsters, and similar waste receptacles for the short-term storage and collection of trash. Trash shall include garbage, scrap, recyclables, debris, and similar materials.
- 2) The storage of trash shall be limited to that produced by the principal permitted use and accessory uses of the lot. Exterior storage of trash, which could be

- blown into the air or strewn about by the wind, shall be prohibited.
- 3) The ground area coverage of exterior trash collection areas shall be the area contained inside the required screening. This area shall be considered a building-related feature for purposes of calculating total land area coverages.
 - 4) Exterior trash collection areas shall be located in rear or side yards only. Exterior trash collection areas shall not encroach into a front yard. A front yard may exceed the required front yard setback.
 - 5) All exterior trash collection areas and the materials contained therein shall be screened from view from the adjacent public right-of-way.
 - 6) The screening shall be a completely opaque fence, wall or other feature not exceeding a height of 10 ft. measured from the ground level outside the line of the screen. Screens built on sloping grades shall be stepped so that their top line shall be horizontal.
 - 7) Exposed materials used to construct the opaque screen shall be similar in appearance to materials used for exterior building walls. All exterior entrances to a screened trash area shall be provided with a gate or door of similar design to that of the screen.
 - 8) If a 10-foot-high screen fails to shield the exterior trash collection area from view from the adjacent public right-of-way, evergreen plantings may be required in addition to the screening. Evergreen plant materials shall be selected and designed so that they will screen the area from the adjacent public right-of-way within five (5) years.
- G. Landscaping Regulations: The following landscape regulations shall apply to each lot:
- 1) Plant Materials: The open space area of each lot shall be planted with permanent lawn and ground covers, shrubs, and trees. It is the intent of these regulations that the development of required open spaces shall reflect a high quality of environmental design.
 - 2) Landscaping: The following is the minimum requirement of trees and shrubs, by number and size, and the type of ground cover required. Street trees planted in public street right-of-way shall not be counted toward fulfillment of the minimum site requirements set forth below. Plant species to be used for landscaping shall be in accordance with the City of Dubuque Street Tree Policy. Existing trees and shrubs to be retained on-site may be counted toward fulfillment of the landscaping requirements.
 - a) Minimum tree planting requirements for any new development in the Dubuque Industrial Center South shall be one (1) tree of the following size per 1,600 square ft. of required open space:
 - 40% minimum: 2-2 1/2" caliper diameter deciduous and/or 8-foot height or greater evergreen.
 - Balance: 1 1/2 - 2" caliper diameter deciduous and/or 6-foot height evergreen.
 - b) Minimum shrub requirements at the time of planting for any development in the PUD District shall be 6 shrubs, or 1 shrub per 1,000 square ft. of required open space, whichever is greater. Shrubs shall be a minimum of 18" height or minimum of one (1) gallon potted.
 - 3) Landscape berms and/or plantings shall be required as screening for parking areas adjacent to public streets and shall be a minimum of three (3) ft. in height and can utilize natural grade changes to achieve the required 50% opacity landscaping screen. Parking lot screening is in addition to required landscaping of open space areas.
 - 4) Trees shall be provided in all parking lot islands, which are of sufficient size to ensure the growth and survival of the trees. Trees planted in parking lot islands may be counted toward the minimum tree planting requirements.
 - 5) The developer of any lot fronting Seipel Road and/or other Public Streets shall participate in the planting trees compatible in species and spacing with tree plantings, which have previously been completed by the City along Seipel Road.
 - 6) The installation of required planting materials may be phased in direct proportion to the phasing of building construction. Required landscaping shall be installed by the date the Building Services Department issues an occupancy certificate, or if winter weather prevents planting, within six months of being issued an occupancy certificate.
 - 7) The lot owner is required to replant any and all plant materials which have died due to any cause during the effective period of this PUD Ordinance.
 - 8) A detailed landscape plan shall be required as part of submittal for final site development plan approval.
 - 9) The area between the public street and the right-of-way line shall be planted with grass and maintained by the lot

owner.

H. Sign Regulations

- 1) Applicability of City of Dubuque Ordinances: The provisions of the City of Dubuque Unified Development code Article 15 Signs shall apply unless further regulated by this section.

*The height of the monument-style signs shall be measured from average grade to top of sign structures.

c) Variances: Variances from sign requirements for size, number and height may be requested. Such variances shall be reviewed by the Zoning Board of Adjustment in accordance with Article 8-6 of the Unified Development Code.

d) Lighting: Signs may be illuminated only by means of indirect lighting, whereby all light sources and devices are shielded from view by opaque or translucent materials, or internally illuminated by means of a light source completely enclosed by the sign panel.

e) Motion: No signs may include any device or means, mechanical, electrical, or natural, which shall cause any motion of the sign panel or any part thereof. No flashing lights or changing colors shall be allowed.

I. Maintenance Assessments

1) The City will cause the construction of such improvements as the City deems appropriate in the Public Areas of this PUD District shown on the Plan. Maintenance and repair of the Public Areas and its improvements is the responsibility of the City with fifty percent (50%) of costs of such maintenance and repair assessed to and paid by the owners of property in this PUD District. Private connections to the Public Areas and the subsequent maintenance and repair of such private connections are the responsibility of each owner and may not be constructed without the prior written approval of the City.

2) The City will assess against the properties in this PUD District in each assessment year an annual assessment for the purpose of paying fifty percent (50%) of the actual costs of the City's maintenance and repair of the Public Areas and the actual costs associated with maintaining and lighting the park entrance signs. Said assessment may also include the establishment of a capital improvements reserve fund for such purposes. Upon establishment of such assessment levy, the owner of each lot must pay to the City a pro rata share (as hereinafter defined) of such assessment.

The owner waives any and all rights to further notice, to object to the

assessments, the amount of the assessments, the procedure for certifying the assessments or to any other rights the owner would have as provided in Iowa Code Chapter 364 and Chapter 384 and that the schedule of assessments may be certified by the City to the Dubuque County Treasurer for collection in the same manner as provided in Iowa Code Chapter 364 and Chapter 384.

- 3) If such pro rata share is not paid within thirty (30) days after its due date, the owner agrees that that amount of such pro rata share will become a lien upon the lot obligated to pay the same and will bear interest from the due date at the highest legal contract rate applicable to a natural person. The owner further agrees that the City may bring an action at law against any owner obligated to pay the same or foreclose the lien against the lot.

The owner agrees that the owner is also obligated to reimburse the City for the City's costs and reasonable attorney's fees of any collection efforts. The owner agrees that the owner may not waive or otherwise avoid liability for an assessment provided herein by non-use of the Public Areas or abandonment of a lot.

- 4) An owner's pro rata share is equal to a fraction, the numerator of which is the gross square ft. area of the lot or lots owned by the owner and the denominator of which is the gross square ft. area of all lots in this PUD District exclusive of the Public Areas and public rights-of-way.

J. Performance Standards: The development and maintenance of uses in this PUD District shall be established in conformance with the following standards:

- 1) Platting: The conceptual development plan shall serve as the preliminary plat for this PUD District. Subdivision plats and improvement plans shall be submitted in accordance with Article 11. Land Subdivision, of the City of Dubuque Unified Development Code.
- 2) Site Plans: Final site development plans shall be submitted in accordance with Article 12 Site Plans and Article 13 Site Design Standards prior to construction of each building and vehicle-related feature unless otherwise exempted by Article 12.
- 3) Storm Water Conveyance: The developer of each lot shall be responsible for providing surface or subsurface conveyance(s) of storm water from the lot to existing storm sewers or to flow line of open drainage ways outside the lot in

a means that is satisfactory to the Engineering Department of the City of Dubuque. Other applicable regulations enforced by the City of Dubuque relative to storm water management and drainage shall apply to properties in the PUD District.

- 4) Noises: Noises generated within the PUD District shall be regulated by Chapter 33, Article IV, Noises, of the City of Dubuque Code of Ordinances.
- 5) Flood Plain Regulations: The area of the PUD District that lies within the flood plain of Catfish Creek shall be subject to the regulations of Article 6-4 of the Unified Development Code.
- 6) Phased construction of buildings and parking spaces: The construction of off-street parking spaces may be phased in proportion to the percentage of total building floor area constructed at any one time. Ground area set aside for future parking, loading spaces or drive-ways or for parking provided in excess of the minimum required number of parking spaces shall not reduce the minimum required area for open space.
- 7) Other Codes and Regulations: These regulations do not relieve an owner from other applicable City, County, State or Federal Codes, regulations, laws, and other controls relative to the planning, construction, operation, and management of property in the PUD District.

K. Ordinance History

- 1) Ord. 2-13: reclassifying hereinafter described property located north and south of Seippel Road and north of U.S. Highway 20 from AG Agricultural District to PUD Planned Unit Development with a PI Planned Industrial designation for the Dubuque Industrial Center South.

L. Transfer of Ownership: Transfer of ownership or lease of property in this PUD District shall include in the transfer or lease agreement a provision that the purchaser or lessee acknowledges awareness of the conditions authorizing the establishment of the district.

M. Modifications: Any modifications of this Ordinance must be approved by the City Council in accordance with zoning reclassification proceedings of Article 9-5 of the Unified Development Code.

**CITY OF DUBUQUE, IOWA
CITY COUNCIL PROCEEDINGS
SPECIAL SESSION
OFFICIAL**

The Dubuque City Council met in special session at 5:15 p.m. on May 1, 2023, in City Hall, 50 West 13th St., 3rd Floor.

Present: Mayor Cavanagh; Council Members Farber, Jones, Resnick, Rousell, Sprank, Wethal; City Manager Van Milligen, City Attorney Brumwell.

Mayor Cavanagh read the call and stated this is a special session of the City Council called for the purpose of conducting a work session to provide a demonstration of how the Police Department uses the Public Safety Camera system as a public safety tool, as a preventative tool, and as an investigative resource.

WORK SESSION

Demonstration of Police Use of the Public Safety Cameras

Engineering Technician, Duane Richter, demonstrated to City Council how the software updates along with the upgraded LED lighting have made a dramatic improvement on the clarity and visual impact the improvements have had on viewing camera footage.

Police Chief Jeremy Jensen, Corporal Officer Jordan Waddick, and Investigating Officer Nicholas Schlosser demonstrated how the Dubuque Police Department used the Public Safety Camera system to solve crimes such as murder, robbery, gun trafficking, hit and run accidents, and ATM skimmers. Many of these crimes are committed by nonresidents of Dubuque, making the camera system the primary investigation tool in tracking persons that are entering the Dubuque city limits to commit their crime and then immediately exiting the city limits.

The camera footage used to apprehend a suspect(s), becomes vital in the prosecution of the criminal(s) and many times leads to the criminal(s) pleading guilty, saving lengthy and expensive trials.

The public safety camera system can also be used for water resources and incidences that occur on the Mississippi River.

The drawback of the current public safety camera system is the number of hours required to review camera footage once an incident is reported. Officers indicated that the implementation of an auto plate reader system would save many hours of reviewing footage tracking criminal activities once a crime has occurred.

Officers explained that the system is designed in a way that it specifically looks for and notifies the local police when activity on a manually pre-entered license plate is detected.

Dubuque's camera system is envied by many cities throughout the United States as a productive system used by the police department in curtailing local criminal activity so efficiently.

There being no further business, Mayor Cavanagh declared the meeting adjourned at 6:28 p.m.

7. Jule Public Hearing - Iowa Department of Transportation's Consolidated Funding Application: Upon motion the documents were received and filed, and Resolution No. 132-23 Setting the date for a public hearing on Iowa Department of Transportation (DOT) Consolidated Funding Application was adopted, setting a public hearing for a meeting to commence at 6:30 p.m. on June 5, 2023, in the Historic Federal Building.

**RESOLUTION NO. 132-23
SETTING THE DATE FOR A PUBLIC HEAR-
ING ON IOWA DOT CONSOLIDATED FUND-
ING APPLICATION**

Whereas, the City of Dubuque provides fixed-route and paratransit services for the citizens of Dubuque; and

Whereas, the Iowa Department of Transportation (IDOT) is a pass-through funding entity for federal capital and operating funds; and

Whereas, the City has historically applied through the IDOT for these funds; and

Whereas, the City Council finds that the applying for the funds to be beneficial to the

continued provision of transit service for the citizens of Dubuque.

Whereas, The Iowa Department of Transportation application will include requests and mandatory certifications by the City of Dubuque as follows:

From the State Transit Assistance Program:

2.06% of formula funds

Total: \$352,876

From federal funds for transit in non-urbanized areas and/or for transit serving primarily elderly persons and persons with disabilities:

\$94,449

We understand acceptance of federal transit assistance involves an agreement to comply with certain labor protection provisions.

We certify that the City of Dubuque/The Jule has sufficient non-federal funds or sufficient in-kind match to provide required local match for capital projects and at time of delivery will have the funds to operate and maintain vehicles and equipment purchased under this contract.

We request that State Transit Assistance formula funding be advanced as allowed by law, to improve system cash flow.

We authorize Ryan Knuckey, Director of Transportation Services, on behalf of the City Council, to apply for financial assistance and to enter into related contract(s) with the Iowa Department of Transportation.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. A public hearing will be held as part of the City Council Meeting on June 5, 2023. The meeting will begin at 6:30 p.m. and will be held in the City Council Chambers of the Historic Federal Building, 350 W 6th Street, Dubuque, Iowa. The purpose of the hearing is to allow public comment on the Consolidated Funding Application.

Passed, approved, and adopted this 1st day of May, 2023.

**RESOLUTION NO. 133-23
SETTING A PUBLIC HEARING ON THE FISCAL YEAR 2023 (PROGRAM YEAR 2022) COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) ANNUAL ACTION PLAN AMENDMENT #2**

Whereas, the City of Dubuque, through a series of public meetings and hearings, proposed a Fiscal Year 2023 (Program Year 2022) Community Development Block Grant Annual Action Plan for inclusion in the City Budget addressing housing and non-housing needs in the community; and

Whereas, the City desires to hold a public hearing to receive comments on the proposed second amendment to the Fiscal Year 2023 (Program Year 2022) Community Development Block Grant Annual Action Plan.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the City Council will meet in the Historic Federal Building, Council Chambers, 2nd Floor, 350 West 6th Street, Dubuque, Iowa at 6:30 p.m. on June 5, 2023 for the purpose of holding a public hearing and taking action to include the Fiscal Year 2023 (Program Year 2022) Community Development Block Grant Annual Action Plan Amendment #2 in the City Budget.

Section 2. That the City Clerk is hereby authorized and directed to publish a notice of such public hearing and the City Council's intent to review and take action on the Fiscal Year 2023 (Program Year 2022) Community Development Block Grant Annual Plan Amendment #2.

PUBLIC HEARINGS

1. Resolution of Approval for the Proposed Amended and Restated Urban Renewal Plan for the Greater Downtown Urban Renewal District, Version 2023.2: Motion by Jones to receive and file the documents and adopt Resolution No. 134-23 Approving the Amended and Restated Urban Renewal Plan for the Greater Downtown Urban Renewal District, Version 2023.2. Seconded by Rousell. Motion carried 7-0.

RESOLUTION NO. 134-23 APPROVING THE AMENDED AND RE- STATED URBAN RENEWAL PLAN FOR THE GREATER DOWNTOWN URBAN RENEWAL DISTRICT, VERSION 2023.2

Whereas, by Resolution 93-23 on April 3, 2023, the City Council of the City of Dubuque, Iowa authorized the preparation of an Amended and Restated Urban Renewal Plan (the "Amended and Restated Plan, Version 2023.2") for the Greater Downtown Urban Renewal District (the "District"); and

Whereas, the City of Dubuque's primary objective for the Amended and Restated Plan, Version 2023.2, is to provide opportunities which will further economic development purposes and objectives and remediate blighting conditions, and to address these objectives, additional projects are being added as described in the Amended and Restated Plan; and

Whereas, a consultation process has been undertaken with affected taxing entities in accordance with Chapter 403 of the Code of Iowa with no written objections or recommended changes to the Amended and Restated Plan, Version 2023.2, received; and

Whereas, the City Council, in accordance with Chapter 403 of the Code of Iowa, has held a public hearing on the proposed Amended and Restated Plan, Version 2023.2.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Amended and Restated Urban Renewal Plan, Version 2023.2, for the Greater Downtown Urban Renewal District, on file in the City Clerk's Office and made reference to herein, is hereby approved.

Section 2. That the City Clerk of the City of Dubuque, Iowa is hereby authorized and directed to file a certified copy of this Resolution in the office of the Dubuque County Auditor.

Passed, approved, and adopted this 1st day of May, 2023.

2. Resolution Approving the Proposed First Amendment to Development Agreement by and between the City of Dubuque and Seippel Warehouse, LLC providing for the issuance of Urban Renewal Tax Increment Revenue Grant Obligations pursuant to the Development Agreement: Motion by Jones to receive and file the documents and adopt Resolution No. 135-23 Approving the First Amendment to Development Agreement between the City of Dubuque, Iowa and Seippel Warehouse, LLC. Seconded by Sprank. Motion carried 7-0.

RESOLUTION NO. 135-23 APPROVING THE FIRST AMENDMENT TO DEVELOPMENT AGREEMENT BETWEEN THE CITY OF DUBUQUE, IOWA AND SEIP- PEL WAREHOUSE, LLC

Whereas, the City of Dubuque (City) and Seippel Warehouse, LLC (Developer) previously entered into a Development Agreement dated February 20, 2023, for the development of real estate legally described as:

Lot 2 of Dubuque Center South First Additions, City of Dubuque, Iowa: (the "Initial Property"); and

Whereas, Developer desires to acquire additional real estate adjoining the Initial Property described as follows:

Lot 2 of Lot 3 of Dubuque Industrial Center South First Addition, Dubuque Iowa (the "Wilming Property"); and
Lot 2 in Brehm Acres Plat 3, Dubuque, Iowa (the "Brehm Property")
(the "Property") all of which shall be combined in a consolidated plat; and

Whereas, Developer intends to expand the size of the warehouse to be constructed on the Initial Property, to extend the structure over portions of the Brehm Property and to obtain access to the structure over the Wilming Property; and

Whereas, the parties desire to amend the Development Agreement to include the Wilming Property and the Brehm Property in the definition of Property in the Development Agreement and to otherwise modify the Development Agreement to accommodate additional property; and

Whereas, City and Developer desire to amend the Development Agreement as set forth in the [provided] First Amendment; and

Whereas, the City Council held a public hearing on the proposed First Amendment and overruled all objections thereto; and

Whereas, the City Council finds that the First Amendment should be approved.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the First Amendment to Development Agreement by and between the City of Dubuque and Seippel Warehouse, LLC, a copy of which is [provided] hereto, is hereby approved.

Section 2. The City Manager is hereby authorized and directed to take such action as may be necessary to carry out the Development Agreement as amended.

Passed, approved, and adopted this 1st day of May, 2023.

ACTION ITEMS

1. 2023 Ken Kringle Awards Presentation: Motion by Roussell to receive and file the documents and listen to the presentation. Seconded by Jones. Historic Preservation Commission Vice Chairperson Thea Dement and Assistant Planner Chris Olson gave a brief presentation showing the winners of the awards and their projects. Motion carried 7-0.

2. Parks and Recreation Advisory Commission Recommendation for Renaming of the Former Pyatigorsk Park to Jaycee Park: Motion by Resnick to receive and file the documents and discuss amongst council. Seconded by Sprank. The council thanked the Park and Recreation Advisory Commission for their hard work and dedication to the process of reviewing all the submissions provided by individuals and organizations and presenting the City Council with a recommendation. A lengthy and detailed council discussion ensued regarding the recommended renaming of the park.

Amended motion by Farber to rename the former Pyatigorsk Park to Sister City International Park. Seconded by Jones. Motion carried 4-3 with Roussell, Resnick, and Wethal voting nay.

3. Comiskey Park – Phase 1 Redevelopment Project: Painting of Basketball Court and Splash Pad Schedule Change: Motion by Sprank to receive and file the documents. Seconded by Farber. The council thanked Leisure Services Manager Marie Ware for finding cost-saving alternatives and being fiscally responsible. Motion carried 7-0.

4. Sustainable Dubuque Grant Recommendations: Motion by Resnick, to receive and file and adopt the resolutions. Seconded by Wethal. Council Member Jones noted that the application from Tri-State Christian School should be disqualified as they are not located within the corporate city limits of Dubuque.

Therefore, the resolution entitled "Awarding Sustainable Dubuque Grant to Tri-State Christian School" should not be approved because they are not located within the corporate city limits of Dubuque. Council discussion ensued regarding a previous year's grant that had been awarded to Tri-State Christian School. The council also discussed the policy that the applicants must fall within the corporate city limits of Dubuque and adhering to that policy going forward.

Amended motion by Jones to disqualify Tri-State Christian School's application. Seconded by Farber. Motion carried 6-1 with Resnick voting nay.

Mayor Cavanagh restated the motion on the floor as motion by Jones to receive and file the documents and adopt Resolution No. 136-23 Awarding Sustainable Dubuque Grant to Centrally Rooted Mission, Inc., Resolution No. 137-23 Awarding Sustainable Dubuque Grant to Convivium Urban Farmstead, Resolution No. 138-23 Awarding Sustainable Dubuque Grant to the Four Mounds Foundation, Resolution No. 139-23 Awarding Sustainable Dubuque Grant to the Nova Elite Youth Basketball, Resolution No. 140-23 Awarding Sustainable Dubuque Grant to St. Mark Youth Enrichment, and Resolution No. 142-23 Awarding Sustainable Dubuque Grant to the Valentine Park Community Garden. Seconded by Farber. Motion carried 6-1 with Resnick voting nay.

RESOLUTION NO. 136-23 AWARDING SUSTAINABLE DUBUQUE GRANT TO CENTRALLY ROOTED MISSION, INC.

Whereas, the City Council adopts goals on an annual basis; and

Whereas, sustainability first appeared as a City Council goal in 2006; and

Whereas, in 2010 the City Council adopted the Dubuque Greenhouse Gas (GHG) Inventory, the first step in developing a Climate Action Plan (CAP) for Dubuque; and

Whereas, the inventory measured gases emitted by City operations for the baseline year 2003, and again for 2007, and predicted future emissions if business as usual occurred, and provided the City a tool to set emission reduction targets to improve and maintain healthy air quality; and

Whereas, a 2014 update to the GHG inventory revealed that the community had reduced their GHG emissions 11% since 2003, and

Whereas, the 2019 update to the GHG inventory reported a 27% reduction in GHG emissions since 2003; and

Whereas, the City Council adopted "The 50% by 2030 Plan" in 2013, and updated the plan in 2020, as a non-binding, voluntary effort to identify opportunities to reduce Dubuque's community greenhouse gas emissions; and

Whereas, The 50% by 2030 Plan is used in the following ways:

- Informing officials during goal-setting and budget decisions,
- Informing businesses and individuals about potential emission and cost-saving options,
- Showcasing success stories,
- Providing a roadmap that can be added to or adjusted, and
- Exposing from where Dubuque's GHG emissions really come; and

Whereas, sustainability has remained a goal; and

Whereas, the City Council in 2022 reaffirmed its commitment to sustainability by adopting the specific goal, "Sustainable Environment: Preserving and Enhancing Natural Resources"; and

Whereas, the City Council in 2022 reaffirmed its commitment to sustainability through partnerships by adopting the specific goal, "Partnership for a Better Dubuque: Building Our Community that is Viable, Livable, and Equitable"; and

Whereas, the City Council in 2022 reaffirmed its commitment to sustainability by adopting the specific goal, "Livable Neighborhoods and Housing: Great Place to Live"; and

Whereas, the Sustainable Dubuque Grant program is the intersection of the City's goals related to sustainability, equity, viability, partnerships, and the creation of housing, which is livable, affordable, and sustainable; and

Whereas, the Sustainable Dubuque Grant program meets the needs of the Dubuque community's vision for sustainability; and

Whereas, efforts which address a Sustainable Dubuque principle and offer a community engagement activity or community education activity benefit the entirety of the community and the specifically adopted goals of the City Council; and

Whereas, the grant recipients shall purchase new equipment and materials to expand programming to allow community members within LMI population to have free access to a music lab and art studio; and

Whereas, the City Council believes it is in the best interest of the City of Dubuque to further sustainability efforts in the community for the benefit of all residents and visitors.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The City Council hereby awards a Sustainable Dubuque Grant to Centrally Rooted Mission, Inc.

Section 2. The City Manager or his designee shall enter into a grant agreement with Centrally Rooted Mission, Inc. and shall ensure compliance with the grant agreement pursuant

to Iowa Code and the grant award requirements.

5. Agreement with CCI5, LLC – Right of Way/Land Transfers at the intersection of Bies Drive, Sylvan Drive and Century Drive: Motion by Roussell to receive and file the documents and adopt Resolution No. 143-23 Approving an Agreement between the City of Dubuque, Iowa and CCI5, LLC. Seconded by Sprank. Motion carried 7-0.

**RESOLUTION NO. 143-23
APPROVING AN AGREEMENT BETWEEN
THE CITY OF DUBUQUE, IOWA AND CCI5,
LLC.**

Whereas, CCI5 is the owner of the property legally described as:

Lot 1 of Roger F. & Kathleen A. Klauer Family Place, in the City of Dubuque, Iowa, according to the recorded plat thereof and as shown on Exhibit A of the [provided] Agreement (the Real Estate); and

Whereas, City is the owner of the abutting right-of-way as shown on Exhibit A of the [provided] Agreement; and

Whereas, in the future City intends to reconstruct the intersection of Bies Drive, Sylvan Drive and Century Drive, which reconstruction will include roadway improvements, sidewalk installation, and utility improvements (the Future Project); and

Whereas, City has determined that the Future Project will relocate the alignment of Century Drive which will require acquisition of additional right-of-way by City from CCI5; and

Whereas, CCI5 is willing to dedicate the necessary additional right-of-way to City; and

Whereas, the Future Project concept does not show a need for the existing excess cul-de-sac right-of-way area on the east side of the intersection and the area abuts the CCI5 property on Bies Drive; and

Whereas, City is willing to vacate the excess cul-de-sac right-of-way to CCI5; and

Whereas, the parties have agreed the land transfers as part of the Future Project are substantially equivalent in value; and

Whereas, via the [provided] agreement, the parties have come to terms as set forth herein for how to best effectuate the components of the Future Project to maximize the benefits to each party and the residents and visitors to Dubuque.

Whereas, CCI5, LLC has executed the Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The Agreement [provided] hereto is hereby approved.

Section 2. The City Manager is authorized and directed to execute the Agreement on behalf of the City of Dubuque.

Passed, approved, and adopted this 1st day of May 2023.

**CITY OF DUBUQUE, IOWA
CITY COUNCIL PROCEEDINGS
SPECIAL SESSION
OFFICIAL**

The Dubuque City Council met in special session at 5:00 p.m. on May 15, 2023, in the second-floor Council Chambers of the Historic Federal Building, 350 W. 6th Street.

Present: Mayor Cavanagh; Council Members Farber, Jones, Resnick, Roussell, Sprank, Wethal; City Manager Van Milligen, City Attorney Brumwell.

Mayor Cavanagh read the call and stated this is a special session of the City Council called for the purpose of conducting work sessions on a Brownfield Site Conceptual Revisioning Plan and the Flock Safety Automated License Plate reader system.

WORK SESSIONS 2

1. Flexsteel Industries Brownfield Site Conceptual Revisioning Plan: Economic Development Director Jill Connors introduced Dan Fox, Senior Planner with East Central Intergovernmental Association (ECIA), who presented a Brownfield Site Conceptual Revisioning Plan that ECIA prepared at city staff's request for the former Flexsteel site located at 3400 Jackson Street in Dubuque. Mr. Fox and Emily Smart of Blackstone Environmental responded to questions from the City Council regarding the cost and timeframes of environmental studies. Responding to questions from the City Council, City Manager Van Milligen stated that the property is privately owned by Flexsteel except for the wetlands they intend to donate to the Dubuque County Conservation Board and that there may be city incentives for certain developments on the property. City Manager Van Milligen also stated that the environmental study results may lead to restrictions on certain developments in specific areas of the property. City Council Members emphasized that the plan is not finalized and confirmed with the presenters that developers could initiate conversations with Flexsteel regarding the property at any time.

This work session concluded at 5:41 p.m.

2. Flock Safety Automated License Plate Reader Presentation: Chief of Police Jeremy Jensen and Hector Soliman-Valdez, Senior Community Affairs Manager with Flock Safety, presented on the Flock Automated License Plate Reader system. The presenters responded to questions from the City Council regarding data storage, reliability, access,

sharing, and auditing; and what occurs with the data if an individual is arrested on a warrant. Responding to a question regarding next steps, Chief Jensen stated that the city must update its camera policy to address City Council concerns and user parameters.

There being no further business, Mayor Cavanagh declared the meeting adjourned at 6:27 p.m.

15. Signed Contract(s): Gronen Restoration, Inc. for use of a Licensed Area; Origin Design Co. for the Old Highway Road Water Main Connection Loop. Upon motion the documents were received and filed.

16. Sustainable Dubuque Community Grant Award Recommendation: Upon motion the documents were received and filed, and Resolution No. 152-23 Awarding additional Sustainable Dubuque grant funding to various organizations was adopted.

**RESOLUTION NO. 152-23
AWARDING ADDITIONAL SUSTAINABLE
DUBUQUE GRANT FUNDING TO VARIOUS
ORGANIZATIONS**

Whereas, the City Council adopts goals on an annual basis; and

Whereas, sustainability first appeared as a City Council goal in 2006; and

Whereas, in 2010 the City Council adopted the Dubuque Greenhouse Gas (GHG) Inventory, the first step in developing a Climate Action Plan (CAP) for Dubuque; and

Whereas, the inventory measured gases emitted by City operations for the baseline year 2003, and again for 2007, and predicted future emissions if business as usual occurred, and provided the City a tool to set emission reduction targets to improve and maintain healthy air quality; and

Whereas, a 2014 update to the GHG inventory revealed that the community had reduced their GHG emissions 11% since 2003, and

Whereas, the 2019 update to the GHG inventory reported a 27% reduction in GHG emissions since 2003; and

Whereas, the City Council adopted "The 50% by 2030 Plan" in 2013, and updated the plan in 2020, as a non-binding, voluntary effort to identify opportunities to reduce Dubuque's community greenhouse gas emissions; and

Whereas, The 50% by 2030 Plan is used in the following ways:

- Informing officials during goal-setting and budget decisions,
- Informing businesses and individuals about potential emission and cost-saving options,
- Showcasing success stories,
- Providing a roadmap that can be added to or adjusted, and
- Exposing from where Dubuque's GHG emissions really come; and

Whereas, sustainability has remained a goal; and

Whereas, the City Council in 2022 reaffirmed its commitment to sustainability by adopting the specific goal, "Sustainable Environment: Preserving and Enhancing Natural Resources"; and

Whereas, the City Council in 2022 reaffirmed its commitment to sustainability through partnerships by adopting the specific goal, "Partnership for a Better Dubuque: Building Our Community that is Viable, Livable, and Equitable"; and

Whereas, the City Council in 2022 reaffirmed its commitment to sustainability by adopting the specific goal, "Livable Neighborhoods and Housing: Great Place to Live"; and

Whereas, the Sustainable Dubuque Grant program is the intersection of the City's goals related to sustainability, equity, viability, partnerships, and the creation of housing, which is livable, affordable, and sustainable; and

Whereas, the Sustainable Dubuque Grant program meets the needs of the Dubuque community's vision for sustainability; and

Whereas, efforts which address a Sustainable Dubuque principle and offer a community engagement activity or community education activity benefit the entirety of the community and the specifically adopted goals of the City Council; and

Whereas, the grant recipients provide various activities and services related to the 12 principles of sustainability named by the City of Dubuque; and

Whereas, a recommended grant recipient was disqualified by the City Council making additional funds available for granting; and

Whereas, the approved grant recipients were not fully funded and could further benefit the community by an increase in funding; and

Whereas, the City Council believes it is in the best interest of the City of Dubuque to further sustainability efforts in the community for the benefit of all residents and visitors by distributing the unawarded funds evenly to the grant recipients in order to increase the reach and impact of their programming.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The City Council hereby awards a Sustainable Dubuque Grant to the following organizations:

Organization, Project, Approved Award
5/1/2023, Revised Award

Centrally Rooted, Launch of Exploration Labs, \$2,000, \$2,445

Convivium Urban Farmstead, Garden Supplies and Support, \$1,750, \$2,195

Four Mounds Foundation, Land Stewardship Planning for Endangered Species, \$1,750, \$2,195

Nova Elite Youth Basketball, Player Scholarships, \$1,350, \$1,795

St. Mark Youth Enrichment, Heroes Summer Camp, \$1,815, \$2,260

Section 2. The City Manager or his designee shall enter into grant agreements and shall ensure compliance with the grant agreement pursuant to Iowa Code and the grant award requirements.

Passed, approved, and adopted this 15th day of May 2023.

PROPOSALS**

Whereas, the City Council of Dubuque, Iowa, did on May 1, 2023 adopt an Amended and Restated Urban Renewal Plan for the Greater Downtown Urban Renewal District ("the Plan") for the Urban Renewal Area described therein; and

Whereas, the Plan provides, among other things, for the disposition of properties for private development purposes as a proposed economic development action; and

Whereas, McCoy Group, Inc. ("Developer") has submitted to the City a proposal in the form of an offer to purchase (the "Development

Agreement") for the purchase of certain City-owned real property hereinafter described ("the Property"), which Development Agreement proposes the Developer will undertake the purchase of a building located at the corner of Bell Street and East 6th Street as described therein, which Property is the real estate consisting of approximately 0.7 acres shown on Exhibit A, and which Development Agreement requests that this Property be made available for sale as rapidly as possible; and

Whereas, in order to establish reasonably competitive bidding procedures for the disposition of the Property in accordance with the statutory requirements of Iowa Code Chapter 403, specifically, Section 403.8, and to assure that the City extends a full and fair opportunity to all developers interested in submitting a proposal, a summary of submission requirements and minimum requirements and competitive criteria for the Property offering is included herein; and

Whereas, said Developer has signed a Development Agreement with the City, currently on file at the Office of the City Clerk; and

Whereas, to recognize both the firm proposal for sale of the Property and improvements already received by the City in the form of the Development Agreement, as described above, and to give full and fair opportunity to other developers interested in submitting a proposal for the sale and development of the Property, this Council should by this Resolution:

- 1) Set the fair market value of the Property for uses in accordance with the Plan;
- 2) Approve the minimum requirements and competitive criteria included herein;
- 3) Approve as to form the Development Agreement;
- 4) Set a date for receipt of competing proposals and the opening thereof;
- 5) Declare that the proposal submitted by Developer satisfies the minimum requirements of the offering, and that in the event no other qualified proposal is timely submitted, that the City Council intends to accept such proposal and authorize the City Manager to sign the Development Agreement;
- 6) Approve and direct publication of a notice to advise any other person of the opportunity to compete for sale of the Property on the terms and conditions set forth herein; and
- 7) Declare that in the event another qualified proposal is timely submitted and accepted, another and future notice will be published on the intent of the City to enter into the resulting contract, as required by law; and

Whereas, the City Council believes it is in the best interest of the City and the Plan to act as expeditiously as possible to sell the Property

as set forth herein.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Property shown on Exhibit A [provided] hereto, shall be offered for sale in accordance with the terms and conditions contained in this Resolution.

Section 2. That it is hereby determined that in order to qualify for consideration for selection, any person must submit a proposal which meets these minimum requirements:

- 1) Contains an agreement to purchase the Parking Property, shown on Exhibit A, at not less than fair market value, which for the purposes of this resolution is hereby determined to be One Million One Hundred Thousand & 00/100 Dollars (\$1,100,000.00) and to provide for public parking on the Parking Property;
- 2) Sets out or provides to the satisfaction of the City Council the experience of the principals and key staff who are directly engaged in the performance of contract obligations in carrying out projects of similar scale and character; and
- 4) Meets, at a minimum, the terms and conditions of the Development Agreement submitted by the Developer including an agreement to create and maintain Eighteen (18) additional FTE employees employed by Developer or its Affiliate/s by October 1, 2025 and during the remaining term of the agreement for a total of Two Hundred Sixty-Six (266) FTE employees in the city of Dubuque, Iowa.

Section 3. That the Development Agreement by and between the City and the Developer be and is hereby approved as to form for the purposes hereinafter stated.

Section 4. That for the purpose of defining the offering of the Property for sale, said Development Agreement shall be deemed to be illustrative of the terms acceptable to the City with respect to:

- 1) Developer and City obligations; and
- 2) General terms and conditions.

Section 5. That the Development Agreement submitted by the Developer satisfies the requirements of this offering and, in the event that no other qualified proposals are timely submitted, that the City Council intends to accept and approve the Development Agreement.

Section 6. That it is hereby determined that the Developer possesses the qualifications, financial resources, and legal ability necessary to purchase the Property shown on Exhibit A and to construct, manage and operate the site in the manner proposed by this offering in accordance with the Plan.

Section 7. That the City Clerk shall receive

and retain for public examination the [provided] Development Agreement submitted by the Developer and, in the event no other qualified proposals are timely submitted, shall resubmit the Development Agreement to the City Council for final approval and execution upon expiration of the notice hereinafter prescribed.

Section 8. That the action of the City Council be considered to be and does hereby constitute notice to all concerned of the intention of this Council, in the event that no other qualified proposals are timely submitted, to accept the proposal of the Developer to purchase the Property shown on Exhibit A and to approve the Development Agreement by and between City and Developer.

Section 9. That the official notice of this offering and of the intent of the City, in the event no other qualified proposals are timely submitted, to approve the Development Agreement, shall be a true copy of this Resolution, but without the attachments referred to herein.

Section 10. That the City Clerk is authorized and directed to secure immediate publication of said official notice in the Telegraph Herald, a newspaper having a general circulation in the community, by publication of the text of this Resolution on or before the 19th day of May, 2023.

Section 11. That written proposals for the sale of the Property shown on Exhibit A will be received by the City Clerk at or before 10:00 a.m., June 16, 2023 in the Office of the City Clerk, located on the first floor at City Hall, 50 West 13th Street, Dubuque, Iowa 52001. Each proposal will be opened at the hour of 10:00 a.m. in City Hall, Dubuque, Iowa on June 16, 2023. Said proposals will then be presented to the City Council at 6:30 p.m., June 20, 2023, at a meeting to be held in the City Council Chambers, Historic Federal Building at 350 West 6th Street, Dubuque, Iowa.

Section 12. That the method of offering the Property for sale as set forth herein is in substantial conformance with the provisions of Iowa Code Section 403.8, requiring reasonable competitive bidding procedures as are hereby prescribed and "fair value."

Section 13. That the required documents for the submission of a proposal shall be in substantial conformity with the provisions of this Resolution.

Section 14. That the City Clerk is hereby nominated and appointed as the agent of the City of Dubuque, Iowa to receive proposals for the sale of the Property on that date and according to the procedure hereinabove specified for receipt of such proposals and to proceed at such time to formally acknowledge receipt of each of such proposal by noting the receipt of same in the Minutes of the Council; that the City Manager is hereby authorized and directed to make preliminary analysis of each

such proposal for compliance with the minimum requirements established by this Council hereinabove. For each proposal that satisfies these requirements, the City Council shall judge the strength of the proposal by the competitive criteria established hereinabove. The City Council shall then make the final evaluation and selection of the proposals.

Section 15. If, and only if, competing proposals are received and determined by the Council to meet the minimum requirements described herein, the Developer shall be allowed to amend its proposal in response thereto and to deliver same to the City Manager, by no later than a date determined by the City Council. In such event, the Council shall schedule a subsequent meeting to be held by the City Manager at which there shall be a bid-off conducted by the City Manager. During such bid-off, each competing bidder shall bid against the other, starting with the second proposal received and continuing until such time as each bidder shall decline to improve its proposal to acquire and redevelop the Property shown on Exhibit A in response to the last bid of the other bidder or bidders. The period of time to be allowed for such bid-off shall be determined by the City Manager. The rules of such bid-off shall be as determined by the City Manager at or before such bid-off period and shall be absolute.

Section 16. That in the event another qualified proposal is timely submitted and accepted by the City, another and further notice shall be published of the intent of the City of Dubuque, Iowa, to enter into the resulting agreement, as required by law.

Passed, approved, and adopted this 15th day of May, 2023.

ORDINANCE NO. 21-23

AMENDING CITY OF DUBUQUE CODE OF ORDINANCES TITLE 14 BUILDING AND DEVELOPMENT, CHAPTER 1 BUILDING CODES, ARTICLE A BUILDING CODE AND REGULATIONS

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. Section 14-1A-1 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

14-1A-1: INTERNATIONAL BUILDING CODE ADOPTED:

Except as hereinafter added to, deleted, modified, or amended, there is hereby adopted by reference as the building code of the City that certain building code known as the International Building Code, 2021 edition, and as published by the International Code Council, and the provisions of such building code shall be controlling in the construction of buildings and other structures and in all matters covered by such building code within the corporate limits of the City and shall be known as the "Dubuque Building Code". A copy of the International Building Code, 2021 edition, as adopted, shall be on file in the Office of the City Clerk for public inspection.

Section 2. Section 14-1A-2 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

14-1A-2: INTERNATIONAL BUILDING CODE AMENDMENTS:

The following additions, deletions, modifications, or amendments of the International Building Code, 2021 edition, adopted

in section 14-1A-1 of this article to read as follows:

Section 101.1. Title. Amended to read:

These regulations shall be known as the Dubuque Building Code, hereinafter referred to as "this code".

Section 103.1. Creation of enforcement agency. Amended to read:

103.1 Creation of enforcement agency. The Inspection & Construction Services Division is hereby created and the official in charge thereof shall be known as the Building Official. The function of this agency shall be the implementation, administration, and enforcement of the provisions of this code.

Section 105.5. Expiration. Amended to read:

105.5 Expiration. Every permit issued shall become invalid unless the work on the site authorized by such permit is completed within one year after its issuance. The Building Official is authorized to grant, in writing, one or more extensions of time, for periods of not more than one hundred eighty (180) days each. Each extension shall be requested in writing and justifiable case demonstrated.

Sections 113.1 through 113.3 replaced with City of Dubuque Code of Ordinances section 14-1A-6.

Section 114. Violations. Amended to read:

114.1 Unlawful Acts. It shall be unlawful for any person, firm or corporation to erect, construct, enlarge, alter, repair, move, improve, remove, convert or demolish, equip, use, occupy or maintain any building or structure or cause or permit the same to be done in violation of this code.

The doing of any act, or the omission of any act, declared to be unlawful by this code, or any code or ordinance herein adopted by reference, shall be deemed a separate offense for each day or portion thereof during which any such unlawful act is committed, continued, or permitted and upon conviction, shall be punishable as provided in title 1 of the City Code of Ordinances. The penalty herein provided shall be cumulative with and in addition to the revocation, cancellation, or forfeiture of any license or permit elsewhere in this code provided for violation thereof.

A notice of violation is not required in every situation and City staff may issue a municipal infraction without previously issuing a notice of violation.

Section 116. Unsafe Structures And Equipment. Amended to read:

116 Unsafe Structures And Equipment.

All buildings or structures regulated by this code which are structurally unsafe or not provided with adequate egress, or which constitute a fire hazard, or are otherwise dangerous to human life are, for the purpose of this Section, unsafe. Any use of buildings or structures constituting a hazard to safety, health, or public welfare by reason of inadequate maintenance, dilapidation, obsolescence, fire hazard, disaster, damage, or abandonment is, for the purposes of this Section, an unsafe use. Any parapet wall, cornice, spire, tower, tank, statuary, or other appendage or structural member which is supported by, attached to, or a part of a building and which is in deteriorated condition or otherwise unable to sustain the design loads which are specified in this code is, for the purposes of this Section, hereby designated as an unsafe building appendage.

All such unsafe buildings, structures, or appendages are hereby declared to be public nuisances and shall be abated by repair, rehabilitation, demolition, or removal in accordance with the procedures set forth in title 14, chapter 3 of the Code of Ordinances.

Section 202. Definitions. Amendment to "building official" and inclusion of "code official":

Building Official. See "Code Official".

Code Official. The officer or other designated authority charged with the administration and enforcement of this code or a duly authorized representative thereof. Any reference to "Building Official" in this code shall have the same meaning as "Code Official".

Section 903.3.1.1.1. Exempt Locations. Amended to read:

903.3.1.1.1 Exempt Locations. Automatic sprinklers shall not be required in the following rooms or areas where such rooms or areas are protected with an approved automatic fire detection system, in accordance with Section 907.2 of this code, that will respond to visible or invisible particles of combustion. Sprinklers shall not be omitted from a room or area merely because the room or area is damp, of fire-resistance-rated construction, or contains electrical equipment.

1. A room or area where the application of water, or flame and water, constitutes a serious life or fire hazard.

2. A room or area where sprinklers are considered undesirable because of the nature of the

contents, where approved by the fire code official.

3. Generator and transformer rooms separated from the remainder of the building by walls and floor/ceiling or roof/ceiling assemblies having a fire-resistance rating of not less than 2 hours.
4. Rooms or areas that are of non-combustible construction with wholly noncombustible contents.
5. Fire service access elevator machine rooms and machinery spaces.
6. Machine rooms, machinery spaces, control rooms and control spaces associated with occupant evacuation elevators designed in accordance with Section 3008.

Section 1031.3.2 Minimum dimensions. Amended to read:

1031.3.2 Minimum dimensions. The minimum net clear opening height dimension shall be 24 inches (610 mm). The minimum net clear opening width dimension shall be 20 inches (508 mm). The net clear opening dimensions shall be the result of normal operation of the opening.

Exception: Replacement windows shall be exempt from the minimum size requirements of this section, provided that the replacement window meets the following conditions:

1. The replacement window is the manufacturer's largest standard size window that will fit within the existing frame or existing rough opening, provided that the replacement window shall be of a style that provides for the greatest net clear window opening area in the existing frame or existing rough opening and shall have a minimum net clear opening width of 20 inches (508 mm), a minimum net clear opening height of 22 inches (559 mm), and a minimum net clear opening of 4.0 square ft. (0.372 square meters).
2. The replacement window is not part of a change of occupancy or use.

Section 1031.3.3. Maximum height from floor. Amended to read:

1031.3.3 Maximum height from floor. Emergency escape and rescue openings shall have the bottom of the clear opening not greater than 44 inches (1118 mm) as measured from the floor. Exception: The bottom of the clear opening may exceed 44 inches

(1118 mm) above the floor if the following conditions are met:

- a. A platform capable of supporting a live load of 300 pounds shall be permanently affixed at the interior of the structure. This platform shall be no lower than 20 inches (508 mm) above the floor and no higher than 36 inches (914 mm) above the floor. The distance from the platform to the bottom of the clear opening shall not exceed 36 inches (914 mm). The platform shall extend outward from the wall a minimum of 18 inches (457 mm) and shall be a minimum of 36 inches (914 mm) wide or as wide as the clear openable width of the window, whichever is greater, or another approved method/platform.
- b. The emergency escape or rescue window shall comply with section 1031.3.2.

Section 3. This ordinance shall take effect upon publication.

Passed, approved, and adopted this 15th day of May, 2023.

ORDINANCE NO. 23-23

AMENDING CITY OF DUBUQUE CODE OF ORDINANCES TITLE 14 BUILDING AND DEVELOPMENT, CHAPTER 1 BUILDING CODES, ARTICLE E FIRE CODE AND REGULATIONS

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. Section 14-1E-1 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

14-1E-1: INTERNATIONAL FIRE CODE ADOPTED:

Except as hereinafter added to, deleted, modified, or amended, the International Fire Code, 2021 edition, as promulgated by the International Code Council, is hereby adopted by reference from the effective date hereof.

A copy of the International Fire Code, 2021 edition, is on file at the fire headquarters for public inspection.

Section 2. Section 14-1E-2 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

14-1E-2: INTERNATIONAL FIRE CODE AMENDMENTS:

The following additions, deletions, modifications, or amendments of the International Fire Code, 2021 edition, adopted in section 14-1E-1 of this article to read as follows:

Section 101.1 Title. Amended to read:

101.1 Title. These regulations shall be known as the Dubuque Fire Code, hereinafter referred to as "this code."

Section 102.6 Historic Buildings. Amended to read:

102.6 Historic Buildings. Repairs, alterations, and additions to a historic building shall comply with the provisions of the Dubuque Existing Building Code.

Section 105.5 Required operational permits. Amended to read:

105.5 Required operational permits. The fire code official is authorized to issue operational permits for the operations set forth in Sections 105.5.2 through 105.5.52 of this code. It shall be unlawful for any person, firm, or

corporation to use a building or premises or engage in any activity for which a permit is required by the Dubuque Code of Ordinances without first having obtained such permit.

Section 111 replaced with City of Dubuque Code of Ordinances section 14-1A-6.

Section 308.1.4 Open-flame cooking devices. Amended to read:

Charcoal burners and other open-flame cooking devices shall not be located, stored, or operated on combustible balconies or within 10 ft. (3,048 mm) of combustible construction.

Exceptions:

1. One- and two-family dwellings.
2. Where buildings, balconies, and decks are protected by an automatic sprinkler system.
3. LP-gas cooking devices having LP-gas container with a water capacity not greater than 2 ½ pounds [nominal 1 pound (0.454 kg) LP-gas attached].

Section 505.1 Address Identification.

Amended to read:

505.1 Address Identification. New and existing buildings shall be provided with approved address identification. The address identification shall be legible and placed in a position that is visible from the street or road fronting the property. Address identification characters shall contrast with their background. Address numbers shall be Arabic numerals or alphabetical letters. Numbers shall not be spelled out. Each character shall be not less than 4 inches (102 mm) high with a minimum stroke width of 1/2 inch (12.7 mm). Where required by the fire code official, address identification shall be provided in additional approved locations to facilitate emergency response. Where access is by means of a private road and the building cannot be viewed from the public way, a monument, pole, or other sign or means shall be used to identify the structure. Address identification shall be maintained.

505.1.1 Interior room numbers. New and existing buildings shall be provided with approved room and suite identification. The room and suite identification shall be placed in a position that is plainly legible and visible. Identification characters shall contrast with their background.

Section 506.1 Where Required. Amended to read:

506.1 Where Required. An approved key box shall be required on all commercial and residential structures that contain off-site monitored fire alarm and/or sprinkler

systems or where access to or within a structure or an area is restricted because of secured openings. Where immediate access is necessary for lifesaving or fire-fighting purposes, the fire code official is authorized to require a key box to be installed in an approved location. The key box shall be of an approved type listed in accordance with UL 1037 and shall contain keys to gain necessary access as required by the fire code official.

506.1.2 Key boxes for fire service elevator keys. Amended to read:

506.1.2 Key boxes for fire service elevator keys. Approved key boxes shall be provided for fire service elevator keys shall comply with Section 506.1 of this code and all of the following:

1. The key box shall be the rapid entry key box system in use in the jurisdiction and approved by the fire code official.
2. The front cover shall be permanently labeled with the words "FIRE DEPARTMENT USE ONLY."
3. The key box shall be mounted at each elevator bank at the lobby nearest to the lowest level of fire department access.
4. The key box shall be mounted 5 ft. 6 inches (1,676 mm) above the finished floor to the right side of the elevator bank.
5. Contents of each key box shall be the building master key, fire service elevator keys, recall keys, and additional elevator access tools, keys, and information pertinent to emergency planning or elevator access as determined necessary by the fire code official.
6. In buildings with two or more elevator banks, a single key box shall be permitted to be used where such elevator banks are located on the same floor and separated by not more than 30 ft. (9,144 mm). Additional key boxes shall be provided for each individual elevator or elevator bank separated by more than 30 ft. (9,144 mm).

Section 604.6 Elevator Keys. Amended to read:

604.6 Elevator Keys. All elevators shall be provided elevator car door and fire-fighter service keys in accordance with Sections 606.6.1 through 604.6.4 of this code.

604.6.1 Elevator key location. Keys for the elevator car doors and fire-fighter service keys shall be kept in an approved key box in an approved location in

accordance with Section 506.1.2 of this code.

604.6.2 Requirements for fire service elevator keys. Fire service elevator keys shall comply with all of the following:

1. Fire service elevator keys shall be of a patent-protected design to prevent unauthorized duplication.
2. Fire service elevator keys shall be factory restricted by the manufacturer to prevent the unauthorized distribution of key blanks. Uncut key blanks shall not be permitted to leave the factory.
3. Fire service elevator keys subject to these rules shall be engraved with the words "DO NOT DUPLICATE."

604.6.3 Access to fire service keys. Access to fire service elevator keys shall be restricted to the following:

1. Elevator owners or their authorized agents.
2. Elevator contractors.
3. Elevator inspectors of the jurisdiction.
4. Fire code officials of the jurisdiction.
5. The fire department and other emergency response agencies designated by the fire code official.

604.6.4 Responsibility to provide keys. The building owner shall provide one set of keys for each approved key box for fire service elevator key required by Section 506.1.1 of this code.

Section 606.2 Where Required. Amended to read:

606.2 Where Required. A Type I hood shall be installed at or above all commercial cooking appliances and domestic cooking appliances used for commercial purposes that produce grease vapors, including but not limited to cooking equipment used in fixed, mobile, or temporary concessions, such as trucks, buses, trailers, pavilions, or any form of roofed enclosure, as required by the fire code official.

Exceptions:

1. Factory-built commercial exhaust hoods that are listed and labeled in accordance with UL 710 and installed in accordance with Section 304.1 of the Dubuque Mechanical Code, shall not be required to comply with Sections 507.1.5, 507.2.3., 507.2.5, 507.2.8, 507.3.1, 507.3.3, 507.4 and 507.5 of the Dubuque Mechanical Code.
2. Factory-built commercial cooking recirculating systems that are listed and labeled in accordance with UL 710B and installed in accordance

with Section 304.1 of the Dubuque Mechanical Code, shall not be required to comply with Sections 507.1.5, 507.2.3, 507.2.5, 507.2.8, 507.3.1, 507.3.3, 507.4, and 507.5 of the Dubuque Mechanical Code. For the purpose of determining floor area required to be ventilated, each individual appliance shall be considered as occupying not less than 100 square ft. (9.3m²).

3. Where cooking appliances are equipped with integral down-draft exhaust systems and such appliances and exhaust systems are listed and labeled for the application in accordance with NFPA 96, a hood shall not be required at or above them.
4. A Type I hood shall not be required for an electric cooking appliance where an approved testing agency provides documentation that the appliance effluent contains 5 mg/m³ or less of grease when tested at an exhaust flow rate of 500 cfm (0.236 m³/s) in accordance with UL 710B.

Section 903.3.1.1.1 Exempt Locations.

Amended to read:

903.3.1.1.1 Exempt Locations. Automatic sprinklers shall not be required in the following rooms or areas where such rooms or areas are protected with an approved automatic fire detection system in accordance with section 907.2 of this code that will respond to visible or invisible particles of combustion. Sprinklers shall not be omitted from a room merely because it is damp, of fire-resistance-rated construction, or contains electrical equipment.

1. A room where the application of water, or flame and water, constitutes a serious life or fire hazard.
2. A room or space where sprinklers are considered undesirable because of the nature of the contents, where approved by the fire code official.
3. Generator and transformer rooms separated from the remainder of the building by walls and floor/ceiling or roof/ceiling assemblies having a fire-resistance rating of not less than 2 hours.
4. Rooms or areas that are of non-combustible construction with wholly noncombustible contents.
5. Fire service access elevator machine rooms and machinery spaces.
6. Automatic sprinklers shall not be installed in elevator machine rooms, elevator machine spaces, and elevator hoist ways other than pits

where such sprinklers would not necessitate shunt trip requirements under any circumstances. Storage shall not be allowed within the elevator machine room. Signage shall be provided at the entry doors to the elevator machine room indicating "Elevator Machinery-No Storage Allowed".

7. Machine rooms, machinery spaces, control rooms, and control spaces associated with occupant evacuation elevators designed in accordance with Section 3008 of the Dubuque Building Code. Automatic sprinklers shall not be installed in elevator hoist ways other than pits where such sprinklers would not necessitate shunt trip requirements under any circumstances.

Section 1028.5 Access To A Public Way.

Amended to read:

1028.5 Access To A Public Way. The exit discharge pathway shall be hard surfaced and provide a direct and unobstructed access to a public way.

Exception: Where access to a public way cannot be provided, a safe dispersal area shall be provided where all of the following are met:

1. The area shall be of a size to accommodate not less than 5 square ft. (0.46 m²) for each person.
2. The area shall be located on the same lot not less than 50 ft. (15,240 mm) away from the building requiring egress.
3. The area shall be permanently maintained and identified as a safe dispersal area.
4. The area shall be provided with a safe and unobstructed path of travel from the building.

1031.3.1 Minimum size. Amended to read:

Emergency escape and rescue openings shall have a minimum net clear opening of 5.7 square ft.. (0.53m²)

Exception: The minimum net clear opening for grade-floor emergency escape and rescue openings shall be 5 square ft.. (0.46m²)

Exception: Replacement windows installed in buildings meeting the scope of this code shall be exempt from the minimum size requirements of this section, provided that the replacement window meets the following conditions:

1. The replacement window is the manufacturer's largest standard size window that will fit within the

existing frame or existing rough opening. The replacement window shall be of a style that provides for the greatest net clear window opening area in the existing frame or existing rough opening but will have a minimum net clear openable width of 20 inches (508 mm), a minimum net clear openable height of 22 inches (558 mm), and a minimum net clear opening of 4.0 square ft. (0.372 m²).

2. Window replacements permitted between April 11, 2016 and the effective date of this ordinance that serve as the required emergency escape and rescue opening will be allowed to remain as long as they meet the following requirements:
 - a. Window was permitted as required by the City of Dubuque
 - b. Window was approved as code compliant as documented by the City of Dubuque.

3. The replacement window is not part of a change of occupancy or use.

Section 1031.3.3. Maximum height from floor. Amended to read:

1031.3.3. Maximum height from floor. Emergency escape and rescue openings shall have the bottom of the clear opening not greater than 44 inches (1118 mm) measured from the floor. An existing finished sill height may exceed 44 inches (1118 mm) above the floor if the following conditions are met:

- a. A platform capable of supporting a live load of 300 pounds shall be permanently affixed at the interior of the structure. This platform shall be no lower than 20 inches (508 mm) above the floor and no higher than 36 inches (914 mm) above the floor. The distance from the platform to the finished sill height shall not exceed 36 inches (914 mm). The platform shall extend outward from the wall a minimum of 18 inches (457 mm) and shall be at least as wide as the clear openable width of the window or other approved method/platform.
- b. The emergency escape and rescue opening shall comply with section 1031.3.2 of this code.

ORDINANCE NO. 25-23

AMENDING CITY OF DUBUQUE CODE OF ORDINANCES TITLE 14 BUILDING AND DEVELOPMENT, CHAPTER 1 BUILDING CODES, ARTICLE J PROPERTY MAINTENANCE CODE

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. Section 14-1J-1 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

14-1J-1: INTERNATIONAL PROPERTY MAINTENANCE CODE ADOPTED:

That a certain document, copies of which are on file in the Offices of the Housing and Community Development Department, being marked and designated as the International Property Maintenance Code, 2021 edition, as published by the International Code Council, be and is hereby adopted as the Dubuque Property Maintenance Code, for regulating and governing the conditions and maintenance of all property, buildings, and structures; by providing the standards for supplied utilities, facilities, and other physical things and conditions essential to ensuring that structures are safe, sanitary, and fit for occupancy and use; and the condemnation of buildings and structures unfit for human occupancy and use, and the

demolition of such existing structures as herein provided; providing for the issuance of permits and collection of fees therefor; and each and all of the regulations, provisions, penalties, conditions, and terms of said Dubuque Property Maintenance Code are hereby referred to, adopted, and made a part hereof, as if fully set out in this legislation, with the additions, insertions, deletions, and changes, if any, prescribed in section 14-1J-2 of this article.

Section 1. Section 14-1J-2 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

14-1J-2: INTERNATIONAL PROPERTY MAINTENANCE CODE AMENDMENTS:

The following additions, deletions, modifications, or amendments of the International Property Maintenance Code, 2021 edition, adopted in section 14-1J-1 of this article to read as follows:

Section 101.1 Title. Amended to read:

101.1 Title. These regulations shall be known as the Property Maintenance Code of the City of Dubuque, hereinafter referred to as "this code."

Section 103.1 Creation of enforcement agency. Amended to read:

103.1 Creation of enforcement agency. The Inspection & Construction Services Division is hereby created and the official in charge thereof shall be known as the code official. The function of the agency shall be the implementation, administration, and enforcement of the provisions of this code.

Section 104.1. Fees. Amended to read:

104.1. Fees. The fees for activities and services performed by the Inspection & Construction Services Division will be established by the city council. Any unpaid penalty, fine, fee, or interest shall constitute a lien on the real property and may be collected in the same manner as a property tax. Prior to filing a lien, the City shall send a notice of intent to file a lien to the owner of the property by first class mail to such owner's personal or business mailing address.

Section 109.2 Notice of violation. Amended to read:

109.2 Notice of violation. The code official shall serve a notice of violation or order in accordance with Section 111.4 of this code. A notice of violation is not required in every situation and city staff may issue a municipal infraction without previously issuing a

notice of violation. Such notice shall be deemed to be properly served where a copy thereof is served in accordance with any of the methods of service in section 111.4.2 or by first-class mail to the last known address of the owner or the owner's authorized agent.

Section 109.5. Abatement of Violation. Amended to read:

109.5. Abatement of Violation, Escrow Established.

A. Abatement of Violation. The imposition of the penalties herein described shall not preclude legal action by the City to restrain, correct, or abate a violation, or to prevent illegal occupancy of a building, structure, or premises, or to stop an illegal act, conduct, business, or utilization of the building, structure, or premises.

B. Escrow System Established.

1. Pursuant to the authority granted in Iowa Code 364.17, the City hereby creates an escrow system for the deposit of rent which will be applied to the costs of correcting violations of the codes applicable to residential rental housing in the City of Dubuque.

2. No rent shall be recoverable by the owner, the owner's authorized agent, or the lessor of any dwelling which does not comply with the codes applicable to residential rental housing in the City of Dubuque until such time as the dwelling does comply with the applicable codes.

3. If other methods have failed, the code official may contract to have work done as necessary to remedy violations of the applicable codes at a residential rental property, the cost of which shall be assessed to the owner or lessor and constitute a lien on the property; or be paid using the funds deposited into the escrow system for the cost of correcting violations.

4. Escrow Order and Payment Requirement:

a. An escrow order will be sent by certified mail, return receipt requested, to the owner, the owner's authorized agent, or the lessor, the first lienholder, and the tenant. A copy will be posted at the premises.

b. Upon receipt of an escrow

order, tenants shall pay their rent to the City which will hold the funds in escrow as provided herein. When rent is placed in escrow, neither the owner, the owner's authorized agent, nor the lessor may recover rent from the tenant.

- c. The effective date of the escrow order is fourteen (14) days from the date of the order.
 - d. A first lienholder may submit proof of an "Assignment of Rents" to the City. The City will adjust the escrow order to limit escrow collection of rents to the amount above the amount of the monthly mortgage payment due to the first lienholder. Unless otherwise required by law, the lienholder shall be responsible for collecting rents below the escrow amount.
 - e. The owner, the owner's authorized agent, the lessor, or the first lienholder may appeal an escrow order to the Housing Appeals and Mediation Board.
 - f. If the Housing Appeals and Mediation Board adjusts or overturns the escrow order, the funds so adjusted shall be released to the owner, the owner's authorized agent, or the lessor and shall be payable within fourteen (14) days.
5. An escrow order shall be stayed pending an appeal by an owner, the owner's authorized agent, or the lessor.
 6. The City shall develop a policy outlining the parameters and procedures for initiation of an escrow order. Such policy shall be on file with the Inspection and Construction Service Division and available to the public for review.

Section 107 Means of Appeal. Amended to read:

Section 107 Means of Appeal.

107.1 General Any person directly affected by a decision of the code official or a notice or order issued under this code shall have the right to appeal to the applicable board of appeals, provided a written application for appeal is filed within 20 days after the day the decision, notice, or order was served. An application for appeal shall be based on a claim that the true

intent of this code or the rules legally adopted thereunder have been incorrectly interpreted, the provisions of this code do not fully apply, or the requirements of this code are adequately satisfied by other means.

Section 108 Board of Appeal. Amended to read:

Section 108 Boards of Appeals

108.1 General. There will be two boards for hearing appeals on matters covered by the Dubuque Property Maintenance Code.

1. The Building Code Advisory and Appeal Board will hear appeals of decisions or determinations made by the code official relative to interpretation of this code. The Building Code Advisory and Appeal Board will use the provisions of 14-1A-6 of the City of Dubuque Code of Ordinances for the handling of appeals.
2. The Housing Appeals and Mediation Board will hear appeals regarding repair deadlines, nuisance abatement orders, and landlord/tenant disputes regarding property access, nuisance abatement, and rent abatement. The Housing Appeals and Mediation Board will use the provisions of 14-1J-7 of the City of Dubuque Code of Ordinances for the handling of appeals.

Section 202. Definitions. Amended to add definitions for building official and modify the definition of code official:

Building Official. See "Code Official".
Code Official. The officer, officers, or other designated authorities charged with the administration and enforcement of this code, or any duly authorized representative. Any reference to building official in this code refers to code official.

Habitable Space. Space in a structure for living, sleeping, or eating. Bathrooms, toilet rooms, closets, halls, storage or utility spaces, and similar areas are not considered habitable spaces.

Section 302.3. Sidewalks And Driveways. Amended to read:

302.3. Sidewalks And Driveways. Sidewalks, walkways, stairs, driveways, parking spaces, and similar areas shall be kept in a proper state of repair and maintained free from hazardous conditions. Hazardous conditions are any condition stated in the City of Dubuque's Standards for Defective Sidewalks/Approaches.

Snow/ice removal shall comply with section 302.3.1 of this code.

302.3.1 Snow/Ice Removal. The owner of the premises shall be responsible for snow/ice removal from sidewalks, walkways, stairs, driveways, parking spaces, and similar areas immediately after the snowfall ends and no longer than 24 hours after the snow event.

Exception: Pursuant to Iowa Code § 562A.15, a landlord may enter into an agreement, in certain circumstances, with a tenant for maintenance in which case the tenant will be responsible for complying with this section. Upon request of the city, a landlord must provide a copy of the written agreement to the code official. Responsibility for a violation will default to the property owner if the requested documentation is not provided within five (5) days of the date of service of the notice of violation.

Section 302.4. Weeds. Amended to read:

302.4. Weeds. Premises and exterior property shall be maintained in accordance with section 6-8-2 of the City of Dubuque Code of Ordinances. Exception: Pursuant to Iowa Code § 562A.15, a landlord may enter into an agreement, in certain circumstances, with a tenant for maintenance in which case the tenant will be responsible for complying with section 6-8-2 of the City of Dubuque Code of Ordinances. Upon request of the city, a landlord must provide a copy of the written agreement to the code official. Responsibility for a violation will default to the property owner if the requested documentation is not provided within five (5) days of the date of service of the notice of violation.

Section 302.8. Motor Vehicles. Amended to read:

302.8. Motor Vehicles. See sections 16-7-1-3 and 16-14-5 of the City of Dubuque Code of Ordinances.

Section 303.2. Enclosures. Amended to read:

303.2 Enclosures. All private swimming pools, hot tubs, and spas, which are capable of containing water more than 24 inches (610 mm) in depth, shall be completely surrounded by a fence or barrier not less than 48 inches (1219 mm) in height above the finished ground level measured on the side of the barrier away from the pool. Gates and doors in such barriers shall be self-closing and self-latching. Where the self-latching device is less

than 54 inches (1372 mm) above the bottom of the gate, the release mechanism shall be located on the pool side of the gate. Self-closing and self-latching gates shall be maintained such that the gate will positively close and latch when released from an open position of 6 inches (152 mm) from the gatepost. An existing pool enclosure shall not be removed, replaced, or changed in a manner that reduces its effectiveness as a safety barrier.

Section 304.2. Protective Treatment. Amended to read:

304.2. Protective Treatment. Exterior surfaces, including but not limited to doors, door and window frames, cornices, porches, trim, balconies, decks, and fences, shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking, or chipped paint shall be eliminated, and surfaces repainted, regardless of whether any such surface consists of or contains decay-resistant wood. For avoidance of doubt, once an exterior wood surface consisting of or containing decay-resistant wood has been painted, the paint must be maintained as provided in this code. Siding and masonry joints, as well as those between the building envelope and the perimeter of windows, doors, and skylights, shall be maintained weather resistant and watertight. Metal surfaces subject to rust or corrosion shall be coated to inhibit such rust or corrosion. Oxidation stains and rust shall be removed from exterior surfaces when oxidation stains or rust compromises the function of the building component to perform as designed. Surfaces designed for stabilization by oxidation are exempt from this requirement.

Section 304.3. Address Identification. Amended to add:

Exception: The fire official may approve nonconforming address identification.

Section 304.14. Insect Screens. Insert: May 1 to November 1.

Section 304.18.1. Doors. Amended to read:

304.18.1. Doors. Doors providing access to a dwelling unit, rooming unit, or housekeeping unit that is rented, leased, or let shall be equipped with a

lock designed to be readily openable from the side from which egress is to be made without the need for keys, special knowledge, or special effort. Such locks shall be installed according to the manufacturer's specifications and maintained in good working order.

Section 305.3. Interior Surfaces. Amended to read:

305.3. Interior Surfaces.

A. Interior surfaces, including windows and doors, shall be maintained in good, clean, and sanitary condition. Peeling, chipping, loose, flaking, or abraded paint shall be repaired, removed, or covered. Cracked or loose plaster, decayed wood, and other defective surface conditions shall be corrected.

B. All residential properties receiving federal assistance must be in compliance with the Lead Safe Housing Rule at 24 CFR 35 and the Lead-Based Paint Poisoning Prevention Act at 42 USC 4822. The owner of federally assisted units must provide certification that the dwelling is in accordance with said regulations. If the federally assisted unit was constructed prior to 1978, upon occupancy a notice must be provided which outlines the lead-based paint regulations, the hazards of lead-based paint poisoning, the symptoms and treatment of lead poisoning, and the precautions to be taken against lead poisoning.

C. All residential property must comply with the Residential Lead-Based Paint Hazard Reduction Act of 1992, requiring the disclosure of known information on lead-based paint and lead-based paint hazards before the sale or lease of certain housing built before 1978.

Section 308.2.1. Rubbish Storage Facilities. Amended to add:

Exception: Pursuant to Iowa Code §562A.15 a landlord may enter into an agreement, in certain circumstances, with a tenant for maintenance in which case the tenant will be responsible for compliance with this provision. Upon request of the city, a landlord must provide a copy of the written agreement. Responsibility for a violation will default to the property owner if the requested documentation is not provided within five (5) days of the

date of service of the notice of violation.

Section 404.4.2. Deleted.

Section 404.4.3. Water Closet Accessibility. Amended to read as follows:

404.4.3. Water Closet Accessibility. Every bedroom in a dwelling unit shall have access to not less than one water closet and lavatory located in the same story as the bedroom or an adjacent story.

Section 602.3. Heat Supply. Insert: September 15 to May 15.

Section 602.4. Occupiable Workspaces. Insert: September 15 to May 15.

Section 602.5. Room Temperature Measurement. Amended to read:

602.5. Room Temperature Measurement. The required room temperatures shall be measured three (3) ft. (914 mm) above the floor, at an interior wall.

Section 605.2. Receptacles. Amended to add:

Exception: In lieu of every habitable space in a dwelling containing two separate and remote receptacle outlets, one receptacle and a separate permanently installed light fixture is allowable.

Section 702.4. Emergency escape openings. Amended to read:

702.4. Emergency escape and rescue openings. Basements, habitable attics, and every sleeping room shall not have less than one operable emergency escape and rescue opening. Where basements contain one or more sleeping rooms, an emergency escape and rescue opening shall be required in each sleeping room. Emergency escape and rescue openings shall open directly into a public way, or to a yard or court having a minimum width of 36 inches (914 mm) that opens to a public way. Emergency escape and rescue openings shall have minimum dimensions in accordance with 702.4.1 through 704.2.3 of this code.

Exception: Window replacements permitted between April 11, 2016 and the effective date of this ordinance that serve as the required emergency escape and rescue opening will be allowed to remain as long as they meet the following requirements:

- a. Window was permitted as required by the City of Dubuque
- b. Window was approved as code compliant as documented by the City of Dubuque.

702.4.1 Minimum size. Emergency

escape and rescue openings shall have a net clear opening of not less than 4.0 square ft. (0.370 m²).

702.4.2 Minimum dimensions. The minimum net clear opening height dimension shall be 22 inches (558 mm). The minimum net clear opening width dimension shall be 20 inches (508 mm). The net clear opening dimensions shall be the result of normal operation of the opening.

702.4.3 Maximum height from floor. Emergency escape and rescue openings shall have the bottom of the clear opening not greater than 48 inches (1219 mm) above the floor.

Exception: An existing finished sill height may exceed 48 inches (1219 mm) above the floor if the following conditions are met:

a. A platform capable of supporting a live load of 300 pounds shall be permanently affixed at the interior of the structure. This platform shall be no lower than 20 inches (508 mm) above the floor and no higher than 36 inches (914 mm) above the floor. The distance from the platform to the bottom of the clear opening shall not exceed 36 inches (914 mm). The platform shall extend outward from the wall a minimum of 18 inches (457 mm) and shall be a minimum of 36 inches (914 mm) wide or as wide as the clear openable width of the window, whichever is greater, or another approved method/platform.

b. The building is equipped with smoke alarms installed in accordance with Section R314 of the International Residential Code in one- and two-family dwellings, or Section 907.2.10 of the International Building Code for all other structures, regardless of the valuation of the alteration.

JAMES B. GANSEN AND MARY L. GANSEN**

Whereas, James B. Gansen and Mary L. Gansen (Gansen) are the owners of the property legally described as:

Lot 2 JQ Acres No. 3, Dubuque County, Iowa, according to the recorded plat thereof and as shown on Exhibit A (Gansen Property); and

Whereas, City is the owner of the property legally described as:

Lot 1 JQ Acres, Dubuque County, Iowa, according to the recorded plat thereof and as shown on Exhibit A (City Property); and

Whereas, the Gansen Property has access to the public road and right of way of Bellevue Heights Road over the City Property via an existing 66' wide access easement as shown on the final plat of JQ Acres filed as instrument number 2011-00007351 in the Office of the Dubuque County Recorder, [provided] as Exhibit A; and

Whereas, the Iowa DNR has inadvertently constructed several hiking trails related improvements in the area of the existing access easement; and

Whereas, Gansen, after coordination with City and County Engineering staff, have

relocated their driveway improvements to not conflict with the City trail improvements and to connect to Bellevue Heights Road at a safer location; and

Whereas, City and Gansen would like to enter into an agreement to relocate the access easement in order to provide Gansen safer access to Bellevue Heights Road and resolve the issues with the encroaching City trail improvements; and

Whereas, via the [provided] agreement, the parties have come to terms as set forth herein for how to best effectuate the components of the easement relocation to maximize the benefits to each party and the residents and visitors to Dubuque; and

Whereas, Gansen has executed the Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The Agreement [provided] hereto is hereby approved.

Section 2. The City Manager is authorized and directed to execute the Agreement on behalf of the City of Dubuque.

Passed, approved, and adopted this 5th day of June 2023.

19. Agreement with C Ellis Properties, LLC – Extending Existing Sidewalk on Miracle League Drive to the Veterans Memorial Park Property: Upon motion the documents were received and filed, and Resolution No. 167-23 Approving an Agreement between the City of Dubuque, Iowa and C Ellis Properties, LLC was adopted.

**RESOLUTION NO. 167-23
APPROVING AN AGREEMENT BETWEEN
THE CITY OF DUBUQUE, IOWA AND C ELLIS
PROPERTIES, LLC**

Whereas, C Ellis Properties, LLC (CEP) is the owner of the property legally described as:

Lot 1 of Lot 9, Block 5, in "Scenic View Heights No. 2", in the City of Dubuque, Iowa, according to the recorded plat thereof

and as shown on Exhibit A (the Real

Estate); and

Whereas, City is the owner of the abutting right-of-way known as Miracle League Drive as shown on Exhibit A; and

Whereas, there is an existing sidewalk along the east side of Miracle League Drive that terminates 100 ft. south of the City-owned Veterans Memorial Park property as shown on Exhibit A; and

Whereas, City wishes to extend the existing sidewalk on the east side of Miracle League Drive to the Veterans Memorial Park property to provide a continuous sidewalk from Kane Street for safe pedestrian access to the park (Sidewalk Project); and

Whereas, the existing access driveway to the Veterans Memorial Park encroaches onto the CEP property and the Sidewalk Project improvements will encroach onto the CEP property; and

Whereas, CEP is willing to grant a permanent access and sidewalk easement to the City over the encroaching park driveway area and future Sidewalk Project area; and

Whereas, via the [provided] agreement, the parties have come to terms as set forth herein for how to best effectuate the components of the Sidewalk Project to maximize the benefits to each party and the residents and visitors to Dubuque; and

Whereas, CEP has executed the Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The Agreement [provided] hereto is hereby approved.

Section 2. The City Manager is authorized and directed to execute the Agreement on behalf of the City of Dubuque.

Revenue Grants, fixing the date for a public hearing of the City Council of the City of Dubuque, Iowa, and providing for the publication of notice thereof was adopted setting a public hearing for a meeting to commence at 6:30 p.m. on June 20, 2023 in the Historic Federal Building.

**RESOLUTION NO. 176-23
INTENT TO APPROVE A DEVELOPMENT AGREEMENT BETWEEN THE CITY OF DUBUQUE AND SWITCH HOMES, LLC INCLUDING THE PROPOSED REIMBURSEMENT OF SWITCH HOMES, LLC FOR CERTAIN INFRASTRUCTURE IMPROVEMENTS AS DESCRIBED IN THE DEVELOPMENT AGREEMENT BY THE ISSUANCE OF URBAN RENEWAL TAX INCREMENT REVENUE GRANTS, FIXING THE DATE FOR A PUBLIC HEARING OF THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA, AND PROVIDING FOR THE PUBLICATION OF NOTICE THEREOF**

Whereas, the City of Dubuque and Switch Homes, LLC have entered into a Development Agreement, subject to the approval of the City Council, pursuant to which Switch Homes, LLC will cause certain infrastructure improvements to be constructed on and within Development Property as described in the Agreement; and

Whereas, the City Council has tentatively determined that it would be in the best interests of the City to approve the Development Agreement; and

Whereas, the Development Agreement provides for reimbursement of Switch Homes, LLC by the issuance of Tax Increment Revenue Grants from the tax increment revenues collected in respect of the improvements to be constructed in accordance with the Development Agreement, for the purpose of carrying out the objectives of an Urban Renewal Plan as described therein; and

Whereas, before said Tax Increment Revenue Grants may be approved, Chapter 403 of the Code of Iowa requires that the City Clerk publish a notice of the proposal and of the time and place of the meeting at which the City Council proposes to take action thereon and at which meeting the City Council shall receive oral and/or written objections from any resident or property owner of said City to such proposed action.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The City Council intends to approve the proposed Development Agreement with Switch Homes, LLC.

Section 2. The City Clerk is hereby authorized and directed to cause a notice to be published as prescribed by Iowa Code Section 403.9 of a public hearing to be held on the 20th

day of June, 2023 at 6:30 p.m. in the City Council Chambers at the Historic Federal Building, 350 W. 6th Street, Dubuque, Iowa.

Section 3. The City Council will meet at said time and place for the purpose of taking action on the matter of authorizing the execution of the Development Agreement with Switch Homes, LLC, pursuant to and in accordance with the proposed Switch Homes Housing Urban Renewal Area, including but not limited to the funding of reimbursement for improvements by the issuance of Tax Increment Revenue Grants under the terms and conditions of the Development Agreement and said Urban Renewal Plan. It is expected that the aggregate amount of the Tax Increment Revenue Grants will not exceed \$4,091,173.

Section 4. The City Clerk is hereby directed to cause at least one publication to be made of a notice of said meeting, in a newspaper, printed wholly in the English language, published at least once weekly, and having general circulation in said City, said publication to be not less than four days nor more than twenty days before the date of said meeting.

Section 5. That the notice of the proposed action shall be in substantially the form [provided] hereto.

5. Resolution for the proposed Switch Homes Housing Urban Renewal Area: Upon motion the documents were received and filed and Resolution No. 177-23 Resolution of necessity finding that certain property designated as the Switch Homes Housing Urban Renewal Area and described herein is an Economic Development Area and that the development of said area is necessary in the interest of the residents of the City of Dubuque, Iowa, and setting a date for hearing on a proposed Urban Renewal Plan for said area was adopted setting a public hearing for a meeting to commence at 6:30 p.m. on July 5, 2023 in the Historic Federal Building.

**RESOLUTION NO. 177-23
RESOLUTION OF NECESSITY FINDING THAT CERTAIN PROPERTY DESIGNATED AS THE SWITCH HOMES HOUSING URBAN RENEWAL AREA AND DESCRIBED HEREIN IS AN ECONOMIC DEVELOPMENT AREA AND THAT THE DEVELOPMENT OF SAID AREA IS NECESSARY IN THE INTEREST OF THE RESIDENTS OF THE CITY OF DUBUQUE, IOWA, AND SETTING A DATE FOR HEARING ON A PROPOSED URBAN RENEWAL PLAN FOR SAID AREA**

Whereas, a significant need for housing units exists in the City of Dubuque and local

resources are needed to advance the development of housing; and

Whereas, the City Council has determined that the area described in Attachment A and Attachment B to this Resolution, designated as the Switch Homes Housing Urban Renewal Area, meets the definition of an economic development area as defined in Chapter 403 "Urban Renewal" of the Iowa Code; and

Whereas, the City Council of the City of Dubuque has determined that the creation of the Switch Homes Housing Urban Renewal Area will stimulate, through public involvement and commitment, private investment in new housing and residential development as defined by Iowa Code 403.17(12), as described in the Urban Renewal Plan; and

Whereas, Iowa Code Chapter 403 requires that before urban renewal authority may be exercised, a City Council must adopt a resolution of necessity finding that the area in question is a slum, blighted or economic development area, and that so designating such area is necessary in the interest of the public health, safety, or welfare of the residents of the municipality.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the proposed Switch Homes Housing Urban Renewal Area, generally described in Attachment A and Attachment B to this Resolution, is an economic development area as defined by Chapter 403 of the Iowa Code, appropriate for public improvements related to housing and residential development and is appropriate for an urban renewal project.

Section 2. That the development of the Switch Homes Housing Urban Renewal Area is necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning and local community objectives.

Section 3. That the development of Switch Homes Housing Urban Renewal Area will provide new opportunities for quality housing and job creation in the community.

Section 4. That the City Manager is authorized and directed to prepare an Urban Renewal Plan for the Switch Homes Housing Urban Renewal Area, to forward said Plan to the City's Long Range Planning Commission for review and comment, and to begin the consultation process required by law with affected taxing entities.

Section 5. That the City Clerk is directed to publish notice of a public hearing on the adoption of an Urban Renewal Plan for the Switch Homes Housing Urban Renewal Area to be held on the 5th day of July, 2023, at 6:30 p.m. in the form [provided] hereto. The notice of said hearing shall generally identify the areas

covered by the proposed Urban Renewal Plan and the general scope of the urban renewal activities planned for such areas and said notice shall be published in a newspaper having general circulation within the City not less than four days nor more than twenty days before the date of said meeting. A copy of the notice of public hearing shall be sent by ordinary mail to the affected taxing entities.

Section 6. That the Economic Development Department is further directed to send by ordinary mail a copy of the proposed Urban Renewal Plan, the notice of public hearing, a notice of consultation, and, to the extent the Urban Renewal Plan includes the use of tax increment revenues for a public building, an analysis of alternative development and funding options for such public buildings, to the Dubuque Community School District Board of Education and Dubuque County Board of Supervisors, as the affected taxing entities.

Passed, approved, and adopted this 5th day of June, 2023.

6. Set for Public Hearing - Weber Acres Voluntary Annexation Request: Upon motion the documents were received and filed and Resolution No. 178-23 Setting a public hearing on an application for voluntary annexation of territory to the City of Dubuque, Iowa was adopted setting a public hearing for a meeting to commence at 6:30 p.m. on July 5, 2023 in the Historic Federal Building.

**RESOLUTION NO. 178-23
SETTING A PUBLIC HEARING ON AN APPLICATION FOR VOLUNTARY ANNEXATION OF TERRITORY TO THE CITY OF DUBUQUE, IOWA**

Whereas, the City Council of Dubuque has received a written application from the City of Dubuque (applicant) in conjunction with the Iowa Department of Transportation (owner) for the voluntary annexation of 4.56 acres of property. The property is comprised of public right-of-way and industrially zoned land in Dubuque County as shown on Exhibit A and legally described as:

All of Lot 2 of Weber Acres in Dubuque County, Iowa, as Originally Platted and Shown on the Final Plat of Weber Acres, Dubuque County, Iowa, Per Instrument Number 11187-00 in the Dubuque County Recorder's Office, Dated August 2, 2000, Containing 4.56 Acres, Which Includes 1.34 Acres of Existing Public Road Right of Way.

The intent of this description is to include all of said Lot 2 of Weber Acres as originally platted, including that part of said Lot 2 of Weber Acres included in

the Condemnation Document per Instrument Number 18684-01 in the Dubuque County Recorder's Office.

Whereas, the annexation territory is not subject to an existing annexation moratorium agreement and does not include any railroad property; and

Whereas, the annexation territory does include State owned property; and

Whereas, Chapter 368.5 of the Code of Iowa allows the annexation of property owned by the state of Iowa, provided the attorney general is served with notice of the hearing and a copy of the proposal; and

Whereas, Chapter 368 of the Code of Iowa authorizes this annexation by adoption of a resolution and required notification; and

Whereas, the annexation territory is consistent with the City's Comprehensive Plan; and

Whereas, the future growth and development of the City of Dubuque, Iowa makes it desirable that the annexation territory be made part of the City of Dubuque, Iowa; and

Whereas, the City of Dubuque has the capacity to provide substantial municipal services to the annexation territory; and

Whereas, the annexation is in the public interest.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. A public hearing will be held on the 5th day of July 2023, at 6:30 p.m. in the Historic Federal Building Council Chambers (second floor), 350 West 6th Street, Dubuque, Iowa, at which time interested persons may appear and be heard for or against the proposed annexation, and the City Clerk be and is hereby directed to cause the [provided] notice of the time and place of such hearing to be published in a newspaper having general circulation in the City of Dubuque, Iowa, which notice shall be published not less than fourteen days prior to the date of such hearing.

Passed, approved, and adopted this 5th day of June 2023.

**CITY OF DUBUQUE, IOWA
CITY COUNCIL PROCEEDINGS
SPECIAL SESSION
OFFICIAL**

The Dubuque City Council met in special session at 5:30 p.m. on June 20, 2023, in the second-floor Council Chambers of the Historic Federal Building, 350 W. 6th Street.

Present: Mayor Cavanagh; Council Members Farber, Jones, Resnick (arrived at 5:31 p.m.), Roussell, Sprank, Wethal; City Manager Van Milligen, City Attorney Brumwell.

Mayor Cavanagh read the call and stated this is a special session of the City Council called for the purpose of conducting a work session on speed study data.

WORK SESSION

Speed Study Data Related to Automated Speed Enforcement Recommendations

Police Chief Jeremy Jensen made introductory remarks followed by a presentation from International City/County Management Association (ICMA) Fellow Abhishek Rai, Traffic Engineer Justine Hull, and City Engineer Gus Psihoyos on speed study data related to automated speed enforcement. Responding to a question from the City Council, Mr. Psihoyos stated that the Engineering Department did not collect data on the number of accidents that occurred on the days they tracked speed, but they could obtain that information. In response to additional questions, Mr. Psihoyos summarized how traffic engineers determine speed limits and the department's previous involvement with speed shields. Responding to a question from the City Council, Mr. Rai stated that data presented on speed-related accidents comes from the Fatality Analysis Reporting System (FARS). Responding to questions from the City Council, Chief Jensen stated that radar speed signs do not offer an enforcement capability and that data presented on distracted drivers comes from the Department of Transportation (DOT). City Council Members concluded that additional information was needed before taking action on automated speed enforcement cameras. It was determined that crash data was needed for the days that speed was tracked by the Engineering Department for this presentation, the results from speed cameras in Cedar Rapids and Waterloo, and how revenue collected from enforcing speed cameras would be utilized. City Manager Van Milligen confirmed that city staff can obtain that information. Staff will include the information on a city council agenda once it has been compiled.

There being no further business, Mayor Cavanagh declared the meeting adjourned at 6:31 p.m.

PUBLIC HEARINGS

1. Resolution Approving the Development Agreement by and between the City of Dubuque, Iowa and McCoy Group, Inc. LLC

Providing for the Sale of City-owned Real Estate to McCoy Group, Inc. and the Issuance of Urban Renewal Tax Increment Revenue Grant Obligations Pursuant to the Development Agreement: Motion by Roussell to receive and file the documents and adopt Resolution No. 198-23 Approving the disposal of an interest in real property owned by the City of Dubuque by sale pursuant to a Development Agreement with McCoy Group, Inc. Seconded by Resnick. Zach Berry, 2688 University Ave., requested clarification on whether the development agreement will result in the construction of a new parking lot. City Manager Van Milligen stated that McCoy group is purchasing an existing parking lot north of the property that they will occupy. City Council Members thanked city staff for putting together this agreement. Motion carried 7-0.

**RESOLUTION NO. 198-23
APPROVING THE DISPOSAL OF AN INTEREST IN REAL PROPERTY OWNED BY THE CITY OF DUBUQUE BY SALE PURSUANT TO A DEVELOPMENT AGREEMENT WITH MCCOY GROUP, INC.**

Whereas, the City Council of Dubuque, Iowa, did on June 5, 2023, adopt an Amended and Restated Urban Renewal Plan for the Greater Downtown Urban Renewal District ("the Plan") for the Urban Renewal Area described therein; and

Whereas, the City of Dubuque, Iowa, is interested in stimulating reinvestment in the Greater Downtown Urban Renewal District; and

Whereas, the Plan provides, among other things, for the disposition of properties for private development purposes; and

Whereas, McCoy Group, Inc. submitted to the City a proposal in the form of an offer to purchase (the "Development Agreement") for the purchase of certain City-owned real property hereinafter described ("the Property"), which Development Agreement proposes Merge, LLC will undertake the purchase of a building located at the corner of Bell Street and 6th Street as described therein, which Property is the real estate consisting of approximately 0.7 acres shown on Exhibit A, and which Development Agreement requests that this Property be made available for sale as rapidly as possible; and

Whereas, Iowa Code Chapter 403 authorizes cities to dispose of property in furtherance of an urban renewal project and to take other actions as may be necessary to carry out the purposes of said Chapter, and the Plan similarly authorizes the City to dispose of property; and

Whereas, in compliance with Iowa Code Section 403.8, and to the extent required by law, Iowa Code Section 364.7, the City Council

has set forth its proposal to dispose of its interests in the Property and the City Clerk published a notice on May 19, 2023 as required by law soliciting competitive proposals for the Property; and

Whereas, as of 10:00 a.m. on June 16, 2023 the City Clerk received no competitive proposals for the Property; and

Whereas, the City Council believes it is in the best interest of the City of Dubuque to approve the Development Agreement proposed by McCoy Group, Inc., and the sale of the Property as provided in the Development Agreement.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The Council finds that the transfer of the Property will promote the purposes of the urban renewal law, Iowa Code Ch. 403 in the City and, together with the other consideration provided for in the Agreement, that these benefits constitute fair value for the City's disposal of interests in the Property under Iowa Code Section 403.8.

Section 2. The Development Agreement between the City and McCoy Group, Inc. including the sale of the Property as provided therein, is hereby approved.

Section 3. The Mayor is authorized and directed to execute said Development Agreement on behalf of the City of Dubuque.

Passed, approved, and adopted this 20th day of June, 2023.

Brad M. Cavanagh, Mayor
Attest: Adrienne N. Breitfelder, City Clerk

2. Resolution Approving the Development Agreement between the City of Dubuque and Switch Homes, LLC providing for the Issuance of Urban Renewal Tax Increment Revenue Grant Obligations Pursuant to the Development Agreement: Motion by Jones to receive and file the documents and adopt Resolution No. 199-23 Approving a Development Agreement between the City of Dubuque and Switch Homes, LLC, including the proposed reimbursement of Switch Homes, LLC for certain infrastructure improvements as described in the Development Agreement by the issuance of urban renewal tax increment revenue grants. Seconded by Sprank. City Clerk Breitfelder stated that written input was received by James Gantz, 12241 Forest Meadow Dr. Eric Lucy, 2736 Tiffany Ct., requested a four-way traffic light to access the property via the Northwest Arterial, also in reference to Action Item No. 2. Responding to a question from the City Council regarding the status of Mr. Gantz's development in the area, Planning Services Manager Wally Wernimont stated that the Zoning Advisory Commission tabled Mr. Gantz's Planned Unit Development (PUD) request regarding

access to the Northwest Arterial. A traffic study conducted by a traffic consultant recommended a right-in right-out access point. The revised concept plan reflecting that recommendation is pending from Mr. Gantz. Mr. Wernimont stated that Mr. Gantz's prospective development was taken into consideration when determining the improvements that will be required by Switch Homes, LLC. Responding to questions from the City Council, City Manager Van Milligen stated that the development agreement for this public hearing and the plat for Action Item No. 2 do not indicate a full intersection on the Northwest Arterial and that the developer, Matthew Mulligan, was aware of the city's incentive offerings. City Council Members discussed the difference between this public hearing and Action Item No. 2, stating that the public hearing is to approve the development agreement. Responding to a question from the City Council, City Attorney Brumwell stated that the language changes in the development agreement were city-initiated changes conducted with outside counsel. City Council Members discussed the importance of development and how this project initiated other housing development agreements. Motion carried 7-0.

**RESOLUTION NO. 199-23
APPROVING A DEVELOPMENT AGREEMENT BETWEEN THE CITY OF DUBUQUE AND SWITCH HOMES, LLC, INCLUDING THE PROPOSED REIMBURSEMENT OF SWITCH HOMES, LLC FOR CERTAIN INFRASTRUCTURE IMPROVEMENTS AS DESCRIBED IN THE DEVELOPMENT AGREEMENT BY THE ISSUANCE OF URBAN RENEWAL TAX INCREMENT REVENUE GRANTS**

Whereas, Switch Homes, LLC is the owner of the following described real property:

Mozena Farm South in the City of Dubuque, Iowa, according to the plat recorded as Instrument No. 2005-17498, records of Dubuque County, Iowa; and

Lot 2 of "Dondelinger Place" in the City of Dubuque, Iowa, according to the preliminary plat [provided] as Exhibit B.

(the Property) (the parties agree that the Property will be replotted, and the Development Agreement will be amended to add the recorded Plat); and

Whereas, the City Council, by Resolution No. 176-23, dated June 5, 2023, declared its intent to enter into a Development Agreement with Switch Homes, LLC pursuant to which Switch Homes, LLC will construct on the Property certain infrastructure improvements as described in the Agreement; and

Whereas, the parties intend to adopt, and the Development Agreement is subject to a

conditioned upon adopting an Urban Renewal Plan which will be on file with the County Auditor and the Dubuque City Clerk by no later than December 31, 2023; and

Whereas, the Development Agreement provides for reimbursement of Switch Homes, LLC by the issuance of Tax Increment Revenue Grants from the tax increment revenues collected in respect of the infrastructure improvements to be constructed in accordance with the Development Agreement, for the purpose of carrying out the objectives of an Urban Renewal Plan as described therein; and

Whereas, pursuant to published notice, a public hearing was held on the proposed Development Agreement on June 20, 2023 at 6:30 p.m.; and

Whereas, it is the determination of the City Council that the approval of the Development Agreement for the construction of certain infrastructure improvements on the Property, according to the terms and conditions set out in the Development Agreement, is in the public interest of the City of Dubuque.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Development Agreement by and between the City of Dubuque and Switch Homes, LLC, a copy of which is [provided] hereto, including the issuance of Urban Renewal Tax Increment Revenue Obligations, is hereby approved, subject to and conditioned upon the adoption of the Urban Renewal Plan by no later than December 31, 2023.

Section 2. That the Mayor is hereby authorized and directed to execute the Development Agreement on behalf of the City of Dubuque and the City Clerk is authorized to attest to his signature.

Section 3. That the City Manager is authorized to take such actions as are necessary to comply with the terms and conditions of the Development Agreement as herein approved.

Passed, approved, and adopted this 20th day of June, 2023.

PUBLIC INPUT

Marty Corfman, 1185 N. Booth St., member of the Dubuque Audubon Society; David Scheller; and Sarah Ellert-Beck, 4855 Camelot Dr. respectively provided input regarding the bird habitats that were recently destroyed from mowing at the Plaza Drive property owned by Talon Development. The speakers proposed additional regulation in consideration of wildlife habitats and that the city dedicate certain city-owned property as a permanent preserve for birds. Ken Kiss, 16844 Muntz Ct., President of Dubuque Audubon Society, also provided input regarding bird habitats and distributed photos of the various birds impacted by the mowing. Josh Krueger, 1305 E. Benson Rd., Sioux Falls, SD, provided input on behalf of Talon Development, stating that the company unintentionally did not receive the Dubuque Audubon Society's communications immediately and that they were willing to participate in conversations with the Dubuque Audubon Society

and other parties. Rick Dickinson, President and CEO of Greater Dubuque Development Corporation, stated that Talon Development should not be at fault for the mowing of bird habitats at Plaza Drive, as it was a local farmer contracted to mow the property without Talon Development's knowledge.

**ORDINANCE NO. 31-23
AMENDING CITY OF DUBUQUE CODE OF
ORDINANCES TITLE 4 BUSINESS AND LI-
CENSE REGULATIONS, CHAPTER 7 VEHI-
CLES FOR HIRE AND PUBLIC TRANSPOR-
TATION, ARTICLE B MOTORIZED VEHI-
CLES FOR HIRE, SECTION 4-7B-8 TAXICAB
BUSINESS LICENSE AND TAXICAB
DRIVER'S PERMIT**

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. Section 4-7B-8 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

4-7B-8: TAXICAB BUSINESS LICENSE AND TAXICAB DRIVER'S PERMIT:

A. Taxicab Business License Requirements; Insurance; Fees:

1. Taxicab Business License Required: No person may operate a taxicab alone or as part of a taxicab business without first having obtained a taxicab business license from the city clerk.

2. Application For Taxicab Business License:

a. An application for a taxicab business license must be filed with the city clerk's office on a form provided by the city clerk.

b. The chief of police will investigate each applicant for a taxicab business license and a report of such investigation will be attached to the application for consideration by the

- city clerk.
3. Consideration Of Application: The city clerk will, in consultation with the chief of police and upon consideration of the application and the required reports attached thereto, approve, or reject the application.
 4. Insurance Prerequisite To Issuance; Continuance In Effect: The taxicab business owner must at all times while the license is in effect provide insurance as required by the city manager.
 5. Fees: No taxicab business license will be issued or renewed unless the holder thereof has paid an annual taxicab business license fee established by the city manager and an annual vehicle fee established by the city manager for each vehicle in such taxicab business. Such fees are for one year commencing April 1.
 6. Denial, Suspension, Or Revocation Of License:
 - a. The city clerk may deny, suspend, or revoke issuance of a taxicab business license for good cause, including, but not limited to, any of the following:
 - (1) Violation of any of the provisions of this article;
 - (2) Discontinuation of operations for more than sixty (60) days;
 - (3) Violation of any ordinances of the city or laws of the United States or the state of Iowa or any other state that demonstrates the lack of fitness of the taxicab vehicle permit holder to offer public transportation; or
 - (4) Misrepresentation on the application for a taxicab business license.
 - b. Prior to the denial, suspension, or revocation, the taxicab business license holder must be given not less than ten (10) days' written notice by the city clerk.
 - c. In the event of a denial, suspension, or revocation of a taxicab business license, no other taxicab business license may be issued to such person for a period of two (2) years thereafter.
 7. Appeal: Within ten (10) days after written notice of the revocation, suspension, or denial of issuance of a taxicab business license, an applicant or license holder may file with the city clerk a written notice of appeal to the city manager from such revocation, suspension, or denial. The city manager must provide the taxicab business with notice and an opportunity to be heard on the

issue of whether the taxicab business license was properly revoked, suspended, or denied.

8. Taxicabs Registered With City Clerk: The applicant or license holder must register all vehicles operating as taxicabs for the taxicab business with the city clerk. Any new vehicles that begin operating as taxicabs after the taxicab business license is obtained must be registered with the city clerk prior to the vehicles operating as taxicabs.
9. Taxicab Drivers Registered With City Clerk: The applicant or license holder must register all taxicab drivers with the city clerk. Any additional drivers hired after the taxicab business license is obtained must be registered with the city clerk prior to the driver operating a taxicab for hire.
10. Display Of Taxicab Business License: The taxicab business license must be displayed at the taxicab business location. A copy of the taxicab business license also must be displayed in each vehicle operating as a taxicab for the business and may not be removed until the expiration of the license.
11. Personal Nature; Transferability: The taxicab business license is personal to the business and may not be sold, assigned, mortgaged, or otherwise transferred. The taxicab business license applies to all registered vehicles operating as taxicabs for the license holder.
12. Property Of City Clerk Upon Loss Or Closure: If any taxicab business license issued under this article is lost or mislaid or the taxicab business closes or ceases operations, the license holder must report such fact to the city clerk immediately. Where a taxicab business license is lost or mislaid, a duplicate license will be issued upon payment of the fee as established by the city manager.

....

Section 2. This ordinance shall take effect upon publication.

Whereas, mutually beneficial partnerships with public institutions advance the City of Dubuque's community goals; and

Whereas, the Iowa Initiative for Sustainable Communities is a University of Iowa year-long engagement program built around community-based projects; and

Whereas, the City of Dubuque submitted a Letter of Interest in becoming a community partner and was selected by the Iowa Initiative for Sustainable Communities for the 2023-24 academic year; and

Whereas, the City of Dubuque can expect up to 15 project collaborations with University of Iowa students, faculty, and staff from a variety of disciplines, as outlined in the IISC partnership model, for which the City's total financial contribution would be not more than \$50,000; and

Whereas, other local community-based organizations can participate in the partnership and provide financial support.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Dubuque authorizes a formal partnership with the University of Iowa's Iowa Initiative for Sustainable Communities program in the 2023-2024 academic year.

Passed, approved, and adopted this 5th day of July, 2023.

BOARDS/COMMISSIONS

Applications were reviewed for the following Boards and Commissions. Applicants were invited to address the City Council regarding their desire to serve on the following Boards/Commissions.

Transit Advisory Board: One, 3-Year Term through July 30, 2026 (Expiring Term of Orwoll). Applicant: Greg Orwoll, 2635 West 32nd St. Mr. Orwoll spoke in support of his application and provided a brief biography.

PUBLIC HEARINGS

Resolution of Adoption for the proposed Switch Homes Housing Urban Renewal Area: Motion by Jones to receive and file the documents and adopt Resolution No. 219-23 Approving the Urban Renewal Plan for the Switch Homes Housing Urban Renewal Area. Seconded by Sprank. Responding to questions from the City Council, Economic Development Director Jill Connors stated that the development agreement with Switch Homes previously approved by the City Council provides for incentives created through the urban renewal area. Ms. Connors further stated that the increment is collected as the development progresses, with 38.1 % of the increment allocated to programming and capital projects that benefit low to moderate income households in the city. The remaining funds are available to reimburse for eligible costs for the development. Ms. Connors clarified a typo in her memo, stating that infrastructure improvements are not

limited to the examples listed in the memo. City Attorney Brumwell stated that the amount of property taxes collected by the city and other taxing bodies remains unchanged during the timeframe of the development. The city captures the increase in property taxes generated during the timeframe of the development. At the end of the 10-year Tax Increment Financing (TIF) period, all revenue is distributed to all the taxing bodies. City Manager Van Milligen stated that the Dubuque Community School District supports urban renewal areas because of their enrollment increases resulting from any students who will reside in the newly created residential areas. All new residents will also support the local economy. Motion carried 6-0.

RESOLUTION NO. 219-23
APPROVING THE URBAN RENEWAL PLAN
FOR THE SWITCH HOMES HOUSING UR-
BAN RENEWAL AREA

Whereas, by Resolution 177-23 on June 5, 2023, the City Council of the City of Dubuque, Iowa authorized the preparation of an Urban Renewal Plan (the "Plan") for the Switch Homes Housing Urban Renewal Area (the "Area"); and

Whereas, the City of Dubuque's primary objective for the Plan is to provide public improvements related to housing and residential development and provide housing opportunities, including assistance for low and moderate income family housing, which will further economic development purposes and objectives as described in the Plan in the Area; and

Whereas, a consultation process has been undertaken with affected taxing entities in accordance with Chapter 403 of the Code of Iowa with no written objections or recommended changes to the Amended and Restated Plan received; and

Whereas, the City Council, in accordance with Chapter 403 of the Code of Iowa, has held a public hearing on the proposed Plan.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Urban Renewal Plan for the Switch Homes Housing Urban Renewal Area, on file in the City Clerk's Office and made reference to herein, is hereby approved.

Section 2. That the City Clerk of the City of Dubuque, Iowa is hereby authorized and directed to file a certified copy of this Resolution in the office of the Dubuque County Auditor.

Passed, approved, and adopted this 5th day of July, 2023.

2. Voluntary Annexation Request - City of Dubuque Engineering Department (applicant) and the Iowa Department of Transportation (property owner): Motion by Roussell to receive and file the documents and adopt Resolution No. 220-23 Approving an application for voluntary annexation of territory to the City of Dubuque, Iowa. Seconded by Wethal. Motion carried 6-0.

RESOLUTION NO. 220-23
APPROVING AN APPLICATION FOR VOL-
UNTARY ANNEXATION OF TERRITORY TO
THE CITY OF DUBUQUE, IOWA

Whereas, the City Council of Dubuque has received a written application from the City of Dubuque Engineering Department (applicant) and the Iowa Department of Transportation (property owner) for the voluntary annexation of 4.56 acres of property. The property is comprised of public right-of-way along Westside Drive and land to the south of Westside Drive and east of Westside Court as shown on Exhibit A and legally described as:

All of Lot 2 of Weber Acres In Dubuque County, Iowa, As Originally Platted and shown on The Final Plat of Weber Acres, Dubuque County, Iowa, Per Instrument Number 11187-00 in the Dubuque County Recorder's Office, dated August 2, 2000, Containing 4.56 Acres, which includes 1.34 Acres of Existing Public Road Right of Way.

The intent of this description is to include all of said Lot 2 of Weber Acres As Originally Platted, Including that part of said Lot 2 of Weber Acres included in the Condemnation Document per Instrument Number 18684-01 in the Dubuque County Recorder's Office.

Whereas, the annexation territory is not subject to an existing annexation moratorium agreement and does not include any railroad property; and

Whereas, Chapter 368 of the Code of Iowa authorizes this annexation by adoption of a resolution and required notification; and

Whereas, Chapter 368.5 allows territory owned by the state of Iowa to be annexed provided the attorney general is served with notice of the hearing and copy of the proposal; and

Whereas, the City of Dubuque has provided notice of the hearing and copy of the proposal to the attorney general; and

Whereas, the annexation territory is consistent with the City's Comprehensive Plan; and

Whereas, the future growth and development of the City of Dubuque, Iowa makes it desirable that the annexation territory be made part of the City of Dubuque, Iowa; and

Whereas, the City of Dubuque has the capacity to provide substantial municipal services

to the annexation territory; and

Whereas, the annexation is in the public interest.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the application for the voluntary annexation of property by the City of Dubuque Engineering Department (applicant) and the Iowa Department of Transportation (property owner) consisting of 4.56 acres as shown on Exhibit A is hereby approved for annexation to the City of Dubuque.

Section 2. That, subject to the approval of the City Development Board, the corporate limits of the City of Dubuque be and they hereby are extended to include the approximately 4.56 acres of annexation territory as shown on Exhibit A Annexation Map and Exhibit C Annexation Legal Description.

Section 3. That the City Council does hereby certify that the City of Dubuque has complied with the notice and hearing requirements of the Iowa Code pertaining to 100% voluntary annexation of territory within the urbanized area of another city.

Section 4. That if the City Development Board approves this annexation, the territory hereby annexed shall become a part of Ward One of the City of Dubuque.

Section 5. That the City Clerk shall file this resolution, all exhibits, and the applications for voluntary annexation with the City Development Board of the State of Iowa in accordance with the provisions of Chapter 368 of the Iowa Code.

Passed, approved, and adopted this 5th day of July 2023.

3. Weber Acres Rezoning Request: Motion by Jones to receive and file the documents and that the requirement that a proposed ordinance be considered and voted on for passage at two Council meetings prior to the meeting at which it is to be passed be suspended. Seconded by Farber. Planning Services Manager Wally Wernimont provided a staff report. Motion carried 6-0.

Motion by Jones for final consideration and passage of Ordinance No. 32-23 Amending Title 16 of the City of Dubuque Code of Ordinances, Unified Development Code, by reclassifying hereinafter described parcel of land located along Westside Drive from County M-2 Heavy Industrial to City CS Commercial Service and Wholesale concurrently with annexation into the City of Dubuque. Seconded by Farber. Motion carried 6-0.

ORDINANCE NO. 32-23

AMENDING TITLE 16 OF THE CITY OF DUBUQUE CODE OF ORDINANCES, UNIFIED DEVELOPMENT CODE, BY RECLASSIFYING HEREINAFTER DESCRIBED PARCEL OF LAND LOCATED ALONG WESTSIDE DRIVE FROM COUNTY M-2 HEAVY INDUSTRIAL TO CITY CS COMMERCIAL SERVICE AND WHOLESALE CONCURRENTLY WITH ANNEXATION INTO THE CITY OF DUBUQUE

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That Title 16 of the City of Dubuque Code of Ordinances, Unified Development Code, is hereby amended by reclassifying the hereinafter described property from County M-2 Heavy Industrial to City CS Commercial Service and Wholesale to wit:

All of Lot 2 of Weber Acres in Dubuque County, Iowa, as Originally Platted and Shown on the Final Plat of Weber Acres, Dubuque County, Iowa, Per Instrument Number 11187-00 in the Dubuque County Recorder's Office, Dated August 2, 2000, Containing 4.56 Acres, Which Includes 1.34 Acres of Existing Public Road Right of Way.

The intent of this description is to include all of said Lot 2 of Weber Acres as originally platted, including that part of said Lot 2 of Weber Acres included in The Condemnation Document Per Instrument Number 18684-01 in the Dubuque County Recorder's Office.

Section 2. That the foregoing amendment has heretofore been reviewed by the Zoning Advisory Commission of the City of Dubuque, Iowa.

Section 3. This Ordinance shall take effect immediately upon publication as provided by law.

Passed, approved, and adopted this 5th day of July 2023.

- (b) Urban Renewal Plan shall mean the Ur-
 ban Renewal Plan for the Switch Homes
 Housing Urban Renewal Area, approved
 by Resolution No. 219-23 on July 5, 2023,
 as the same may be amended from time
 to time.

Section 2. That the taxes levied on the tax-
 able property in the Urban Renewal Area, le-
 gally described in Section 1 hereof, by and for
 the benefit of the State of Iowa, City of Dubu-
 que, County of Dubuque, Dubuque Community
 School District, and all other taxing districts
 from and after the effective date of this Ordi-
 nance shall be divided as hereinafter in this Or-
 dinance provided.

Section 3. That portion of the taxes which
 would be produced by the rate at which the tax
 is levied each year by or for each of the taxing
 districts upon the total sum of the assessed
 value of the taxable property in the Urban Re-
 newal Area, as shown on the assessment roll

as of January 1, 2023, being January 1 of the
 calendar year preceding the first calendar year
 in which the City of Dubuque is expected to cer-
 tify to the County Auditor the amount of loans,
 advances, indebtedness, or bonds payable
 from the division of property tax revenue de-
 scribed herein, shall be allocated to and when
 collected be paid into the fund for the respec-
 tive taxing district as taxes by or for the taxing
 district into which all other property taxes are
 paid. The taxes so determined shall be referred
 to herein as the "base period taxes" for such
 Urban Renewal Area.

Section 4. That portion of the taxes each
 year in excess of the base period taxes deter-
 mined for the Urban Renewal Area as provided
 in Section 3 of this Ordinance shall be allocated
 to and when collected be paid into a special tax
 increment fund of the City of Dubuque, Iowa
 hereby established, to pay the principal of and
 interest on loans, monies advanced to, indebt-
 edness, whether funded, refunded, assumed
 or otherwise, including bonds or obligations is-
 sued under the authority of Section 403.9 or
 403.12 of the Code of Iowa, as amended, in-
 curred by the City of Dubuque, Iowa, to finance
 or refinance, in whole or in part, urban renewal
 projects undertaken within the Urban Renewal
 Area pursuant to the Urban Renewal Plan, ex-
 cept that (i) taxes for the regular and voter-ap-
 proved physical plant and equipment levy of a
 school district imposed pursuant to Iowa Code
 Section 298.2 and taxes for the instructional
 support program of a school district imposed
 pursuant to Iowa Code Section 257.19 (but in
 each case only to the extent required under
 Iowa Code Section 403.19(2)); (ii) taxes for the
 payment of bonds and interest of each taxing
 district; (iii) taxes imposed under Iowa Code
 Section 346.27(22) related to joint county-city
 buildings; and (iv) any other exceptions de-
 scribed in Section 403.19 shall be collected
 against all taxable property within the Project
 Area without any limitation as hereinabove pro-
 vided.

Section 5. Unless or until the total assessed
 valuation of the taxable property in the Urban
 Renewal Project Area exceeds the total as-
 sessed value of the taxable property in the Ur-
 ban Renewal Area as shown by the assess-
 ment rolls referred to in Section 3 of this Ordi-
 nance, all of the taxes levied and collected
 upon the taxable property in the Urban Re-
 newal Area shall be paid into the funds for the
 respective taxing districts as taxes by or for
 said taxing districts in the same manner as all
 other property taxes.

Section 6. At such time as the loans, ad-
 vances, indebtedness, bonds and interest
 thereon of the City of Dubuque, Iowa referred
 to in Section 4 hereof have been paid, all mon-
 ies thereafter received from taxes upon the tax-
 able property in the Urban Renewal Area shall

be paid into the funds for the respective taxing districts in the same manner as taxes on all other property.

Section 7. All ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed. The provisions of this Ordinance are intended and shall be construed so as to fully implement the division of taxes from taxable property in the Urban Renewal Area under the provisions of Section 403.19 of the Code of Iowa. In the event that any provision of this Ordinance shall be determined to be contrary to law it shall not affect other provisions or application of this Ordinance which shall at all times be construed to fully invoke the provisions of Section 403.19 of the Code of Iowa with reference to the Urban Renewal Area and the territory contained therein.

Section 8. This Ordinance shall be in effect after its final passage, approval and publication as provided by law.

3. Human Rights Commission Request for Commissioner Removal: Upon motion the documents were received and filed and Resolution No. 231-23 Setting a public hearing on the intent to consider the removal of a commissioner from the Human Rights Commission was adopted setting a public hearing for a meeting to commence at 6:30 p.m. on August 7, 2023 in the Historic Federal Building.

**RESOLUTION NO. 231-23
SETTING A PUBLIC HEARING ON THE IN-
TENT TO CONSIDER THE REMOVAL OF A
COMMISSIONER FROM THE HUMAN
RIGHTS COMMISSION**

Whereas, the City of Dubuque, Iowa Human Rights Commission is governed by Title 8 of the City of Dubuque Code of Ordinances; and

Whereas, § 8-2-10 of the Code of Ordinances establishes the requirement for attendance at commission meetings as follows:

8-2-10: MEETINGS:

.....

D. Attendance:

1. In the event a commissioner has been absent for three (3) or more consecutive meetings of the commission, without being excused by the chairperson, such absence will be grounds for the commission to recommend to the city council that the position be declared vacant and a replacement appointed.

2. Attendance must be entered upon the minutes of all meetings; and

Whereas, the Human Rights Commission has recommended to the City Council that Dereka Williams-Robinson be removed from the Commission for failure to comply with the attendance requirements, such recommendation [provided] as Exhibit A; and

Whereas, § 8-2-12 of the Code of Ordinances authorizes removal of a commissioner for cause upon written charges and after public hearing; and

Whereas, the City Council desires to set the public hearing on the removal of Dereka Williams-Robinson from the Human Rights Commission.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The City Council intends to consider the removal of Dereka Williams-Robinson from the Human Rights Commission for non-compliance with the attendance requirement of the Code of Ordinances.

Section 2. The City Clerk is hereby authorized and directed to cause a notice to be mailed to Dereka Williams-Robinson and published as prescribed by Iowa Code Section 362.3 of a public hearing on the City's intent to remove Dereka Williams-Robinson from the Human Rights Commission, to be held on the 7th day of August 2023 at 6:30 p.m. in Dubuque, Iowa.

Passed, approved, and adopted this 17th day of July 2023.

4. Set for Public Hearing - Butler Children's Garden Voluntary Annexation Request: Upon motion the documents were received and filed and Resolution No. 232-23 Setting a public hearing on an application for voluntary annexation of territory to the City of Dubuque, Iowa was adopted setting a public hearing for a meeting to commence at 6:30 p.m. on August 21, 2023 in the Historic Federal Building.

**RESOLUTION NO. 232-23
SETTING A PUBLIC HEARING ON AN APPLICATION FOR VOLUNTARY ANNEXATION OF TERRITORY TO THE CITY OF DUBUQUE, IOWA**

Whereas, the City Council of Dubuque has received a written application from the Butler Children's Garden Foundation, Inc. (applicant and property owner) for the voluntary annexation of 18.717 acres of property. The property is comprised of undeveloped forest land just north of the Dubuque Arboretum in Dubuque County as shown on Exhibit A and legally described as:

ALL OF LOT 2 OF Y-CAMP PLACE NO. 3 IN DUBUQUE COUNTY, IOWA, CONTAINING 18.717 ACRES; and

Whereas, the annexation territory is not subject to an existing annexation moratorium agreement; and

Whereas, the annexation territory does not include state-owned property, county-owned road right-of-way, or any railroad right-of-way; and

Whereas, Chapter 368 of the Code of Iowa authorizes this annexation by adoption of a resolution and required notification; and

Whereas, the annexation territory is consistent with the City's Comprehensive Plan; and

Whereas, the future growth and development of the City of Dubuque, Iowa makes it desirable that the annexation territory be made part of the City of Dubuque, Iowa; and

Whereas, the City of Dubuque has the capacity to provide substantial municipal services to the annexation territory; and

Whereas, the annexation is in the public interest.

NOW THEREFORE, BE IT RESOLVED BY

THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. A public hearing will be held on the 21st day of August 2023, at 6:30 p.m. in the Historic Federal Building Council Chambers (second floor), 350 West 6th Street, Dubuque, Iowa, at which time interested persons may appear and be heard for or against the proposed annexation, and the City Clerk be and is hereby directed to cause the [provided] notice of the time and place of such hearing to be published in a newspaper having general circulation in the City of Dubuque, Iowa, which notice shall be published not less than fourteen days prior to the date of such hearing.

Passed, approved, and adopted this 17th day of July 2023.

Whereas, the City also proposed to enter into a loan agreement (the "Urban Renewal Loan Agreement") and together with the Municipal Buildings Loan Agreement, the Parking Ramp Facilities Loan Agreement, and the Five Flags Arena Loan Agreement, the "Loan Agreements"), pursuant to the provisions of Section 384.24A and Section 384.24.3(q) of the Code of Iowa, and to borrow money thereunder in a principal amount not to exceed \$4,650,000 for the purpose of paying the costs, to that extent, of undertaking the Mystique Community Ice Center (Dubuque Ice Arena) Settling Remediation and Building Improvements Project, an authorized urban renewal project in the Dubuque Greater Downtown Urban Renewal Area (the "Urban Renewal Project") and together with the Municipal Buildings Project, the Parking Ramp Facilities Project, and the Five Flags Arena Project the "Projects"), and in lieu of calling an election upon

such proposal, has published notice of the proposed action and has held a hearing thereon, and as of April 17, 2023, no petition had been filed with the City asking that the question of entering into the Urban Renewal Loan Agreement; and

Whereas, pursuant to the provisions of Section 384.28 of the Code of Iowa, the City combined its authority under the Loan Agreements into a single loan agreement (the "Loan Agreement"); and

Whereas, a Preliminary Official Statement (the "P.O.S.") has been prepared to facilitate the sale of Taxable General Obligation Corporate Purpose Bonds, Series 2023A (the "Bonds") to be issued in evidence of the obligation of the City under the Loan Agreement, and the City has made provision for the approval of the P.O.S. and has authorized its use by Independent Public Advisors, LLC, as municipal advisor to the City; and

Whereas, pursuant to advertisement of sale, bids for the purchase of the Bonds to be issued in evidence of the City's obligation under the Loan Agreement were received and canvassed on behalf of the City at the appointed time for the payment of costs of the Projects; and

Whereas, upon final consideration of all bids, the bid of Robert W. Baird & Co., Inc., Milwaukee, Wisconsin (the "Purchaser"), was the best, such bid proposing the lowest interest cost to the City; and

Whereas, it is now necessary to make final provision for the approval of the Loan Agreement and to authorize the issuance of the Bonds;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA, AS FOLLOWS:

Section 1. The form of agreement of sale of the Bonds with the Purchaser is hereby approved, and the Mayor and City Clerk are hereby authorized to accept and execute the same for and on behalf of the City.

Section 2. The City shall enter into the Loan Agreement with the Purchaser in substantially the form as has been placed on file with the City Council, providing for a loan to the City in the principal amount of \$6,090,000 for the purposes set forth in the preamble hereof.

The Mayor and City Clerk are hereby authorized and directed to sign the Loan Agreement on behalf of the City, and the Loan Agreement is hereby approved.

Section 3. The bid of the Purchaser referred to in the preamble hereof is hereby accepted, and the Bonds, in the aggregate principal amount of \$6,090,000, are hereby authorized to be issued in evidence of the City's obligations under the Loan Agreement. The Bonds shall be dated August 1, 2023, shall be issued in the denomination of \$5,000 each or any

integral multiple thereof and shall mature on June 1 in each of the years, in the respective principal amounts, and bearing interest at the respective rates as follows:

Year	Principal Amount	Interest Rate Per Annum	Year	Principal Amount	Interest Rate Per Annum

2030	\$250,000	5.00%	2040	\$415,000	4.70%
2031	\$265,000	5.00%	2041	\$440,000	4.75%
2032	\$280,000	4.30%	2042	\$460,000	4.80%
2033	\$290,000	4.35%	2043	\$485,000	4.85%
2034	\$305,000	4.40%			

Section 4. UMB Bank, n.a., West Des Moines, Iowa, is hereby designated as the Registrar and Paying Agent for the Bonds and may be hereinafter referred to as the "Registrar" or the "Paying Agent." The City shall enter into an agreement (the "Registrar/Paying Agent Agreement") with the Registrar, in substantially the form as has been placed on file with the Council; the Mayor and City Clerk are hereby authorized and directed to sign the Registrar/Paying Agent Agreement on behalf of the City; and the Registrar/Paying Agent Agreement is hereby approved.

The City reserves the right to optionally prepay part or all of the principal of the Bonds maturing in the years 2032 to 2043, inclusive, prior to and in any order of maturity on June 1, 2031, or on any date thereafter upon terms of par and accrued interest. If less than all of the Bonds of any like maturity are to be redeemed, the particular part of those Bonds to be redeemed shall be selected by the Registrar by lot. The Bonds may be called in part in one or more units of \$5,000.

If less than the entire principal amount of any Bond in a denomination of more than \$5,000 is to be redeemed, the Registrar will issue and deliver to the registered owner thereof, upon surrender of such original Bond, a new Bond or Bonds, in any authorized denomination, in a total aggregate principal amount equal to the unredeemed balance of the original Bond. Notice of such redemption as aforesaid identifying the Bond or Bonds (or portion thereof) to be redeemed shall be sent by electronic means or by certified mail to the registered owners thereof at the addresses shown on the City's registration books not less than 30 days prior to such redemption date. All of such Bonds as to which the City reserves and exercises the right of redemption and as to which notice as aforesaid shall have been given and for the redemption of which funds are duly provided, shall cease to bear interest on the redemption date.

Accrued interest on the Bonds shall be payable semiannually on the first day of June and December in each year, commencing December 1, 2023. Interest shall be calculated on the basis of a 360-day year comprised of twelve 30-day months. Payment of interest on the Bonds shall be made to the registered owners appearing on the registration books of the City at the close of business on the fifteenth day of the month next preceding the interest payment date and shall be paid to the registered owners at the addresses shown on such registration books. Principal of the Bonds shall be payable in lawful money of the United States of America to the registered owners or their legal representatives upon presentation and surrender of the Bond or Bonds at the office of the Paying Agent.

The Bonds shall be executed on behalf of the City with the official manual or facsimile signature of the Mayor and attested with the official manual or facsimile signature of the City Clerk and shall be fully registered Bonds without interest coupons. In case any officer whose signature or the facsimile of whose signature appears on the Bonds shall cease to be such officer before the delivery of the Bonds, such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The Bonds shall not be valid or become obligatory for any purpose until the Certificate of Authentication thereon shall have been signed by the Registrar.

The Bonds shall be fully registered as to principal and interest in the names of the owners on the registration books of the City kept by the Registrar, and after such registration, payment of the principal thereof and interest thereon shall be made only to the registered owners or their legal representatives or assigns. Each Bond shall be transferable only upon the registration books of the City upon presentation to the Registrar, together with either a written instrument of transfer satisfactory to the Registrar or the assignment form thereon completed and duly executed by the registered owner or the duly authorized attorney for such registered owner.

The record and identity of the owners of the Bonds shall be kept confidential as provided by Section 22.7 of the Code of Iowa.

Section 5. Notwithstanding anything above to the contrary, the Bonds shall be issued initially as Depository Bonds, with one fully registered Bond for each maturity date, in principal amounts equal to the amount of principal maturing on each such date, and registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). On original issue, the Bonds shall be deposited with DTC for the purpose of

maintaining a book-entry system for recording the ownership interests of its participants and the transfer of those interests among its participants (the "Participants"). In the event that DTC determines not to continue to act as securities depository for the Bonds or the City determines not to continue the book-entry system for recording ownership interests in the Bonds with DTC, the City will discontinue the book-entry system with DTC. If the City does not select another qualified securities depository to replace DTC (or a successor depository) in order to continue a book-entry system, the City will register and deliver replacement Bonds in the form of fully registered certificates, in authorized denominations of \$5,000 or integral multiples of \$5,000, in accordance with instructions from Cede & Co., as nominee for DTC. In the event that the City identifies a qualified securities depository to replace DTC, the City will register and deliver replacement Bonds, fully registered in the name of such depository, or its nominee, in the denominations as set forth above, as reduced from time to time prior to maturity in connection with redemptions or retirements by call or payment, and in such event, such depository will then maintain the book-entry system for recording ownership interests in the Bonds.

Ownership interests in the Bonds may be purchased by or through Participants. Such Participants and the persons for whom they acquire interests in the Bonds as nominees will not receive certificated Bonds, but each such Participant will receive a credit balance in the records of DTC in the amount of such Participant's interest in the Bonds, which will be confirmed in accordance with DTC's standard procedures. Each such person for which a Participant has an interest in the Bonds, as nominee, may desire to make arrangements with such Participant to have all notices of redemption or other communications of the City to DTC, which may affect such person, forwarded in writing by such Participant and to have notification made of all interest payments.

The City will have no responsibility or obligation to such Participants or the persons for whom they act as nominees with respect to payment to or providing of notice for such Participants or the persons for whom they act as nominees.

As used herein, the term "Beneficial Owner" shall hereinafter be deemed to include the person for whom the Participant acquires an interest in the Bonds.

DTC will receive payments from the City, to be remitted by DTC to the Participants for subsequent disbursement to the Beneficial Owners. The ownership interest of each Beneficial Owner in the Bonds will be recorded on the records of the Participants whose ownership interest will be recorded on a computerized book-

entry system kept by DTC.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the City to DTC, and DTC shall forward (or cause to be forwarded) the notices to the Participants so that the Participants can forward the same to the Beneficial Owners.

Beneficial Owners will receive written confirmations of their purchases from the Participants acting on behalf of the Beneficial Owners detailing the terms of the Bonds acquired. Transfers of ownership interests in the Bonds will be accomplished by book entries made by DTC and the Participants who act on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Bonds, except as specifically provided herein. Interest and principal will be paid when due by the City to DTC, then paid by DTC to the Participants and thereafter paid by the Participants to the Beneficial Owners.

Section 6. The Bonds shall be in substantially the [provided] form:

Section 7. The Bonds shall be executed as herein provided as soon after the adoption of this resolution as may be possible, and thereupon they shall be delivered to the Registrar for registration, authentication and delivery to or on behalf of the Purchaser, upon receipt of the loan proceeds (\$6,116,090.05), including original issue premium (\$64,696.30), and minus the original issue discount (\$38,606.25) (the "Loan Proceeds"), and all action heretofore taken in connection with the Loan Agreement is hereby ratified and confirmed in all respects.

A portion of the Loan Proceeds (\$86,990.05) shall be retained by the Purchaser as the underwriter's discount.

A portion of the Loan Proceeds (\$5,731,916.67) (the "Project Proceeds") received from the sale of the Bonds shall be deposited in a dedicated fund (the "Project Fund"), which is hereby created, to be used for the payment of costs of the Projects and to the extent that Project Proceeds remain after the full payment of the costs of the Projects, such Proceeds, shall be transferred to the Debt Service Fund for the payment of interest on the Bonds.

The Loan Proceeds received as capitalized interest proceeds (\$242,683.33) shall be deposited into the Debt Service Fund for payment of interest on the Bonds as the same becomes due.

The remainder of the Loan Proceeds (\$54,500) (the "Cost of Issuance Proceeds"), received from the sale of the Bonds shall be deposited in the Project Fund, and shall be

used for the payment of costs of issuance of the Bonds, and to the extent that Cost of Issuance Proceeds remain after the full payment of the costs of issuance of the Bonds, such Cost of Issuance Proceeds shall be transferred to the Debt Service Fund for the payment of interest on the Bonds.

The City shall keep a detailed and segregated accounting of the expenditure of, and investment earnings on, the Loan Proceeds to ensure compliance with the requirements of the Internal Revenue Code, as hereinafter defined.

Section 8. For the purpose of providing for the levy and collection of a direct annual tax sufficient to pay the principal of and interest on the Bonds as the same become due, there is hereby ordered levied on all the taxable property in the City the following direct annual tax for collection in each of the following fiscal years:

For collection in the fiscal year beginning July 1, 2024, sufficient to produce the net annual sum of \$491,220;

For collection in the fiscal year beginning July 1, 2025, sufficient to produce the net annual sum of \$496,220;

For collection in the fiscal year beginning July 1, 2026, sufficient to produce the net annual sum of \$488,320;

For collection in the fiscal year beginning July 1, 2027, sufficient to produce the net annual sum of \$485,120;

For collection in the fiscal year beginning July 1, 2028, sufficient to produce the net annual sum of \$488,620;

For collection in the fiscal year beginning July 1, 2029, sufficient to produce the net annual sum of \$481,370;

For collection in the fiscal year beginning July 1, 2030, sufficient to produce the net annual sum of \$483,870;

For collection in the fiscal year beginning July 1, 2031, sufficient to produce the net annual sum of \$485,620;

For collection in the fiscal year beginning July 1, 2032, sufficient to produce the net annual sum of \$483,580;

For collection in the fiscal year beginning July 1, 2033, sufficient to produce the net annual sum of \$485,965;

For collection in the fiscal year beginning July 1, 2034, sufficient to produce the net annual sum of \$487,545;

For collection in the fiscal year beginning July 1, 2035, sufficient to produce the net annual sum of \$493,305;

For collection in the fiscal year beginning July 1, 2036, sufficient to produce the net annual sum of \$498,005;

For collection in the fiscal year beginning July 1, 2037, sufficient to produce the net annual sum of \$496,625;

For collection in the fiscal year beginning July 1, 2038, sufficient to produce the net annual sum of \$499,375;

For collection in the fiscal year beginning July 1, 2039, sufficient to produce the net annual sum of \$501,008;

For collection in the fiscal year beginning July 1, 2040, sufficient to produce the net annual sum of \$506,503;

For collection in the fiscal year beginning July 1, 2041, sufficient to produce the net annual sum of \$505,603; and

For collection in the fiscal year beginning July 1, 2042, sufficient to produce the net annual sum of \$508,523.

Section 9. A certified copy of this resolution shall be filed with the County Auditor of Dubuque County, and the County Auditor is hereby instructed to enter for collection and assess the tax hereby authorized. When annually entering such taxes for collection, the County Auditor shall include the same as a part of the tax levy for Debt Service Fund purposes of the City and when collected, the proceeds of the taxes shall be converted into the Debt Service Fund of the City and set aside therein as a special account to be used solely and only for the payment of the principal of and interest on the Bonds hereby authorized and for no other purpose whatsoever.

Pursuant to the provisions of Section 76.4 of the Code of Iowa, each year while the Bonds remain outstanding and unpaid, any funds of the City which may lawfully be applied for such purpose, including incremental property tax revenues as provided for in Section 403.19 of the Code of Iowa, may be appropriated, budgeted and, if received, used for the payment of the principal of and interest on the Bonds as the same become due, and if so appropriated, the taxes for any given fiscal year as provided for in Section 8 of this Resolution, shall be reduced by the amount of such alternate funds as have been appropriated for said purpose and evidenced in the City's budget. The City hereby reaffirms its intent to budget and appropriate incremental property tax revenues for the payment of some or all of the portion of principal of and interest on the Bonds attributable to the Urban Renewal Project identified in the preamble hereof.

Section 10. The interest or principal and both of them falling due in any year or years shall, if necessary, be paid promptly from current funds on hand in advance of taxes levied and when the taxes shall have been collected, reimbursement shall be made to such current funds in the sum thus advanced.

Section 11. The Securities and Exchange Commission (the "SEC") has promulgated certain amendments to Rule 15c2-12 under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) (the "Rule") that make it unlawful

for an underwriter to participate in the primary offering of municipal securities in a principal amount of \$1,000,000 or more unless, before submitting a bid or entering into a purchase contract for the bonds, an underwriter has reasonably determined that the issuer or an obligated person has undertaken in writing for the benefit of the bondholders to provide certain disclosure information to prescribed information repositories on a continuing basis or unless and to the extent the offering is exempt from the requirements of the Rule.

On the date of issuance and delivery of the Bonds, the City will execute and deliver a Continuing Disclosure Certificate pursuant to which the City will undertake to comply with the Rule. The City covenants and agrees that it will comply with and carry out the provisions of the Continuing Disclosure Certificate. Any and all of the officers of the City are hereby authorized and directed to take any and all actions as may be necessary to comply with the Rule and the Continuing Disclosure Certificate.

Section 12. The Mayor and the City Clerk are authorized to execute and deliver any and all documents required by bond counsel to effectuate the purposes of this resolution and to issue the Bonds, including without limitation purchase agreements and closing certificates.

Section 13. All resolutions or parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

Section 14. This resolution shall be in full force and effect immediately upon its approval and adoption, as provided by law.

Passed, adopted, and approved this 17th day of July 2023.

3. Investment Policy Certificate of Excellence Award: Motion by Resnick to receive and file the documents. Seconded by Farber. City Manager Van Milligen transmitted the notification of the City of Dubuque receiving the Association of Public Treasurers of the United States & Canada's 2023 Investment Policy Certificate of Excellence Award for the City's comprehensive investment policy. City Council Members congratulated Ms. Larson and her team on the accomplishment. Motion carried 6-0.

4. Submission of Fiscal Year Ended June 30, 2022 Annual Comprehensive Financial Report (ACFR) and Results of the 2022 Financial Statement Audit, Including Required Communications: Motion by Wethal to receive and file the documents and listen to the presentation. Seconded by Roussell. Ms. Larson made a presentation on the Fiscal Year 2022 (ACFR).

City Council Members commended the audit results not consisting of any findings. Motion carried 6-0.

5. Dubuque Audubon Society Proposal for Grassland Preserve: Motion by Wethal to receive and file the documents and refer to the City Council for discussion. Seconded by Farber. Mayor Cavanagh summarized his reasoning for placing this proposal from Ken Kiss of the Dubuque Audubon Society on the agenda and read an email that he sent to members of the public who contacted him regarding this request. Responding to a question from the City Council, City Attorney Brumwell stated that City Council Members can have discussions about agenda items with other individual City Council Members, but that serial meetings and quorums outside of public meetings were not permitted per the Iowa Open Meetings Law. When asked by City Council whether the city must take any specific action regarding the federally protected bird species identified at the Dubuque Industrial Park, City Manager Van Milligen and City Attorney Brumwell both stated they could not confirm at this time. James Olson, 867 Cleveland Ave., stated that the birds identified at the Dubuque Industrial Park are not endangered but are still considered significant species of grassland birds whose populations have been impacted by various factors. Responding to questions from the City Council, City Manager Van Milligen stated that the city is not eligible for a specific United States Fish and Wildlife Service Program in support of the bird species because the city does not meet the program's minimum population requirement, but that other programs may be considered. City Manager Van Milligen further stated that many city departments may be involved in researching additional information if City Council directs this request to city staff. City Council Members discussed the proposal and determined that the city's legal responsibilities regarding applicable federal protections toward the bird species at the Dubuque Industrial Park needed to be confirmed. The City Council concluded that additional information was needed for the proposal and that the proposal would need to be an established goal during the City Council's annual goal setting process before city staff conducted further work on the proposal. City Council Members encouraged the Dubuque Audubon Society to perform further research to identify other potential properties suitable for the bird species. Motion carried 6-0.

6. Automated Solid Waste Curbside Collection System Implementation Update: Motion by Resnick to receive and file the documents and listen to the presentation. Seconded by Sprank. Public Works Director John

Klostermann introduced Resource Management Coordinator Jacob Jansen, who made a presentation on the implementation plan for the automated solid waste conveyance system and continued progress reporting. City Council Members thanked Public Works staff for working with individuals who needed an accommodation for the tipper cart program and expressed enthusiasm for the implementation's progress. Motion carried 6-0.

7. Kerper Court and Kerper Boulevard Intersection Improvement Project: Motion by Sprank to receive and file the documents and adopt Resolution No. 236-23 Awarding public improvement contract for the Kerper Court and Kerper Boulevard Intersection Improvement Project. Seconded by Wethal. City Council Members expressed enthusiasm for this project. Motion carried 6-0.

**RESOLUTION NO. 236-23
AWARDING PUBLIC IMPROVEMENT CONTRACT FOR THE KERPER COURT AND KERPER BOULEVARD INTERSECTION IMPROVEMENT PROJECT**

Whereas, sealed proposals have been submitted by contractors for the Kerper court and Kerper Boulevard Intersection Improvement Project, (the Project) pursuant to Resolution No. 173-23 and Notice to Bidders published on the City of Dubuque, Iowa website and plan room service with statewide circulation on the 16th day of June 2023; and

Whereas, said sealed proposals were opened and read on the 7th day of July 2023 and it has been determined that Eastern Iowa Excavating and Concrete LLC of Cascade, Iowa, submitted low bid in the amount of \$1,061,072.28, and is the lowest responsive, responsible bidder for the Project.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

That a Public Improvement Contract for the Project is hereby awarded to Eastern Iowa Excavating and Concrete LLC and the City Manager is hereby directed to execute a Public Improvement Contract on behalf of the City of Dubuque for the Project.

Passed, adopted, and approved this 17th day of July 2023.

8. Adoption of a Policy for City Acceptance of Streets in Commercial Subdivisions: Motion by Roussell to receive and file the documents and adopt Resolution No. 237-23 Adopting a policy for city acceptance of streets in commercial subdivisions. Seconded by Sprank. Responding to a question from the City Council, City Manager Van Milligen stated that this

policy provides developers the choice to decide whether streets in commercial subdivisions will be public or private. City Council Members thanked city staff for swiftly proposing this policy swiftly after it was presented at the June 26, 2023, Economic Development work session. Motion carried 6-0.

**RESOLUTION NO. 237-23
ADOPTING A POLICY FOR CITY ACCEPTANCE OF STREETS IN COMMERCIAL SUBDIVISIONS**

Whereas, from 2006 to the date of this resolution, the City has not accepted streets as public in commercial subdivision; and

Whereas, the City is proposing that a new policy on street ownership in commercial subdivisions be adopted; and

Whereas, including public streets in commercial subdivisions allows greater vehicular, bicycle, and pedestrian connections which furthers the City Council Goal of "Connected Community: Equitable Transportation, Technology Infrastructure, and Mobility"; and

Whereas, providing developers options on street ownership will likely attract development in the area which furthers the City Council Goal of "Robust Local Economy: Diverse Businesses and Jobs with Economic Prosperity"; and

Whereas, the City now wishes to adopt a policy providing the requirements for City acceptance of streets in commercial subdivisions according to the [provided] Policy for City Acceptance of Streets in Commercial Subdivisions.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The City does hereby approve and adopt the [provided] Policy for City Acceptance of Streets in Commercial Subdivisions.

Section 2. The Policy for City Acceptance of Streets in Commercial Subdivisions shall allow for project-specific exemptions to be approved by the City Council, or the City Manager where the project does not come before the City Council.

Passed, approved, and adopted this 17th day of July, 2023.

9. Corrected Legal Description for Ordinance 30-23 for the Dubuque Industrial Center Economic Development District, Version 2023.3: Motion by Resnick to receive and file the documents and that the requirement that a proposed ordinance be considered and voted on for passage at two Council meetings prior to the meeting at which it is to be passed be suspended.

Seconded by Farber. Motion carried 6-0.

Motion by Resnick for final consideration and passage of Ordinance No. 30-23-A Correcting and amending Ordinance No. 30-23, previously amended, providing that general property taxes levied and collected each year on all property located within the amended and restated Dubuque Industrial Center Economic Development District Urban Renewal Area of the City of Dubuque, County of Dubuque, State of Iowa, by and for the benefit of the State of Iowa, City of Dubuque, County of Dubuque, Dubuque Community School District, and other taxing districts, be paid to a special fund for payment of principal and interest on loans, monies advanced to and indebtedness, including bonds issued or to be issued, incurred by said city in connection with the Amended and Restated Dubuque Industrial Center Economic Development District Urban Renewal Redevelopment Project by adding Subarea T to the Division of Revenues. Seconded by Farber. Motion carried 6-0.

**ORDINANCE NO. 30-23-A
CORRECTING AND AMENDING ORDINANCE NO. 30-23, PREVIOUSLY AMENDED, PROVIDING THAT GENERAL PROPERTY TAXES LEVIED AND COLLECTED EACH YEAR ON ALL PROPERTY LOCATED WITHIN THE AMENDED AND RE-
STATED DUBUQUE INDUSTRIAL CENTER ECONOMIC DEVELOPMENT DISTRICT URBAN RENEWAL AREA OF THE CITY OF DUBUQUE, COUNTY OF DUBUQUE, STATE OF IOWA, BY AND FOR THE BENEFIT OF THE STATE OF IOWA, CITY OF DUBUQUE, COUNTY OF DUBUQUE, DUBUQUE COMMUNITY SCHOOL DISTRICT, AND OTHER TAXING DISTRICTS, BE PAID TO A SPECIAL FUND FOR PAYMENT OF PRINCIPAL AND INTEREST ON LOANS, MONIES ADVANCED TO AND INDEBTEDNESS, INCLUDING BONDS ISSUED OR TO BE ISSUED, INCURRED BY SAID CITY IN CONNECTION WITH THE AMENDED AND RE-
STATED DUBUQUE INDUSTRIAL CENTER ECONOMIC DEVELOPMENT DISTRICT URBAN RENEWAL REDEVELOPMENT PROJECT BY ADDING SUBAREA T TO THE DIVISION OF REVENUES**

Whereas, the Amended and Restated Urban Renewal Plan for the Dubuque Industrial Center Economic Development District (the "District") described in Resolution No. 130-88 was adopted on May 2, 1988 and was thereafter amended and restated by Resolution No. 484-90 on December 17, 1990, Resolution No. 142-97 on April 7, 1997, Resolution No. 478-97 on November 17, 1997, Resolution No. 15-08 on January 7, 2008, Resolution No. 101-08 on March 17, 2008, Resolution No. 109-08 on April 7, 2008, Resolution No. 87-11 on March

7, 2011, Resolution No. 171-13 on June 3, 2013, Resolution No. 197-15 on June 1, 2015, Resolution No. 309-15 on September 8, 2015, Resolution No. 132-16 on September 19, 2016, Resolution No. 157-18 and Resolution No. 158-18 on May 21, 2018, Resolution 380-18 on December 17, 2018, Resolution 125-21 and Resolution 126-21 on April 19, 2021, Resolution 323-21 and Resolution 324-21 on September 20, 2021, Resolution 387-21 on November 1, 2021, Resolution 197-22 on May 16, 2022, by Resolution 289-22 on September 6, 2022, by Resolution No. 290-22 on September 6, 2022, by Resolution 73-23 on March 20, 2023, by Resolution 74-23 on March 20, 2023, and by Resolution 180-23 on June 5, 2023 (as amended and restated, the "Urban Renewal Plan" or "Amended and Restated Urban Renewal Plan"); and

Whereas, the City Council of the City of Dubuque, Iowa originally provided for the division of taxes pursuant to Section 403.19 of the Code of Iowa within the District in Ordinance No. 26-88 passed and approved on May 2, 1988 and thereafter amended and restated by Ordinance No. 63-88 on December 5, 1988, by Ordinance No. 66-97 on November 17, 1997, by Ordinance No. 70-08 on October 20, 2008, by Ordinance No. 10-14 on February 3, 2014, by Ordinance No. 39-15 on June 1, 2015, by Ordinance No. 55-15 on September 8, 2015, by Ordinance No. 49-16 on September 19, 2016, Ordinance 18-18 on May 21, 2018, by Ordinance 45-18 on December 17, 2018, by Ordinance 15-21 and Ordinance 16-21 on April 19, 2021, by Ordinance 22-21 on June 7, 2021, by Ordinance 31-21 and Ordinance 32-21 on September 20, 2021, by Ordinance 37-21 on November 1, 2022, by Ordinance 21-22 on May 16, 2022, by Ordinance 28-22 on September 6, 2022, by Ordinance 28-22A on November 7, 2022, by Ordinance 10-23 on March 20, 2023, and by Ordinance 30-23 on June 5, 2023; and

Whereas, indebtedness has been incurred by the City, and additional indebtedness is anticipated to be incurred in the future, to finance urban renewal project activities within the District, and the continuing needs of redevelopment within the District are such as to require the continued application of the incremental tax resources of the District; and

Whereas, the following enactment is necessary to accomplish the objectives described in the premises.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA, THAT:

(b) Urban Renewal Plan shall mean the Urban Renewal Plan for the Switch Homes Housing Urban Renewal Area, approved by Resolution No. 219-23 on July 5, 2023, as

the same may be amended from time to time.

Section 2. That the taxes levied on the taxable property in the Urban Renewal Area, legally described in Section 1 hereof, by and for the benefit of the State of Iowa, City of Dubuque, County of Dubuque, Dubuque Community School District, and all other taxing districts from and after the effective date of this Ordinance shall be divided as hereinafter in this Ordinance provided.

Section 3. That portion of the taxes which would be produced by the rate at which the tax is levied each year by or for each of the taxing districts upon the total sum of the assessed value of the taxable property in the Urban Renewal Area, as shown on the assessment roll as of January 1, 2023, being January 1 of the calendar year preceding the first calendar year in which the City of Dubuque is expected to certify to the County Auditor the amount of loans, advances, indebtedness, or bonds payable from the division of property tax revenue described herein, shall be allocated to and when collected be paid into the fund for the respective taxing district as taxes by or for the taxing district into which all other property taxes are paid. The taxes so determined shall be referred to herein as the "base period taxes" for such Urban Renewal Area.

Section 4. That portion of the taxes each year in excess of the base period taxes determined for the Urban Renewal Area as provided in Section 3 of this Ordinance shall be allocated to and when collected be paid into a special tax increment fund of the City of Dubuque, Iowa hereby established, to pay the principal of and interest on loans, monies advanced to, indebtedness, whether funded, refunded, assumed or otherwise, including bonds or obligations issued under the authority of Section 403.9 or 403.12 of the Code of Iowa, as amended, incurred by the City of Dubuque, Iowa, to finance or refinance, in whole or in part, urban renewal projects undertaken within the Urban Renewal Area pursuant to the Urban Renewal Plan, except that (i) taxes for the regular and voter-approved physical plant and equipment levy of a school district imposed pursuant to Iowa Code Section 298.2 and taxes for the instructional support program of a school district imposed pursuant to Iowa Code Section 257.19 (but in each case only to the extent required under Iowa Code Section 403.19(2)); (ii) taxes for the payment of bonds and interest of each taxing district; (iii) taxes imposed under Iowa Code Section 346.27(22) related to joint county-city buildings; and (iv) any other exceptions described in Section 403.19 shall be collected against all taxable property within the Project Area without any limitation as hereinabove provided.

Section 5. Unless or until the total assessed valuation of the taxable property in the Urban Renewal Project Area exceeds the total assessed value of the taxable property in the Urban Renewal Area as shown by the assessment rolls referred to in Section 3 of this Ordinance, all of the taxes levied and collected upon the taxable property in the Urban Renewal Area shall be paid into the funds for the respective taxing districts as taxes by or for said taxing districts in the same manner as all other property taxes.

Section 6. At such time as the loans, advances, indebtedness, bonds and interest thereon of the City of Dubuque, Iowa referred to in Section 4 hereof have been paid, all monies thereafter received from taxes upon the taxable property in the Urban Renewal Area shall be paid into the funds for the respective taxing districts in the same manner as taxes on all other property.

Section 7. All ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed. The provisions of this Ordinance are intended and shall be construed so as to fully implement the division of taxes from taxable property in the Urban Renewal Area under the provisions of Section 403.19 of the Code of Iowa. In the event that any provision of this Ordinance shall be determined to be contrary to law it shall not affect other provisions or application of this Ordinance which shall at all times be construed to fully invoke the provisions of Section 403.19 of the Code of Iowa with reference to the Urban Renewal Area and the territory contained therein.

Section 8. This Ordinance shall be in effect after its final passage, approval and publication as provided by law.

Passed and approved this 17th day of July, 2023.

PUBLIC HEARINGS

1. Public Hearing Equity and Human Rights Commission Request for Commissioner Removal: Motion by Jones to receive and file the documents and adopt Resolution No. 255-23 Removing a Commissioner from the Equity and Human Rights Commission. Seconded by Wethal. City Attorney explained that City Code allows city council to remove any commissioner for cause upon written charges and after public hearing. The written charges for removal of Ms. Dereka Williams-Robinson are based on City Code 8-2-10D-1 in the event a commissioner has been absent for three (3) or more consecutive meetings of the commission, without being excused by the chairperson, such absence will be grounds for the commission to recommend to the city council that the position be declared vacant. Council members agreed that removing someone from a commission is not a decision they take lightly, but because a quorum is required to hold these types of meetings, attendance is important to the success of the commission. Motion carried 7-0.

**RESOLUTION NO. 255-23
REMOVING A COMMISSIONER FROM THE
EQUITY AND HUMAN RIGHTS COMMISSION**

Whereas, the City of Dubuque, Iowa Equity and Human Rights Commission is governed by Title 8 of the City of Dubuque Code of Ordinances; and

Whereas, § 8-2-10 of the Code of Ordinances establishes the requirement for attendance at commission meetings as follows:

8-2-10: MEETINGS:

.....

D. Attendance:

1. In the event a commissioner has been absent for three (3) or more consecutive meetings of the commission, without being excused by the chairperson, such absence will be grounds for the commission to recommend to the city council that the position be declared vacant and a replacement appointed.
2. Attendance must be entered upon the minutes of all meetings; and

Whereas, the Equity and Human Rights Commission has recommended to the City Council that Dereka Williams-Robinson be removed from the Commission for failure to comply with the attendance requirements, such recommendation [provided] as Exhibit A; and

Whereas, § 8-2-12 of the Code of Ordinances authorizes removal of a commissioner for cause upon written charges and after public hearing; and

Whereas, a public hearing was set for August 7, 2023 and notice was mailed to Dereka Williams-Robinson and published in accordance with Iowa Code §362.3; and

Whereas, the City Council held a public hearing on the question of removing Commissioner Dereka Williams-Robinson from the Equity and Human Rights Commission on August 7, 2023.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The City Council hereby removes Dereka Williams-Robinson from the Equity and Human Rights Commission for non-compliance with the attendance requirement of the Code of Ordinances.

Section 2. The City Clerk is hereby authorized and directed to begin recruitment for appointment to the Equity and Human Rights Commission to fill the seat created by this removal.

ACTION ITEMS

1. Small Business Grant Program Proposed Modifications Approved by the Community Development Advisory Commission: Motion by Jones to receive and file the documents and approve the changes to our existing small business grant program in response to evolving small business needs and entrepreneurial ecosystem development that have been presented to and approved by the Community Development Advisory Commission. Seconded by Wethal. Motion carried 7-0.

2. City of Dubuque Secondary Responder Model (Community Response Model). Motion by Jones to receive and file the documents. Seconded by Sprank. Police Chief Jeremy Jensen responded to questions from the City Council and introduced Captain Steve Radloff and Officer Brandan Nugent as members assigned to the Secondary Responder Unit. Motion carried 7-0.

3. Safety and Security Camera and Automated License Plate Reader Policy: Motion by Farber to receive and file the documents and approve the updated policy on City of Dubuque Traffic Camera use with the addition of Automated License Plate Readers (APLR). Seconded by Jones. Police Chief Jeremy Jensen explained that the cameras only track license plates. No faces or personal travel history is collected. The automated license plate reader is designed to notify local police if a vehicle with a license plate number previously entered into the system because of an arrest warrant or an Amber Alert has passed by the camera. The Chief explained that the data was only allowed to be accessed by certified officers and used for but not limited to such investigations as homicides, burglaries, abducted children, and hit and run accidents. After a lengthy discussion Police Chief Jensen answered questions from the City Council regarding the keeping of the data for 30 (thirty) days before the data is purged. The Chief used an example of a family being on a vacation for a week or two. When they return, they find that their home had been burglarized. In this case having the data for 30 days can help to determine if the car used in the burglary was local or had left town. If the vehicle had left town, the license plate information can be entered into the system and possibly located in another city or state. If the license plate information was purged in a

shorter amount of time, the data may be gone before the homeowners can report a crime has been committed. City Council requested that presentations be made to them 6 (six) months after the cameras go live. The City Council will review recommendations at that time. Motion carried 6-1 with Resnick voting nay.

4. Award John F. Kennedy and West 32nd St. Intersection Improvement Project: Motion by Resnick to receive and file the documents and adopt Resolution No. 259-23 Awarding Public Improvement Contract for the John F. Kennedy Road and W. 32nd Street Intersection Improvement Project. Seconded by Jones. City Engineer Gus Psihoyos responded to questions by City Council. Motion carried 7-0.

**RESOLUTION NO. 259-23
AWARDING PUBLIC IMPROVEMENT CONTRACT FOR THE JOHN F. KENNEDY ROAD AND W. 32ND STREET INTERSECTION IMPROVEMENT PROJECT**

Whereas, sealed proposals have been submitted by contractors for the John F. Kennedy Road and W. 32nd Street Intersection Improvement Project, (the Project) pursuant to Resolution No. 218-23 and Notice to Bidders published on the City of Dubuque, Iowa website and plan room service with statewide circulation on the 12th day of July 2023; and

Whereas, said sealed proposals were opened and read on the 27th day of July 2023 and it has been determined that Eastern Iowa Excavating and Concrete LLC of Cascade, Iowa, submitted low bid in the amount of \$416,192.45, and is the lowest responsive, responsible bidder for the Project.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

That a Public Improvement Contract for the Project is hereby awarded to Eastern Iowa Excavating and Concrete LLC and the City Manager is hereby directed to execute a Public Improvement Contract on behalf of the City of Dubuque for the Project.

Passed, adopted, and approved this 7th day of August 2023.

Seconded by Jones. Motion carried 7-0.

**RESOLUTION NO. 260-23
APPROVING A US ECONOMIC DEVELOPMENT ADMINISTRATION DISASTER RELIEF OPPORTUNITY GRANT APPLICATION AND PLEDGING THE LOCAL MATCH IN THE AMOUNT OF \$ 19,012,000 FROM GENERAL OBLIGATION BONDS OR AN SRF LOAN FOR CONSTRUCTION OF A NEW STORMWATER PUMPING STATION AT THE 16TH STREET DETENTION BASIN**

Whereas, the City Council of the City of Dubuque, Iowa wishes to apply through the Economic Development Administration (EDA), U. S. Department of Commerce for a Disaster Relief Opportunity grant for the construction of a new stormwater pumping station at the 16th Street Detention Basin, and

Whereas, the City Council, in support of the application for \$7,700,000.00 in grant funding, must pledge a local match estimated at \$19,012,000.00 toward the activity as identified in the application, and

Whereas, the City will use General Obligation bonds or a State Revolving Fund loan as the source for this expenditure.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. Approves the application for EDA Disaster Relief Opportunity grant funding.

Section 2. Authorizes the Mayor to sign the application.

Section 3. Pledges the amount of \$19,012,000.00 from GO Bonds or a State Revolving Fund loan, if in fact, the Disaster Relief

Opportunity grant is awarded by the Economic Development Administration.

Mayor Cavanagh read the call and stated this is a special session of the City Council called for the purpose of conducting work sessions on State and Federal Grant Updates and Travel Dubuque Updates

Assistant City Clerk Trish Gleason announced that work session #2 Travel Dubuque Update will be rescheduled to a later date.

WORK SESSION

1. State and Federal Grant Updates: Director of Strategic Partnerships Teri Goodman presented information regarding the Federal and State Grants received and not received by the City of Dubuque and on the status of the City of Dubuque's efforts to secure federal grants working together with city staff, community partners, and with grant writing services consultant Andy Seth of Sustainable Strategies DC.

Technical Grant Analyst/Assistant Justin Thiltgen presented further information to the City Council and was present to answer questions.

Andy Seth of Sustainable Strategies DC participated by phone to answer questions from City Council. Mr. Seth advised Council to "Step on the Gas" when applying for grants as many of the current grant dollars at the State and Federal level will be going away soon. Having projects closer to a "shovel ready" stage and having a pathway to matching funds will increase the odds of obtaining more of the grants that are being applied for.

copy of which is now on file at the Office of the
City Clerk, City Hall, 50 W. 13th Street, Dubu-
que, Iowa for the development of property lo-
cated at 249 W 1st Street; and

Whereas, the City Council has tentatively
determined that it would be in the best interests
of the City to approve the Development Agree-
ment with Chadwick Block, LLC; and

Whereas, it is deemed necessary and ad-
visable that City should authorize Urban Re-
newal Tax Increment Revenue obligations, as

provided by Iowa Code Chapter 403, pursuant
to the Development Agreement; and

Whereas, before said obligations may be
approved, Iowa Code Chapter 403 requires
that the City Clerk publish a notice of the pro-
posal and of the time and place of the meeting
at which the City Council proposes to take ac-
tion thereon and at which meeting the City
Council shall receive oral and/or written objec-
tions from any resident or property owner of
said City to such proposed action.

NOW THEREFORE, BE IT RESOLVED BY
THE CITY COUNCIL OF THE CITY OF DUBU-
QUE, IOWA:

Section 1. The City Clerk is hereby author-
ized and directed to cause a notice to be pub-
lished as prescribed by Iowa Code Section
403.9 of a public hearing on the City's intent to

Whereas, Merge, LLC assigned the Development Agreement to Port of Dubuque, LLC on the 13th day of February, 2020, with the

consent of City in a Second Amendment dated November 16, 2020; and

Whereas, a Third Amendment to Development dated May 15, 2020, extended the closing date of the agreement to July 31, 2023; and

Whereas, City and Port of Dubuque, LLC, now desire to further amend the Development Agreement as set forth in the [provided] Fourth Amendment, subject to the approval of the City Council; and

Whereas, the City Council has tentatively determined that it would be in the best interests of City to approve the Fourth Amendment to Development Agreement; and

Whereas, before said Fourth Amendment may be approved, Chapter 403 of the Code of Iowa requires that the City Clerk publish a notice of the proposal and of the time and place of the meeting at which the City Council proposes to take action thereon and at which meeting the City Council shall receive oral and/or written objections from any resident or property owner of said City to such proposed action.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Fourth Amendment to Development Agreement by and Between the City of Dubuque, Iowa and Port of Dubuque LLC, a copy of which is [provided] hereto, including the issuance of Housing Incentive Acquisition Grants, is hereby approved.

Section 2. That the Mayor is hereby authorized and directed to execute the Development Agreement on behalf of the City of Dubuque and the City Clerk is authorized to attest to his signature.

Section 3. That the City Manager is authorized to take such actions as are necessary to comply with the terms of the Development Agreement as herein approved

Passed, approved, and adopted this 21st day of August, 2023.

4. Voluntary Annexation Request for Butler Children's Garden Foundation, Inc., known as The Wanderwood Gardens for approximately 18.7 acres of property: Motion by Farber to receive and file the documents and adopt Resolution No. 279-23 Approving an Application for Voluntary Annexation of Territory to the City of Dubuque, Iowa. Seconded by Resnick. Motion carried 7-0.

**RESOLUTION NO. 279-23
APPROVING AN APPLICATION FOR VOLUNTARY ANNEXATION OF TERRITORY TO THE CITY OF DUBUQUE, IOWA**

Whereas, the City Council of Dubuque has received a written application from the Butler Children's Garden Foundation, Inc. (applicant and property owner) for the voluntary annexation of approximately 18.717 acres of property. The property is comprised of undeveloped forest land just north of the Dubuque Arboretum in Dubuque County as shown on Exhibit A and legally described as:

All of Lot 2 of Y-Camp Place No. 3 In Dubuque County, Iowa, Containing 18.717 Acres; and

Whereas, the annexation territory is not subject to an existing annexation moratorium agreement and does not include any railroad property; and

Whereas, the annexation territory does not include State-owned property; and

Whereas, Chapter 368 of the Code of Iowa authorizes this annexation by adoption of a resolution and required notification; and

Whereas, the annexation territory is consistent with the City's Comprehensive Plan; and

Whereas, the future growth and development of the City of Dubuque, Iowa makes it desirable that the annexation territory be made part of the City of Dubuque, Iowa; and

Whereas, the City of Dubuque has the capacity to provide substantial municipal services to the annexation territory; and

Whereas, the annexation is in the public interest.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the application for the voluntary annexation of property by the Butler Children's Garden Foundation, Inc. (applicant and property owner) consisting of 18.717 acres as shown on Exhibit A is hereby approved for annexation to the City of Dubuque.

Section 2. That, subject to the approval of the City Development Board, the corporate limits of the City of Dubuque be and they hereby are extended to include the approximately 18.717 acres of annexation territory as shown on Exhibit A Annexation Map and Exhibit C Annexation Legal Description.

Section 3. That the City Council does hereby certify that the City of Dubuque has complied with the notice and hearing requirements of the Iowa Code pertaining to 100% voluntary annexation of territory within the urbanized area of another city.

Section 4. That if the City Development Board approves this annexation, the territory hereby annexed shall become a part of Ward Two of the City of Dubuque.

Section 5. That the City Clerk shall file this resolution, all exhibits and the applications for voluntary annexation with the City Development Board of the State of Iowa in accordance with the provisions of Chapter 368 of the Iowa Code.

Section 6: That the Real Estate owned by Butler Children's Garden Foundation, Inc. shall be entitled to the following partial exemption from taxation for City taxes for a period of then (10) years following the final order of the City Development Board after the exhaustion of any and all appeals from the action of the Board by any person or the expiration of the time within which such appeals may be brought, approving the voluntary annexation of the property:

1. For the first and second year, seventy-five percent (75%)
2. For the third and fourth year, sixty percent (60%)
3. For the fifth and sixth year, forty-five percent (45%)
4. For the seventh and eighth year, thirty percent (30%)
5. For the ninth and tenth year, fifteen percent (15%).

Passed, approved, and adopted this 21st day of August 2023.

1. Minutes and Reports Submitted: City Council Proceedings of 8/1/23, 8/21/23, 8/22/23, 8/24/23; Proof of Publication of City Council Proceedings of 7/31/23, 8/7/23 Upon motion the documents were received and filed.

2. Expenses submitted for City Council Approval: Upon motion the documents were received and filed, and Resolution No. 283-23 Authorizing the Chief Financial Officer/City Treasurer to make certain payments of bills that must be paid and approved for payment in accordance with City procedures was adopted.

**RESOLUTION NO. 283-23
AUTHORIZING THE CHIEF FINANCIAL OFFICER / CITY TREASURER TO MAKE CERTAIN PAYMENTS OF BILLS THAT MUST BE PAID AND APPROVED FOR PAYMENT IN ACCORDANCE WITH CITY PROCEDURES**

Whereas, Section 1-7-7(E) of the Municipal Code of the City of Dubuque provides that the Finance Director-City Treasurer shall keep an accurate account of all disbursements, money, or property, specifying date, to whom, and from what fund paid; and

Whereas, the invoices, presented by those firms and persons providing such goods and services have been pre-audited by Finance Department personnel in accordance with generally accepted internal control procedures and have been determined to have been requisitioned for a lawful municipal purpose; and

Whereas, the Chief Financial Officer-City Treasurer has provided a list of Expenditures [provided] hereto, and by this reference made a part hereof, to be drawn to pay for goods and services provided for City purposes; and

Whereas, the City Council of the City of Dubuque has heretofore, by Resolution 142-18 adopted May 7, 2018, authorized the Chief Financial Officer-City Treasurer to issue checks in payment of certain expenditures known as Exception Expenditures prior to City Council approval and such list is [provided] hereto.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA THAT:

Section 1. The Chief Financial Officer-City Treasurer is hereby authorized to issue payment for goods and services provided for City purposes in response to the purchase orders and contracts issued in compliance with state and municipal code requirements as requested by designated requisitioning authorities in accordance with approved budget appropriations.

Section 2. In accordance with Iowa Code Section 372.13(6), the City Clerk and Chief Financial Officer are hereby authorized and directed to provide the statement of receipts and disbursements to the City Council, and to publish a summary thereof.

Passed, approved, and adopted this 5th day of September, 2023.

Brad M. Cavanagh, Mayor
Attest: Trish L. Gleason, Assistant City Clerk

Items 3 and 4. City Manager providing a copy of the September/October 2023 Issue of City News Newsletter and the 2023 City Services Guide brochure. Upon motion the documents were received and filed.

5. National Endowment for the Arts (NEA) Local Arts Agency (LAA) American Rescue Plan Act (ARPA) Creative Empowerment

Subgrant Funding Recommendation for Round 2. Upon motion the documents were received, filed, and concurred.

Items 6 to 13 - City Manager providing a copy of the City of Dubuque Employment brochure; Employment and Empowerment Expo Flyer; Updated Local Housing Creation, Access, & Affordability Programs & Incentives Brochure; Creating Housing Opportunities: New Housing Units Approved and/or Under Review - 2,029 Lots/Units; Carnegie-Stout Public Library Fall Program Guide Brochure; Fall 2023 "Let's Go!" Activities Flyer; Multicultural Family Center section of Let's Go Activities Guide Fall 2023 brochure; The Creation of a Neighborhood Association Toolkit. Upon motion the documents were received and filed.

14. Iowa Grocer's Association Fireworks Permit Request from J&M Displays, Inc for a fireworks display on September 12, 2023, on the Riverwalk between the Star Brewery and the Grand River Center. Upon motion the documents were received, filed, and approved.

15. 2024 Boating Infrastructure Tier 1 Grant Application Authorization to Submit Grant Application to Assist with Funding to Perform Maintenance Dredging at Dubuque Marina: Upon motion the documents were received and filed, and Resolution No. 284-23 Authorizing the filing of a Grant Application with the U.S. Fish And Wildlife Service and Iowa Department of Natural Resources for the 2024 Boating Infrastructure Tier 1 Grant to assist with funding to perform maintenance dredging at Dubuque Marina was adopted.

**RESOLUTION NO. 284-23
AUTHORIZING THE FILING OF A GRANT APPLICATION WITH THE US FISH AND WILDLIFE SERVICE AND IOWA DEPARTMENT OF NATURAL RESOURCES FOR THE 2024 BOATING INFRASTRUCTURE TIER 1 GRANT TO ASSIST WITH FUNDING TO PERFORM MAINTENANCE DREDGING AT DUBUQUE MARINA**

Whereas, the City completed river bottom bathometric surveys along the entire riverfront and developed a river and harbor bottom elevation model to identify shallows water way locations at various river stages and evaluate potential dredging needs; and

Whereas, based on the river bottom contour elevations, a silted in area along Peosta Channel at the entrance to Dubuque Marina was identified; and

Whereas, city staff met with Dubuque Marina to review the river bottom bathometric survey contour maps, evaluate maintenance dredging needs, and prioritize maintenance dredging locations based on current operational challenges for safe harbor access for

recreational and transient boat navigational access; and

Whereas, the City is proposing a 2-phase dredging project to support the local and regional transient boating market; and

Whereas, the proposed 2-phase dredging project will provide adequate depth and improved open waterway for safely navigating transient vessels. By dredging and creating the open waterway from the Peosta Channel to the marina transient docks, this will create improved water flow and water circulation which will reduce the potential for future sediment siltation within the proposed dredge location; and

Whereas, the proposed dredged open waterway will be more sustainable long-term and will maximize the return on the investment of federal BIG funding with a long-term solution in providing safe harbor access for daily and overnight transient boaters; and

Whereas, the City is seeking funding through the Sportfishing and Boating Safety Act - Boating Infrastructure Grants (BIG) Program to assist with funding to perform maintenance dredging at Dubuque Marina; and

Whereas, Dubuque Marina has provided a letter of support, and has agreed to contribute the \$100,000 (25%) local match grant funds required.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA, THAT:

Section 1. The City is hereby authorized to file the grant application with the US Fish and Wildlife Service and Iowa Department of Natural Resources for the 2024 Boating Infrastructure Tier 1 Grant to assist with funding to perform maintenance dredging at Dubuque Marina.

Passed, approved, and adopted this 5th day of September 2023.

17. CDBG-CV Subrecipient Agreement for Credit Repair Program with Catholic Charities and authorize the Mayor to execute the contract on behalf of the City. Upon motion the documents were received and filed, and Resolution No. 285-23 Authorizing Execution of CDBG-CV Subrecipient Agreement with Catholic Charities was adopted.

RESOLUTION NO. 285-23

AUTHORIZING EXECUTION OF CDBG-CV SUBRECIPIENT AGREEMENT WITH CATHOLIC CHARITIES

Whereas, the Catholic Charities has requested CDBG-CV assistance for a Credit Repair Program to respond to the COVID-19 pandemic; and

Whereas, the City Council approved the Iowa Economic Development Authority CDBG-CV agreement with the City of Dubuque on December 21, 2020; and

Whereas, all services provided will be to a minimum of 51% low/moderate income residents.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Subrecipient Agreement, beginning September 5, 2023, with Catholic Charities be approved.

Section 2. That the Mayor of the City of Dubuque is hereby authorized and directed to execute said Agreement and related documents on behalf of the City of Dubuque, Iowa.

Passed, approved, and adopted this 5th day of September 2023.

Upon motion the documents were received, filed, and approved.

19. Accepting the Foothill Court Drain Tile Project 2023 and the authorizing payment of the final contract amount of \$63,325.52 to Temperley Excavating Company, Inc. of East Dubuque, IL. Upon motion the documents were received and filed, and Resolution No. 286-23 Accepting the Foothill Court Drain Tile Project 2023 and Authorizing the Payment to the Contractor was adopted.

RESOLUTION NO. 286-23

ACCEPTING THE FOOTHILL COURT DRAIN TILE PROJECT 2023 AND AUTHORIZING THE PAYMENT TO THE CONTRACTOR

Whereas, the public improvement contract for the Foothill Court Drain Tile Project 2023 (the Project) has been completed by the Contractor, Temperley Excavating Company, Inc., (Contractor), the City Engineer has examined the work and recommends that the Project be accepted; and

Whereas, the final contract amount for the Project is \$63,325.52; and

Whereas, the Contractor has previously been paid \$60,159.24, leaving a balance of

\$3,166.28; and

Whereas, the City Council finds that the recommendation of the City Engineer should be accepted.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The recommendation of the City Engineer is approved, and the Project is hereby accepted.

Section 2. The Finance Director is hereby directed to pay to the Contractor the balance of the retainage of \$3,166.28 as provided in Iowa Code chapter 573, and to pay such retainage in accordance with the provisions of Iowa Code chapter 573 or Iowa Code chapter 26.13.

20. Funding Agreement between City and American Marine 2023 Maintenance Dredging Project and hereby authorize the City Manager to execute said agreement. Upon motion the documents were received and filed, and Resolution No. 287-23 Approving the Funding Agreement between the City of Dubuque and American Marine for the 2023 Maintenance Dredging Project was adopted.

**RESOLUTION NO. 287-23
APPROVING THE FUNDING AGREEMENT
BETWEEN THE CITY OF DUBUQUE AND
AMERICAN MARINE FOR THE 2023
MAINTENANCE DREDGING PROJECT**

Whereas, city staff met with American Marine to review the river bottom bathymetric survey contour maps, evaluate maintenance dredging needs, and prioritize maintenance dredging locations based on current operational challenges for safe harbor access for recreational and transient boat navigational access; and

Whereas, American Marine - Dubuque Yacht Basin requested and identified the location to be dredged as part of the 2023 Maintenance Dredging Project; and

Whereas, per the Dubuque Yacht Basin Lease dated February 5, 1974, the City is only responsible for performing maintenance dredging of Schmitt Harbor to a usable depth for such purposes as are permitted by the Lease; and

Whereas, although the requested dredge area is outside the Schmitt Harbor location referenced per the Lease, and outside the City's obligation to maintain, staff believes it is in the public best interests to perform maintenance dredging to create a safe open waterway for navigating vessels from the Peosta Channel to and from the marina harbor and transient docks; and

Whereas, American Marine has provided a

letter of support dated August 1, 2023, for the 2023 Maintenance Dredging Project, and has agreed to provide \$100,000 towards dredging at the Yacht Basin; and

Whereas, City and American Marine now desire to enter into a Funding Agreement to perform maintenance dredging at the Dubuque Yacht Basin.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That said Funding Agreement between City and American Marine for the partnership agreement to complete the 2023 Maintenance Dredging Project is hereby approved.

Section 2. That the City Manager be authorized and directed to execute said Funding Agreement between City and American Marine for the partnership agreement to complete the 2023 Maintenance Dredging Project.

Passed, adopted, and approved this 5th day of September 2023.

ON PROPOSAL TO ENTER INTO A SEWER
REVENUE LOAN AND DISBURSEMENT
AGREEMENT AND TO BORROW MONEY
THEREUNDER IN A PRINCIPAL AMOUNT
NOT TO EXCEED \$1,000,000 (LIFT
STATIONS)**

Whereas, the City of Dubuque (the "City"), in Dubuque County, State of Iowa, did heretofore establish a Municipal Sanitary Sewer System (the "Utility") in and for the City which has continuously supplied sanitary sewer service in and to the City and its inhabitants since its establishment; and

Whereas, the management and control of the Utility are vested in the City Council (the "Council") and no board of trustees exists for this purpose; and

Whereas, pursuant to a prior resolution of the Council, the City has heretofore issued sewer revenue bonds or notes as set forth on [provided] outstanding debt certificate and a portion of which remains outstanding (the "Outstanding Indebtedness"); and

Whereas, pursuant to the resolutions relating to and authorizing the Outstanding Indebtedness (the "Outstanding Bond Resolutions") the City reserved the right to issue additional obligations payable from the net revenues of the Utility and ranking on a parity with the Outstanding Indebtedness under the terms and conditions set forth in the Outstanding Bond Resolutions; and

Whereas, the City now proposes to enter into a Sewer Revenue Loan and Disbursement Agreement (the "Agreement") and to borrow money thereunder in a principal amount not to exceed \$1,000,000, pursuant to the provisions of Section 384.24A of the Code of Iowa, for the purpose of paying the cost, to that extent, of planning, designing and constructing

improvements and extensions to the Utility (the "Project"), and it is necessary to fix a date of meeting of the Council at which it is proposed to take action to enter into the Agreement and to give notice thereof as required by such law;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA, AS FOLLOWS:

Section 1. This City Council shall meet on September 18, 2023, at 6:30 o'clock p.m., at the Historic Federal Building, 350 W. 6th St, Second Floor Council Chambers, at which time and place a hearing will be held and proceedings will be instituted, and action taken to enter into the Agreement.

Section 2. The City Clerk is hereby directed to give notice of the proposed action on the Agreement setting forth the amount and purpose thereof, the time when and place where the said meeting will be held, by publication at least once, not less than four (4) and not more than twenty (20) days before the meeting, in a legal newspaper which has a general circulation in the City. The notice shall be in substantially the [provided] form.

Section 3. Pursuant to Section 1.150-2 of the Income Tax Regulations (the "Regulations") of the Internal Revenue Service, the City declares (a) that it intends to undertake the Project which is reasonably estimated to cost approximately \$1,000,000, (b) that other than (i) expenditures to be paid or reimbursed from sources other than the issuance of bonds, notes or other obligations (the "Bonds"), or (ii) expenditures made not earlier than 60 days prior to the date of this Resolution or a previous intent resolution of the City, or (iii) expenditures amounting to the lesser of \$100,000 or 5% of the proceeds of the Bonds, or (iv) expenditures constituting preliminary expenditures as defined in Section 1.150-2(f)(2) of the Regulations, no expenditures for the Project have heretofore been made by the City and no expenditures will be made by the City until after the date of this Resolution or a prior intent resolution of the City, and (c) that the City reasonably expects to reimburse the expenditures made for costs of the City out of the proceeds of the Bonds. This declaration is a declaration of official intent adopted pursuant to Section 1.150-2 of the Regulations.

Section 4. All resolutions or parts of resolutions in conflict herewith are hereby repealed to the extent of such conflict.

Section 5. This resolution shall be in full force and effect immediately upon its adoption and approval, as provided by law.

Passed and approved September 5, 2023.

Whereas, the City of Dubuque (the "City"), in Dubuque County, State of Iowa, did heretofore establish a Municipal Sanitary Sewer System (the "Utility") in and for the City which has continuously supplied sanitary sewer service in and to the City and its inhabitants since its establishment; and

Whereas, the management and control of the Utility are vested in the City Council (the "Council") and no board of trustees exists for this purpose; and

Whereas, pursuant to prior resolutions of the Council, the City has heretofore issued sewer revenue bonds or notes as set forth on [provided] outstanding debt certificate and a portion of which remains outstanding (the "Outstanding Indebtedness"); and

Whereas, pursuant to the resolutions relating to and authorizing the Outstanding Indebtedness (the "Outstanding Bond Resolutions") the City reserved the right to issue additional obligations payable from the net revenues of the Utility and ranking on a parity with the Outstanding Indebtedness under the terms and conditions set forth in the Outstanding Bond Resolutions; and

Whereas, the City now proposes to enter into a Sewer Revenue Loan and Disbursement Agreement (the "Agreement") and to borrow money thereunder in a principal amount not to exceed \$430,000, pursuant to the provisions of Section 384.24A of the Code of Iowa, for the purpose of paying the cost, to that extent, of planning, designing and constructing improvements and extensions to the Utility (the "Project"), and it is necessary to fix a date of meeting of the Council at which it is proposed to take

action to enter into the Agreement and to give notice thereof as required by such law.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA, AS FOLLOWS:

Section 1. This City Council shall meet on September 18, 2023, at 6:30 o'clock p.m., at the Historic Federal Building, 350 W. 6th St, Second Floor Council Chambers, at which time and place a hearing will be held and proceedings will be instituted, and action taken to enter into the Agreement.

Section 2. The City Clerk is hereby directed to give notice of the proposed action on the Agreement setting forth the amount and purpose thereof, the time when and place where the said meeting will be held, by publication at least once, not less than four (4) and not more than twenty (20) days before the meeting, in a legal newspaper which has a general circulation in the City. The notice shall be in substantially the [provided] form.

Section 3. Pursuant to Section 1.150-2 of the Income Tax Regulations (the "Regulations") of the Internal Revenue Service, the City declares (a) that it intends to undertake the Project which is reasonably estimated to cost approximately \$430,000, (b) that other than (i) expenditures to be paid or reimbursed from sources other than the issuance of bonds, notes or other obligations (the "Bonds"), or (ii) expenditures made not earlier than 60 days prior to the date of this Resolution or a previous intent resolution of the City, or (iii) expenditures amounting to the lesser of \$100,000 or 5% of the proceeds of the Bonds, or (iv) expenditures constituting preliminary expenditures as defined in Section 1.150-2(f)(2) of the Regulations, no expenditures for the Project have heretofore been made by the City and no expenditures will be made by the City until after the date of this Resolution or a prior intent resolution of the City, and (c) that the City reasonably expects to reimburse the expenditures made for costs of the City out of the proceeds of the Bonds. This declaration is a declaration of official intent adopted pursuant to Section 1.150-2 of the Regulations.

Section 4. All resolutions or parts of resolutions in conflict herewith are hereby repealed to the extent of such conflict.

Section 5. This resolution shall be in full force and effect immediately upon its adoption and approval, as provided by law.

Passed and approved September 5, 2023.

BY THE CITY COUNCIL OF THE CITY OF
DUBUQUE, IOWA:

Section 1. Section 13-2D-10 of the City of
Dubuque Code of Ordinances is hereby
amended to read as follows:

13-2D-10: RATES AND CHARGES:

A. Purpose: It is the purpose of this sec-
tion to provide for the collection of rates and
charges to produce gross revenues at least
sufficient to pay the expenses of operation
and maintenance of the City's sanitary
sewer system and POTW. The applicable
rates and charges shall be collected as pro-
vided in the Schedule of Rates and
Charges established in this section.

B. Description of Rates and Charges:

1. Types of Rates and Charges: The
city shall adopt rates and charges for the
administration of this program which may
include:

a. Rates or other charges for the re-
covery of costs of setting up and oper-
ating the industrial pretreatment pro-
gram.

b. Rates or other charges for monitor-
ing, inspections, and surveillance pro-
cedures.

c. Rates or other charges relating to
accidental discharge procedures. Note
that certain discharges may constitute
environmental violations and be subject
to municipal infractions in addition to
rates and charges for the recovery of
costs.

d. Rates or other charges for permit
applications and renewals.

e. Rates or other charges for filing ap-
peals.

f. Rates or other charges for the con-
sistent removal (by the POTW) of pollu-
tants otherwise subject to federal pre-
treatment standards.

g. Other rates or charges adopted
from time to time as the city may deem
necessary to carry out the requirements
contained herein.

These rates and charges relate solely
to the matters covered by this article
and are separate from all other fees
chargeable by the city.

2. Rate Schedule: On or after Septem-
ber 13, 2023, the rates and charges as-
sessed to each Significant Industrial User
of the system shall include all of the fol-
lowing:

a. A general service charge with the
following two components:

1. A fixed cost facilities and ad-
ministration charge in the amount
of: \$125.00/month; and

2. A volumetric charge in the
amount of \$0.14/Ccf of flow dis-
charged into the POTW.

b. A surveillance monitoring and sam-
ple charge in the amount of three dol-
lars (\$3.00) for each sample collected.

c. A laboratory testing charge in an
amount equal to actual expenses in-
curred for each parameter tested in-
house; and actual expenses incurred
plus ten percent (10%) for each param-
eter tested by outside laboratories.

d. A compliance charge for investigat-
ing incidents of program noncompl-
ance or accidental spills in an amount
equal to the amount of time actually ex-
pended multiplied by fifty dollars
(\$50.00) per hour.

e. A wastewater discharge permit ap-
plication fee in the amount of one hun-
dred dollars (\$100.00) for each
wastewater discharge permit.

f. A wastewater discharge permit re-
newal charge in the amount of fifty dol-
lars (\$50.00) per permit. A late fee of
one hundred dollars (\$100.00) per
month shall be assessed for each
month past the due date of permit re-
newal.

g. An appeal filing fee of two hundred
fifty dollars (\$250.00) shall be assessed
at the time of appeal.

h. Any person who discharges toxic
substances or effluent into the POTW
which exceed discharge limitations
shall be assessed a charge equal to the
amount of any fine, fee or penalty im-
posed upon the city by any federal or
state agency plus any applicable mu-
nicipal infractions.

i. A special treatment charge for the
consistent removal (by the POTW) of
pollutants otherwise subject to federal
pretreatment standards as established
in an agreement negotiated between
the city and the wastewater discharge
permit applicant.

Section 2. This ordinance shall take effect
upon publication.

Passed, approved, and adopted this 21st
day of August, 2023.

ITEMS SET FOR PUBLIC HEARING

Motion by Jones to receive and file the documents, adopt the resolutions, and set the public hearings as indicated. Seconded by Sprank. Motion carried 6-0.

1. Development Agreement by and between the City of Dubuque, Iowa and Union at the Marina, LP: Upon motion the documents were received and filed and Resolution No. 302-23 (1) Approving the Minimum Requirements, Competitive Criteria, and Offering Procedures for the Development and the Sale of Certain Real Property and Improvements in the Greater Downtown Urban Renewal District; (2) Determining that the Offer to Purchase Submitted by Union at the Marina, LP Satisfies the Offering Requirements with Respect to the Real Property and Improvements and Declaring the Intent of the City Council to Approve the Sale to Union at the Marina, LP in the Event That No Other Qualified Competing Proposals Are Submitted; And (3) Soliciting Competing Proposals was adopted setting a public hearing for a meeting to commence at 6:30 p.m. on October 16, 2023 in the Historic Federal Building.

**RESOLUTION NO. 302-23
RESOLUTION (1) APPROVING THE MINIMUM REQUIREMENTS, COMPETITIVE CRITERIA, AND OFFERING PROCEDURES FOR THE DEVELOPMENT AND THE SALE OF CERTAIN REAL PROPERTY AND IMPROVEMENTS IN THE GREATER DOWNTOWN URBAN RENEWAL DISTRICT; (2) DETERMINING THAT THE OFFER TO PURCHASE SUBMITTED BY UNION AT THE MARINA, LP SATISFIES THE OFFERING**

REQUIREMENTS WITH RESPECT TO THE REAL PROPERTY AND IMPROVEMENTS AND DECLARING THE INTENT OF THE CITY COUNCIL TO APPROVE THE SALE TO UNION AT THE MARINA, LP IN THE EVENT THAT NO OTHER QUALIFIED COMPETING PROPOSALS ARE SUBMITTED; AND (3) SOLICITING COMPETING PROPOSALS

Whereas, the City Council of Dubuque, Iowa, did on May 1, 2023, adopt an Amended and Restated Urban Renewal Plan for the Greater Downtown Urban Renewal District ("the Plan") for the Urban Renewal Area described therein; and

Whereas, the Plan provides, among other things, for the disposition of properties for private development purposes as a proposed economic development action; and

Whereas, Union at the Marina, LP ("Developer") has submitted to the City a proposal in the form of an offer to purchase (the "Development Agreement") for the purchase of certain City-owned real property hereinafter described ("the Property"), which Development Agreement proposes the Developer will undertake the purchase of a parcel located at the corner of Hawthorne Street and Kerper Boulevard as described therein, which Property is the real estate consisting of approximately 2.54 acres shown on Exhibit A, and which Development Agreement requests that this Property be made available for sale as soon as practicable; and

Whereas, in order to establish reasonably competitive bidding procedures for the disposition of the Property in accordance with the statutory requirements of Iowa Code Chapter 403, specifically, Section 403.8, and to assure that the City extends a full and fair opportunity to all developers interested in submitting a proposal, a summary of submission requirements and minimum requirements and competitive criteria for the Property offering is included herein; and

Whereas, said Developer has signed a Development Agreement with the City, currently on file at the Office of the City Clerk; and

Whereas, to recognize both the firm proposal for sale of the Property and improvements already received by the City in the form of the Development Agreement, as described above, and to give full and fair opportunity to other developers interested in submitting a proposal for the sale and development of the Property, this Council should by this Resolution:

- 1) Set the fair market value of the Property for uses in accordance with the Plan;
- 2) Approve the minimum requirements and competitive criteria included herein;
- 3) Approve as to form the Development Agreement;
- 4) Set a date for receipt of competing proposals and the opening thereof;
- 5) Declare that the proposal submitted

by Developer satisfies the minimum requirements of the offering, and that in the event no other qualified proposal is timely submitted, that the City Council intends to accept such proposal and authorize the City Manager to sign the Development Agreement;

6) Approve and direct publication of a notice to advise any other person of the opportunity to compete for sale of the Property on the terms and conditions set forth herein; and

7) Declare that in the event another qualified proposal is timely submitted and accepted, another and future notice will be published on the intent of the City to enter into the resulting contract, as required by law; and

Whereas, the City Council believes it is in the best interest of the City and the Plan to act as expeditiously as possible to sell the Property as set forth herein.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Property shown on Exhibit A [provided] hereto, shall be offered for sale in accordance with the terms and conditions contained in this Resolution.

Section 2. That it is hereby determined that in order to qualify for consideration for selection, any person must submit a proposal which meets these minimum requirements:

1) Contains an agreement to purchase the Property, shown on Exhibit A, at not less than fair market value, which for the purposes of this resolution is hereby determined to be Four Million Eighty-Two Thousand One Hundred Seventeen & 00/100 Dollars (\$4,082,117.00);

2) Sets out or provides to the satisfaction of the City Council the experience of the principals and key staff who are directly engaged in the performance of contract obligations in carrying out projects of similar scale and character; and

3) Meets, at a minimum, the terms and conditions of the Development Agreement submitted by the Developer including an agreement to create 201 affordable residential rental units within 24 months of the Closing Date in the City of Dubuque, Iowa.

Section 3. That the Development Agreement by and between the City and the Developer be and is hereby approved as to form for the purposes hereinafter stated.

Section 4. That for the purpose of defining the offering of the Property for sale, said Development Agreement shall be deemed to be illustrative of the terms acceptable to the City Council with respect to:

1) Developer and City obligations; and

2) General terms and conditions.

Section 5. That the Development Agreement submitted by the Developer satisfies the requirements of this offering and, in the event that no other qualified proposals are timely submitted, that the City Council intends to accept and approve the Development Agreement.

Section 6. That it is hereby determined that the Developer possesses the qualifications, financial resources, and legal ability necessary to purchase the Property shown on Exhibit A and to construct, manage and operate the site in the manner proposed by this offering in accordance with the Plan.

Section 7. That the City Clerk shall receive and retain for public examination the [provided] Development Agreement submitted by the Developer and, in the event no other qualified proposals are timely submitted, shall resubmit the Development Agreement to the City Council for final approval and execution upon expiration of the notice hereinafter prescribed.

Section 8. That the action of the City Council be considered to be and does hereby constitute notice to all concerned of the intention of this Council, in the event that no other qualified proposals are timely submitted, to accept the proposal of the Developer to purchase the Property shown on Exhibit A and to approve the Development Agreement by and between City and Developer.

Section 9. That the official notice of this offering and of the intent of the City, in the event no other qualified proposals are timely submitted, to approve the Development Agreement, shall be a true copy of this Resolution, but without the attachments referred to herein.

Section 10. That the City Clerk is authorized and directed to secure immediate publication of said official notice in the Telegraph Herald, a newspaper having a general circulation in the community, by publication of the text of this Resolution on or before the 15th day of September, 2023.

Section 11. That written proposals for the sale of the Property shown on Exhibit A will be received by the City Clerk at or before 10:00 a.m., October 16, 2023 in the Office of the City Clerk, located on the first floor at City Hall, 50 West 13th Street, Dubuque, Iowa 52001. Each proposal will be opened at the hour of 10:00 a.m. in City Hall, Dubuque, Iowa on October 16, 2023. Said proposals will then be presented to the City Council at 6:30 p.m., October 16, 2023, at a meeting to be held in the City Council Chambers, Historic Federal Building at 350 West 6th Street, Dubuque, Iowa.

Section 12. That the method of offering the Property for sale as set forth herein is in substantial conformance with the provisions of Iowa Code Section 403.8, requiring reasonable competitive bidding procedures as are hereby

prescribed and "fair value."

Section 13. That the required documents for the submission of a proposal shall be in substantial conformity with the provisions of this Resolution.

Section 14. That the City Clerk is hereby nominated and appointed as the agent of the City of Dubuque, Iowa to receive proposals for the sale of the Property on that date and according to the procedure hereinabove specified for receipt of such proposals and to proceed at such time to formally acknowledge receipt of each of such proposal by noting the receipt of same in the Minutes of the Council; that the City Manager is hereby authorized and directed to make preliminary analysis of each such proposal for compliance with the minimum requirements established by this Council hereinabove. For each proposal that satisfies these requirements, the City Council shall judge the strength of the proposal by the competitive criteria established hereinabove. The City Council shall then make the final evaluation and selection of the proposals.

Section 15. If, and only if, competing proposals are received and determined by the Council to meet the minimum requirements described herein, the Developer shall be allowed to amend its proposal in response thereto and to deliver same to the City Manager, by no later than a date determined by the City Council. In such event, the Council shall schedule a subsequent meeting to be held by the City Manager at which there shall be a bid-off conducted by the City Manager. During such bid-off, each competing bidder shall bid against the other, starting with the second proposal received and continuing until such time as each bidder shall decline to improve its proposal to acquire and redevelop the Property shown on Exhibit A in response to the last bid of the other bidder or bidders. The period of time to be allowed for such bid-off shall be determined by the City Manager. The rules of such bid-off shall be as determined by the City Manager at or before such bid-off period and shall be absolute.

Section 16. That in the event another qualified proposal is timely submitted and accepted by the City, another and further notice shall be published of the intent of the City of Dubuque, Iowa, to enter into the resulting agreement, as required by law.

Passed, approved, and adopted this 12th day of September, 2023.

PUBLIC HEARINGS

1. Request to Rezone Property at 1749 Churchill Drive and the Zoning Advisory Commission Recommending Approval.: Motion by Jones to receive and file the documents and that the requirement that a proposed ordinance be considered and voted on for passage at two Council meetings prior to the meeting at which it is to be passed be suspended. Seconded by Resnick. Due to the high number of attendees that wanted to speak the Mayor placed a 5-minute per person and a 30-minute total for the full public input section. The Council Chamber quickly was over capacity, based on the Fire Marshals occupancy load requirements. The Mayor had to ask attendees in the chambers to divide in half and part attend the meeting via TV monitors in the hallway right outside of the council chambers. Attendees were able to see and hear everything that occurred within the chambers and the doors were left open so anyone could enter, or exit based on speaking needs. The Mayor extended the time frame for the public input section to one hour. A total of six residents spoke in favor of the rezoning request and five residents spoke against the rezoning request. The Mayor asked, by show of hands, how many attendees were present to speak in favor of the rezoning request and how many were speaking in opposition to the request. The Mayor closed the Public input section 74 minutes after beginning it, stating that due to time constraints the council needed time to deliberate this request. One attendee approached the podium and objected, for the record, to the closing of the public input section. The Mayor reiterated that the City Council had received over twenty-eight (28) emails as public input on this item as well as seeing and gearing the responses from residents in attendance. Planning Services Director Wally Wernimont provided a staff report. Motion carried 7-0.

After much discussion by the City Council. Motion by Jones for final consideration and passage of Ordinance No. 39-23 Amending Title 16 of the City of Dubuque Code of

Ordinances, Unified Development Code, by Reclassifying Hereinafter Described Property Located at 1749 Churchill Drive From R-1 Single-Family Residential District To R-3c Moderate Density Multiple-Family Residential District with Conditions as Established in the attached Memorandum of Agreement. Seconded by Resnick. Motion carried 7-0.

ORDINANCE NO. 39 - 23

AMENDING TITLE 16 OF THE CITY OF DUBUQUE CODE OF ORDINANCES, UNIFIED DEVELOPMENT CODE, BY RECLASSIFYING HEREINAFTER DESCRIBED PROPERTY LOCATED AT 1749 CHURCHILL DRIVE FROM R-1 SINGLE-FAMILY RESIDENTIAL DISTRICT TO R-3C MODERATE DENSITY MULTIPLE-FAMILY RESIDENTIAL DISTRICT WITH CONDITIONS AS ESTABLISHED IN THE ATTACHED MEMORANDUM OF AGREEMENT

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That Title 16 of the City of Dubuque Code of Ordinances, the Unified Development Code, is hereby amended by reclassifying the hereinafter-described property from R-1 Single-Family Residential district to R-3C Moderate Density Multiple-Family Residential district with conditions, to wit:

- f. Drive-in/carry-out restaurant
- g. Drive-up automated bank teller
- h. Banks, savings and loans, and credit unions
- i. Group day care center

2. Conditional uses reserved for future use.

3. Accessory uses shall be limited to the following:

- a. Any use customarily incidental and subordinate to the principal use it serves.

4. Temporary uses shall be limited to the following:

Any use listed as a permitted use within the PUD District of a limited duration as established in Section 3-19 Temporary Uses of the Unified Development Code.

Zone B: General Purpose and Description. Zone B is intended to provide for a variety of uses primarily involving light manufacturing, assembly and fabrication, warehousing, wholesaling, office uses and business services. Exterior storage is prohibited.

1. Principal permitted uses shall be limited to:

- a. Railroads and public or quasi-public utilities
- b. General offices
- c. Medical/dental lab
- d. Mail-order houses
- e. Printing and publishing

f. Laboratories for research and engineering
 g. Wholesale sales/distributor
 h. Vending / game machine sales / service
 i. Cold storage/locker plants
 j. Packing and processing of meat, dairy or food products, not to include stockyards or slaughter houses
 k. Tool, die, and patter making
 l. Manufacture, assembly, repair or storage of electrical and electronic products, components, or equipment
 m. Warehousing and storage facilities, not to include mini-warehouses
 n. Manufacturing, processing, fabrication, assembling, packaging or other comparable treatment of goods or materials, entirely within enclosed buildings
 o. Childcare centers
 p. Early learning centers
 q. Data centers
 r. Emergency call centers

2. Accessory uses shall be limited to the following:

a. Retail outlets within a primary office/industrial building, selling products produced on-site and only as accessory to the principal use.
 b. Any use customarily incidental and subordinate to the principal use it serves.

3. Temporary uses shall be limited to the following:
 Any use listed as a permitted use within the PUD District of a limited duration as established in Section 3-19 Temporary Uses of the Unified Development Code.

Zone C: General Purpose and Description.
 Zone C is intended to provide for a variety of uses primarily involving light manufacturing, assembly and fabrication, warehousing, wholesaling, and office uses. Exterior storage is allowed with some restrictions and must be screened from view from both the public right-of-way and surrounding privately owned property.

1. Principal permitted uses shall be limited to:
 - a. Railroads and public or quasi-public utilities
 - b. Corporate offices
 - c. Medical/dental lab.
 - d. Mail-order houses
 - e. Printing and publishing
 - f. Laboratories for research and engineering
 - g. Moving/storage facilities
 - h. Wholesale sales/distributor
 - i. Freight transfer facilities
 - j. Vending/game machine

- sales/service
 - k. Cold storage/locker plants
 - l. Packing and processing of meat, dairy or food products, not to include stockyards or slaughter houses
 - m. Tool, die, and pattern making
 - n. Manufacture, assembly, repair or storage of electrical and electronic products, components, or equipment
 - o. Warehousing and storage facilities, not to include mini-warehouses
 - p. Manufacturing, processing, fabrication, assembling, packaging or other comparable treatment of goods or materials, entirely within enclosed buildings
 - q. Animal hospital or clinic
 - r. Kennel
 - s. Pet daycare or grooming
2. Conditional uses shall be limited to the following:
- a. Day care center, within a primary office/industrial building or as an accessory structure on the same lot. Day care centers are subject to state and local regulations.
 1. Indoor floor area (excluding halls and bathrooms) must be provided per child in areas occupied by cribs as per State Code;
 2. Indoor floor area (excluding halls and bathrooms) must be provided per child in areas not occupied by cribs times the licensed capacity as per State Code;
 3. Fenced outdoor recreation space, must be provided per child using the space at a given time as per State Code;
 4. Such facility shall provide for the loading and unloading of children so as not to obstruct public streets or create traffic or safety hazards;
 5. All licenses have been issued or have been applied for awaiting the outcome of the Board's decision;
 6. No group day care center may be located within the same structure as any gas station, bar/tavern, automated gas station or any facility selling, servicing, repairing, or renting vehicles;
 7. The parking group requirements can be met;

- i. Fuel and ice dealers
- j. Cold storage/locker plants
- k. Packing and processing of meat, dairy or food products, not to include stockyards or slaughter houses
- l. Compounding, processing and packaging of chemical products
- m. Manufacture, assembly, repair or storage of electrical and electronic products, components or equipment
- n. Warehousing and storage facilities, not to include mini-warehouses
- o. Manufacturing, processing, fabrication, assembling, packaging or other comparable treatment of goods or materials entirely within enclosed buildings.
- p. Contractors shop/yard
- q. Recycling industries entirely within enclosed buildings with no outdoor storage
- r. Timber processing

2. Conditional uses reserved for future use.

3. Accessory uses shall be limited to the following:

- a. Retail outlets within a primary office/industrial building, selling products produced on-site and only as accessory to the principal use.
 - b. Any use customarily incidental and subordinate to the principal use it serves.
4. Temporary uses shall be limited to the following:

Any use listed as a permitted use within the PUD District of a limited duration as established in Section 3-19 Temporary Uses of the Unified Development Code.

Zone O: General Purpose and Description.

Zone O is intended to serve as an amenity to the industrial park, providing open space and control of storm water to protect downstream properties.

1. Principal permitted uses shall be limited to:

- a. Railroads and public or quasi-public utilities
- b. Parks, nature areas, playgrounds, and similar recreational uses
- c. Picnic areas
- d. Recreational trails
- e. Club houses, shelter houses, tennis courts, or playground

equipment, or other recreational buildings and structures when associated with parks, nature areas, playgrounds, recreational facilities
f. Construction of dams, reservoirs, or detention ponds

2. Conditional uses reserved for future use.

3. Accessory uses shall be limited to the following:

a. Any use customarily incidental or subordinate to the principle use it serves.

4. Temporary uses reserved for future use.

c. Lot and Bulk Regulations.

Development of land in Zones A, B, C, D, E and O shall be regulated as follows:

1. All building structures and activities shall be located in conformance with the [provided] conceptual development plan and all final site development plans shall be approved in accordance with provisions of the PUD District regulations of this ordinance and of Section 5-24 PUD Planned Unit Development of the Unified Development Code.

2. All buildings related features in Zones A, B, C, D, E and O shall be in accordance with the following bulk regulations chart:

Zone, Min. Lot area In Acres, Lot Frontage Minimum, Front Yard Setback Min. Ft., Side Yard Setback Min. Ft., Rear Yard Setback Min. Ft., Building Height Max. Ft.

A, 1/2 acre, 100, 20, 10*, 20, 30

B, 2 acres, 100, 50, 10, 25, 50

C, 2 acres, 100, 50, 25, 25, 75

D, 2 acres, 100, 50, 25, 50, 100

E, 2 acres, 100, 50, 10, 25, 50

O, N/A, N/A, N/A, N/A, N/A

*0-foot side yard setbacks from property lines shall be permitted for attached buildings.

a. Lots smaller than minimum will be allowed if the parcel is consolidated or combined with a larger lot. Substations for public and quasi-public utilities shall be exempt from lot frontage and lot area requirements.

b. Maximum lot coverage shall be 80 percent. All building and vehicle related features shall be considered when calculating total land area coverage, except fire lanes and railroad tracks.

c. Maximum building height shall be as stipulated in the bulk regulations chart above, except the following may exceed the height limit: cooling towers, condensers, elevator bulkheads, stacks and other necessary mechanical equipment and their protective housing. Heating, ventilating, and air

conditioning (HVAC) equipment is limited to 10 ft. above height limitation, except in Zone A where 30 ft. maximum height includes HVAC equipment.

d. Within required front, side, and rear setbacks, only driveways, fire lanes, railroad tracks, open space features, and primary and secondary signage are allowed. Parking lots may encroach up to 50% into a required front yard setback.

Parking and Loading Regulations

1. All vehicle-related features, except for railroad tracks, shall be surfaced with either asphalt or concrete.

2. All parking and loading spaces shall be delineated on the surfacing material by painted strips or other permanent means.

3. The number, size and design of parking spaces shall be governed by applicable provisions of City of Dubuque Unified Development Code.

4. The number, size and design and location of parking spaces designated for persons with disabilities shall be according to the local, state, or federal requirements in effect at the time of development.

5. The location and number of private driveway intersections with public streets shall be reviewed and approved by the City Engineer. Access shall generally be limited to internal streets.

6. No on-street maneuvering of delivery vehicles will be allowed on any street. Lots shall provide all necessary maneuvering space for delivery vehicles within the boundaries of the lots.

7. All loading docks for shipping and receiving of raw and manufactured goods shall be designed to provide for the direct movement of goods between the delivery vehicle and the interior of the building.

E. Sign Regulations

1. Applicability of Cit of Dubuque Ordinances: The provisions of Section 15 Signs of the Unified Development Code shall apply unless further regulated by this section.

Secondary Signs, 6 sq. ft. per sign face, No max. number, Monument, 6 ft.

*The height of monument-style signs shall be measured from average grade to top of sign structures.

c. Variances: Variances from sign requirements for size, number and height may be requested. Such variances shall be reviewed by the Zoning Board of Adjustment in accordance with Section 86 Variance Procedure of the Unified Development Code.

d. Lighting: Signs may be illuminated only by means of indirect lighting, whereby all light sources and devices are shielded from view by opaque or translucent materials, or internally illuminated by means of a light source completely enclosed by the sign panel.

e. Motion: No signs may include any device or means, mechanical, electrical, or natural, which shall cause any motion of the sign panel or any part thereof. No flashing lights or changing colors shall be allowed.

f. Exterior Storage Regulations: Exterior storage shall be in accordance with the following regulations:

Zone, Allowable Products Stored, Allowable Location, , Allowable Screening Materials, Min. Opacity, Max. Height of Screening

A, PROHIBITED

B, PROHIBITED

C, Finished Goods, Rear or side yards, Synthetic materials, wood, masonry, brick or stone similar to building color, 50%, 10 ft.

D, Raw or finished goods; equipment, Rear or side yards, , Similar to building color, 50%, 12 ft.

Raw of finished goods; equipment, Rear or side yards, , Similar to building color, 100%, 15 ft.

O, PROHIBITED

*Exterior storage is prohibited on lots fronting Seippel Road.

1. Exterior storage of materials, which could be blown into the air or strewn about by the wind, shall be prohibited.

2. Exterior storage, where allowed, shall not encroach into a front yard. A front yard may exceed the required front yard setback.

3. The ground area coverage of exterior

storage areas shall be the area contained inside the required screening. This area shall be considered to be a building-related feature for purposes of calculating total land area coverages.

4. Exterior storage (where allowed) must be screened from view from adjacent public right-of-way. In Zone C, exterior storage must be screened from both the public right-of-way and surrounding privately owned property.

5. The screening height shall be measured from the ground level outside the line of the screen. Screens built on sloping grades shall be stepped so that their top line shall be horizontal.

6. Required screening is intended to buffer surrounding property from the negative visual impact created by the storage of raw or finished goods, materials and equipment that can adversely impact the value of adjacent property.

7. The City Planner may grant a waiver for screening to exceed the maximum height allowed, when topography or height of individual finished products or equipment could make it impossible to completely screen a storage area from every vantage point. The City Planner may not grant waiver in maximum screening height for raw materials or stacked goods.

8. All exterior entrances to a screened storage area shall be provided with a gate or door of similar design to that of the screen.

9. Long-term storage of products or materials in semi-trailers or shipping containers is prohibited.

G. Exterior Trash Collection Area Requirements

1. Exterior trash collection areas shall include collection bins, dumpsters, and similar waste receptacles for the short-term storage and collection of trash. Trash shall include garbage, scrap, recyclables, debris, and similar materials.

2. The storage of trash shall be limited to that produced by the principal permitted use and accessory uses of the lot. Exterior storage of trash, which could be blown into the air or strewn about by the wind, shall be prohibited.

3. The ground area coverage of exterior trash collection areas shall be the area contained inside the required screening. This area shall be considered a building-related feature for purposes of calculating total land area coverages.

4. Exterior trash collection areas shall be located in rear or side yards only. Exterior trash collection areas shall not encroach into a front yard. A front yard

may exceed the required front yard setback.

5. All exterior trash collection areas and the materials contained therein shall be screened from view from the adjacent public right-of-way.

6. The screening shall be a completely opaque fence, wall or other feature not exceeding a height of 10 ft. measured from the ground level outside the line of the screen. Screens built on sloping grades shall be stepped so that their top line shall be horizontal.

7. Exposed materials used to construct the opaque screen shall be similar in appearance to materials used for exterior building walls. All exterior entrances to a screened trash area shall be provided with a gate or door of similar design to that of the screen.

8. If a 10-foot-high screen fails to shield the exterior trash collection area from view from the adjacent public right-of-way, evergreen plantings may be required in addition to the screening. Evergreen plant materials shall be selected and designed so that they will screen the area from the adjacent public right-of-way within five (5) years.

H. Landscaping Regulations

The following Landscape Regulations shall apply to each lot:

1. Plant Materials: The open space area of each lot shall be planted with permanent lawn and ground covers, shrubs, and trees. It is the intent of these regulations that the development of required open spaces shall reflect a high quality of environmental design.

2. Landscaping: The following is the minimum requirement of trees and shrubs, by number and size, and the type of ground cover required. Street trees planted in public street right-of-way shall not be counted toward fulfillment of the minimum site requirements set forth below. Plant species to be used for landscaping shall be in accordance with the City of Dubuque street tree policy. Existing trees and shrubs to be retained on site may be counted toward fulfillment of the landscaping requirements.

a. Minimum tree planting requirements for any new development in the Dubuque Industrial Center West shall be one (1) tree of the following size per 1,600 square ft. of required open space: 40% minimum: 2-2 1/2" caliper diameter deciduous and/or 8-foot height or greater evergreen. Balance: 1 1/2 - 2" caliper diameter deciduous and/or 6-foot height evergreen.

b. Minimum shrub requirements at the time of planting for any development in the PUD District, shall be 6 shrubs, or 1 shrub per 1,000 square ft. of required open space, whichever is greater. Shrubs shall be a minimum of 18" height or minimum of one (1) gallon potted.

3. Landscape berms and/or plantings shall be required as screening for parking areas adjacent to public streets and shall be a minimum of three (3) ft. in height and can utilize natural grade changes to achieve the required 50% opacity landscaping screen. Parking lot screening is in addition to required landscaping of open space areas.

4. Trees shall be provided in all parking lot islands, which are of sufficient size to ensure the growth and survival of the trees. Trees planted in parking lot islands may be counted toward the minimum tree planting requirements.

5. The developer of any lot fronting Seippel Road and/or Chavanelle Road shall participate in the planting trees compatible in species and spacing with tree plantings, which have previously been completed by the City along said streets.

6. The installation of required planting materials may be phased in direct proportion to the phasing of building construction. Required landscaping shall be installed by the date the Building Services Department issues an occupancy certificate, or if winter weather prevents planting, within six months of being issued an occupancy certificate.

7. To reduce erosion, all disturbed open space areas shall have ground cover of grass or native vegetation, which is installed as sod, or seeded, fertilized, and mulched.

8. The lot owner is required to replant any and all plant materials, which have died due to any cause during the effective period of this PUD Ordinance.

9. A detailed landscape plan shall be required as part of submittal for final site development plan approval.

10. The area between the public street and the right-of-way line shall be planted with grass and maintained by the lot owner.

11. Industrial Center landscaping: Common areas and streetscapes of the PUD District shall be in accordance with the landscape plan, a copy of which is [provided] and made a part of this PUD ordinance.

I. Performance Standards.

The development and maintenance of uses in this PUD District shall be established in conformance with the following standards:

1. Site Lighting: exterior illumination of site features and location and design of site lighting shall be in accordance with the following requirements:

a. Exterior Illumination of site features shall be limited to the illumination of the following:

- Parking areas, driveways and loading facilities
- Pedestrian walkway surfaces and entrances to building
- Screened storage areas
- Building exterior

b. Location and design of site lighting shall be in accordance with the following requirements:

- All exterior lighting shall be designed, installed and maintained so as not to cause glare or to shine in adjacent lots and streets.
- No light source shall provide illumination onto adjacent lots, buildings or streets in excess of 1.0-foot candle.
- All exterior lighting luminaires shall be designed and installed to shield light from the luminaire at angles above 72 degrees from vertical.
- Fixtures mounted on a building shall not be positioned higher than the roofline of the building.
- Wooden utility type poles are acceptable only for temporary use during construction.
- All electrical service lines to posts and fixtures shall be underground and concealed inside the posts.

2. Utility Locations: Service lines and mechanical equipment for utilities shall be located in accordance with the following requirements.

a. Service Lines: All electrical, telephone cable and other similar utility lines serving the building and other site features shall be located underground.

b. Mechanical Equipment: All ground-mounted electrical transformers, switching gear, relay boxes, meters, air conditioning units, heat pumps and other similar mechanical equipment shall be screened from view. Screening may consist of plantings or masonry walls. Plantings shall achieve 50% opacity after three (3) growing seasons and a masonry wall shall appear to be an integral part of the

- building's overall architectural design.
3. Site Plans: Final site development plans shall be submitted in accordance with Section 12 Site Plans of the Unified Development Code prior to construction of each building and vehicle-related feature unless otherwise exempted by Section 12 Site Plans.
 4. Storm Water Conveyance: The developer of each lot shall be responsible for providing surface or subsurface conveyance(s) of storm water from the lot to existing storm sewers or to flow line of open drainage ways outside the lot in a means that is satisfactory to the Public Works Department of the City of Dubuque. Other applicable regulations enforced by the City of Dubuque relative to storm water management and drainage shall apply to properties in the PUD District.
 5. Plating: The conceptual development plan shall serve as the preliminary plat for this PUD District. Subdivision plats and improvement plans shall be submitted in accordance with Chapter 11 Land Division of the City of Dubuque Unified Development Code.
 6. Noises: Noises generated within the PUD District shall be regulated by Chapter 33, Article IV Noises, of the City of Dubuque Code of Ordinances.
 7. Street Lighting: Streetlights shall be installed in accordance with City of Dubuque standards.
 8. Flood Plain Regulations: The area of the PUD District that lies within the flood plain of Catfish Creek shall be subject to the regulations of Section 6-4 Flood Hazard Overlay Districts of the Unified Development Code.
 9. Phased construction of Buildings and Parking Spaces: The construction of off-street parking spaces may be phased in proportion to the percentage of total building floor area constructed at any one time. Ground area set aside for future parking, loading spaces or driveways or for parking provided in excess of the minimum required number of parking spaces shall not reduce the minimum required area for open space.
 10. Other Codes and Regulations: These regulations do not relieve an owner from other applicable City, County, State and Federal codes, regulations, laws and other controls relative to the planning, construction, operation and management of property in the PUD District.
- J. Open Space and Recreational Areas- Those areas not designated on the conceptual development plan as "open" shall be

maintained as open space by the property owner and/or association. The recreational trail shall be maintained by the property owner and/or association.

K. Ordinance History - 1. Ord. 6-23: Rescinding Ord. No. 32-18, and allowing child-care centers, early learning centers, general offices, data centers, and emergency call centers within Zone B of the Dubuque Industrial Center West PUD Planned Unit Development district with a PI Planned Industrial Designation.

2. Ord. 32-18: Rescinding Ord. No. 83-04, No. 07-02, and No. 14-98 and rezoning an approximately 124-acres of property from Agricultural District and approximately 36-acres of property from PI Planned Industrial to the regulations of the Dubuque Industrial Center West Planned Unit Development with a PI Planned Industrial designation.

3. Ord. 83-04: Amending Ord. No. 14-98 and No. 07-02 by reclassifying hereinafter described property located east of Seippel Road and south of Middle Road from Agricultural District to PUD Planned Unit Development with a PI Planned Industrial designation and adopting a conceptual development plan.

4. Ord. 07-02: Reclassifying an approximately 25-acre property located east of Seippel Road and North of the county farm from Agricultural designation to PUD Planned Unit Development District with a PI Planned Industrial designation and adopting an amended conceptual development plan, with conditions, for the Dubuque Industrial Center West.

5. Ord. 14-98: Reclassifying property located east and west of Seippel Road and north of the county farm from Agricultural designation to PUD Planned Unit Development with a PI Planned Industrial designation.

L. Transfer of Ownership - Transfer of ownership or lease of property in this PUD District shall include in the transfer or lease agreement a provision that the purchaser or lessee acknowledges awareness of the conditions authorizing the establishment of the district.

12. Issuance of Not to Exceed \$1,000,000, Sewer Revenue Capital Loan Notes (Interim Financing) State Revolving Funds, Planning and Design Loan Applications: Motion by Wethal to receive and file the documents and adopt Resolution No. 317-23 Taking Additional Action with Respect to a Sewer Revenue Loan and Disbursement Agreement and Authorizing, Approving and Securing the Payment of a \$1,000,000 Sewer Revenue Loan and Disbursement Agreement Anticipation Project Note (IFA Interim Loan and Disbursement Agreement) (Lift Stations) Seconded by Sprank. Motion carried 7-0.

**RESOLUTION NO. 317-23
RESOLUTION TAKING ADDITIONAL ACTION WITH RESPECT TO A SEWER REVENUE LOAN AND DISBURSEMENT AGREEMENT AND AUTHORIZING, APPROVING AND SECURING THE PAYMENT OF A \$1,000,000 SEWER REVENUE LOAN AND DISBURSEMENT AGREEMENT ANTICIPATION PROJECT NOTE (IFA INTERIM LOAN AND DISBURSEMENT AGREEMENT) (LIFT STATIONS)**

Whereas, the City of Dubuque (the "City"), in Dubuque County, State of Iowa, did heretofore establish a Municipal Sanitary Sewer System (the "Utility") in and for the City which has continuously supplied sanitary sewer service in and to the City and its inhabitants since its establishment; and

Whereas, the management and control of the Utility are vested in the City Council, (the "Council"), and no board of trustees exists for this purpose; and

Whereas, the City has heretofore proposed to borrow money and enter into a Sewer Revenue Loan and Disbursement Agreement (the "Loan and Disbursement Agreement") with the Iowa Finance Authority (the "Lender") and to issue in accordance therewith Sewer Revenue Bonds (the "Bonds") in a principal amount not to exceed \$1,000,000 a purpose of paying the cost, to that extent, of planning, designing and constructing improvements and extensions to the Utility (the "Project"), and has published notice of the proposed action and has held a hearing thereon on September 18, 2023; and

Whereas, it is necessary at this time to authorize and approve the issuance of a \$1,000,000 Sewer Revenue Loan and Disbursement Agreement Anticipation Project Note (IFA Interim Loan and Disbursement Agreement) (the "Project Note") pursuant to the provisions of Section 76.13 of the Code of Iowa in anticipation of the receipt of and payable from the proceeds of the Loan and Disbursement Agreement (the "Loan Proceeds") in order to pay authorized costs in connection with planning and designing the Project;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA, AS FOLLOWS:

Section 1. The City Council hereby covenants for the benefit of the Lender and all who may at any time be the holder of the Project Note to enter into the Loan and Disbursement Agreement and to issue and deliver the Bonds prior to the Maturity Date, as defined in the Project Note, and declares that this resolution constitutes the "additional action" required by Section 384.24A of the Code of Iowa. The Bonds are hereby ordered to be issued at such time as the City enters into the Loan and Disbursement Agreement.

Section 2. The Project Note in the principal amount of \$1,000,000 is hereby authorized to be issued to the Lender. The Project Note shall be dated as of the date of closing, shall mature on the Maturity Date as defined in the Project Note, and shall bear interest at the rate of 0% per annum.

The Project Note shall be executed on behalf of the City with the official manual or facsimile signature of the Mayor and attested with the official manual or facsimile signature of the City Clerk and shall be a fully registered instrument without interest coupons. In case any officer whose signature or the facsimile of whose signature appears on the Project Note shall cease to be such officer before the delivery of the Project Note, such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The City Clerk is hereby designated as the Registrar and Paying Agent for the Project Note and may be hereinafter referred to as the "Registrar" or the "Paying Agent."

The City reserves the right to prepay principal of the Project Note in whole or in part on any date prior to the Maturity Date, as defined in the Project Note, at a prepayment price equal to the principal amount thereof prepaid.

The Project Note shall be fully registered as to both principal and interest in the name of the owner in the records of the City kept for such purpose, after which no transfer shall be valid unless made on said records by the City Clerk, and then only upon a written instrument of transfer satisfactory to the City, duly executed by the registered owner or the duly authorized attorney for such registered owner.

The City shall maintain as confidential the record of identity of owners of the Project Note, as provided by Section 22.7 of the Code of Iowa.

Section 3. The Project Note shall be in substantially the [provided] form:

Section 4. The Project Note shall be executed as herein provided as soon after the adoption of this resolution as may be possible and thereupon shall be delivered to the

Registrar for registration and delivery to the Lender, upon receipt of the Project Note proceeds.

Section 5. The Loan Proceeds are hereby appropriated to the payment of the Project Note and may also be appropriated to the payment of other obligations issued to pay costs of the Project, but only to the extent that full provision has been made for the payment of principal of the Project Note.

At its sole discretion, the City Council may appropriate to the payment of the Project Note proceeds to be received from state or federal grants and/or income or revenues from sources to be received and expended for the Project during the period of Project construction.

The Project Note is a limited obligation of the City payable solely and only from the Loan Proceeds and shall not constitute a general obligation of the City, nor shall it be payable in any manner by taxation, and under no circumstances shall the City be in any manner liable by reason of the failure of the Loan Proceeds to be sufficient for the payment in whole or in part of the Project Note.

Section 6. Upon a breach or default of a term of the Project Note or any Parity Obligations and this resolution, a proceeding may be brought in law or in equity by suit, action, or mandamus to enforce and compel performance of the duties required under the terms of this resolution and Section 76.13 of the Code of Iowa.

Section 7. The City reserves the right to issue additional obligations (the "Parity Obligations") payable from the Loan Proceeds, and ranking on a parity with, the Project Note. The Project Note or any Parity Obligations shall not be entitled to priority or preference one over the other in the application of the Loan Proceeds regardless of the time or times of the issuance of such Project Note or Parity Obligations, it being the intention of the City that there shall be no priority among the Project Note or Parity Obligations, regardless of the fact that they may have been actually issued and delivered at different times.

Section 8. The provisions of this resolution shall constitute a covariation, tween the City and the owners of the Project Note and Parity Obligations as may from time to time be outstanding, and after the issuance of the Project Note, no change, variation or alteration of any kind of the provisions of this resolution shall be made without prior consent of the Lender which will adversely affect the owners of the Project Note or Parity Obligations until the Project Note and Parity Obligations and the interest thereon shall have been paid in full.

Section 9. If any section, paragraph, clause, or provision of this resolution shall be held invalid, the invalidity of such section,

paragraph, clause, or provision shall not affect any of the remaining provisions of this resolution.

Section 10. All resolutions and orders or parts thereof in conflict with the provisions of this resolution are, to the extent of such conflict, hereby repealed.

Section 11. This resolution shall be in full force and effect immediately upon its adoption and approval, as provided by law.

Passed and approved September 18, 2023.

5. Electric Fuel Excise Tax and Charging Fee Recommendation establishing the fee (\$0.17/kWh fee) for use of public electric vehicle (EV) charging stations in public parking facilities, to recover the state excise tax, Charge-Point transaction fees and cloud plan, and electricity. Upon motion the documents were received and filed, and Resolution No. 323-23 Establishing rates and charges for electric vehicle charging was approved.

**RESOLUTION NO. 323-23
ESTABLISHING RATES AND CHARGES
FOR ELECTRIC VEHICLE CHARGING**

Whereas, Section 9-14-321.631 of the City of Dubuque Code of Ordinances authorizes the City Manager to arrange for the installation of appropriate devices to regulate vehicles in municipal parking ramps for the collection of fees; and

Whereas, Section 9-14-321.651 of the City of Dubuque Code of Ordinances authorizes the City Manager to establish fees and charges for the rental of city lots or portions of lots; and

Whereas, the State enacted legislation creating a new excise tax on electric fuel, which requires owners of electric charging stations to report and pay to the Iowa Department of Revenue \$0.026 per kilowatt hour of electric fuel dispensed starting July 1, 2023; and

Whereas, the City offers electric vehicle charging to the public in parking facilities; and

Whereas, the electric vehicle charging is

currently provided to the public at no cost and the City pays the excise tax, the cost of the electricity, and the cost of the platform to facilitate the charging session; and

Whereas, the City will be subject to the new excise tax on electric fuel; and

Whereas, the City has determined that there should be a fee for electric vehicle charging in an amount sufficient to reimburse the City for the excise tax, the cost of the electricity, the cost of the platform to facilitate the charging session, and the administrative costs for managing this portion of the parking system; and

Whereas, the City has determined that a fee of \$0.17 per kilowatt hour should be assessed and periodically reviewed by the City Manager and adjusted accordingly; and

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The fee of \$0.17 per kilowatt hour is hereby adopted and approved.

Section 2. The City Manager is authorized to periodically review the fee and update the fee(s) if review demonstrates the existing rate is not covering City costs.

Passed, approved, and adopted this 2nd day of October, 2023.

ITEMS SET FOR PUBLIC HEARING

Motion by Roussell to receive and file the documents, adopt the resolutions, and set the public hearings as indicated. Seconded by Sprank. Motion carried 7-0.

1. Second Amendment to Grant Agreement with Virtual Velocity, LLC for the Rehabilitation of 1199 Central Avenue: Upon motion the documents were received and filed and Resolution No. 342-23 Fixing the date for a Public Hearing of the City Council of the City of Dubuque, Iowa on a Second Amendment to Grant Agreement by and between the City of Dubuque, Iowa and Virtual Velocity, LLC, including the proposed issuance of Urban Renewal Tax Increment Revenue Obligations relating thereto, and providing for the publication of notice thereof was adopted setting a public hearing for a meeting to commence at 6:30 p.m. on November 6, 2023 in the Historic Federal Building.

RESOLUTION NO. 342-23

FIXING THE DATE FOR A PUBLIC HEARING OF THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA ON A SECOND AMENDMENT TO GRANT AGREEMENT BY AND BETWEEN THE CITY OF DUBUQUE, IOWA AND VIRTUAL VELOCITY, LLC, INCLUDING THE PROPOSED ISSUANCE OF URBAN RENEWAL TAX INCREMENT REVENUE OBLIGATIONS RELATING THERETO, AND PROVIDING FOR THE PUBLICATION OF NOTICE THEREOF

Whereas, City and Virtual Velocity, LLC entered into a Grant Agreement, dated the 3rd day of October 2022, providing for a Façade Grant, a Planning & Design Grant, a Financial Consultant Grant, and a Housing Creation Grant; and

Whereas, the City Council has tentatively determined that it would be in the best interests of the City to approve the Second Amendment to Grant Agreement with Virtual Velocity, LLC; and

Whereas, it is deemed necessary and advisable that City should authorize Urban Renewal Tax Increment Revenue obligations, as provided by Iowa Code Chapter 403, pursuant to the Second Amendment to Grant Agreement; and

Whereas, before said obligations may be approved, Iowa Code Chapter 403 requires that the City Clerk publish a notice of the proposal and of the time and place of the meeting at which the City Council proposes to take action thereon and at which meeting the City Council shall receive oral and/or written objections from any resident or property owner of said City to such proposed action.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF

DUBUQUE, IOWA:

Section 1. The City Clerk is hereby authorized and directed to cause a notice to be published as prescribed by Iowa Code Section 403.9 of a public hearing on the City's intent to authorize Urban Renewal Tax Increment Revenue obligations, to be held on the 6th day of November, 2023, at 6:30 o'clock p.m. The official agenda will be posted on Friday, November 3, 2023 and will contain listening, viewing, and public input options. The City Council agenda may be accessed at <https://cityofdubuque.novusagenda.com/AgendaPublic/> or by contacting the City Clerk's Office at 563-589-4100, ctyclerk@cityofdubuque.org.

Section 2. The City Council will meet at said time and place for the purpose of taking action on the matter of authorizing Urban Renewal Tax Increment Revenue obligations and the execution of the Second Amendment to Grant Agreement relating thereto with Virtual Velocity, LLC, the proceeds of which obligations will be used to carry out certain of the special financing activities described in the Urban Renewal Plan for the Greater Downtown Urban Renewal District, consisting of the funding of economic developments grants to Virtual Velocity, LLC pursuant to the Grant Agreement. It is expected that the aggregate amount of the Tax Increment Revenue obligations to be issued will be approximately \$251,082.

Section 3. The Clerk is hereby directed to cause at least one publication to be made of a notice of said meeting, in a newspaper, printed wholly in the English language, published at least once weekly, and having general circulation in said City, said publication to be not less than four days nor more than twenty days before the date of said meeting on the issuance of said obligations.

Section 4. That the notice of the proposed action to issue said obligations shall be in substantially the form [provided] hereto.

Passed, approved, and adopted this 16th day of October, 2023.

RESOLUTION NO. 343-23

RESOLUTION OF INTENT TO DISPOSE OF AN INTEREST IN REAL PROPERTY BY DEED TO DUBUQUE COUNTY, IOWA AND APPROVING THE ACQUISITION REAL PROPERTY OWNED BY DUBUQUE COUNTY, IOWA BY THE CITY OF DUBUQUE

Whereas, the City of Dubuque, Iowa (City) is the owner of the following described real property:

City Lots 279, 280, 281, 282, according to the United States Commissioners Map of the Town of Dubuque, Iowa (the City Property); and

Whereas, Dubuque County is the owner of the following real described property:

City Lot 324 and the South 25' of City Lot 325 (the County Property); and

Whereas, City and Dubuque County have entered into an agreement (the Purchase Agreement), subject to the approval of the City Council of the City of Dubuque and the Board of Supervisors of Dubuque County, a copy of which is [provided] hereto, pursuant to which City will convey the City Property to Dubuque County and Dubuque County will convey the County Property to City; and

Whereas, the City Council has tentatively determined that it would be in the best interests of the City to approve the Purchase Agreement, including the sale of the City Property to Dubuque County and purchase of the County Property by City.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The City of Dubuque intends to dispose of its interest in the foregoing-described City Property by Special Warranty Deed to Dubuque County, Iowa.

Section 2. The City Clerk is hereby authorized and directed to cause this Resolution and a notice to be published as prescribed by Iowa Code Section 364.7 of a public hearing on the City's intent to dispose of the foregoing-described City Property, to be held on the 6th day of November 2023, at 6:30 o'clock p.m. at the Historic Federal Building, 350 West 6th Street, Dubuque, Iowa.

Section 3. That the City Council hereby approves the acquisition of the County Property.

Section 4. That the City of Dubuque be and is hereby authorized to accept a Special Warranty Deed from Dubuque County For the County Property.

Section 5. That the City Clerk be and is hereby authorized and directed to cause said Special Warranty Deed to be recorded in the office of the Dubuque County Recorder, together with a certified copy of this Resolution.

Section 6. That the City Clerk be and is hereby directed to forward a copy of this

Resolution to the Dubuque County Assessor and the Dubuque County Auditor.

Passed, approved, and adopted this 16th day of October 2023.

3. Resolution of Necessity for the Proposed Urban Renewal Plan for the Emri Urban Renewal District: Upon motion the documents were received and filed and Resolution No. 344-23 Authorizing and Directing the City Manager to Prepare an Urban Renewal Plan for the Emri Urban Renewal District and Setting the Date for a Public Hearing and Consultation on the Proposed Urban Renewal Plan for Said District was adopted setting a public hearing for a meeting to commence at 6:30 p.m. on November 20, 2023 in the Historic Federal Building.

**RESOLUTION NO. 344-23
AUTHORIZING AND DIRECTING THE CITY
MANAGER TO PREPARE AN URBAN RE-
NEWAL PLAN FOR THE EMRI URBAN RE-
NEWAL DISTRICT AND SETTING THE DATE
FOR A PUBLIC HEARING AND CONSULTA-
TION ON THE PROPOSED URBAN RE-
NEWAL PLAN FOR SAID DISTRICT**

Whereas, the City Council has determined that the active development of vacant property for low-income and mixed-income housing is a beneficial use that will enhance the City's ongoing economic development efforts; and

Whereas, the City Council has determined that the area described in Section 1 below meets the definitions of an economic development area as defined in Chapter 403 "Urban Renewal" of the Iowa Code; and

Whereas, a significant need for affordable and mixed-income housing units exists in the community and local resources are needed to advance the development; and

Whereas, Iowa Code Chapter 403 requires that before urban renewal authority may be exercised, the City Council must adopt a resolution of necessity finding that the area in question is a slum, blighted or economic development area, and that so designating such area is necessary in the interest of the public health, safety, or welfare of the residents of the municipality.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the following described area is an economic development area as defined by Chapter 403 of the Iowa Code and is appropriate for an urban renewal project, to wit:

Lot 2 of Pizza Ranch Place, and all that part of the Right of Way of Radford Road adjacent to said Lot 2

All in the City of Dubuque, Iowa,

hereinafter called the Emri Economic Development District.

Section 2. That the development of the Emri Economic Development District is necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning and local community objectives.

Section 3. That the development of the Emri Economic Development District will provide new opportunities for quality housing in the community.

Section 4. That the City Manager is authorized and directed to prepare an Urban Renewal Plan for the Emri Economic Development District, to forward said Plan to the City's Long Range Planning Commission for review and comment and to begin the consultation process required by law with affected taxing entities.

Section 5. That the City Clerk is directed to publish notice of a public hearing on the adoption of an Urban Renewal Plan for the Emri Economic Development District to be held on the 20th day of November, 2023, at 6:30 p.m. in the form [provided] hereto.

Section 6. That the City Clerk is further directed to send by ordinary mail a copy of the proposed Urban Renewal Plan, the notice of public hearing, a notice of consultation to the Dubuque Community School District Board of Education and Dubuque County Board of Supervisors, as the affected taxing entities.

Passed, approved, and adopted this 16th day of October, 2020.

Seconded by Wethal. Motion carried 7-0.

**ORDINANCE NO. 45 - 23
AMENDING TITLE 16 OF THE UNIFIED DEVELOPMENT CODE OF THE CITY OF DUBUQUE CODE OF ORDINANCES BY RECLASSIFYING THE HEREINAFTER DESCRIBED PROPERTY LOCATED ALONG HAWTHORNE STREET AND KERPER BOULEVARD WITHIN THE CITY OF DUBUQUE FROM CR COMMERCIAL RECREATION TO PLANNED UNIT DEVELOPMENT WITH PR-PLANNED RESIDENTIAL DESIGNATION**

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That Title 16 of the Unified Development Code of the City of Dubuque Code of Ordinances is hereby amended by reclassifying the hereinafter-described property from CR Commercial Recreation to Planned Unit Development District with a PR Planned Residential District designation, and adopting a conceptual development plan, a copy of which is [provided] to and made a part hereof, is hereby adopted and approved for the following described property, to wit:

The portion of Lot 2 Block 2 of River Front Subdivision No. 3 and to the centerline of the adjoining public right-of-way, all in the City of Dubuque, Iowa as shown in Exhibit A.

A. Use Regulations - The following regulations shall apply to all uses made of land in the above-described PR Planned Residential District:

1. Principal permitted use shall be limited to two (2) four-story multi-family residential buildings containing a total of 201 residential units.
2. Accessory uses shall include any use

customarily incidental and subordinate to the principal use it serves.

B. Lot and Bulk Regulations- Development of land in the PR Planned Residential District shall be regulated as follows:

1. Buildings setbacks shall be located in substantial conformance with the approved conceptual development plan.
2. Maximum building height of 50 ft. shall be allowed in this Planned Residential District.

C. Performance Standards - The development and maintenance of uses in this PR Planned Residential District shall be regulated as follows:

1. Parking Regulations

- a. All vehicle-related features shall be surfaced with either asphalt or concrete.
- b. Curbing and proper surface drainage of storm water shall be provided.
- c. All parking and loading spaces shall be delineated on the surfacing material by painted stripes or other permanent means.
- d. That total number of parking spaces shall be provided in substantial compliance with the approved Conceptual Development Plan. The spaces may be a combination of off-street spaces and on-street spaces (Hawthorne Street) in accordance with the approved Conceptual Development Plan.
- e. The size and design of parking spaces shall be governed by applicable provisions of the Unified Development Code Section 13-3 Site Development Regulations.
- f. The number, size, design, and location of parking spaces designated for persons with disabilities shall be according to the local, state, or federal requirements in effect at the time of development.
- g. Bicycle parking shall be provided in accordance with the Unified Development Code Section 14-9 Bicycle Parking Required.

2. Site Lighting

- a. Exterior illumination of site features shall be limited to the illumination of the following:
 - i. Parking areas, driveways, and loading facilities.
 - ii. Pedestrian walkway surfaces and entrances to building.
 - iii. Building exterior.
- b. Location and Design
 - i. No light source shall provide illumination onto adjacent lots, buildings, or streets in excess of

- 1.0-foot candle.
- ii. All exterior lighting luminaries shall be designed and installed to shield light from the luminaries at angles above 72-degrees from vertical.
- iii. Fixtures mounted on a building shall not be positioned higher than the roofline of the building.
- iv. All electrical service lines to posts and fixtures shall be underground and concealed inside the posts.
- 3. Landscaping - Landscaping shall be provided in substantial compliance with the Conceptual Landscape Plan which is [provided] hereto.
- 4. Storm Water Management - The developer shall be responsible for providing surface or subsurface conveyance(s) of storm water from the lot to existing storm sewers or to flow line of open drainageways outside the lot in a means that is satisfactory to the Engineering Department of the City of Dubuque. Other applicable regulations enforced by the City of Dubuque relative to storm water management and drainage shall apply.
- 5. Exterior Trash Collection Areas
 - a. The storage of trash and debris shall be limited to that produced by the principal permitted use and accessory uses on the lot.
 - b. All exterior trash collection areas and the material contained therein shall be visually screened from view. The screening shall be completely opaque fence, wall, or other feature not exceeding a height of 10 ft. measured from the ground level outside the line of the screen. Screens built on sloping grades shall be stepped so that their top line shall be horizontal. Exposed materials used to construct the opaque screen shall be similar in appearance to materials used for exterior building walls. All exterior entrances to a screened trash area shall be provided with a gate or door of similar design to that of the screen. If a 10-foot height screen fails to shield the exterior trash collection area from view from the adjacent public right-of-way and neighboring properties, evergreen plantings may be required in addition to the screening. Evergreen plant material shall be selected and designed so that they screen the area from all off-site visibility within five (5) years.
- 6. Open Space - Open space in the PR Planned Residential District shall be provided in substantial compliance with the approved Conceptual Development Plan and Conceptual Landscape Plan.
- 7. Platting - Subdivision plats and improvement plans shall be submitted in accordance with Article 11 Land Subdivision, of the City of Dubuque Unified Development Code.
- 8. Site Plans - Final site development plans shall be submitted in accordance with Article 12 Site Plans and Article 13 Site Design Standards prior to construction of each building and vehicle-related feature unless otherwise exempted by Article 12.
- D. Sign Regulations
 - 1. Signs in the Planned Residential District shall be regulated in accordance with the R-4 Multi-Family Residential Zoning District sign regulations, Section 16-15-11.1 of the Unified Development Code.
 - 2. Variance requests from sign requirements for size, number, and height shall be reviewed by the Zoning Board of Adjustment in accordance with Section 16-8-6 of the Unified Development Code.
- E. Other Codes and Regulations
 - 1. Service Lines. All electric, telephone, cable, or other similar utility lines serving the building and other site features shall be located underground.
 - 2. The use of semi-trailers and shipping containers for storage is prohibited.
 - 3. These regulations do not relieve the owner from other applicable city, county, state, or federal codes, regulations, laws, and other controls relative to the planning, construction, operation, and management of property within the City of Dubuque.
- F. Transfer of Ownership - Transfer of ownership or lease of property in this PR Planned Residential District shall include the transfer or lease agreement a provision that the purchaser or lessee acknowledges awareness of the conditions authorizing the establishment of the district.
- G. Modifications - Any modifications of this Ordinance must be approved by the City Council in accordance with zoning reclassification proceedings of Article 9-5 of the Unified Development Code.
- H. Occupancy Permits - No occupancy permit shall be issued by the City of Dubuque for property included in the subject planned unit development district until full compliance with this ordinance has been achieved.
- I. Recording - A copy of this ordinance shall be recorded at the expense of the property

owner(s) with the Dubuque County Recorder a permanent record of the conditions accepted as part of this reclassification approval within thirty (30) days after the adoption of this ordinance. This ordinance shall be binding upon the undersigned and his/her heirs, successors, and assigns.

Section 2. The foregoing amendment has heretofore been reviewed by the Zoning Advisory Commission of the City of Dubuque, Iowa.

Section 3. The foregoing amendment shall take effect upon publication, as provided by law.

Passed, approved, and adopted this 16th day of October 2023.

2. Proof of Publication on notice of public hearing to consider approving a Development Agreement by and between the City of Dubuque, Iowa and Union at the Marina, LP providing for the sale of city-owned real estate to Union at the Marina, LP, and the issuance of Urban Renewal Tax Increment Revenue Grant Obligations pursuant to the Development Agreement and City Manager recommending approval. Motion by Resnick to receive and file the documents and adopt Resolution No. 345-23 Approving the Disposal of an Interest in Real Property Owned by the City of Dubuque by Sale Pursuant to a Development Agreement with Union at the Marina, LP. Seconded by Farber. Motion carried 7-0.

**RESOLUTION NO. 345-23
APPROVING THE DISPOSAL OF AN INTEREST IN REAL PROPERTY OWNED BY THE CITY OF DUBUQUE BY SALE PURSUANT TO A DEVELOPMENT AGREEMENT WITH UNION AT THE MARINA, LP**

Whereas, the City Council of Dubuque, Iowa, did on June 5, 2023 adopt an Amended and Restated Urban Renewal Plan for the Greater Downtown Urban Renewal District ("the Plan") for the Urban Renewal Area described therein; and

Whereas, the City of Dubuque, Iowa, is interested in stimulating reinvestment in the Greater Downtown Urban Renewal District; and

Whereas, the Plan provides, among other things, for the disposition of properties for private development purposes; and

Whereas, Union at the Marina, LP submitted to the City a proposal in the form of an offer to purchase (the "Development Agreement") for the purchase of certain City-owned real property hereinafter described ("the Property"), which Development Agreement proposes Union at the Marina, LP will undertake the purchase of property located at the corner of Kerper Boulevard and Hawthorne Street as

described therein, which Property is the real estate consisting of approximately 5.25 acres shown on Exhibit A, and which Development Agreement requests that this Property be made available for sale as rapidly as possible; and

Whereas, Iowa Code Chapter 403 authorizes cities to dispose of property in furtherance of an urban renewal project and to take other actions as may be necessary to carry out the purposes of said Chapter, and the Plan similarly authorizes the City to dispose of property; and

Whereas, in compliance with Iowa Code Section 403.8, and to the extent required by law, Iowa Code Section 364.7, the City Council has set forth its proposal to dispose of its interests in the Property and the City Clerk published a notice on May 19, 2023 as required by law soliciting competitive proposals for the Property; and

Whereas, as of 10:00 a.m. on October 16, 2023 the City Clerk received no competitive proposals for the Property; and

Whereas, the City Council believes it is in the best interest of the City of Dubuque to approve the Development Agreement proposed by Union at the Marina, LP and the sale of the Property as provided in the Development Agreement.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The Council finds that the transfer of the Property will promote the purposes of the urban renewal law, Iowa Code Ch. 403 in the City and, together with the other consideration provided for in the Agreement, that these benefits constitute fair value for the City's disposal of interests in the Property under Iowa Code Section 403.8.

Section 2. The Development Agreement between the City and Union at the Marina, LP including the sale of the Property as provided therein, is hereby approved.

Section 3. The Mayor is authorized and directed to execute said Development Agreement on behalf of the City of Dubuque.

Passed, approved, and adopted this 16th day of October, 2023.

APPROVING THE FIFTH AMENDMENT TO
DEVELOPMENT AGREEMENT BETWEEN
THE CITY OF DUBUQUE, IOWA, AND PORT
OF DUBUQUE LLC, INCLUDING THE PRO-
POSED ISSUANCE OF URBAN RENEWAL
TAX INCREMENT REVENUE OBLIGATIONS
RELATING THERETO, AND PROVIDING
FOR THE PUBLICATION OF NOTICE
THEREOF**

Whereas, the City of Dubuque, Iowa (City) and Merge, LLC entered into a Development Agreement dated the 18th day of November, 2019, as amended, which provided among other things for the issuance of urban renewal tax increment revenue grant obligations (the Grants); and

Whereas, Merge, LLC assigned the Development Agreement to Port of Dubuque, LLC on the 13th day of February, 2020, with the consent of City; and

Whereas, City and Port of Dubuque, LLC. now desire to further amend the Development Agreement as set forth in the [provided] Fifth Amendment, subject to the approval of the City Council; and

Whereas, the City Council has tentatively determined that it would be in the best interests of City to approve the Fifth Amendment to Development Agreement; and

Whereas, before said Fifth Amendment may be approved, Chapter 403 of the Code of Iowa requires that the City Clerk publish a notice of the proposal and of the time and place of the meeting at which the City Council proposes to take action thereon and at which meeting the City Council shall receive oral and/or written objections from any resident or property owner of said City to such proposed action.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Fifth Amendment to Development Agreement by and Between the City of Dubuque, Iowa and Port of Dubuque LLC, a copy of which is [provided] hereto, including the issuance of Urban Renewal Tax Increment Revenue Obligations, is hereby approved.

Section 2. That the Mayor is hereby authorized and directed to execute the Fifth Amendment to Development Agreement on behalf of the City of Dubuque and the City Clerk is authorized to attest to his signature.

Section 3. That the City Manager is authorized to take such actions as are necessary to

comply with the terms of the Fifth Amendment to Development Agreement as herein approved.

APPROVING A FIRST AMENDMENT TO
GRANT AGREEMENT BY AND BETWEEN
THE CITY OF DUBUQUE, IOWA, AND NIA
NEIGHBORHOODS OPPORTUNITY ZONE
FUND, LLC INCLUDING THE ISSUANCE OF
URBAN TAX INCREMENT REVENUE OBLI-
GATIONS**

whereas, the City of Dubuque and Nia Neighborhoods Opportunity Zone Fund, LLC, entered into a Grant Agreement dated August 7, 2023; and

whereas, the City Council, by Resolution No. 328-23, dated October 2, 2023, declared its intent to approve a First Amendment to Grant Agreement by and between the City of Dubuque, Iowa, and Nia Neighborhoods Opportunity Zone Fund, LLC, including the issuance of Urban Renewal Tax Increment Revenue Obligations; and

Whereas, pursuant to published notice, a public hearing was held on the proposed First Amendment to Grant Agreement on October 16, 2023 at 6:30 p.m.; and

Whereas, it is the determination of the City Council that approval of the First Amendment to Grant Agreement for redevelopment of the Property by Nia Neighborhoods Opportunity Zone Fund, LLC, according to the terms and conditions set out in the Grant Agreement, is in the public interest of the City of Dubuque.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the First Amendment to Grant Agreement by and between the City of Dubuque, Iowa, and Nia Neighborhoods Opportunity Zone Fund, LLC, a copy of which is [provided] hereto, including the issuance of Urban Renewal Tax Increment Revenue Obligations, is hereby approved.

Section 2. That the Mayor is hereby authorized and directed to execute the First Amendment to Grant Agreement on behalf of the City of Dubuque and the City Clerk is authorized and directed to attest to his signature.

Section 3. That the City Manager is authorized to take such actions as are necessary to comply with the terms of the First Amendment to Agreement as herein approved.

3. Sustainable Dubuque Community Grant Program Recommendation Round 28 at a total funding amount of \$9,950.00. Motion by Sprank to receive and file the documents and

adopt Resolution No. 350-23 Awarding Sustainable Dubuque Grant to Bryant Elementary and Resolution No. 351-23 Awarding Sustainable Dubuque Grant to Danielle Stowell and Resolution No. 352-23 Awarding Sustainable Dubuque Grant to Dubuque Community School District and Resolution No. 353-23 Awarding Sustainable Dubuque Grant to Dubuque Rescue Mission Garden. Seconded by Wethal. Motion carried 7-0.

**RESOLUTION NO. 350 - 23
AWARDING SUSTAINABLE DUBUQUE GRANT TO BRYANT ELEMENTARY**

Whereas, the City Council adopts goals on an annual basis; and

Whereas, sustainability first appeared as a City Council goal in 2006; and

Whereas, in 2010 the City Council adopted the Dubuque Greenhouse Gas (GHG) Inventory, the first step in developing a Climate Action Plan (CAP) for Dubuque; and

Whereas, the inventory measured gases emitted by City operations for the baseline year 2003, and again for 2007, and predicted future emissions if business as usual occurred, and provided the City a tool to set emission reduction targets to improve and maintain healthy air quality; and

Whereas, a 2014 update to the GHG inventory revealed that the community had reduced their GHG emissions 11% since 2003, and

Whereas, the 2019 update to the GHG inventory reported a 27% reduction in GHG emissions since 2003; and

Whereas, the City Council adopted "The 50% by 2030 Plan" in 2013, and updated the plan in 2020, as a non-binding, voluntary effort to identify opportunities to reduce Dubuque's community greenhouse gas emissions; and

Whereas, The 50% by 2030 Plan is used in the following ways:

- Informing officials during goal-setting and budget decisions,
- Informing businesses and individuals about potential emission and cost-saving options,
- Showcasing success stories,
- Providing a roadmap that can be added to or adjusted, and
- Exposing from where Dubuque's GHG emissions really come; and

Whereas, sustainability has remained a goal; and

Whereas, the City Council in 2022 reaffirmed its commitment to sustainability by adopting the specific goal, "Sustainable Environment: Preserving and Enhancing Natural Resources"; and

Whereas, the City Council in 2022 reaffirmed its commitment to sustainability through partnerships by adopting the specific goal,

"Partnership for a Better Dubuque: Building Our Community that is Viable, Livable, and Equitable"; and

Whereas, the City Council in 2022 reaffirmed its commitment to sustainability by adopting the specific goal, "Livable Neighborhoods and Housing: Great Place to Live"; and

Whereas, the Sustainable Dubuque Grant program is the intersection of the City's goals related to sustainability, equity, viability, partnerships, and the creation of housing, which is livable, affordable, and sustainable; and

Whereas, the Sustainable Dubuque Grant program meets the needs of the Dubuque community's vision for sustainability; and

Whereas, efforts which address a Sustainable Dubuque principle and offer a community engagement activity or community education activity benefit the entirety of the community and the specifically adopted goals of the City Council; and

Whereas, the grant recipients shall purchase native plants, trees, and garden materials to create new educational and environmentally friendly spaces for hands-on learning opportunities; and

Whereas, the City Council believes it is in the best interest of the City of Dubuque to further sustainability efforts in the community for the benefit of all residents and visitors.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The City Council hereby awards a Sustainable Dubuque Grant to Bryant Elementary.

Section 2. The City Manager or his designee shall enter into a grant agreement with Bryant Elementary and shall ensure compliance with the grant agreement pursuant to Iowa Code and the grant award requirements.

Passed, approved, and adopted this 16th day of October 2023.

CITY OF DUBUQUE, IOWA CITY COUNCIL PROCEEDINGS SPECIAL SESSION OFFICIAL

The Dubuque City Council met in special session at 5:15 p.m. on November 6, 2023, in the second-floor Council Chambers of the Historic Federal Building, 350 W. 6th Street.

Present: Mayor Cavanagh; Council Members Farber, Jones, Resnick, Roussell, Sprank, Wethal; City Manager Van Milligen, City Attorney Brumwell.

Mayor Cavanagh read the call and stated this is a special session of the City Council called for the purpose of conducting a work session to receive an update on the Developer's Roundtable.

WORK SESSION

Developer's Roundtable Update

Developer's Roundtable Facilitator Dave Lyons of Greater Dubuque Development Corporation and Planning Services Director Wally Wernimont provided an update on the Developer's Roundtable. The presenters responded to questions from the City Council regarding software options for process improvements and the future format of the roundtables. Mr. Lyons stated that future roundtables will be open to the public and Mr. Wernimont stated that the city will be part of the broader roundtable discussions going forward. Responding to a question, City Attorney Brumwell defined rolling meetings as people having back-to-back meetings with individual Council Members, a practice that is prohibited. City Council Members stressed that residents could share their feedback with the City Council and reflected on the roundtables being a productive and ongoing process. City Council Members also mentioned some of the factors they perceived as necessary for growth, including community safety and childcare availability. Consent Item No. 7 on the agenda was referenced toward addressing childcare needs.

There being no further business, Mayor Cavanagh declared the meeting adjourned at 6:31 p.m.

RESOLUTION NO. 370-23

RESOLUTION (1) APPROVING THE MINIMUM REQUIREMENTS, COMPETITIVE CRITERIA, AND OFFERING PROCEDURES FOR THE DEVELOPMENT AND THE SALE OF CERTAIN REAL PROPERTY AND IMPROVEMENTS IN THE GREATER DOWNTOWN URBAN RENEWAL DISTRICT; (2) DETERMINING THAT THE OFFER TO PURCHASE SUBMITTED BY 400 ICE HARBOR, LLC SATISFIES THE OFFERING REQUIREMENTS WITH RESPECT TO THE REAL PROPERTY AND IMPROVEMENTS AND DECLARING THE INTENT OF THE CITY COUNCIL TO APPROVE THE SALE TO 400 ICE HARBOR, LLC IN THE EVENT THAT NO COMPETING PROPOSALS ARE SUBMITTED; AND (3) SOLICITING COMPETING PROPOSALS

Whereas, the City Council of Dubuque, Iowa, did on June 5, 2023 adopt an Amended

and Restated Urban Renewal Plan for the Greater Downtown Urban Renewal District ("the Plan") for the Urban Renewal Area described therein; and

Whereas, the Plan provides, among other things, for the disposition of properties for private development purposes as a proposed economic development action; and

Whereas, 400 Ice Harbor, LLC ("Developer") has submitted to the City a proposal in the form a Development Agreement for the development of property owned by the Developer which includes an Option to purchase certain City-owned real property hereinafter described ("the Parking Property"), which Parking Property is the real estate consisting of approximately 0.68 acres shown on Exhibit A, and which Development Agreement requests that this Parking Property be made available for sale as rapidly as possible; and

Whereas, in order to establish reasonably competitive bidding procedures for the disposition of the Parking Property in accordance with the statutory requirements of Iowa Code Chapter 403, specifically, Section 403.8, and to assure that the City extends a full and fair opportunity to all developers interested in submitting a proposal, a summary of submission requirements and minimum requirements and competitive criteria for the Property offering is included herein; and

Whereas, said Developer has signed a Development Agreement with the City, currently on file at the Office of the City Clerk; and

Whereas, to recognize both the firm proposal for the improvements already received by the City in the form of the Development Agreement, as described above, and to give full and fair opportunity to other developers interested in submitting a proposal for the sale and development of the Parking Property, this Council should by this Resolution:

- 1) Set the fair market value of the Parking Property for uses in accordance with the Plan;
- 2) Approve the minimum requirements and competitive criteria included herein;
- 3) Approve as to form the Development Agreement;
- 4) Set a date for receipt of competing proposals and the opening thereof;
- 5) Declare that the proposal submitted by Developer satisfies the minimum requirements of the offering, and that in the event no other qualified proposal is timely submitted, that the City Council intends to accept such proposal and authorize the City Manager to sign the Development Agreement;
- 6) Approve and direct publication of a notice to advise any other person of the opportunity to compete for sale of the Property on the terms and conditions set forth

herein; and

- 7) Declare that in the event another qualified proposal is timely submitted and accepted, another and future notice will be published on the intent of the City to enter into the resulting contract, as required by law; and

Whereas, the City Council believes it is in the best interest of the City and the Plan to act as expeditiously as possible to sell the Property as set forth herein.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Parking Property shown on Exhibit A [provided] hereto, shall be offered for sale in accordance with the terms and conditions contained in this Resolution.

Section 2. That it is hereby determined that in order to qualify for consideration for selection, any person must submit a proposal which meets these minimum requirements:

- 1) Meets, at a minimum, the terms and conditions of the Development Agreement submitted by the Developer including the required Minimum Improvements of Four Million Seven Hundred Fifty-Five Thousand Dollars (\$4,755,000) and an agreement to create and maintain Ten (10) additional FTE employees employed by Employer by October 1, 2026 and during the remaining term of the agreement for a total of Thirty-Four (34) FTE employees in the city of Dubuque, Iowa.
- 2) Contains an agreement to purchase the Parking Property, shown on Exhibit A, at not less than fair market value, which for the purposes of this resolution is hereby determined to be Five Hundred Seventy-One Thousand Four Hundred & 00/100 Dollars (\$571,400.00) and to provide for public parking on the Parking Property;
- 3) Sets out or provides to the satisfaction of the City Council the experience of the principals and key staff who are directly engaged in the performance of contract obligations in carrying out projects of similar scale and character; and

Section 3. That the Development Agreement by and between the City and the Developer be and is hereby approved as to form for the purposes hereinafter stated.

Section 4. That for the purpose of defining the offering of the Property for sale, said Development Agreement shall be deemed to be illustrative of the terms acceptable to the City with respect to:

- 1) Developer and City obligations; and
- 2) General terms and conditions.

Section 5. That the Development Agreement submitted by the Developer satisfies the requirements of this offering and, in the event that no other qualified proposals are timely

submitted, that the City Council intends to accept and approve the Development Agreement.

Section 6. That it is hereby determined that the Developer possesses the qualifications, financial resources, and legal ability necessary to purchase the Property shown on Exhibit A and to construct, manage and operate the site in the manner proposed by this offering in accordance with the Plan.

Section 7. That the City Clerk shall receive and retain for public examination the [provided] Development Agreement submitted by the Developer and, in the event no other qualified proposals are timely submitted, shall resubmit the Development Agreement to the City Council for final approval and execution upon expiration of the notice hereinafter prescribed.

Section 8. That the action of the City Council be considered to be and does hereby constitute notice to all concerned of the intention of this Council, in the event that no other qualified proposals are timely submitted, to accept the proposal of the Developer to purchase the Property shown on Exhibit A and to approve the Development Agreement by and between City and Developer.

Section 9. That the official notice of this offering and of the intent of the City, in the event no other qualified proposals are timely submitted, to approve the Development Agreement, shall be a true copy of this Resolution, but without the attachments referred to herein.

Section 10. That the City Clerk is authorized and directed to secure immediate publication of said official notice in the Telegraph Herald, a newspaper having a general circulation in the community, by publication of the text of this Resolution on or before the 10th day of November, 2023.

Section 11. That written proposals will be received by the City Clerk at or before 10:00 a.m., December 10, 2023 in the Office of the City Clerk, located on the first floor at City Hall, 50 West 13th Street, Dubuque, Iowa 52001. Each proposal will be opened at the hour of 10:00 a.m. in City Hall, Dubuque, Iowa on December 10, 2023. Said proposals will then be presented to the City Council at 6:30 p.m., December 18, 2023, at a meeting to be held in the City Council Chambers, Historic Federal Building at 350 West 6th Street, Dubuque, Iowa.

Section 12. That the method of offering the Property for sale as set forth herein is in substantial conformance with the provisions of Iowa Code Section 403.8, requiring reasonable competitive bidding procedures as are hereby prescribed and "fair value."

Section 13. That the required documents for the submission of a proposal shall be in substantial conformity with the provisions of this Resolution.

Section 14. That the City Clerk is hereby nominated and appointed as the agent of the City of Dubuque, Iowa to receive proposals for the sale of the Property on that date and according to the procedure hereinabove specified for receipt of such proposals and to proceed at such time to formally acknowledge receipt of each of such proposal by noting the receipt of same in the Minutes of the Council; that the City Manager is hereby authorized and directed to make preliminary analysis of each such proposal for compliance with the minimum requirements established by this Council hereinabove. For each proposal that satisfies these requirements, the City Council shall judge the strength of the proposal by the competitive criteria established hereinabove. The City Council shall then make the final evaluation and selection of the proposals.

Section 15. If, and only if, competing proposals are received and determined by the Council to meet the minimum requirements described herein, the Developer shall be allowed to amend its proposal in response thereto and to deliver same to the City Manager, by no later than a date determined by the City Council. In such event, the Council shall schedule a subsequent meeting to be held by the City Manager at which there shall be a bid-off conducted by the City Manager. During such bid-off, each competing bidder shall bid against the other, starting with the second proposal received and continuing until such time as each bidder shall decline to improve its proposal to acquire and redevelop the Property shown on Exhibit A in response to the last bid of the other bidder or bidders. The period of time to be allowed for such bid-off shall be determined by the City Manager. The rules of such bid-off shall be as determined by the City Manager at or before such bid-off period and shall be absolute.

Section 16. That in the event another qualified proposal is timely submitted and accepted by the City, another and further notice shall be published of the intent of the City of Dubuque, Iowa, to enter into the resulting agreement, as required by law.

Passed, approved, and adopted this 6th day of November, 2023.

Motion by Jones for final consideration and passage of Ordinance No. 46-23 Amending Title 16 of the Unified Development Code of the City of Dubuque Code of Ordinances by reclassifying the hereinafter described property located along Hawthorne Street and Kerper Boulevard within the City of Dubuque from CR Commercial Recreation to Planned Unit Development with PR-Planned Residential Designation. Seconded by Resnick. Motion carried 7-0.

ORDINANCE NO. 46-23

AMENDING TITLE 16 OF THE UNIFIED DEVELOPMENT CODE OF THE CITY OF DUBUQUE CODE OF ORDINANCES BY RECLASSIFYING THE HEREINAFTER DESCRIBED PROPERTY LOCATED ALONG HAWTHORNE STREET AND KERPER BOULEVARD WITHIN THE CITY OF DUBUQUE FROM CR COMMERCIAL RECREATION TO PLANNED UNIT DEVELOPMENT WITH PR-PLANNED RESIDENTIAL DESIGNATION

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That Title 16 of the Unified Development Code of the City of Dubuque Code of Ordinances is hereby amended by reclassifying the hereinafter-described property from

CR Commercial Recreation to Planned Unit Development District with a PR Planned Residential District designation, and adopting a conceptual development plan, a copy of which is [provided] to and made a part hereof, is hereby adopted and approved for the following described property, to wit:

The portion of Lot 2 Block 2 of River Front Subdivision No. 3 and to the centerline of the adjoining public right-of-way, all in the City of Dubuque, Iowa as shown in Exhibit A.

A. Use Regulations. The following regulations shall apply to all uses made of land in the above-described PR Planned Residential District:

1. Principal permitted use shall be limited to two (2) four-story multi-family residential buildings containing a total of 201 residential units.
2. Accessory uses shall include any use customarily incidental and subordinate to the principal use it serves.

B. Lot and Bulk Regulations. Development of land in the PR Planned Residential District shall be regulated as follows:

1. Buildings setbacks shall be located in substantial conformance with the approved conceptual development plan.
2. Maximum building height of 50 ft. shall be allowed in this Planned Residential District.

C. Performance Standards. The development and maintenance of uses in this PR Planned Residential District shall be regulated as follows:

Parking Regulations

- a. All vehicle-related features shall be surfaced with either asphalt or concrete.
- b. Curbing and proper surface drainage of storm water shall be provided.
- c. All parking and loading spaces shall be delineated on the surfacing material by painted stripes or other permanent means.
- d. That total number of parking spaces shall be provided in substantial compliance with the approved Conceptual Development Plan. The spaces may be a combination of off-street spaces and on-street spaces (Hawthorne Street) in accordance with the approved Conceptual Development Plan.
- e. The size and design of parking spaces shall be governed by applicable provisions of the Unified Development Code Section 13-

3 Site Development Regulations.

- f. The number, size, design, and location of parking spaces designated for persons with disabilities shall be according to the local, state, or federal requirements in effect at the time of development.
- g. Bicycle parking shall be provided in accordance with the Unified Development Code Section 14-9 Bicycle Parking Required.

1. Site Lighting

- a. Exterior illumination of site features shall be limited to the illumination of the following:
 - i. Parking areas, driveways, and loading facilities.
 - ii. Pedestrian walkway surfaces and entrances to building.
 - iii. Building exterior.
- b. Location and Design
 - i. No light source shall provide illumination onto adjacent lots, buildings, or streets in excess of 1.0-foot candle.
 - ii. All exterior lighting luminaries shall be designed and installed to shield light from the luminaries at angles above 72-degrees from vertical.
 - iii. Fixtures mounted on a building shall not be positioned higher than the roofline of the building.
 - iv. All electrical service lines to posts and fixtures shall be underground and concealed inside the posts.

2. Landscaping. Landscaping shall be provided in substantial compliance with the Conceptual Landscape Plan which is [provided] hereto.

3. Storm Water Management. The developer shall be responsible for providing surface or subsurface conveyance(s) of storm water from the lot to existing storm sewers or to flow line of open drainageways outside the lot in a means that is satisfactory to the Engineering Department of the City of Dubuque. Other applicable regulations enforced by the City of Dubuque relative to storm water management and drainage shall apply.

4. Exterior Trash Collection Areas.

- a. The storage of trash and debris shall be limited to that produced by the principal permitted use and accessory uses on the lot.

- b. All exterior trash collection areas and the material contained therein shall be visually screened from view. The screening shall be completely opaque fence, wall, or other feature not exceeding a height of 10 ft. measured from the ground level outside the line of the screen. Screens built on sloping grades shall be stepped so that their top line shall be horizontal. Exposed materials used to construct the opaque screen shall be similar in appearance to materials used for exterior building walls. All exterior entrances to a screened trash area shall be provided with a gate or door of similar design to that of the screen. If a 10-foot height screen fails to shield the exterior trash collection area from view from the adjacent public right-of-way and neighboring properties, evergreen plantings may be required in addition to the screening. Evergreen plant material shall be selected and designed so that they screen the area from all off-site visibility within five (5) years.
- 5. Open Space. Open space in the PR Planned Residential District shall be provided in substantial compliance with the approved Conceptual Development Plan and Conceptual Landscape Plan.
- 6. Platting. Subdivision plats and improvement plans shall be submitted in accordance with Article 11 Land Subdivision, of the City of Dubuque Unified Development Code.
- 7. Site Plans. Final site development plans shall be submitted in accordance with Article 12 Site Plans and Article 13 Site Design Standards prior to construction of each building and vehicle-related feature unless otherwise exempted by Article 12.
- D. Sign Regulations
 - 1. Signs in the Planned Residential District shall be regulated in accordance with the R-4 Multi-Family Residential Zoning District sign regulations, Section 16-15-11.1 of the Unified Development Code.
 - 2. Variance requests from sign requirements for size, number, and height shall be reviewed by the Zoning Board of Adjustment in accordance with Section 16-8-6 of the Unified Development Code.

- E. Other Codes and Regulations
 - 1. Service Lines. All electric, telephone, cable, or other similar utility lines serving the building and other site features shall be located underground.
 - 2. The use of semi-trailers and shipping containers for storage is prohibited.
 - 3. These regulations do not relieve the owner from other applicable city, county, state, or federal codes, regulations, laws, and other controls relative to the planning, construction, operation, and management of property within the City of Dubuque.
- F. Transfer of Ownership. Transfer of ownership or lease of property in this PR Planned Residential District shall include the transfer or lease agreement a provision that the purchaser or lessee acknowledges awareness of the conditions authorizing the establishment of the district.
- G. Modifications. Any modifications of this Ordinance must be approved by the City Council in accordance with zoning reclassification proceedings of Article 9-5 of the Unified Development Code.
- H. Occupancy Permits. No occupancy permit shall be issued by the City of Dubuque for property included in the subject planned unit development district until full compliance with this ordinance has been achieved.
- I. Recording. A copy of this ordinance shall be recorded at the expense of the property owner(s) with the Dubuque County Recorder a permanent record of the conditions accepted as part of this reclassification approval within thirty (30) days after the adoption of this ordinance. This ordinance shall be binding upon the undersigned and his/her heirs, successors, and assigns.

Section 2. The foregoing amendment has heretofore been reviewed by the Zoning Advisory Commission of the City of Dubuque, Iowa.

Section 3. The foregoing amendment shall take effect upon publication, as provided by law.

Passed, approved, and adopted this 6th day of November 2023.

Whereas, the City Council of the City of Dubuque has heretofore approved the Amended and Restated Urban Renewal Plan (the "Plan" of "Urban Renewal Plan") for the Greater Downtown Urban Renewal District (the "District") in order to provide redevelopment opportunities which will further the purposes and objectives of the Urban Renewal Plan; and

Whereas, City staff has recommended that the Urban Renewal Plan be further amended and restated to add projects to the public purpose activities in the District specifically and

previously approved tax increment financing rebates related to development agreements; and

Whereas, Iowa Code Chapter 403 requires that before an Urban Renewal Plan may be modified, the City Council must follow the notification, consultation, and public hearing process set forth herein.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the City Manager is authorized and directed to prepare an Amended and Restated Urban Renewal Plan, Version 2023.4 for the Greater Downtown Urban Renewal District to accomplish the foregoing purposes and objectives, to include in such Amended and Restated Urban Renewal Plan, Version 2023.4 any appropriate project activities and details, to determine an appropriate date for and conduct the consultation process required by law with affected taxing entities concerning the proposed Amended and Restated Plan, Version 2023.4.

Section 2. That the City Clerk is directed to publish notice of a public hearing on the adoption of an Amended and Restated Urban Renewal Plan, Version 2023.4 for the Greater Downtown Urban Renewal District to be held on the 18th day of December, 2023, at 6:30 p.m. in the form [provided] hereto. The notice of said hearing shall generally identify the areas covered by the proposed Amended and Restated Urban Renewal Plan, Version 2023.4 and the general scope of the urban renewal activities planned for such areas and said notice shall be published in a newspaper having general circulation within the City not less than four days nor more than twenty days before the date of said meeting. A copy of the notice of public hearing shall be sent by ordinary mail to the affected taxing entities.

Section 3. That the Economic Development Director is directed to send by ordinary mail a copy of the proposed Amended and Restated Urban Renewal Plan, Version 2023.4, the notice of public hearing, a notice of consultation, and, to the extent the Amended and Restated Urban Renewal Plan, Version 2023.4 includes the use of tax increment revenues for a public building, an analysis of alternative development and funding options for such public buildings, to the Dubuque Community School District Board of Education and Dubuque County Board of Supervisors, as the affected taxing entities.

Passed, approved, and adopted this 20th day of November, 2023.

1. The number, size and design of parking spaces shall be governed by applicable provisions in Articles 13 and 14 of the City of Dubuque Unified Development Code.
2. The number, size and design and location of parking spaces designated for persons with disabilities shall be according to the local, state, or federal requirements in effect at the time of development.
3. The location and number of private driveway intersections with public streets shall be reviewed and approved by the City Engineer.

D. Sign Regulations

1. Applicability of City of Dubuque Ordinances: The provisions of the City of Dubuque Unified Development Code Article 15 Signs shall apply unless further regulated by this section.
2. Signage for development zones within the South Pointe Planned Unit Development shall be regulated as follows:
 - a. Within Zone A, Sign Regulations for the R-1 Single-Family Residential District, Section 16-15-11.1 of the Unified Development Code, shall be followed.
 - b. Within Zone B, Sign Regulations for the R-3 Moderate Density Multi-Family Residential District, Section 16-14-11.1 of the Unified Development Code, shall be followed.
 - c. Within Zone C, Sign Regulations for the C-3 Neighborhood Shopping Center District, Section 16-156-11.6 of the Unified Development Code, shall be followed.
3. Off-Premise Signs: Off-premise signs shall be prohibited.
4. Variances: Variances from sign requirements for size, number, and height may be requested. Such variances shall be reviewed by the Zoning Board of Adjustment in accordance with Article 8-6 of the Unified Development Code.

E. Performance Standards - The development and maintenance of uses in this PUD District shall be established in conformance with the following standards:

1. No more than 100 dwelling units shall be allowed to be developed until such time that a second public street access or secondary emergency access is developed to serve South Pointe.
2. A six-foot high privacy fence along South Pointe Drive shall be allowed provided the fence is installed in compliance with SUDAS standards.
3. Platting: The conceptual

development plan shall serve as the preliminary plat for this PUD District. Subdivision plats and improvement plans shall be submitted in accordance with Article 11. Land Subdivision, of the City of Dubuque Unified Development Code.

4. Site Plans: Final site development plans shall be submitted in accordance with Article 12 Site Plans and Article 13 Site Design Standards prior to construction of each building and vehicle-related feature unless otherwise exempted by Article 12.
5. Storm Water Conveyance: The developer of each lot shall be responsible for providing surface or subsurface conveyance(s) of storm water from the lot to existing storm sewers or to flow line of open drainage ways outside the lot in a means that is satisfactory to the Engineering Department of the City of Dubuque. Other applicable regulations enforced by the City of Dubuque relative to storm water management and drainage shall apply to properties in the PUD District.
6. Other Codes and Regulations: These regulations do not relieve an owner from other applicable City, County, State or Federal Codes, regulations, laws, and other controls relative to the planning, construction, operation, and management of property in the PUD District.

F. Ordinance History

1. Ordinance 14-16 established regulations for the South Pointe Planned Unit Development.
2. Ordinance 43-17 amended South Pointe Planned Unit Development regulations to designate additional building lots for townhomes.

Zone D, 2 acres, 100, 50, 25, 50, 100

a) Lots smaller than minimum will be allowed if the parcel is consolidated or combined with a larger lot. Substations for public and quasi-public utilities shall be exempt from lot frontage and lot area requirements.

b) Maximum lot coverage shall be 80 percent. All building and vehicle related features shall be considered when calculating total land area coverage, except fire lanes and railroad tracks.

c) Maximum building height shall be as stipulated in the bulk regulations chart above, except the following may exceed the height limit: cooling towers, condensers, elevator bulkheads, stacks and other necessary mechanical equipment and their protective housing. Heating, ventilating, and air conditioning (HVAC) equipment is limited to 10 ft. above height limitation.

d) Within required front, side, and rear setbacks, only driveways, fire lanes, railroad tracks, open space features and primary and secondary signage are allowed. Parking lots may encroach up to 50% into the required front yard setback.

D. Parking and Loading Regulations

1) All vehicle-related features, except for railroad tracks, shall be surfaced with either asphalt or concrete.

2) All parking and loading spaces shall be delineated on the surfacing material by painted stripes or other permanent means.

3) The number, size and design of parking spaces shall be governed by applicable provisions in Articles 13 and 14 of the City of Dubuque Unified Development Code.

4) The number, size and design and location of parking spaces designated for persons with disabilities shall be

according to the local, state, or federal requirements in effect at the time of development.

5) The location and number of private driveway intersections with public streets shall be reviewed and approved by the City Engineer.

6) No on-street maneuvering of delivery vehicles will be allowed on any street. Lots shall provide all necessary maneuvering space for delivery vehicles within the boundaries of the lots.

7) All loading docks for shipping and receiving raw and manufactured goods shall be designed to provide for the direct movement of goods between the delivery vehicle and the interior of the building.

E. Exterior Storage Regulations - Exterior storage shall be in accordance with the following regulations:

Allowable Products Store, Allowable Location, Allowable Screening Materials, Minimum Opacity, Maximum Height of Screening

Zone D, Raw or finished goods; equipment, Rear or side yards, Similar to building color, 50%, 12 ft.

Zone O, PROHIBITED

1) Exterior storage of materials, which could be blown into the air or strewn about by the wind, shall be prohibited.

2) Exterior storage, where allowed, shall not encroach into a front yard. A front yard may exceed the required front yard setback.

3) The ground area coverage of exterior storage areas shall be the area contained inside the required screening. This area shall be considered to be a building-related feature for purposes of calculating total land area coverage.

4) Exterior storage must be screened from view from adjacent public right-of-way.

5) The screening height shall be measured from the ground level outside the line of the screen. Screens built on sloping grades shall be stepped so that their top line shall be horizontal.

6) Required screening is intended to buffer surrounding property from the negative visual impact created by the storage of raw or finished goods, materials and equipment that can adversely impact the value of adjacent property.

7) The City Planner may grant a waiver for screening to exceed the maximum height allowed when topography or height of individual finished products or equipment could make it impossible to completely screen a storage area from every vantage point. The City Planner may not grant waiver in maximum

screening height for raw materials or stacked goods.

8) All exterior entrances to a screened storage area shall be provided with a gate or door of similar design to that of the screen.

9) Long-term storage of products or materials in semi-trailers or shipping containers is prohibited.

F. Exterior Trash Collection Area Requirements

1) Exterior trash collection areas shall include collection bins, dumpsters, and similar waste receptacles for the short-term storage and collection of trash. Trash shall include garbage, scrap, recyclables, debris, and similar materials.

2) The storage of trash shall be limited to that produced by the principal permitted use and accessory uses of the lot. Exterior storage of trash, which could be blown into the air or strewn about by the wind, shall be prohibited.

3) The ground area coverage of exterior trash collection areas shall be the area contained inside the required screening. This area shall be considered a building-related feature for purposes of calculating total land area coverages.

4) Exterior trash collection areas shall be located in rear or side yards only. Exterior trash collection areas shall not encroach into a front yard. A front yard may exceed the required front yard setback.

5) All exterior trash collection areas and the materials contained therein shall be screened from view from the adjacent public right-of-way.

6) The screening shall be a completely opaque fence, wall or other feature not exceeding a height of 10 ft. measured from the ground level outside the line of the screen. Screens built on sloping grades shall be stepped so that their top line shall be horizontal.

7) Exposed materials used to construct the opaque screen shall be similar in appearance to materials used for exterior building walls. All exterior entrances to a screened trash area shall be provided with a gate or door of similar design to that of the screen.

8) If a 10-foot-high screen fails to shield the exterior trash collection area from view from the adjacent public right-of-way, evergreen plantings may be required in addition to the screening. Evergreen plant materials shall be selected and designed so that they will screen the area from the adjacent public right-of-way within five (5) years.

G. Landscaping Regulations - The following

landscape regulations shall apply to each lot:

1) Plant Materials: The open space area of each lot shall be planted with permanent lawn and ground covers, shrubs, and trees. It is the intent of these regulations that the development of required open spaces shall reflect a high quality of environmental design.

2) Landscaping: The following is the minimum requirement of trees and shrubs, by number and size, and the type of ground cover required. Street trees planted in public street right-of-way shall not be counted toward fulfillment of the minimum site requirements set forth below. Plant species to be used for landscaping shall be in accordance with the City of Dubuque Street Tree Policy. Existing trees and shrubs to be retained on-site may be counted toward fulfillment of the landscaping requirements.

a) Minimum tree planting requirements for any new development in the Dubuque Industrial Center South shall be one (1) tree of the following size per 1,600 square ft. of required open space:

40% minimum: 2-2 1/2" caliper diameter deciduous and/or 8-foot height or greater evergreen.

Balance: 1 1/2 - 2" caliper diameter deciduous and/or 6-foot height evergreen.

b) Minimum shrub requirements at the time of planting for any development in the PUD District shall be 6 shrubs, or 1 shrub per

Type of Sign, Maximum size, Maximum Number, Allowable Structure type, Maximum Height*

Secondary signs, 24 sq. ft. per sign face, No maximum number, Monument, 6 ft.

*The height of the monument-style signs shall be measured from average grade to top of sign structures.

a) Variances: Variances from sign requirements for size, number and

height may be requested. Such variances shall be reviewed by the Zoning Board of Adjustment in accordance with Article 8-6 of the Unified Development Code.

b) Lighting: Signs may be illuminated only by means of indirect lighting, whereby all light sources and devices are shielded from view by opaque or translucent materials, or internally illuminated by means of a light source completely enclosed by the sign panel.

c) Motion: No signs may include any device or means, mechanical, electrical, or natural, which shall cause any motion of the sign panel or any part thereof. No flashing lights or changing colors shall be allowed.

I. Maintenance Assessments

1) The City will cause the construction of such improvements as the City deems appropriate in the Public Areas of this PUD District shown on the Plan. Maintenance and repair of the Public Areas and its improvements is the responsibility of the City with fifty percent (50%) of costs of such maintenance and repair assessed to and paid by the owners of property in this PUD District. Private connections to the Public Areas and the subsequent maintenance and repair of such private connections are the responsibility of each owner and may not be constructed without the prior written approval of the City.

2) The City will assess against the properties in this PUD District in each assessment year an annual assessment for the purpose of paying fifty percent (50%) of the actual costs of the City's maintenance and repair of the Public Areas and the actual costs associated with maintaining and lighting the park entrance signs. Said assessment may also include the establishment of a capital improvements reserve fund for such purposes. Upon establishment of such assessment levy, the owner of each lot must pay to the City a pro rata share (as hereinafter defined) of such assessment.

The owner waives any and all rights to further notice, to object to the assessments, the amount of the assessments, the procedure for certifying the assessments or to any other rights the owner would have as provided in Iowa Code Chapter 364 and Chapter 384 and that the schedule of assessments may be certified by the City to the Dubuque County Treasurer for collection in the same manner as provided in Iowa Code

Chapter 364 and Chapter 384.

3) If such pro rata share is not paid within thirty (30) days after its due date, the owner agrees that that amount of such pro rata share will become a lien upon the lot obligated to pay the same and will bear interest from the due date at the highest legal contract rate applicable to a natural person. The owner further agrees that the City may bring an action at law against any owner obligated to pay the same or foreclose the lien against the lot.

The owner agrees that the owner is also obligated to reimburse the City for the City's costs and reasonable attorney's fees of any collection efforts. The owner agrees that the owner may not waive or otherwise avoid liability for an assessment provided herein by non-use of the Public Areas or abandonment of a lot.

4) An owner's pro rata share is equal to a fraction, the numerator of which is the gross square ft. area of the lot or lots owned by the owner and the denominator of which is the gross square ft. area of all lots in this PUD District exclusive of the Public Areas and public rights-of-way.

J. Performance Standards - The development and maintenance of uses in this PUD District shall be established in conformance with the following standards

1) Platting: The conceptual development plan shall serve as the preliminary plat for this PUD District. Subdivision plats and improvement plans shall be submitted in accordance with Article 11. Land Subdivision, of the City of Dubuque Unified Development Code.

2) Site Plans: Final site development plans shall be submitted in accordance with Article 12 Site Plans and Article 13 Site Design Standards prior to construction of each building and vehicle-related feature unless otherwise exempted by Article 12.

3) Storm Water Conveyance: The developer of each lot shall be responsible for providing surface or subsurface conveyance(s) of storm water from the lot to existing storm sewers or to flow line of open drainage ways outside the lot in a means that is satisfactory to the Engineering Department of the City of Dubuque. Other applicable regulations enforced by the City of Dubuque relative to storm water management and drainage shall apply to properties in the PUD District.

4) Noises: Noises generated within the PUD District shall be regulated by Chapter 33, Article IV, Noises, of the

City of Dubuque Code of Ordinances.

5) Flood Plain Regulations: The area of the PUD District that lies within the flood plain of Catfish Creek shall be subject to the regulations of Article 6-4 of the Unified Development Code.

6) Phased construction of buildings and parking spaces: The construction of off-street parking spaces may be phased in proportion to the percentage of total building floor area constructed at any one time. Ground area set aside for future parking, loading spaces or drive-ways or for parking provided in excess of the minimum required number of parking spaces shall not reduce the minimum required area for open space.

7) Other Codes and Regulations: These regulations do not relieve an owner from other applicable City, County, State or Federal Codes, regulations, laws, and other controls relative to the planning, construction, operation, and management of property in the PUD District.

K. Ordinance History

1) Ord. 2-13: reclassifying hereinafter described property located north and south of Seippel Road and north of U.S. Highway 20 from AG Agricultural District to PUD Planned Unit Development with a PI Planned Industrial designation for the Dubuque Industrial Center South.

2) Ord. 16-23: an amendment to the Planned Unit Development that expands the district by incorporating an additional parcel of land.

L. Transfer of Ownership - Transfer of ownership or lease of property in this PUD District shall include in the transfer or lease agreement a provision that the purchaser or lessee acknowledges awareness of the conditions authorizing the establishment of the district.

M. Modifications - Any modifications of this Ordinance must be approved by the City Council in accordance with zoning reclassification proceedings of Article 9-5 of the Unified Development Code.

N. Recording - A copy of this ordinance shall be recorded at the expense of the property owner(s) with the Dubuque County Recorder a permanent record of the conditions accepted as part of this reclassification approval within ten (10) days after the adoption of this ordinance. This ordinance shall be binding upon the undersigned and his/her heirs, successors, and assigns.

Section 3. The foregoing amendment has heretofore been reviewed by the Zoning Advisory Commission of the City of Dubuque, Iowa.

Section 4. This Ordinance shall take effect upon publication as provided by law.

Passed, approved, and adopted this 20th day of November 2023.

3. Amending Unified Development Code regarding Maternity Group Home: Motion by Jones to receive and file the documents and that the requirement that a proposed ordinance be considered and voted on for passage at two Council meetings prior to the meeting at which it is to be passed be suspended. Seconded by Wethal. Planning Services Director Wally Wernimont provided a staff report. John Freund, 1005 Main St., spoke in support of the request as legal counsel for the applicant, stating that the maternity home definition is intended to be specific. A suggestion was made by City Council to alter the maximum number of women that could be supported under the maternity group home definition from four women to eight women to be consistent with state code definitions. Mr. Wernimont stated that Iowa State Code contains a definition for a family home. While the family home definition includes disability, pregnancy is not categorized as a disability and therefore is not covered by the regulations set forth in Iowa State Code. Mr. Wernimont recommended maintaining the current definition of maternity group home. City Council concurred with the recommendation and expressed support for the ordinance. Mr. Wernimont confirmed that if the ordinance is adopted, Mary's Inn Maternity Home will not have to obtain a conditional use permit from the Zoning Board of Adjustment if they operate in the appropriate district. Motion carried 7-0.

Motion by Jones for final consideration and passage of Ordinance No. 49-23 Amending Title 16 of the City of Dubuque Code of Ordinances, Unified Development Code, by amending Article 16-2-3 (Definitions) by adding a definition of Maternity Group Home, and by amending Articles 16-5-2 (R-1), 16-5-3 (R-2), 16-5-4 (R-2A), 16-5-5 (R-3), 16-5-6 (R-4), 16-5-7 (OR), 16-5-10 (C-1), 16-5-11 (C-2), 16-5-12 (C-2A), 16-5-13 (C-3), 16-5-14 (C-4), 16-5-15 (C-5), 16-5-16 (CS), And 16-5-17 (CR) by adding Maternity Group Home as a permitted use. Seconded by Wethal. Motion carried 7-0.

ORDINANCE NO. 49-23

AMENDING TITLE 16 OF THE CITY OF DUBUQUE CODE OF ORDINANCES, UNIFIED DEVELOPMENT CODE, BY AMENDING ARTICLE 16-2-3 (DEFINITIONS) BY ADDING A DEFINITION OF MATERNITY GROUP HOME, AND BY AMENDING ARTICLES 16-5-2 (R-1), 16-5-3 (R-2), 16-5-4 (R-2A), 16-5-5 (R-3), 16-5-6 (R-4), 16-5-7 (OR), 16-5-10 (C-1), 16-5-11 (C-2), 16-5-12 (C-2A),

AND THE RIGHT TO CONSTRUCT, RECONSTRUCT, RELOCATE, REPAIR, REPLACE, MAINTAIN, OPERATE, THE NECESSARY CONDUITS AND OTHER APPLIANCES OR EQUIPMENT FOR THE TRANSMISSION OF ELECTRIC CURRENT AND COMMUNICATION FACILITIES UNDER CERTAIN STREETS, AVENUES, ALLEYS AND PUBLIC PLACES AND IN A CERTAIN RAILROAD RIGHT OF WAY IN THE CITY OF DUBUQUE, DUBUQUE COUNTY, IOWA WITHIN THE CITY AS THE BOUNDARIES ARE NOW AND MAY HEREAFTER EXIST, FOR THE PERIOD OF TWENTY-FIVE (25) YEARS ("Franchise" or "Ordinance")

BE IT ENACTED by the City Council of the City of Dubuque, Iowa:

Section 1. Introduction.

There is hereby granted to SOO GREEN HVDC LINK PROJECTCO, LLC, hereinafter referred to as "SOO Green" or the "Company," its successors and assigns, the right and franchise to construct, reconstruct, repair, replace, maintain and operate in the City of Dubuque, Dubuque County, Iowa, the necessary conduits, and other appliances or equipment for the transmission of electric current and communication facilities (collectively, the "Facilities") and the right to construct, reconstruct, relocate, repair, replace, maintain and operate the Facilities under the streets, avenues, alleys and public places and in certain railroad right of way in the City of Dubuque, Dubuque County, Iowa, in the preliminary route as shown on Exhibit A (the "Route"), the final route to be subject to the written approval of the City Manager before any mobilization, staging, or construction of the Facilities within the City limits. This Franchise shall be effective for a twenty-five (25) year period from and after the effective date defined in Paragraph 20 herein ("Effective Date"). SOO Green is also granted the right of eminent domain as provided in Iowa Code Section 364.2(4) as reasonably necessary to carry out the purposes of this Franchise.

Section 2. Public Meeting.

2.1 As a condition precedent to the public hearing required by Iowa law and the adoption of this Ordinance, the Company held a public informational meeting on July 10, 2021. The meeting was held in person at the Hotel Julien in Dubuque.

2.2 Notice of the time and place of the meeting was published in the Telegraph Herald at least seven (7) days and not more than twenty (20) days prior to the date of the meeting. A reasonable effort was made to notify by mail those property owners whose property is within two hundred ft. (200') of the proposed Route, prior to the

meeting. The notice was mailed not less than seven (7) days and not more than twenty (20) days prior to the meeting.

The notices contained the following:

1. The name of the applicant.
2. The applicant's principal place of business.
3. A general description and purpose of the proposed project.
4. The general nature of the franchise desired.
5. A map showing the route of the proposed project.
6. A description of all equipment to be constructed or installed.
7. The place and time of the meeting.
8. The Company contact person and contact information for a Company representative who will be available Monday through Friday during the Company's business hours to respond to citizen inquiries about the project.

Section 3. Management Fee.

3.1 The Company shall pay the City upon receipt of annual statements a management fee for the City's management costs which are the reasonable, direct, and fully documented costs the City actually incurs to manage the Company's use of the public rights-of-way as provided by Iowa Code Section 480A.2(2). In lieu of an annual statement and at the City's option, the City and the Company may agree to use an estimated fee.

3.2 The Company shall install, at its cost, fiber conduit and associated vaults described in Exhibit B, to be owned, operated and managed exclusively by the City, along the Canadian Pacific Kansas City (CAPAC) right-of-way segments of the project corridor within municipal limits. The Company shall be responsible for any fiber-related fees charged by CPKC. Upon reasonable notice to the Company, the City shall have access to the conduit and vaults to repair, replace, maintain, and operate the conduit and vaults. The Company shall notify the City of any construction, reconstruction, relocation, repair, replacement, or maintenance of the Facilities that would affect the City's conduit to permit the City to take such action as it deems necessary to protect its conduit. The City's exercise of its right to repair/replace co-located fiber may not interfere with rail operations or with operations of the SOO Green Facilities.

3.3 Payments to City. All invoice payments required by this Ordinance shall be made payable to "The City of Dubuque, Iowa" and delivered to the City of Dubuque Finance Department, City Hall. Any payments due not paid in full by the due date

shall be subject to the lesser of the maximum interest provided by law or 1% per month.

Section 4. Utilities.

4.1 Water Utilities. Prior to the commencement of any construction, the Company shall work with the City Engineer and the Water Department to maintain adequate separation from existing facilities to avoid interference and to minimize the risk of relocation of the Facilities. The Company will seek to maintain a vertical depth of not less than six (6) ft. separation and a horizontal separation of not less than ten (10) ft. from any City water main. These distances can be reduced only if approved by the City Engineer. When crossing or running parallel to a City water main, the water main shall be potholed by the Company for field verification before installation of the Company conduit. Areas of concern include but are not limited to those shown on Exhibit C.

4.2 Other Utilities. Prior to the commencement of any construction, the Company shall coordinate on all construction of the Facilities to the satisfaction of the City Engineer to minimize the impact on all other public and City utilities.

4.3 Damage to City Utilities. The Company shall reimburse the City for all costs and damage to City utilities caused by SOO Green's construction, reconstruction, relocation, repair, replacement, operation, or maintenance of the Facilities promptly upon receipt of a statement of such costs and damages from the City. The Company shall not be responsible for any costs and damage to the City caused by the City's negligence or willful misconduct.

Section 5. Indemnification.

5.1 The Company shall indemnify, defend and hold City, its officers and employees, harmless from and against any and all claims, demands, losses, damages, cost and expenses (including, but not limited to, court costs, fines, penalties and reasonable attorneys' fees, but excluding consequential or indirect damages), judgments, liabilities and causes of action of any nature whatsoever resulting from or relating to its negligent acts or omissions in the use or occupancy of the streets, avenues, alleys and public places in the City, a material breach of this Franchise, or arising in any manner out of the negligent acts or omissions of its agents, employees, or contractors in connection with same, or with respect to the violation of any laws, including without limitation, any environmental laws. The Company shall indemnify and defend the City for, from and against any and all mechanics' liens and other liens and encumbrances

filed by any person claiming by, through or under the Company and against all costs, expenses, losses, and liabilities (including reasonable attorneys' fees) incurred by the City in connection with any such lien or encumbrance or any action or proceeding brought thereon. For avoidance of doubt regarding the scope of this indemnification, the Company shall not be responsible for any costs and damage to the City caused solely by the City's negligence or willful misconduct.

5.2 The Company shall maintain commercial general liability insurance coverage, or its equivalent, upon commencement of construction in the City and continuing throughout the term of this Franchise as described in Exhibit D, as such schedule may reasonably be amended from time to time by the City, provided however that any new requirements will not exceed the requirements imposed on any other utility operating within the City, are commercially available, and reasonably obtainable. The Company's failure to meet the insurance requirements shall not relieve the Company of its responsibilities under this Franchise. Upon proof of financial responsibility to the reasonable satisfaction of the City, the Company may be allowed to self-insure the coverages required. The Company shall provide the City with certificates of insurance or letter of self-insurance, subject to the approval of the City in its sole discretion, upon request.

5.3 The requirements of indemnification shall not be a waiver of any right that the City would have to assert defenses on its own behalf under state or federal law. The Company's indemnification obligations under this Franchise shall survive the expiration, cancellation, or termination of this Franchise in accordance with applicable statutes of limitation in force within the state of Iowa.

Section 6. Relocation.

6.1 The Company shall, at its cost and expense, locate and relocate its Facilities in, on, over or under any public street or alley or other public place in the City in such a manner as the City may at any time reasonably require for the purposes of facilitating the construction, reconstruction, maintenance or repair of the street or alley or any public improvement of, or public improvement, in or about any such street or alley or reasonably promoting the efficient operation of any such improvement ("City Project"). The Company shall not be required to relocate, at its cost and expense, Company facilities in the public right-of-way that have been relocated at company expense at the direction of the City in the

previous three (3) years.

6.2 The City and the Company desire to minimize, to the fullest extent possible, the risk that any of the Facilities would require relocation for the purposes of a future City Project. The City has reviewed Exhibit A and used its best available information to identify any areas where a City Project may occur during the term of this Franchise and could potentially result in a Facilities relocation. The City and the Company will work together to revise the location of the Facilities prior to construction to reduce the risk of any conflict. For future City Projects, the following will apply:

- a. In developing a City Project, the City shall consider reasonable alternatives so as not arbitrarily to cause the Company unreasonable additional expense.
- b. If there is a potential conflict between a City Project and the Facilities, the City and the Company will work together to identify alternatives that would avoid relocation of Facilities. When such alternative is available, SOO Green will have the option to pay the incremental cost, if any, associated with the alternative to avoid relocation and the City will implement that alternative if SOO Green so elects.
- c. If a relocation of Facilities cannot be avoided, the City will provide a reasonable alternative location for the Company's facilities within City right-of-way. The Company shall be solely responsible for any additional cost to the City as determined by the City Engineer in the City Engineer's sole discretion for providing such alternative location. If the alternative location the City can provide within the City right-of-way is not acceptable to the Company, the Company is granted the power of eminent domain to acquire the land rights necessary to relocate the Facilities to a suitable location. The Company will not be required to deactivate and relocate existing Facilities until the relocated Facilities are operational.

6.3 If the City orders or requests the Company to relocate its Facilities for the primary benefit of a commercial or private project, or as the result of the initial request of a commercial or private developer or other non-public entity, the City shall require advance payment to the Company for all construction and transactions costs and the provision of an alternative location for the Facilities of such relocation from such developer or other non-public entity as a

precondition to relocating the Facilities. If such pre-payment is made, the Company will not be required to deactivate and relocate existing Facilities. The Company will not be required to deactivate and relocate existing Facilities until the relocated Facilities are operational.

6.4 The City shall give the Company reasonable advance written notice to vacate a public right-of-way. Vacating a public right-of-way shall not deprive the Company of its right to operate and maintain existing Facilities within the vacated right-of-way and the City shall grant the Company a utility easement in the vacated public right-of-way until the City orders or requests the Company to relocate its Facilities. If such relocation is for the primary benefit of a commercial or private project, or as the result of the initial request of a commercial or private developer or other non-public entity section 6.3 of this Franchise shall control. If the relocation is for a City Project, Section 6.2 shall control. This paragraph shall not apply to the realignment, reconstruction, or vacation of streets or alleys in a designated urban renewal area; provided, however, the City shall identify, reserve and make available alternate locations for facilities to serve the designated urban renewal area consistent with the technical needs of the Company and consistent with Section 6.2.

Section 7. System Plans And Maps.

7.1 The Company shall apply to the City Engineering Department for a permit for work performed in the City's right-of-way in accordance with the City's regulations. Mapping information will be used solely and exclusively by the City in administering the use and occupancy of the public right-of-way within the City and shall not be provided to or relied on by any person for any other purpose. At the request of the City, mapping information will be reviewed with the City staff. The City recognizes that Company claims the information may constitute a trade secret or is otherwise protected from public disclosure by State or Federal law on other grounds and agrees to protect the information to the extent allowed by State or Federal law. Furthermore, the City agrees that no documents, maps or information provided to the City by the Company shall be made available to the public or other entities if the Company certifies that such documents or information are exempt from disclosure under the provisions of the Freedom of Information Act, the Federal Energy Regulatory Commission Critical Energy Infrastructure requirements pursuant to 18 C.F.R. § 388.112 and § 388.113, or chapter 22 of the Code of Iowa, as such statutes and

regulations may be amended from time to time. In the event any action at law, in equity or administrative is brought against the City regarding disclosure of any document which the Company has designated as a trade secret or as otherwise protected from disclosure the City shall promptly notify the Company. The Company shall at the City's option assume the defense of said action or agree to reimburse the City any and all costs, including attorney fees and penalties, to the extent allowed by law which may result from any said action. Prior to any excavating in the rights-of-way, both parties shall follow the procedures set forth in Iowa Code Chapter 480 or an entity with a similar function utilized by both the City and the Company, currently the Iowa One Call System.

7.2 For emergencies, the Company may proceed with the work without first applying for a permit, provided, however, that the Company shall apply for and obtain a permit as soon as practicable after commencing such work.

7.3 The Company shall replace the surface, restoring the condition as existed prior to the company's excavation, but shall not be required to improve or modify the public right-of-way unless said improvement is necessary to meet a SUDAS (Statewide Urban Design and Specifications) standard, a requirement of the Americans With Disabilities Act, or any other standard mandated by State or Federal law, provided however, if any improvement is requested or required for aesthetic, cosmetic or similar purposes not mandated by State or Federal law the City shall reimburse the company the incremental cost of such improvements. The company shall complete all repairs in a timely and prompt manner. Company agrees any replacement of road surface shall conform to current City ordinances regarding its depth and composition.

Section 8. Annual Planning Meeting. The Company operations staff will, at the request of the City, attend an annual meeting with the City Engineering Department and other interested city personnel to discuss utility reliability standards, including comparisons to regional and national reliability statistics, annual and long-term construction coordination planning for the Company and City and other related items. This will not replace any periodic meetings needed on specific projects and issues. The City also holds monthly utility coordination meetings. The City shall timely provide the Company with minutes of the monthly meeting and the Company will timely review and notify the City of any potential conflicts a proposed project may have on the Facilities.

Notwithstanding the foregoing, the City Engineer may require a Company representative to attend any monthly meeting where the subject of the meeting may include a proposed project which may significantly affect the Facilities. SOO Green will notify the City of its point of contact for monthly meeting minutes and the annual planning meeting at least 30 days prior to commercial operation date.

Section 9. Reliability. The Company will maintain compliance with applicable National Electric Safety Code, Iowa Utilities Board regulatory standards and North American Electric Reliability Corporation standards.

Section 10. Non-Exclusivity. The franchise granted by this Ordinance shall not be exclusive. The City shall not, however, grant a subsequent franchise that would impair, obstruct, or diminish the franchise rights of the Company under this Ordinance.

Section 11. Emergency Training, Participation And Communication. The Company will maintain a twenty-four (24) hour contact with City of Dubuque Police Dispatch or other emergency management contact for emergency communications. The Company shall provide training on safety matters related to the Facilities upon the request of the Fire Chief.

Section 12. Corporate Philanthropy. On an annual basis, the Company will provide notice to the City Manager of whether the Company has any grants or other corporate giving opportunities for which the City of Dubuque or businesses located in may be eligible.

Section 13. Publication Expenses. The expense of the publication of this Ordinance shall be paid by the Company.

Section 14. Repeal Of Conflicting Ordinances. All ordinances, or parts of ordinances, insofar as they are in direct conflict herewith, are hereby repealed.

Section 15. Compliance With City Ordinances. The Company shall, to the extent not inconsistent with the terms of this Franchise, at all times during the term of this Franchise ordinance conform with, submit to, and carry out the provisions of any and all valid ordinances existing or as hereafter lawfully enacted relating the City's exercise of its police powers.

Section 16. Dispute Resolution. The City and the Company agree to attempt to resolve any dispute or disagreement which is not a material breach arising under or in connection with this Ordinance in good faith through discussion between their authorized representatives. If they are unable to resolve any such dispute within thirty (30) calendar days from the date on which either the City or the Company delivers to the other written notice of such dispute, then senior management designees for the City and the Company shall discuss the matter in an attempt to resolve the dispute or disagreement. In the event the senior management

designees are unable to resolve any such dispute within thirty (30) calendar days, the City and Company agree to try in good faith to settle the dispute by mediation prior to, and as a precondition to, commencing any litigation. The City and Company will bear their own attorneys' fees, expert witnesses' fees, costs, and expenses in the mediation. The mediation shall be in Dubuque unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

Section 17. Material Breach. Either the City or the Company may terminate this Franchise if the other party shall be materially in breach of its provisions. Upon the occurrence of a material breach, the nonbreaching party shall provide the breaching party with notification by certified mail specifying the alleged breach. The breaching party shall have sixty (60) days to cure the breach, unless it notifies the nonbreaching party, and the parties agree upon a longer period for cure. If the breach is not cured within the cure period, the nonbreaching party may terminate this Franchise. A party shall not be considered to be in breach of this Franchise if it has operated in compliance with state or federal law. A party shall not be considered to have breached this Franchise if the alleged breach is the result of the actions of a third party or the other party.

Section 18. Closing. This Franchise ordinance sets forth and constitutes the entire agreement between the Company and the City of Dubuque with respect to the rights contained herein, and may not be superseded, modified, or otherwise amended without the approval and acceptance of the Company.

Section 19. Severability. If any of the provisions of this Franchise are for any reason declared to be illegal or void, the lawful provisions of this Franchise, which are severable from said unlawful provisions, shall be and remain in full force and effect, the same as if the Franchise contained no illegal or void provisions.

Section 20. Effective and Binding. This Ordinance and the rights and privileges herein granted shall become effective and binding upon its approval, passage in accordance with Iowa law, the written acceptance by the Company, publication, and notice by the Company as provided below. The City shall provide the Company with an original signed and sealed copy of this Ordinance within ten (10) days of its final passage. The Company shall, within sixty (60) days after the City Council approval of this Ordinance, file in the office of the clerk of the city, its acceptance in writing of all the terms and provisions of this Ordinance. Following City Council approval and Company acceptance, this Ordinance shall be published in accordance with the Code of Iowa. The

Effective Date of this Ordinance shall be the earlier of (a) the date the Company provides written notice to the City Manager that any mobilization, staging, or construction of the Facilities will commence within the City limits or (b) December 31, 2026.

Section 21. Vegetation Management. The City agrees not to plant any trees directly above the Facilities. The Company is authorized and empowered to prune or remove at Company expense, any tree extending into any street, avenue, right-of-way, alley, public place, or public ground that the company determines, in its sole discretion, that will interfere with the construction or safe operation of the Facilities. For every tree that SOO Green removes that is more than 6 inches in diameter, the Company shall pay the City upon invoice the sum of three hundred fifty dollars (\$350.00) per tree, which amount shall be adjusted annually commencing on the first anniversary of the adoption of this Franchise, and each anniversary thereafter by the change in percentage in the United States Bureau of Labor Statistics Consumer Price Index ("CPI") as of the applicable anniversary of this Franchise compared to the CPI as of the same date of the previous year. The Company shall have no other liability to the City. The "CPI Adjustment" shall be a fraction expressed as a decimal, the numerator of which shall be the Current CPI minus the Prior CPI and the denominator of which is the Prior CPI, or 3% whichever amount is less. The "Current CPI" is the latest CPI published prior to the anniversary date of the Effective Date. The "Prior CPI" is the CPI published in the immediately preceding calendar year for the same month as the Current CPI. The term "CPI" shall mean the "Consumer Price Index for All Urban Consumers (CPI-U)" published by the Bureau of Labor Statistics of the U.S. Department of Labor, All Items (1982-84=100), U.S. City Average, or any successor index thereto, appropriately adjusted. If the CPI ceases to be published and there is no successor thereto, such other government or nonpartisan index or computation shall be used which would obtain a substantially similar result as if the CPI had not been discontinued.

Section 22. Public Places: "Public places" means any property owned by the City.

Section 23. No Other License Required: Dubuque City Code § 11-6 is inapplicable to the Company and the Facilities as proposed.

Section 24. Assignment: No sale, assignment or lease of this Franchise shall be effective until it is approved by the city council and after the Company has filed in the office of the city clerk written notice of the proposed sale, transfer, disposition or assignment, such notice to clearly summarize the proposed procedure and the terms and conditions thereof. Such approval by the city council shall not be

unreasonably withheld. The proposed vendor, assignee or lessee shall similarly file an instrument, duly executed, reciting such proposal, accepting the terms of this Franchise and agreeing to perform all the conditions thereof. This provision shall not apply, however, to collateral assignments in connection with a project financing of the project.

Section 25. Notices: Any written notice required by this Franchise shall be sent by first class mail to the persons and addresses below.

PUBLIC INPUT

Jamie Carr, 945 Clarke Dr., spoke in opposition to Action Item No. 4, expressing concerns including lack of public oversight on the vendor who would operate the automated speed enforcement software, lack of crash data from the speed study, and citations being issued to the title holder of the vehicle rather than the driver during an alleged speeding incident.

Daniel Simon, 3519 Eclipse Circle, provided written input via the GoToMeeting chat in opposition to Action Item No. 4, expressing concerns including security breaches to the automated speed enforcement software, negative visitor perceptions, and lack of resident input on the decision to implement automated speed enforcement.

ACTION ITEMS

1. 3000 Jackson H & W Building Update: Motion by Sprank to receive and file the documents. Seconded by Jones. Housing and Community Development Director Alexis Steger provided an update and responded to questions from the City Council regarding concerns for area homeowners and the potential remedies to reopen the street. City Manager Van Milligen and City Attorney Brumwell stated that

the city would explore all efforts for the current H & W Building owner to complete the necessary structural work, and that the city would have the right to perform the work and assess it to the owner if necessary. City Council Members expressed their frustration with the building owner's delays in completing the structural work and how the street closures are negatively impacting area businesses. Mayor Cavanagh requested an additional update at the December 4th City Council meeting. Motion carried 7-0.

2. Purchase of Property at 2820 Brunswick: Motion by Sprank to receive and file the documents and adopt Resolution No. 391-23 Approving the acquisition of real estate owned by the Esther J. Thome Estate at 2820 Brunswick Street in the City of Dubuque. Seconded by Wethal. Responding to questions from the City Council, Housing and Community Development Director Alexis Steger stated that city staff are seeking a partner to work on turning the property and associated lots into affordable housing units. Motion carried 7-0.

RESOLUTION NO. 391-23 APPROVING THE ACQUISITION OF REAL ESTATE OWNED BY THE ESTHER J. THOME ESTATE AT 2820 BRUNSWICK STREET IN THE CITY OF DUBUQUE

Whereas, the City of Dubuque intends to acquire certain real estate for the purpose of rehabbing, developing, and reselling the property to income qualified households; and

Whereas, a purchase agreement has been finalized with the owner of the property scheduled for acquisition; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE IOWA:

Section 1: That the City of Dubuque hereby approves the acquisition of the following legally described properties,

Lots 49, 50, 51 and 52 in Belmont addition and Lots 64, 65, 66 and the Northerly Half of Lot 63 in Belmont Addition a subdivision in the City and County of Dubuque, State of Iowa at the cost of Three Hundred Thirty-Nine Thousand Nine Hundred Dollars (\$339,900).

Section 2: That the City of Dubuque approves the acquisition of 2820 Brunswick owned by the estate of Esther J. Thome at the cost of Three Hundred Thirty-Nine Thousand Nine Hundred (\$339,900).

Section 3: That the City of Dubuque be and is hereby authorized to accept a Warranty Deed from the owner, conveying the owner's interest to the City of Dubuque, Iowa for the herein described real estate.

Section 4. That the City Clerk be and is hereby authorized and directed to cause said

Warranty Deed to be recorded in the office of the Dubuque County Recorder, together with certified copy of the Resolution.

Section 5. That the City Clerk be and is hereby directed to forward a copy of this Resolution to the Dubuque County Assessor and the Dubuque County Auditor.

Passed, approved, and adopted this 20th day of November 2023.

3. Tax Increment Ordinance for the Emri Urban Renewal District: Motion by Roussell to receive and file the documents and that the requirement that a proposed ordinance be considered and voted on for passage at two Council meetings prior to the meeting at which it is to be passed be suspended. Seconded by Farber. Responding to a question from the City Council, Economic Development Director Jill Connors stated that the resolution that City Council adopted during Public Hearing No. 4 created the Emri Urban Renewal area. The City Council must then adopt an ordinance to create the tax increment financing (TIF) district to allow for the collection of property tax increment on all properties within the district. Motion carried 7-0.

Motion by Roussell for final consideration and passage of Ordinance No. 51-23 Providing that general property taxes levied and collected each year on all property located within the Emri Economic Development District of the City of Dubuque, County of Dubuque, State of Iowa, by and for the benefit of the State of Iowa, City of Dubuque, County of Dubuque, Dubuque Community School District, and other taxing districts, be paid to a special fund for payment of principal and interest on loans, monies advanced to and indebtedness, including bonds issued or to be issued, incurred by said city in connection with the Emri Economic Development District Redevelopment Project. Seconded by Farber. Motion carried 7-0.

ORDINANCE NO. 51-23

PROVIDING THAT GENERAL PROPERTY TAXES LEVIED AND COLLECTED EACH YEAR ON ALL PROPERTY LOCATED WITHIN THE EMRI ECONOMIC DEVELOPMENT DISTRICT OF THE CITY OF DUBUQUE, COUNTY OF DUBUQUE, STATE OF IOWA, BY AND FOR THE BENEFIT OF THE STATE OF IOWA, CITY OF DUBUQUE, COUNTY OF DUBUQUE, DUBUQUE COMMUNITY SCHOOL DISTRICT, AND OTHER TAXING DISTRICTS, BE PAID TO A SPECIAL FUND FOR PAYMENT OF PRINCIPAL AND INTEREST ON LOANS, MONIES ADVANCED TO AND INDEBTEDNESS, INCLUDING BONDS ISSUED OR TO BE ISSUED, INCURRED BY SAID CITY IN

CONNECTION WITH THE EMRI ECONOMIC DEVELOPMENT DISTRICT REDEVELOPMENT PROJECT

Whereas, the City Council of the City of Dubuque, Iowa, after public notice and hearing as prescribed by law and pursuant to Resolution No. 387-23 adopted on November 20, 2023, adopted an Urban Renewal Plan for an urban renewal area known as the Emri Economic Development District (the "Project Area"), which Project Area includes the lots and parcels described in said Urban Renewal Plan; and

Whereas, expenditures and indebtedness are anticipated to be incurred in the future to finance urban renewal project activities carried out in furtherance of the foregoing Urban Renewal Plan; and

Whereas, the City Council desires to provide for the division of revenue from taxation in the Project Area in accordance with the provisions of Section 403.19 of the Code of Iowa, as amended; and

Whereas, the following enactment is necessary to accomplish the objectives described in the premises.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA, THAT:

Section 1: For purposes of this Ordinance, the following terms shall have the following meanings:

(a) Project Area shall mean that portion of the City of Dubuque, Iowa described in the Urban Renewal Plan for the Emri Economic Development District approved by Resolution No. 387-23 on November 20, 2023, which Project Area includes the lots and parcels located within the area now legally described as follows:

Lot 2 of Pizza Ranch Place, and all that part of the Right of Way of Radford Road adjacent to said Lot 2

All in the City of Dubuque, Iowa.

Section 2: The taxes levied on the taxable property in the Project Area, legally described in Section 1 hereof, by and for the benefit of the State of Iowa, City of Dubuque, County of Dubuque, Dubuque Community School District, and all other taxing districts from and after the effective date of this Ordinance shall be divided as hereinafter in this Ordinance provided.

Section 3: That portion of the taxes which would be produced by the rate at which the tax is levied each year by or for each of the taxing districts taxing property in the Project Area upon the total sum of the assessed value of the taxable property in the Project Area, as shown on the assessment roll as of January 1 of the calendar year preceding the first calendar year in which the City of Dubuque certifies to the County Auditor the amount of loans, advances, indebtedness, or bonds payable from the

division of property tax revenue described herein, shall be allocated to and when collected be paid into the fund for the respective taxing district as taxes by or for said taxing district into which all other property taxes are paid. The taxes so determined shall be referred herein as the "base period taxes" for such Project Area.

Section 4: That portion of the taxes each year in excess of the base period taxes for the Project Area, determined as provided in Section 3 of this Ordinance, shall be allocated to and when collected be paid into a special tax increment fund hereby established by the City of Dubuque to pay the principal of and interest on loans, monies advanced to, or indebtedness, whether funded, refunded, assumed or otherwise, including bonds issued under authority of Section 403.9 or Section 403.12 of the Code of Iowa, incurred by the City of Dubuque, Iowa to finance or refinance, in whole or in part, urban renewal projects undertaken within the Project Area pursuant to the Urban Renewal Plan, except that taxes for the regular and voter-approved physical plant and equipment levy of a school district imposed pursuant to Section 298.2 and taxes for the instructional support program of a school district imposed pursuant to Section 257.19, but only to the extent authorized in Section 403.19(2), and taxes for the payment of bonds and interest of each taxing district and any other tax levy exceptions under Section 403.19 shall be collected against all taxable property within the Project Area without any limitation as hereinabove provided.

Section 5: Unless or until the total assessed valuation of the taxable property in the Project Area exceeds the total assessed value of the taxable property in said area as shown by the assessment roll referred to in Section 3 of this Ordinance, all of the taxes levied and collected upon the taxable property in the Project Area shall be paid into the funds for the respective taxing districts as taxes by or for the taxing districts in the same manner as all other property taxes.

Section 6: At such time as the loans, monies advanced, bonds and interest thereon and indebtedness of the City of Dubuque referred to in Section 4 hereof have been paid, all monies thereafter received from taxes upon the taxable property in the Project Area shall be paid into the funds for the respective taxing districts in the same manner as taxes on all other property.

Section 7. All ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed. The provisions of this Ordinance are intended and shall be construed so as to fully implement the provisions of Section 403.19 of the Code of Iowa, as amended, with respect to the division of taxes from property within the Project Area as described above. In the event that any provision

of this Ordinance shall be determined to be contrary to law, it shall not affect other provisions or application of this Ordinance which shall at all times be construed to fully invoke the provisions of Section 403.19 of the Code of Iowa with reference to the Project Area and the territory contained therein.

Section 8: This Ordinance shall be in effect after its final passage, approval and publication as provided by law.

Passed and approved this 20th day of November 2023.

4. Automated Speed Enforcement: Motion by Jones to receive and file the documents and that the requirement that a proposed ordinance be considered and voted on for passage at two Council meetings prior to the meeting at which it is to be passed be suspended. Seconded by Sprank. Police Chief Jeremy Jensen and Traffic Engineer Justine Hull made a presentation. Responding to questions from the City Council, Chief Jensen stated that the trucking industry logs their trucks' speeds and that the Iowa Department of Transportation (IDOT) acknowledges that crash data is challenging to analyze. City Attorney Brumwell confirmed that the proposed ordinance does not include language on vehicle rentals. City Engineer Gus Psihoyos stated that city staff review specific areas to determine speed limits, with residential streets automatically classified at 25 miles per hour and arterial speed limits determined by the 85th percentile of speeds. City Council Members discussed at length their perceptions of the ordinance, with many City Council Members interpreting the ordinance's intent as addressing safety concerns and emphasizing that they do not perceive the ordinance as a revenue generator. City Council Members also thanked residents for their input. Motion carried 6-1 with Resnick voting nay.

Motion by Jones for final consideration and passage of Ordinance No. 52-23 Amending Title 9 Motor Vehicles and Traffic, Chapter 7 Operation, Division 5 Speed Restrictions by enacting a new Section 9-7-321.286 Automated Speed Enforcement regarding automated speed enforcement and the process for challenging an automated speed citation. Seconded by Sprank. Motion carried 6-1 with Resnick voting nay.

ACTING A NEW SECTION 9-7-321.286 AU-
TOMATED SPEED ENFORCEMENT RE-
GARDING AUTOMATED SPEED ENFORCE-
MENT AND THE PROCESS FOR**

CHALLENGING AN AUTOMATED SPEED CITATION

Whereas, the City Council has been presented with information and opinions concerning Automated Speed Enforcement; and

Whereas, the Dubuque City Council finds the use of Automated Speed Enforcement advances a multitude of public interests including but not limited to traffic safety, safety of emergency responders, acting as a police force multiplier, and as a cost-effective mechanism for the enforcement of speed laws benefiting taxpayers; and

Whereas, the use of Automated Speed Enforcement devices which capture license plate image(s) strikes a desirable balance between the above-stated public interests and privacy interests of the motoring public; and

Whereas, the National Law Enforcement Telecommunications System is a cost-effective means for determining ownership of vehicles detected as traveling in violation of speed laws within the City limits; and

Whereas, the technology underlying Automated Speed Enforcement is reliable and its accuracy is verified by a police officer.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. Title 9, Chapter 7, Division 5 of the City of Dubuque Code of Ordinances is amended by adding the following section:

9-7-321.286: AUTOMATED SPEED ENFORCEMENT:

A. General: In accordance with its police powers, the City may deploy, erect, or cause to have erected an automated speed enforcement system for capturing images of motor vehicles that violate speed laws by failing to obey the posted speed regulations within the City. The system may be managed by an Automated Speed Enforcement Contractor that owns and operates the requisite equipment. The police department shall retain supervisory control over the system. The Automated Speed Enforcement Contractor shall provide photographic and/or video images of any potential violations to the police department to review and, in the event the police department determines a vehicle was operated in violation of the City's speed ordinances, the police department shall direct that a notice of Automated Speed Citation be issued to the vehicle owner in accordance with this section.

B. Definitions:

1. Automated Speed Citation shall mean a notice of violation generated in connection with the Automated Speed Enforcement System.

2. Automated Speed Enforcement Contractor shall mean the company or entity, if any, with which the City of Dubuque contracts to provide equipment and/or services

in connection with the Automated Speed Enforcement System.

3. Automated Speed Enforcement System shall mean an electronic system consisting of a photographic, video, electronic, or digital camera, a speed sensor, and a vehicle sensor installed to work in conjunction with an official traffic controller or police department employee to automatically produce photographs, video, or digital images of each vehicle violating a speed limit ordinance.

4. Divided Highway shall mean a roadway that is separated by a median.

5. "Low or moderate income" also referred to as "LMI", means an individual earning no more than eighty percent of the higher of the median family income of the county or the statewide nonmetropolitan area as determined by the latest United States department of housing and urban development, section 8 income guidelines.

6. Undivided Highway shall mean a roadway without median separation.

7. Vehicle Owner shall mean the person or entity identified by the Iowa Department of Transportation, or identified by any other state vehicle registration office, as the registered owner of a vehicle detected violating a traffic ordinance by failing to obey a speed regulation within the City. Notwithstanding the foregoing, in the event the Iowa Department of Transportation or any other state vehicle registration office identifies a person or entity as the lessee of the vehicle, that lessee shall be the Vehicle Owner for purposes of this section. In the event a state registration office does not specify whether a person or entity listed on the registration for the vehicle is the owner or the lessee of the vehicle, any person or entity listed on that vehicle registration may be deemed the Vehicle Owner and held jointly and severally responsible for a violation of this section.

C. Vehicle Owner Subject to Civil Fine for Automated Speed Citations:

1. If a vehicle is detected traveling at a speed above the posted limit, the Vehicle Owner shall be subject to a civil penalty as scheduled below in subsection 9-7-321.286(D).

2. Exemptions from this section are set forth in subsection 9-7-321.286(G) and shall not be considered violations for purposes of the Automated Speed Enforcement System.

3. In no event will an Automated Speed Citation be sent or reported to the Iowa Department of Transportation or similar department of any other state for the purpose of being added to the Vehicle Owner's driving record.

D. Notice of Automated Speed Citation; Fines:

1. Upon a Dubuque Police Officer's determination that the Automated Speed Enforcement System has detected a violation described in subsection 9-7-321.286(C)(1), a notice of an Automated Speed Citation will be mailed to the Vehicle Owner for each such violation recorded by the Automated Speed Enforcement System. The Automated Speed Enforcement Contractor shall mail the notice within thirty (30) days after receiving information about the Vehicle Owner. The notice shall include the name and address of the Vehicle Owner; the vehicle make, if available and readily discernable; the vehicle registration number; the violation alleged; the time, date, and location of the alleged violation; the applicable civil penalty; information as to the manner in which the Automated Speed Citation may be challenged; and that the basis of the notice is a photographic or video record generated by an Automated Speed Enforcement System.

2. Speed Zone Under 45 Miles Per Hour and Undivided Highways with Speed Zone 45 Miles Per Hour.

Any violation of subsection 9-7-321.286(C)(1) which occurs in an area:

a. With a speed limit under 45 miles per hour or

b. On an Undivided Highway where the speed zone is 45 miles per hour shall be subject to a civil penalty as scheduled in the table below, and the civil penalty for any violation committed in a designated construction zone (as provided by the Code of Iowa), shall be doubled, as scheduled below, subject in any event to the statutory limit on civil penalties applicable to municipal infractions.

receipt of a written challenge, a Dubuque Police Officer shall determine whether the citation should be rescinded. Within thirty (30) days after the City receives such a challenge, the City shall notify the Vehicle Owner whether the challenge to the Automated Speed Citation is successful, in which case, the citation shall be rescinded. Otherwise, the citation shall stand. Thereafter, the City may seek voluntary

payment and/or file the citation as a municipal infraction against the Vehicle Owner, all as set forth in subsection (F) hereof.

F. Failure to Timely Pay or Challenge Automated Speed Citation: If the recipient of an Automated Speed Citation does not either pay the fine by the due date stated on the original citation or successfully challenge the citation as provided herein, the City may file a municipal infraction against the Vehicle Owner in accordance with City Code § 1-4-2 and § 364.22 of the Code of Iowa, seeking judgment for the violation and the applicable civil penalty provided in subsections 9-7-321.286(C) and (D), plus state-mandated filing fees and court costs. If judgment is entered for the City in the municipal infraction proceeding, the City may, subject to applicable law, pursue enforcement of the judgment together with interest as permitted by law. Collection of the judgment may include referral to the State of Iowa Offset Program administered by the Department of Administrative Services, State Accounting Enterprise, or any similar subsequent agency. Notwithstanding the City's right to file a municipal infraction, the City may first seek voluntary payment of the fine by sending a written request for payment to the Vehicle Owner and/or referring the matter to a private service agent to conduct collection in accordance with all applicable law.

G. Exemptions from Section 9-7-321.386: The following shall not be considered violations of this ordinance:

1. The operator of the vehicle in question was issued a uniform traffic citation for the violation in question pursuant to City Code §9-7-321.285 or Chapter 321 of the Code of Iowa.

2. The violation occurred at any time after the vehicle in question or its state registration plates were reported to a law enforcement agency as having been stolen, provided, however, the vehicle or its plates had not been recovered by the Vehicle Owner at the time of the alleged violation.

3. The vehicle in question was an authorized emergency vehicle.

4. The Dubuque Police Officer inspecting the recorded image determines that the vehicle in question was lawfully participating in a funeral procession.

The foregoing list of exemptions from Section 9-7-321.286 shall not be construed as limiting the defenses available to challenge an Automated Speed Citation or defend against a municipal infraction.

Section 2. This ordinance shall take effect upon publication.

Passed, approved, and adopted this 20th day of November, 2023.

CITY OF DUBUQUE, IOWA CITY COUNCIL PROCEEDINGS SPECIAL SESSION OFFICIAL

The Dubuque City Council met in special session at 5:30 p.m. on December 4, 2023, in the second-floor Council Chambers of the Historic Federal Building, 350 W. 6th Street.

Present: Mayor Pro Tem Wethal; Mayor Cavanagh (attended virtually); Council Members Farber, Jones, Resnick, Roussell, Sprank; City Manager Van Milligen, City Attorney Brumwell.

Mayor Pro Tem Wethal read the call and stated this is a special session of the City Council called for the purpose of conducting a work session on the Railroad Quiet Zone Study.

WORK SESSION**Railroad Quiet Zone Study**

Project Manager Steve Sampson Brown introduced Project Manager Bryan Janssen and Project Engineer Jacob Sprengeler, both of Anderson-Bogert, who gave a presentation on the Railroad Quiet Zone Study progress to date and next steps. Responding to questions from the City Council, the consultants stated that railroad companies are required to maintain all the city's railroad equipment. The consultants further stated that Muscatine is an example of an Iowa city along the Mississippi river that has implemented railroad quiet zones and provided the timeframes to apply for federal funding. Mr. Brown responded to a question regarding the public input process, stating that written notice will be sent to those residing near the train tracks and that direct engagement will be important to communicate necessary information. Responding to a question from the City Council regarding next steps, City Manager Van Milligen stated that the project has been overseen by the Dubuque Metropolitan Area Transportation Study (DMATS) up until this point, therefore DMATS representatives could share next steps. Chandra Ravada, Director of Transportation, Planning, and Transit Services for the East Central Intergovernmental Association (ECIA), who oversees DMATS, stated that discussions have occurred with Director of Strategic Partnerships Teri Goodmann and determinations are being made on applying for grant funding as a region. Mr. Ravada further stated that the Consolidated Rail Infrastructure and Safety Improvements (CRISI) Program grant deadline is in the spring of 2024 and that award recipients will be announced in the late fall.

There being no further business, Mayor Pro Tem Wethal declared the meeting adjourned at 6:26 p.m.

PUBLIC INPUT

Jordan Pape of Tucker Freight Lines, 1080 E. 12th St.; Matt Spahn of Dubuque Stamping, 32nd and Jackson St.; Joe Kirk of Prairie Farms; and Mike Igo of Klauer Manufacturing, 1185 Rosemont St., all respectively spoke regarding Action Item No. 5., expressing support for the updated ordinance and requesting to be involved in future discussions on traffic flows on Central Ave. and other key areas of truck travel within the city.

ACTION ITEMS

1. Update: 3000 Jackson Street, H&W Building: Motion by Jones to receive and file the documents. Seconded by Resnick. Assistant Housing and Community Development Director Michael Belmont provided an update on the recent status of the building, stating that a design of certain areas of the building to verify its stabilization is pending from McClure Engineering. Mr. Belmont also read an email from McClure Engineering that he received on December 4th. The email summarized recent work on the building, including selective demolition to remove unstable portions of the exterior, installation of temporary supports, and the various bracings being utilized as part of stabilization. Steve Emerson, owner of the building, spoke virtually about recent updates to the building stabilization and stated that April 10th is the targeted deadline for work completion, as that is the deadline for the state funding he is seeking for the project. City Council Members

expressed frustration on the progress of the building, stating that they receive consistent public input on the negative impacts of the street closures resulting from the stabilization efforts. Responding to a question from the City Council, Housing and Community Development Director Alexis Steger stated that the engineering firm's availability and capacity are factors that may delay completion of the stabilization. Mr. Belmont stated that the complexity, age, and size of the building leads to challenges and delays in analyzing next steps. Motion carried 7-0.

2. Housing Commission Research and Recommendation: Motion by Roussell to receive and file the documents and that the requirement that a proposed ordinance be considered and voted on for passage at two Council meetings prior to the meeting at which it is to be passed be suspended. Seconded by Farber. City Council Members acknowledged that the proposed ordinance change would require landlords who accept Housing Choice Vouchers (HCV) to resign from the commission to abide by US Department of Housing and Urban Development (HUD) requirements. City Council Members thanked those members for their service on the commission and stated that while the city strives to have diversity of professional experience on commissions, that compliance with HUD requirements must occur. Motion carried 7-0.

Motion by Roussell for final consideration and passage of Ordinance No. 54-23 Amending City of Dubuque Code of Ordinances Title 2 Boards and Commissions, Chapter 5 Housing Agency and Community Development Commissions, Article B Housing Commission, Sections 2-5B-5 Membership and 2-5B-13 Powers. Seconded by Farber. Motion carried 7-0.

ORDINANCE NO. 54 - 23 AMENDING CITY OF DUBUQUE CODE OF ORDINANCES TITLE 2 BOARDS AND COM- MISSIONS, CHAPTER 5 HOUSING AGENCY AND COMMUNITY DEVELOPMENT COM- MISSIONS, ARTICLE B HOUSING COMMISS- SION, SECTIONS 2-5B-5 MEMBERSHIP AND 2-5B-13 POWERS

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. Section 2-5B-5 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

2-5B-5: MEMBERSHIP:

A. Number: The commission comprises ten (10) residents of the city.

B. Age: Residents must be eighteen (18) years of age or older.

C. Special Qualifications:

1. At least three (3) members must be selected specifically on the basis of experience in real estate development, banking, finance, accounting, funds management, or other related areas of expertise.

2. One (1) member must be a person who is a recipient of tenant based rental assistance under section 8 of the United States Housing Act of 1937, whose name appears on a lease of section 8 property. If such member ceases to be a recipient of rental assistance under section 8, the term of such member is deemed terminated and a new member who meets the requirements of this subsection must be appointed for the remainder of the term.

3. The remaining members are at-large members.

4. No property owner or landlord accepting Housing Choice Vouchers may serve pursuant to 24 CFR 982.161 and Section 18 of the Annual Contributions Contract.

5. Cross-Representation:

a. One (1) member must be appointed by the commission, with city council approval, to serve on the community development advisory commission.

b. One (1) member must be appointed by the commission, with city council concurrence, to serve on the long-range planning advisory commission.

Section 2. Section 2-5B-13 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

2-5B-13: POWERS:

The commission has the following powers, duties, and responsibilities:

A. To contribute as appropriate in the planning, coordinating, and review of housing development;

B. To conduct public hearings to ensure meaningful citizen input in the planning, implementation, and assessment of the city's housing programs;

C. To provide for and encourage the participation of low- and moderate-income persons in the planning, implementation, and assessment of housing programs;

D. To provide input into the community planning process and to assist in accomplishing a coordinated and consistent housing development program of the city in accordance with present and future housing needs;

E. To request and review ongoing surveys assessing housing needs and identifying future community housing needs, particularly the needs of persons of low and moderate income;

F. To support the efforts of the city council and other city commissions in the assessment of the general housing needs of the community;

G. To undertake from time-to-time other specific ongoing housing planning which may be referred to it by the city council;

H. To research and recommend to the city council policies and programs facilitating the development of affordable housing;

I. To undertake public information efforts to educate citizens of the availability of federal, state, and locally funded housing assistance programs;

J. To assist in the preparation of the housing element of the city comprehensive plan and the annual consolidated plan; and

K. Undertake such additional duties, upon the request of the City Council.

Section 3. This ordinance shall take effect upon publication.

Passed, approved, and adopted this 4th day of December, 2023.

3. Childcare Business Champion Pledge: Motion by Resnick to receive and file the documents and approve pledging \$25,000 toward a childcare wage enhancement effort. Seconded by Sprank. City Council Members congratulated Dubuque Initiatives on their creativity with the pledge and emphasized that access to quality childcare and living wages for childcare workers are important community needs. Motion carried 7-0.

4. Central Avenue & White Street Corridor Traffic Study: Request to Distribute RFP and Create an RFQ Review Committee - CIP 55-24000038: Motion by Jones to receive and file the documents and approve distribute a Request for Proposals (RFP) for professional consultant services to study the feasibility of Central Avenue and White Street from its existing one-way pair to all alternatives for these corridors, including a two-way conversion, from 4th Street to 22nd Street. Seconded by Sprank. City Manager Van Milligen stated his intent to invite a property owner from the impacted area, a small proprietor from the impacted area, and a trucking representative to serve on the committee. City Council Members expressed support for committee representation from the business and trucking industries and commented on the potential for the area. Motion carried 7-0.

5. Central Avenue / White Street Truck Route Amend Commercial Motor Vehicles Ordinance: Motion by Farber to receive and file the documents and table the item to December 18, 2023. Seconded by Sprank. Point of Information by Resnick on whether the justification

for the motion could be stated. City Attorney Brumwell stated that a brief explanation could be provided on the rationale for selecting December 18th as the date for tabling the item. Mayor Pro Tem Wethal stated that additional time was needed to discuss the proposed ordinance amendment before a vote occurs. Motion carried 6-1 with Jones voting nay.

CITY OF DUBUQUE, IOWA CITY COUNCIL PROCEEDINGS SPECIAL SESSION OFFICIAL

The Dubuque City Council met in special session at 5:30 p.m. on December 18, 2023, in the second-floor Council Chambers of the Historic Federal Building, 350 W. 6th Street.

Present: Mayor Cavanagh; Council Members Farber (attended virtually), Jones, Resnick, Roussell, Sprank, Wethal; City Manager Van Milligen, City Attorney Brumwell (attended virtually at the beginning of the session; arrived in-person by 6:20 p.m.).

Mayor Cavanagh read the call and stated this was a special session of the City Council called for the purpose of conducting a work session on the Waste Minimization Annual Report.

WORK SESSION

Waste Minimization Annual Report Presentation

Public Works Director Arielle Swift introduced Resource Management Supervisor Jake Jansen, who presented an annual report update on waste minimization efforts utilizing Fiscal Year 2022 as a benchmark. Responding to questions from the City Council, Mr. Jansen encouraged residents to utilize the city's RE-Think Waste DBQ web application (app) to reference what items can be recycled, confirm curbside collection schedules, and schedule large item pickups. Regarding the potential expansion of the food waste program, Mr. Jansen stated that barriers to participation should be reviewed and eliminated. Responding to a question regarding the methodology used for the report, Amanda Erickson, Solid Waste Planner/Coordinator with HDR, Inc., stated that the report consisted of city data and year over year data, with regional data also used for comparisons. Ms. Erickson further stated that the city should work with the landfill to acquire data on commercial tonnage to learn more about commercial waste outputs. Regarding a potential expansion of the city's offerings of recycling carts, Mr. Jansen recommended examining funding opportunities and options for various cart sizes. City Council Members referenced waste minimization grants available for organizations.

There being no further business, Mayor Cavanagh declared the meeting adjourned at 6:22 p.m.

PUBLIC HEARINGS

1. Resolution Approving the Development Agreement by and among the City of Dubuque, Iowa, 400 Ice Harbor, LLC, and Hodge Company Providing for the Sale of City-owned Real Estate to 400 Ice Harbor, LLC and the Issuance of Urban Renewal Tax Increment Revenue Grant Obligations Pursuant to the Development Agreement: Motion by Roussell to receive and file the documents and adopt Resolution No. 409-23 Approving a Development Agreement by and among the City of Dubuque, 400 Ice Harbor, LLC, and Hodge Company

Including the disposal of an interest in real property owned by the City of Dubuque by sale pursuant to the Development Agreement. Seconded by Sprank. Mike Fullan, 2074 Creekwood Dr., spoke on behalf of Hodge Company in support of the resolution. Motion carried 7-0.

**RESOLUTION NO. 409-23
APPROVING A DEVELOPMENT AGREEMENT BY AND AMONG THE CITY OF DUBUQUE, 400 ICE HARBOR, LLC, AND HODGE COMPANY INCLUDING THE DISPOSAL OF AN INTEREST IN REAL PROPERTY OWNED BY THE CITY OF DUBUQUE BY SALE PURSUANT TO THE DEVELOPMENT AGREEMENT**

Whereas, the City Council of Dubuque, Iowa, did on June 5, 2023 adopt an Amended and Restated Urban Renewal Plan for the Greater Downtown Urban Renewal District ("the Plan") for the Urban Renewal Area described therein; and

Whereas, the City of Dubuque, Iowa, is interested in stimulating reinvestment in the Greater Downtown Urban Renewal District; and

Whereas, the Plan provides, among other things, for the disposition of properties for private development purposes; and

Whereas, 400 Ice Harbor, LLC submitted to the City a proposal in the form of a Development Agreement for the development of property owned by the Developer which includes an Option Agreement to purchase certain City-owned real property hereinafter described ("the Parking Property"), which Parking Property is the real estate consisting of approximately 0.68 acres shown on Exhibit A, and which Development Agreement requests that this Parking Property be made available for sale as rapidly as possible; and

Whereas, Iowa Code Chapter 403 authorizes cities to dispose of property in furtherance of an urban renewal project and to take other actions as may be necessary to carry out the purposes of said Chapter, and the Plan similarly authorizes the City to dispose of property; and

Whereas, in compliance with Iowa Code Section 403.8, and to the extent required by law, Iowa Code Section 364.7, the City Council has set forth its proposal to approve the Development Agreement and to dispose of its interests in the Parking Property and the City Clerk published a notice on November 10, 2023 as required by law soliciting competitive proposals for the Development Agreement and the Parking Property; and

Whereas, as of 10:00 a.m. on December 11, 2023 the City Clerk received no competitive proposals for the Development Agreement and the Parking Property; and

Whereas, the City Council believes it is in the best interest of the City of Dubuque to approve the Development Agreement proposed by 400 Ice Harbor, LLC and the Option Agreement to purchase the Parking Property as provided in the Development Agreement.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The Council finds that the Development Agreement and the sale of the Parking Property will promote the purposes of the urban renewal law, Iowa Code Ch. 403 in the City and, together with the other consideration provided for in the Agreement, that these benefits constitute fair value for the City's disposal of interests in the Parking Property under Iowa Code Section 403.8.

Section 2. The Development Agreement by and among the City, 400 Ice Harbor, LLC, and Hodge Company, including the sale of the Parking Property as provided therein, is hereby approved.

Section 3. The Mayor is authorized and directed to execute said Development Agreement on behalf of the City of Dubuque.

Passed, approved, and adopted this 18th day of December, 2023.

2. Resolution Adopting the Amended and Restated Urban Renewal Plan for the Greater Downtown Urban Renewal District, Version 2023.4: Motion by Jones to receive and file the documents and adopt Resolution No. 410-23 Approving the Amended and Restated Urban Renewal Plan for the Greater Downtown Urban Renewal District, Version 2023.4. Seconded by Wethal. Motion carried 7-0.

**RESOLUTION NO. 410-23
APPROVING THE AMENDED AND RESTATED URBAN RENEWAL PLAN FOR THE GREATER DOWNTOWN URBAN RENEWAL DISTRICT, VERSION 2023.4**

Whereas, by Resolution 386-23 on November 20, 2023, the City Council of the City of Dubuque, Iowa authorized the preparation of an Amended and Restated Urban Renewal Plan (the "Amended and Restated Plan, Version 2023.4") for the Greater Downtown Urban Renewal District (the "District"); and

Whereas, the City of Dubuque's primary objective for the Amended and Restated Plan, Version 2023.4, is to provide opportunities which will further economic development purposes and objectives and remediate blighting conditions, and to address these objectives, additional projects are being added as described in the Amended and Restated Plan; and

Whereas, a consultation process has been undertaken with affected taxing entities in accordance with Chapter 403 of the Code of Iowa with no written objections or recommended changes to the Amended and Restated Plan, Version 2023.4, received; and

Whereas, the City Council, in accordance with Chapter 403 of the Code of Iowa, has held a public hearing on the proposed Amended and Restated Plan, Version 2023.4.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. That the Amended and Restated Urban Renewal Plan, Version 2023.4, for the Greater Downtown Urban Renewal District, on file in the City Clerk's Office and made reference to herein, is hereby approved.

Section 2. That the City Clerk of the City of Dubuque, Iowa is hereby authorized and directed to file a certified copy of this Resolution in the office of the Dubuque County Auditor.

Passed, approved, and adopted this 18th day of December, 2023.

PUBLIC INPUT

Bradley Plummer, 1041 Shady Oaks Dr., read a letter that he submitted to the City Council regarding Action Item No. 2, in which he expressed concern for the increased odor generated from the Water & Resource Recovery Center.

City Clerk Breitfelder announced receipt of Mr. Plummer's letter, as well as input from Jordan Pape, Chief Sustainability Officer with Tucker Freight, 1080 E. 12th St., regarding his support of the proposed ordinance for Action Item No. 3.

ACTION ITEMS

1. Greater Dubuque Development Corporation - Quarterly Update: Motion by Jones to receive and file the documents and listen to the presentation. Seconded by Sprank. President and CEO Rick Dickinson to present the quarterly update on the activities of the Greater Dubuque Development Corporation (GDDC) and responded to a question from the City Council regarding GDDC's impact on the community. Motion carried 7-0.

2. Water & Resource Recovery Center Odor Abatement Efforts Update: Water & Resource Recovery Center (W&RRC) Director Deron Muehring made a presentation on odor abatement efforts at the Water & Resource Recovery Center (W&RRC). Responding to questions from the City Council, Mr. Muehring stated that the city hired US Peroxide, LLC

(USP) to provide recommendations on odor abatement, and that an improvement package will be submitted for Fiscal Year 2025 to fund the addition of hydrogen peroxide to the waste stream. City Manager Van Milligen stated that the city accepts high strength waste from businesses both in and around the city because it's a needed service. City Council Members acknowledged the increase in odors and emphasized the need to address the odors swiftly. City Council Members requested an update at the second City Council meeting in January. Motion carried 7-0.

3. Central Avenue / White Street Truck Route Amend Commercial Motor Vehicles Ordinance: Motion by Jones to receive and file the documents and that the requirement that a proposed ordinance be considered and voted on for passage at two Council meetings prior to the meeting at which it is to be passed be suspended. Seconded by Sprank. Responding to a question from the City Council, City Attorney Brumwell stated that the \$50 fine for violating the ordinance has been the fine amount for at least a decade. City Manager Van Milligen stated that rebuilding the Central Avenue Corridor was not in the city's five-year Capital Improvement Program (CIP), and that completion of the Central Avenue & White Street Corridor Traffic Study will provide additional traffic recommendations. City Manager Van Milligen acknowledged that the ordinance will be challenging to enforce. City Manager Van Milligen also announced the following trucking or business community representatives will participate in the traffic study request for proposals (RFP) committee: Joe Kirk, Terry Mozena, and Rick Dickinson. City Council Members expressed support for the ordinance and spoke about various factors that will impact truck traffic on Central Avenue and White Street, including automated speed enforcement and truck routing software. Motion carried 7-0.

Motion by Jones for final consideration and passage of Ordinance No. 55-23 Amending City of Dubuque Code of Ordinances Title 9 Motor Vehicles and Traffic, Chapter 16 Miscellaneous City Provisions, Division 2 Trucks and/or Machinery, Section 9-16-321.901 Motor Truck Routes. Seconded by Sprank. Motion carried 7-0.

4. Update: 3000 Jackson Street, H & W Building: Motion by Sprank to receive and file the documents and listen to the presentation. Seconded by Roussell. Housing and Community Development Director Alexis Steger provided an update on 3000 Jackson Street, H & W Building. Responding to questions from the City Council, Ms. Steger stated that the streets currently closed around the H&W Building due to the stabilization work will not be reopened by

January 1st, and that plans have been established with the Public Works Department to address snow removal on the closed streets if necessary. City Council Members expressed disappointment that the closed streets will not be reopened by January 1st and requested an update at the first City Council meeting in January. Motion carried 7-0.

5. Agreement with Kwik Trip, Inc. - Kwik Trip, Inc. Convenience Store/Gas Station at Intersection of Seippel Road, and Airborne Road: Motion by Roussell to receive and file the documents and adopt Resolution No. 411-23 Approving an agreement between the City of Dubuque, Iowa and Kwik Trip, Inc. for construction of certain off-site public roadway and utility improvements at the intersection of Seippel Road and Airborne Road related to the proposed site improvements at said intersection. Seconded by Jones. Motion carried 7-0.

**RESOLUTION NO. 411-23
APPROVING AN AGREEMENT BETWEEN
THE CITY OF DUBUQUE, IOWA AND KWIK

TAIN OFF-SITE PUBLIC ROADWAY AND
UTILITY IMPROVEMENTS AT THE INTER-
SECTION OF SEIPPEL ROAD AND AIR-
BORNE ROAD RELATED TO THE PRO-
POSED SITE IMPROVEMENTS AT SAID IN-
TERSECTION**

Whereas, Kwik Trip, Inc. (KTI) has proposed a development project (the Project) at the intersection of Seippel Road and Airborne Road; and

Whereas, the City of Dubuque has determined that the Project will require certain improvements to the public right of way of Seippel Road and Airborne Road and KTI agrees that such improvements are reasonable and necessary; and

Whereas, the City of Dubuque has negotiated an Agreement, subject to City Council approval, with Kwik Trip, Inc. (KTI) for the construction of off-site public roadway and utility improvements at the intersection of Seippel Road and Airborne Road related to the proposed private site improvements by KTI at the southeast quadrant of said intersection; and

Whereas, the City Council finds that it is in the best interest of the City of Dubuque to approve the Agreement [provided] hereto.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. The Agreement [provided] hereto is hereby approved.

Section 2. The City Manager is authorized and directed to execute the Agreement on behalf of the City of Dubuque and to take such action as may be necessary to carry out the terms of the Agreement.

Passed, Approved, and Adopted this 18th day of December, 2023.

TATION, ARTICLE B MOTORIZED VEHI-
CLES FOR HIRE, SECTION 4-7B-8 TAXICAB
BUSINESS LICENSE AND TAXICAB
DRIVER'S PERMIT**

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA:

Section 1. Section 4-7B-8 of the City of Dubuque Code of Ordinances is hereby amended to read as follows:

4-7B-8: TAXICAB BUSINESS LICENSE AND TAXICAB DRIVER'S PERMIT:

....

B. Driver's Permit Requirements; Fee:

....

2. Application For Driver's Permit:

a. An application for a taxicab driver's permit must be filed with the city clerk's office on a form provided by the city clerk.

b. An applicant operating a taxicab with a seating capacity of less than seven (7) passengers must have, at a minimum, a valid Iowa class C non-commercial license or equivalent license issued by another state to obtain a taxicab driver's permit. An applicant operating a taxicab with a seating capacity of greater than seven (7) passengers must have, at a minimum, a valid Iowa class D chauffeur's license or equivalent license issued by another state to obtain a taxicab driver's permit. Temporary restricted licenses or work permit privileges are

not sufficient to obtain a taxicab driver's permit.

c. An applicant will be ineligible for a taxicab driver's permit if any of the following apply:

(1) The applicant is restricted to operating motor vehicles equipped with an ignition interlock device.

(2) The applicant's driving privileges have been suspended, revoked, barred, canceled, denied, or disqualified in the prior three (3) year period.

(3) The applicant has been convicted of more than three (3) moving violations in the prior three (3) year period.

(4) The applicant has been convicted of violating section 321.218, 321.277, or 321J.21, or section 321A.32, subsection 1, in the prior three (3) year period.

(5) The applicant has been convicted in the prior seven (7) year period of a felony, of violating section 321J.2 or 321J.2A, or of any crime involving injury to another person, damage to the property of another person, or operating a vehicle in a manner that endangers another person.

(6) The applicant is registered on the national sex offender registry.

d. The chief of police will investigate each applicant for a taxicab driver's permit and a report of such investigation will be attached to the application for consideration by the city clerk. Such report will state whether the applicant has, at a minimum, a valid Iowa class D-3 chauffeur's license or equivalent license issued by another state.

....

Section 2. This ordinance shall take effect upon publication.

Passed, approved, and adopted this 18th day of December, 2023.

CITY COUNCIL PROCEEDINGS
SPECIAL SESSION
OFFICIAL**

The Dubuque City Council met in special session at 12:00 p.m. on December 29, 2023, in the second-floor Council Chambers of the Historic Federal Building, 350 W. 6th Street.

Present: Mayor Cavanagh; Council Members Farber, Jones, Resnick, Roussell, Sprank, Wethal; City Manager Van Milligen, City Attorney Brumwell.

Mayor Cavanagh read the call and stated this is a regular session of the City Council called for the purpose of conducting such business that may properly come before the City Council.

ACTION ITEMS

1. 911 Emergency Communications Center Agreement: Motion by Jones to receive and file the documents and adopt Resolution No. 412-23 Approving the Dubuque County Public Safety Answering Point Agreement between the City of Dubuque, Dubuque County, and the Dubuque County 911 Service Board. Seconded by Farber. Responding to a question from the City Council, Dubuque County Emergency Management Director Tom Berger summarized the outlook for expansion and regionalization of the emergency communications center. City Council Members commended the agreement and thanked all involved parties for their work on identifying a new center. Motion carried 7-0.

RESOLUTION NO. 412-23

Whereas, as described in Iowa Code 34A.3, the Board of Supervisors of each county maintains the 911 service board which includes the City and describes the roles, duties, responsibilities, and obligations of the Parties to one another; and

Whereas, the County, the City, and the 911 Board partner to provide emergency communication services to incorporated and unincorporated areas in Dubuque County; and

Whereas, the County, the City, and the 911 Board wish to memorialize the roles and responsibilities of each partner efficiently and clearly within this partnership.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DUBUQUE, IOWA, AS FOLLOWS:

Section 1. The City of Dubuque hereby consents to the Dubuque County Public Safety Answering Point Agreement between the City, Dubuque County, and the Dubuque County 911 Service Board, which is [provided] hereto.

Section 2. The Mayor is authorized and directed to execute the Dubuque County Public Safety Answering Point Agreement on behalf of the City of Dubuque.

Passed, approved, and adopted this 29th day of December 2023.

SUBJECT: Approving a Third Amendment to Development Agreement by and between the City of Dubuque, Iowa and Union at the Marina, LP adding Impact Housing Indiana Corp. as a Party

DATE: October 31, 2024

Economic Development Director Jill Connors is recommending City Council adopt the attached resolution approving a Third Amendment to Development Agreement adding Impact Housing Indiana Corp. as a party and providing that the Property Acquisition Grants provided for in the Development Agreement will be paid to Impact Housing Indiana Corp. which will loan the proceeds of the Grants to Union at the Marina, LP as part of a separate financing agreement between those two parties.

Union at the Marina, LP has committed to purchasing from the City of Dubuque the property located at 1860 Hawthorne Street as a site to construct the aforementioned project.

In order to finance the project, and for tax purposes, Union at the Marina, LP has requested that its lender, Impact Housing Indiana Corp., be added as a party to the Development Agreement. The Property Acquisition Grant provided for in the Development Agreement will be paid to Impact Housing Indiana Corp. which will loan the proceeds of the Grant to Union at the Marina, LP as part of a separate financing agreement between those two parties.

I concur with the recommendation and respectfully request Mayor and City Council approval.

SUBJECT: Approving a Third Amendment to Development Agreement by and between the City of Dubuque, Iowa and Union at the Marina, LP adding Impact Housing Indiana Corp. as a Party

DATE: October 31, 2024

INTRODUCTION

This memorandum is a request for the City Council to adopt the attached resolution approving a Third Amendment to Development Agreement dated October 16, 2023, as amended, by and between the City of Dubuque, Iowa and Union at the Marina, LP providing for payment of the Property Acquisition Grant to Impact Housing Indiana Corp.

BACKGROUND

Union at the Marina, LP is a subsidiary of The Annex Group. The Annex Group is an Indiana based multifamily housing developer that creates market-rate, workforce, affordable, and student housing communities.

The Annex Group began communication with City staff in September 2022, expressing interest in developing a multi-residential project in the City of Dubuque with the assistance of the state's 4% Low Income Housing Tax Credit program. The Group identified 1860 Hawthorne Street – the former Bowling and Beyond site – as a prime location for its project. The project will create 201 affordable rental units in the North End of the Greater Downtown Area.

DISCUSSION

Union at the Marina, LP has committed to purchasing from the City of Dubuque the property located at 1860 Hawthorne Street as a site to construct the aforementioned project.

In order to finance the project, and for tax purposes, Union at the Marina, LP has requested that its lender, Impact Housing Indiana Corp., be added as a party to the Development Agreement. The Property Acquisition Grant provided for in the Development Agreement will be paid to Impact Housing Indiana Corp. which will loan the proceeds of the Grant to Union at the Marina, LP as part of a separate financing agreement between those two parties.

RECOMMENDATION/ ACTION STEP

I recommend the City Council adopt the attached resolution approving a Third Amendment to Development Agreement adding Impact Housing Indiana Corp. as a party and providing that the Property Acquisition Grants provided for in the Development Agreement will be paid to Impact Housing Indiana Corp. which will loan the proceeds of the Grants to Union at the Marina, LP as part of a separate financing agreement between those two parties.

**THIRD AMENDMENT
TO
PURCHASE AGREEMENT AND DEVELOPMENT AGREEMENT**

**BY AND AMONG
THE CITY OF DUBUQUE, IOWA,**

UNION AT THE MARINA, LP,

AND

IMPACT HOUSING INDIANA CORP.

Whereas, a Purchase Agreement and Development Agreement (hereinafter, the "Agreement"), dated for reference purposes the 16th day of October, 2023, was entered into by and between the City of Dubuque, Iowa, a municipality ("City"), acting under authorization of Iowa Code Chapter 403, as amended, and Union at the Marina, LP, an Iowa limited partnership ("Developer") (collectively the "Parties"); and

Whereas, a First Amendment to the Agreement was entered into by the Parties on October 24, 2023;

Whereas, a Second Amendment to the Agreement was entered into by the Parties on December 4, 2023; and

Whereas, the Parties desire to further amend the Agreement as set forth herein.

NOW, THEREFORE, IT IS AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

Section 1. Section 11.1 of the Agreement is hereby deleted in its entirety and replaced as follows (with changes noted in ***bold, italics***):

11.1 Acquisition Grant to Developer. For and in consideration of Developer's obligations hereunder to construct the Minimum Improvements, City agrees to make the Property Acquisition Grant (defined below) to ***Impact Housing Indiana Corp., an Indiana nonprofit corporation ("IHI")*** on the Closing Date in the following amounts:

The housing incentive acquisition grant for the Property (the "Property Acquisition Grant") shall be the sum of Twenty Thousand Dollars (\$20,000) for every new residential rental unit created in connection with the Project (which, as of the date hereof, is contemplated to include 201 residential rental units) but not to exceed the Property Purchase Price.

The parties agree that the Property Acquisition Grant shall be payable in the form of grant to IHI at Closing which will be loaned to the Developer to apply toward the Property Purchase Price.

Developer shall reimburse City Twenty Thousand Dollars (\$20,000) for every residential rental unit less than 201 units not completed by the Completion Date as described in Section 10.2. Such reimbursement shall be made not more than 30 days following the Completion Date.

Section 2. IHI joins in the execution of this Amendment to become a party to the Agreement for purposes of Section 11.1 of the Agreement. IHI will loan the proceeds of the Grant to Union at the Marina LP, an Iowa limited partnership pursuant to a separate written note agreement, the form of which is set forth in Exhibit A attached hereto.

Section 3. All other terms and conditions of the Agreement shall remain in full force and effect.

Exhibit A
Promissory Note Form

PROMISSORY NOTE

\$4,020,000

October __, 2024
Indianapolis, Indiana

FOR VALUE RECEIVED, **UNION AT THE MARINA, LP**, an Iowa limited partnership ("**Borrower**") hereby promises to pay to the order of **IMPACT HOUSING INDIANA CORP.**, an Indiana nonprofit corporation ("**Lender**" or "**Sponsor**"), the principal sum of Four Million Twenty Thousand and 00/100 Dollars (\$4,020,000) or such other principal amount as shall have been disbursed hereunder, at the place and in the manner hereinafter provided, together with interest thereon at the rate or rates described below without relief from valuation and appraisal laws.

1. **Definitions.**

"Business Day" shall mean a day on which banks are open for business in Indiana.

"Maturity Date" shall mean October __, 2054, provided, however, that the principal balance of this Promissory Note may be forgiven in the sole discretion of Lender.

2. **Loan Rate.** Beginning on the date hereof and continuing until the Maturity Date, interest shall accrue at 3.5% per annum on the unpaid principal balance under this Promissory Note (the "**Loan Rate**").
3. **Payments.** The unpaid principal balance of this Promissory Note, if not sooner declared to be due in accordance with the terms hereof, together with all accrued and unpaid interest, shall be due and payable in full on the Maturity Date.
4. **Application of Payments.** All payments and prepayments on account of the indebtedness evidenced by this Promissory Note shall be first applied to the unpaid principal balance of this Promissory Note, and second, to all other sums (other than principal) then due Lender hereunder.
5. **Default Rate.** After the expiration of the Maturity Date or the earlier acceleration of the indebtedness evidenced by this Promissory Note, or if said indebtedness has not been accelerated, during any period in which an Event of Default (as hereinafter defined) exists under this Promissory Note, Borrower shall pay interest on the balance of principal remaining unpaid during any such period at an annual rate (the "**Default Rate**") equal to five percent (5%) plus the Loan Rate. The interest accruing under this paragraph shall be immediately due and payable by Borrower to the Lender and shall be additional indebtedness evidenced by this Promissory Note.
6. **Exempt Purpose.** The Borrower represents and warrants that the housing project (the "**Project**") that will be undertaken by the Borrower will satisfy the safe-harbor requirements contained within Rev. Proc. 96-32 to qualify as a charitable activity,

and furthermore that the Borrower will undertake all necessary and appropriate action to ensure that the project continues to satisfy the safe harbor requirements of Rev. Proc. 96-32 while this Promissory Note remains outstanding.

7. **Prepayment.** Borrower may voluntarily prepay the principal balance of this Promissory Note in whole or in part at any time, without any penalty or premium.
8. **Method of Payments.** All payments of principal hereunder shall be paid by automatic debit, wire transfer, check or in coin or currency which, at the time or times of payment, is the legal tender for public and private debts in the United States of America and shall be made at such place as Lender or the legal holder or holders of this Promissory Note may from time to time appoint in the payment invoice or otherwise in writing, and in the absence of such appointment, then at the notice address of Lender provided herein.
9. **Events of Default.** The occurrence of the following events shall constitute an "Event of Default" under this Promissory Note: (a) the failure by Borrower to make payment of any principal or any other amount due to Lender under this Promissory Note when any such payment is due in accordance with the terms hereof; and (b) the failure of Borrower to satisfy the requirements contained within Section 6 of this Promissory Note. Notwithstanding anything to the contrary contained herein or in the loan documents, the following shall be permitted without consent of Lender and shall not constitute an event of default or result in any fee: (i) the transfer of limited partner interests in Borrower pursuant to the terms of Borrower's Amended and Restated Agreement of Limited Partnership ("Partnership Agreement"); (ii) the removal and replacement of the general partner of the Borrower in accordance with the terms of the Partnership Agreement, and/or (iii) an amendment of the Partnership Agreement memorializing the transfers or removal described above.
10. **Remedies.** At the election of the holder hereof, and without notice, the principal balance remaining unpaid under this Promissory Note shall be and become immediately due and payable in full upon the occurrence of any Event of Default. Failure to exercise this option shall not constitute a waiver of the right to exercise same in the event of any subsequent Event of Default. No holder hereof shall, by any act of omission or commission, be deemed to waive any of its rights, remedies or powers hereunder or otherwise unless such waiver is in writing and signed by the holder hereof, and then only to the extent specifically set forth therein. The rights, remedies and powers of the holder hereof, are cumulative and concurrent, and may be pursued singly, successively or together against Borrower and any other security given at any time to secure the repayment hereof, all at the sole discretion of the holder hereof. If any suit or action is instituted or attorneys are employed to collect this Promissory Note or any part thereof, Borrower promises and agrees to pay all costs of collection, including reasonable attorneys' fees and court costs. Notwithstanding the foregoing, Lender shall provide Borrower and WNC Holding, LLC, a California limited liability company (the "Investor") notice of any Event of Default pursuant to Section 15 hereof and allow Borrower and Investor thirty (30)

days to cure such Event of Default prior to exercising any remedies provided hereunder.

11. **Covenants and Waivers.** Borrower and all others who now or may at any time become liable for all or any part of the obligations evidenced hereby, expressly agree hereby to be jointly and severally bound, and jointly and severally: (i) waive and renounce any and all homestead, redemption and exemption rights and the benefit of all valuation and appraisal privileges against the indebtedness evidenced by this Promissory Note or by any extension or renewal hereof; (ii) waive presentment and demand for payment, notices of nonpayment and of dishonor, protest of dishonor, and notice of protest; (iii) waive any and all notices in connection with the delivery and acceptance hereof and all other notices in connection with the performance, default, or enforcement of the payment hereof or hereunder except as otherwise provided herein; (iv) waive any and all lack of diligence and delays in the enforcement of the payment hereof; (v) agree that the liability of each Borrower, guarantor, endorser or obligor shall be unconditional and without regard to the liability of any other person or entity for the payment hereof, and shall not in any manner be affected by any indulgence or forbearance granted or consented to by Lender to any of them with respect hereto; (vi) consent to any and all extensions of time, renewals, waivers, or modifications that may be granted by Lender with respect to the payment or other provisions hereof, and to the release of any security at any time given for the payment hereof, or any part thereof, with or without substitution, and to the release of any person or entity liable for the payment hereof, and (vii) consent to the addition of any and all other makers, endorsers, guarantors, and other obligors for the payment hereof, and to the acceptance of any and all other security for the payment hereof, and agree that the addition of any such makers, endorsers, guarantors or other obligors, or security shall not affect the liability of Borrower, any guarantor and all others now liable for all or any part of the obligations evidenced hereby.
12. **Other General Agreements.**
 - a. Time is of the essence hereof.
 - b. This Promissory Note is governed and controlled as to validity, enforcement, interpretation, construction, effect and in all other respects by the statutes, laws and decisions of the State of Indiana. This Promissory Note may not be changed or amended orally but only by an instrument in writing signed by the party against whom enforcement of the change or amendment is sought.
 - c. Lender shall in no event be construed for any purpose to be a partner, joint venturer, agent or associate of Borrower or of any lessee, operator, concessionaire or licensee of Borrower in the conduct of its business, and by the execution of this Promissory Note, Borrower agrees to indemnify, defend, and hold Lender harmless from and against any and all damages, costs, expenses and liability that may be incurred by Lender as a result of

a claim that Lender is such partner, joint venturer, agent or associate unless any such damages, costs, expenses and liability is caused solely by Lender's gross negligence or willful misconduct.

- d. This Promissory Note has been made and delivered in Indianapolis, Indiana and all value disbursed to or for the benefit of Borrower will be disbursed in Indianapolis, Indiana.
- e. The obligations and liabilities of each Borrower under this Promissory Note shall be joint and several and shall be binding upon and enforceable against each Borrower and their respective successors and assigns. This Promissory Note shall inure to the benefit of and may be enforced by Lender and its successors and assigns.
- f. In the event that any provision of this Promissory Note is deemed to be invalid by reason of the operation of law, or by reason of the interpretation placed thereon by any administrative agency or any court, Borrower and Lender shall negotiate an equitable adjustment in the provisions of the same in order to effect, to the maximum extent permitted by law, the purpose of this and the validity and enforceability of the remaining provisions, or portions or applications thereof, shall not be affected thereby and shall remain in full force and effect.

13. **CONSENT TO JURISDICTION.** BORROWER HEREBY AGREES THAT ALL ACTIONS OR PROCEEDINGS INITIATED BY BORROWER AND ARISING DIRECTLY OR INDIRECTLY OUT OF THIS PROMISSORY NOTE SHALL BE LITIGATED IN THE SUPERIOR COURT OF MARION COUNTY, INDIANA, OR THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF INDIANA, OR, IF LENDER INITIATES SUCH ACTION, ANY COURT IN WHICH LENDER SHALL INITIATE SUCH ACTION AND WHICH HAS JURISDICTION. BORROWER HEREBY EXPRESSLY SUBMITS AND CONSENTS IN ADVANCE TO SUCH JURISDICTION IN ANY ACTION OR PROCEEDING COMMENCED BY LENDER IN ANY OF SUCH COURTS, AND HEREBY WAIVES PERSONAL SERVICE OF THE SUMMONS AND COMPLAINT, OR OTHER PROCESS OR PAPERS ISSUED THEREIN, AND AGREES THAT SERVICE OF SUCH SUMMONS AND COMPLAINT OR OTHER PROCESS OR PAPERS MAY BE MADE BY REGISTERED OR CERTIFIED MAIL ADDRESSED TO BORROWER AT THE ADDRESS TO WHICH NOTICES ARE TO BE SENT PURSUANT TO THIS AGREEMENT. BORROWER WAIVES ANY CLAIM THAT MARION COUNTY, INDIANA, OR THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF INDIANA IS AN INCONVENIENT FORUM OR AN IMPROPER FORUM BASED ON LACK OF VENUE. SHOULD BORROWER, AFTER BEING SO SERVED, FAIL TO APPEAR OR ANSWER TO ANY SUMMONS, COMPLAINT, PROCESS OR PAPERS SO SERVED WITHIN THE NUMBER OF DAYS PRESCRIBED BY LAW AFTER THE MAILING THEREOF, BORROWER SHALL BE DEEMED

IN DEFAULT AND AN ORDER AND/OR JUDGMENT MAY BE ENTERED BY LENDER AGAINST BORROWER AS DEMANDED OR PRAYED FOR IN SUCH SUMMONS, COMPLAINT, PROCESS OR PAPERS. THE EXCLUSIVE CHOICE OF FORUM FOR BORROWER SET FORTH IN THIS SECTION SHALL NOT BE DEEMED TO PRECLUDE THE ENFORCEMENT, BY LENDER, OF ANY JUDGMENT OBTAINED IN ANY OTHER FORUM OR THE TAKING, BY LENDER, OF ANY ACTION TO ENFORCE THE SAME IN ANY OTHER APPROPRIATE JURISDICTION, AND BORROWER HEREBY WAIVES THE RIGHT, IF ANY, TO COLLATERALLY ATTACK ANY SUCH JUDGMENT OR ACTION.

14. **WAIVER OF JURY TRIAL.** LENDER AND BORROWER ACKNOWLEDGE AND AGREE THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS PROMISSORY NOTE OR WITH RESPECT TO THE TRANSACTIONS CONTEMPLATED HEREIN AND THEREIN WOULD BE BASED UPON DIFFICULT AND COMPLEX ISSUES AND THEREFORE, THE PARTIES VOLUNTARILY, KNOWINGLY AND INTENTIONALLY AGREE THAT ANY COURT PROCEEDING ARISING OUT OF ANY SUCH CONTROVERSY WILL BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

15. **Notice.** All notices given pursuant or related to this Promissory Note shall be given in writing to the addresses provided as follows:

16. **Standstill.** Notwithstanding anything to the contrary contained herein, for a period commencing on the date hereof and continuing until the earlier of (i) the

date that the Investor or its affiliates is no longer a partner in the Borrower or (ii) the end of the tax credit compliance period ("Standstill Period"), Borrower shall have no right to declare a default, accelerate the indebtedness or pursue any other right or remedy under this Note. Borrower waives no rights or remedies it may have hereunder, but merely agrees not to enforce those rights or remedies until the end of the Standstill Period.

17. **Prohibition on Loan Sale.** Lender shall not sell, assign, transfer or convey the Loan (or any interest in the Loan), other than to an affiliate, without the prior written consent of Borrower and Investor.

18. **Non-Recourse.** Notwithstanding anything to the contrary contained in this Promissory Note, the Loan is a nonrecourse obligation of the Borrower. Neither Borrower nor any of its partners shall have any personal liability for repayment of the Loan except in cases of (a) fraud, (b) misappropriation of funds, (c) waste and/or (d) environmental damage resulting from acts of Borrower or any of its partners.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Borrower has executed this Promissory Note as of the day and year first written above.

SUBJECT: Resolution Setting a Public Hearing on a Proposed Development Agreement by and between the City of Dubuque and Dubuque Racing Association, Ltd. Providing for the Issuance of Urban Renewal Tax Increment Revenue Grant Obligations Pursuant to the Development Agreement

DATE: October 30, 2024

Economic Development Director Jill Connors is recommending City Council adopt the attached resolution setting a November 18, 2024, public hearing on the Development Agreement providing for the issuance of Urban Renewal Tax Increment Revenue Grant Obligations for the development of a PinSeekers facility on Chaplain Schmitt Island.

One of the recommendations of the Development Plan is to provide a variety of entertainment and recreational opportunities on Chaplain Schmitt Island with a unique mix of uses that are different from existing developments in Dubuque. To this end, DRA has had conversations with developers of these types of facilities, including the developers of PinSeekers – a hybrid golf facility, with current locations in Deforest, WI, and Tiffin, IA. These facilities have a diverse range offerings, including all-weather Toptracer golf suites, mini bowling, putting greens, multi-sports simulators, and event spaces for group gatherings.

The DRA has brought a formal proposal to City staff to facilitate an investment of \$18 million for the development of a PinSeekers facility to be located on Chaplain Schmitt Island. Project construction is scheduled to commence on or before April 1, 2025, and to be substantially completed by September 30, 2026.

The proposed Development Agreement provides for City incentives, including Urban Renewal Tax Increment Revenue Grant Obligations, for 10 years of Tax Increment Finance (TIF) rebates to encourage the development of the property.

I concur with the recommendation and respectfully request Mayor and City Council approval.

DATE: October 24, 2024

INTRODUCTION

This memorandum is a request for the City Council to adopt the attached resolution setting a public hearing for November 18, 2024 on a proposed Development Agreement by and between the City of Dubuque and Dubuque Racing Association, Ltd. (DRA) providing for the issuance of Urban Renewal Tax Increment Revenue Grant Obligations.

BACKGROUND

In 2014, a Master Plan for Chaplain Schmitt Island was adopted which laid out key community desires for the creation of a destination area on the Island. This was followed in 2017 with a Placemaking Plan, updated in 2022 to include an amphitheater and improved trails, resulting in the City being awarded a number of grants to accomplish this work.

More recently, a Development Plan for Chaplain Schmitt Island has been prepared for review and adoption by City Council. This 2024 Development Plan sets forth a plan for implementing the recommendations of the accumulated planning work for the area.

DISCUSSION

One of the recommendations of the Development Plan is to provide a variety of entertainment and recreational opportunities on Chaplain Schmitt Island with a unique mix of uses that are different from existing developments in Dubuque. To this end, DRA

has had conversations with developers of these types of facilities, including the developers of PinSeekers – a hybrid golf facility, with current locations in Deforest, WI, and Tiffin, IA. These facilities have a diverse range offerings, including all-weather Toptracer golf suites, mini bowling, putting greens, multi-sports simulators, and event spaces for group gatherings.

The proposed Development Agreement provides for City incentives, including Urban Renewal Tax Increment Revenue Grant Obligations, for 10 years of Tax Increment Finance (TIF) rebates to encourage the development of the property.

RECOMMENDATION/ ACTION STEP

I recommend the City Council adopt the attached resolution setting a November 18, 2024 public hearing on the Development Agreement providing for the issuance of Urban Renewal Tax Increment Revenue Grant Obligations for the development of a PinSeekers facility on Chaplain Schmitt Island.

**DEVELOPMENT AGREEMENT
BY AND BETWEEN

CONTAINING 4.90 ACRES, MORE OR LESS.; and

WHEREAS, the Property is located in the Greater Downtown Urban Renewal District (the "District") which has been so designated by City Council Resolution 155-11 as a slum and blighted area (the "Project Area") defined by Iowa Code Chapter 403 (the "Urban Renewal Law"); and

WHEREAS, Developer will facilitate a capital investment including the construction

of a new facility, equipment, furniture and fixtures in the Property (the "Project"); and

WHEREAS, pursuant to Iowa Code Section 403.6(1), and in conformance with the Urban Renewal Plan for the Project Area adopted on May 18, 1967 and last amended on September 3, 2024, a copy of which is attached hereto as Exhibit A (the "Urban Renewal Plan"), City has the authority to enter into contracts and agreements to implement the Urban Renewal Plan, as amended; and

WHEREAS, the City Council believes it is in the best interests of City to encourage Developer in the development of the Property by providing certain incentives as set forth herein.

NOW, THEREFORE, the parties to this Development Agreement, in consideration of the promises, covenants and agreements made by each other, do hereby agree as follows:

SECTION 1. REPRESENTATIONS AND WARRANTIES

1.1 Representations and Warranties of City. In order to induce Developer to enter into this Agreement, City hereby represents and warrants to Developer that to the best of City's knowledge:

(1) City has duly obtained all necessary approvals and consents for its execution, delivery and performance of this Agreement and that it has full power and authority to execute, deliver and perform its obligations under this Agreement. City's attorney shall issue a legal opinion to Developer at time of closing confirming the representation contained herein, in the form attached hereto as Exhibit B.

(2) City shall exercise its best efforts to cooperate with Developer in the development process.

(3) City shall exercise its best efforts to resolve any disputes arising during the development process in a reasonable and prompt fashion.

(4) The execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, and the fulfillment of or compliance with the terms and conditions of this Agreement are not prevented by, limited by, in conflict with, or result in a violation or breach of, the terms, conditions or provisions of the charter of City, any evidence of indebtedness, agreement or instrument of whatever nature to which City is now a party or by which it or its property is bound, or constitute a default under any of the foregoing.

(5) There are no actions, suits or proceedings pending or threatened against or affecting City in any court or before any arbitrator or before or by any governmental body in which there is a reasonable possibility of an adverse decision which could materially adversely affect the financial position or operations of City or which affects the validity of the Agreement or City's ability to perform its obligations under this

Agreement.

(6) No ordinance or hearing is now before any local governmental body that either contemplates or authorizes any public improvements or special tax levies, the cost of which may be assessed against the Property. To the best of City's knowledge, there are no plans or efforts by any government agency to widen, modify, or re-align any street or highway providing access to the Property and there are no pending or intended public improvements or special assessments affecting the Property which will result in any charge or lien to be levied or assessed against the Property.

(7) The representations and warranties contained in this article shall be correct in all respects on and as of the Closing Date with the same force and effect as if such representations and warranties had been made on and as of the Closing Date.

1.2 Representations and Warranties of Developer. Developer makes the following representations and warranties:

(1) Developer is a corporation duly organized and validly existing under the laws of the State of Iowa, and has all requisite power and authority to own and operate its properties, to carry on its business as now conducted and as presently proposed to be conducted, and, subject to the approval of the Iowa Racing and Gaming Commission ("IRGC"), to enter into and perform its obligations under the Agreement.

(2) This Agreement has been duly authorized, executed and delivered by Developer and, assuming due authorization, execution and delivery by City and approval by IRGC, is in full force and effect and is a valid and legally binding instrument of Developer enforceable in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization or other laws relating to or affecting creditors' rights generally. Developer's counsel shall issue a legal opinion to City, at time of closing, confirming the representations contained herein, in the form attached hereto as Exhibit C.

(3) The execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, and the fulfillment of or compliance with the terms and conditions of this Agreement are not prevented by, limited by, in conflict with, or result in a violation or breach of, the terms, conditions or provisions of the articles of incorporation or the bylaws of Developer or any contractual restriction, evidence of indebtedness, agreement or instrument of whatever nature to which Developer is now a party or by which it or its property is bound, or constitute a default under any of the foregoing.

(4) There are no actions, suits or proceedings pending or threatened against or affecting Developer in any court or before any arbitrator or before or by any governmental body in which there is a reasonable possibility of an adverse decision

which could materially adversely affect the business, financial position or result of operations of Developer or which affects the validity of the Agreement or Developer's ability to perform its obligations under this Agreement.

(5) Developer will perform its obligations under this Agreement in accordance with the material terms of this Agreement, the Urban Renewal Plan and all local, State and federal laws and regulations.

(6) Developer will use its reasonable commercial efforts to obtain, or cause to be obtained, in a timely manner, all material requirements of all applicable local, state, and federal laws and regulations which must be obtained or met.

(7) Developer has entered into a sublease agreement with PinSeekers Dubuque RE, LLC and PinSeekers Dubuque Operations, LLC (individually and collectively "PinSeekers"), and PinSeekers has obtained (or will obtain prior to the Closing Date) firm commitments for permanent financing for the Project in an amount sufficient, together with equity commitments, to successfully complete the requirements of this Agreement and shall provide evidence thereof to City prior to the Closing Date.

1.3 Closing. The closing shall take place on the Closing Date which shall be as agreed by the Parties but in no event shall the Closing Date be later than the 15th day of March 2025 . Consummation of the closing shall be deemed an agreement of the parties to this Agreement that the conditions of closing shall have been satisfied or waived.

1.4 Conditions to Closing. The closing of the transaction contemplated by this Agreement and all the obligations of Developer under this Agreement are subject to fulfillment, on or before the Closing Date, of the following conditions:

(1) The representations and warranties made by City in Section 1.1 shall be correct as of the Closing Date with the same force and effect as if such representations were made at such time. At the closing, City shall deliver a certificate to that effect in the form of Exhibit D.

(2) Developer shall have the right to terminate this Agreement at any time prior to the Commencement Date set forth in Section 2.3 if Developer determines in its sole discretion that conditions necessary for the successful completion of the Project contemplated herein have not been satisfied in Developer's sole discretion. Upon the giving of notice of termination by Developer to City, this Agreement shall be deemed null and void and Developer shall have no liability or obligation whatsoever as a result of such termination.

(3) Developer and City shall be in material compliance with all the terms and provisions of this Agreement.

(4) Developer shall have furnished City with evidence, in a form satisfactory to City (such as a letter of commitment from a bank or other lending institution), that

PinSeekers has firm financial commitments in an amount sufficient, together with equity commitments, to complete the Minimum Improvements (as defined herein) in conformance with the Construction Plans (as defined herein), or City shall have received such other evidence of Developer's and/or PinSeekers' financial ability as the reasonable judgment of City requires.

(5) Developer's counsel shall issue a legal opinion to City confirming the representations contained herein in the form attached hereto as Exhibit C.

1.5 City's Obligations at Closing. At or prior to the Closing Date, City shall deliver to Developer such other documents as may be required by this Agreement, all in a form satisfactory to Developer.

SECTION 2. DEVELOPMENT ACTIVITIES

2.1 Required Minimum Improvements. Developer will facilitate a capital investment of approximately Eighteen million dollars (\$18,000,000) to improve the Property (the "Minimum Improvements"). The Minimum Improvements including the construction of a recreational facility and related furnishings.

2.2 Plans for Construction of Minimum Improvements. Plans and specifications with respect to the development of the Property and the construction of the Minimum Improvements thereon (the "Construction Plans") shall be in conformity with Urban Renewal Plan, this Agreement, and all applicable state and local laws and regulations, including but not limited to any covenants, conditions, restrictions, reservations, easements, liens and charges, recorded in the records of Dubuque County, Iowa. Developer shall submit to City, for approval by City in City's reasonable discretion, (which approval shall not be unreasonably refused, conditioned or delayed), plans, drawings, specifications, and related documents with respect to the improvements to be constructed on the Property, which construction shall be facilitated by Developer. All work with respect to the Minimum Improvements shall be in substantial conformity with the Construction Plans approved by City.

2.3 Timing of Improvements. Developer hereby agrees that construction of the Minimum Improvements on the Property shall be commenced on or before April 1, 2025 ("Commencement Date") and shall be substantially completed by September 30, 2026. The time frames for the performance of these obligations shall be subject to suspension and/or extension due to Force Majeure Event in accordance with the terms of Section 9.3 of this Agreement.

2.4 Certificate of Completion. Promptly following the request of Developer upon completion of the Minimum Improvements, the City Manager shall furnish Developer with an appropriate instrument certifying such completion. Such certification (the "Certificate of Completion") shall be in recordable form and shall be a conclusive determination of the satisfaction and termination of the agreements and covenants in this Agreement with respect to the obligations of Developer to facilitate the construction of the Minimum

Improvements.

SECTION 3. CITY PARTICIPATION

3.1 Economic Development Grant to Developer. For and in consideration of Developer's obligations hereunder, and in furtherance of the goals and objectives of the urban renewal plan for the Project Area and the Urban Renewal Law, City agrees, subject to Developer being and remaining in compliance with the terms of this Agreement, to make twenty (20) consecutive semi-annual payments (such payments being referred to collectively as the "Economic Development Grants") to Developer as follows:

November 1, 2027	May 1, 2028
November 1, 2028	May 1, 2029
November 1, 2029	May 1, 2030
November 1, 2030	May 1, 2031
November 1, 2031	May 1, 2032
November 1, 2032	May 1, 2033
November 1, 2033	May 1, 2034
November 1, 2034	May 1, 2035
November 1, 2035	May 1, 2036
November 1, 2036	May 1, 2037

pursuant to Iowa Code Section 403.9 of the Urban Renewal Law, in amounts equal to a portion of the tax increment revenues collected by City under Iowa Code Section 403.19 (without regard to any averaging that may otherwise be utilized under Iowa Code Section 403.19 and excluding any interest that may accrue thereon prior to payment to Developer) during the preceding six (6) month period in respect of the Minimum Improvements constructed by Developer (the "Developer Tax Increments"). City and Developer agree the Property Parcel 118476004 will be assessed on January 1, 2025.

An agreement of value will be acknowledged and signed by the parties' post assessment and added as an addendum to this Agreement.

For purposes of calculating the amount of the Economic Development Grants provided in this Section, the Developer Tax Increments shall be only those tax increment revenues collected by City in respect of the increase in the assessed value of the Property above the assessed value on January 1, 2025 (the "Baseline Valuation").

The Developer Tax Increments shall not include (i) any property taxes collected for the payment of bonds and interest of each taxing district, (ii) any taxes for the regular and voter-approved physical plant and equipment levy, (iii) any taxes for the instructional support levy, (iv) any tax increment revenues collected by City in respect of the Baseline Valuation of the Property during the term of this Agreement and (v) any other portion required to be excluded by Iowa law, and thus such incremental taxes will not include all

amounts paid by Developer as regular property taxes.

(1) To fund the Economic Development Grants, City shall certify to the County prior to December 1, 2026, its request for the available Developer Tax Increments resulting from the assessments imposed by the County as of January 1 of that year and each year thereafter until December 1, 2036 to be collected by City as taxes are paid during the following fiscal year and which shall thereafter be disbursed to Developer on November 1st and May 1st of that fiscal year. (Example: upon City's certification in December 2026, the Economic Development Grants in respect thereof would be paid to Developer on November 1, 2027, and May 1, 2028.)

(2) The Economic Development Grants shall be payable from and secured solely and only by the Developer Tax Increments paid to City that, upon receipt, shall be deposited and held in a special account created for such purpose and designated as the DRA TIF Account of City. City hereby covenants and agrees to maintain its TIF ordinance in force during the term hereof and to apply the incremental taxes collected in respect of the Minimum Improvements and allocated to the DRA TIF Account to pay the Economic Development Grants, as and to the extent set forth in Section 3.1 hereof. The Economic Development Grants shall not be payable in any manner by other tax increments revenues, or by general taxation or from any other City funds. City makes no representation with respect to the amounts that may be paid to Developer as the Economic Development Grants in any one year and under no circumstances shall City in any manner be liable to Developer so long as City timely applies the Developer Tax Increments actually collected and held in the DRA TIF Account (regardless of the amounts thereof) to the payment of the Economic Development Grants to Developer as and to the extent described in this Section.

(3) City shall be free to use any and all tax increment revenues collected in respect of other properties within the Project Area and the remaining actual amount of the property taxes paid by Developer to City, or any available Developer Tax Increments resulting from the termination of the annual Economic Development Grants under Section 3.1 hereof, for any purpose for which such tax increment revenues may lawfully be used pursuant to the provisions of the Urban Renewal Law, and City shall have no obligations to Developer with respect to the use thereof.

SECTION 4. NON-APPROPRIATION / LIMITED SOURCE OF FUNDING

4.1 Non-appropriation.

(1) Notwithstanding anything in this Agreement to the contrary, the obligation of City to pay any installment of the Economic Development Grant shall be an obligation limited to currently budgeted funds, and not a general obligation or other indebtedness of City or a pledge of its full faith and credit under the meaning of any constitutional or statutory debt limitation, and shall be subject in all respects to the

right of non-appropriation by the City Council as provided in this Section 4.1(1). City may exercise its right of non-appropriation as to the amount of the installments to be paid during any fiscal year during the term of this Agreement without causing a termination of this Agreement. The right of non-appropriation shall be exercised only by resolution affirmatively declaring City's election to non-appropriate funds otherwise required to be paid to Developer in the next fiscal year under this Agreement.

(2) In the event the City Council elects to not appropriate sufficient funds in the budget for any future fiscal year for the payment in full of the installments on the Economic Development Grant due and payable in that fiscal year, then: i) City shall have no further obligation to Developer for the payment of all installments due in the next fiscal year which cannot be paid with the funds then appropriated for that purpose; and, ii) Developer shall be released from all further obligations under this Agreement during that same fiscal year.

(3) Each installment of the Economic Development Grant shall be paid by City solely from funds appropriated for that purpose by the City Council from taxes levied on the Property that are allocated to the special fund pursuant to Iowa Code §403.19(2).

4.2 Limited Source of Funding. The right of non-appropriation reserved to City in this Section 4.1(1) is intended by the parties, and shall be construed at all times, so as to ensure that City's obligation to pay future installments on the Economic Development Grants shall not constitute a legal indebtedness of City within the meaning of any applicable constitutional or statutory debt limitation prior to the adoption of a budget which appropriates funds for the payment of that installment or amount. In the event that any of the provisions of this Agreement are determined by a court of competent jurisdiction to create, or result in the creation of, such a legal indebtedness of City, the enforcement of the said provision shall be suspended, and the Agreement shall at all times be construed and applied in such a manner as will preserve the foregoing intent of the parties, and no event of default shall be deemed to have occurred as a result thereof. If any provision of this Agreement or the application thereof to any circumstance is so suspended, the suspension shall not affect other provisions of this Agreement which can be given effect without the suspended provision. To this end the provisions of this Agreement are severable.

SECTION 5. COVENANTS OF DEVELOPER

5.1 Conformance with Codes. The Minimum Improvements shall conform to all city, state and federal codes.

5.2 Books and Records. During the term of this Agreement, Developer shall keep at all times and make available to City upon reasonable request proper books of record and account in which full, true and correct entries will be made of all dealings and transactions of or in relation to the business and affairs of Developer to verify the cost of the Minimum Improvements in accordance with generally accepted accounting principles consistently

applied throughout the period involved, and Developer shall provide reasonable protection against loss or damage to such books of record and account.

5.3 Real Property Taxes. Developer shall pay or cause to be paid, when due, all real property taxes and assessments payable with respect to all and any parts of the Property unless Developer's obligations have been assumed by another person pursuant to the provisions of this Agreement.

5.4 No Other Exemptions. During the term of this Agreement, Developer agrees not to apply for any state or local property tax exemptions which are available with respect to the Property or the Minimum Improvements located thereon that may now be, or hereafter become, available under state law or city ordinance during the term of this Agreement, including those that arise under Iowa Code Chapters 404 and 427, as amended; provided, however, that the foregoing agreement shall not be deemed to be applicable to any existing exemption of Developer and/or any other exemption available with respect to any other property (other than the Property) in which Developer has or may have an ownership or leasehold interest.

5.5 Insurance Requirements.

(1) Developer shall provide and maintain or cause to be maintained at all times during the process of constructing the Minimum Improvements (at no cost or expense to City) builder's risk insurance, written on a Completed Value Form in an amount equal to one hundred percent (100%) of the building (including Minimum Improvements) replacement value when construction is completed. Coverage shall include the "special perils" form and Developer shall furnish City with proof of insurance in the form of a certificate of insurance.

(2) Upon completion of construction of the Minimum Improvements and up to the Termination Date, Developer shall maintain, or cause to be maintained, (at no cost or expense to City) property insurance against loss and/or damage to the building (including the Minimum Improvements) under an insurance policy written with the "special perils" form and in an amount not less than the full insurable replacement value of the building (including the Minimum Improvements). Developer shall furnish to City proof of insurance in the form of a certificate of insurance.

(3) The term "replacement value" shall mean the actual replacement cost of the building with Minimum Improvements (excluding foundation and excavation costs and costs of underground flues, pipes, drains and other uninsurable items) and equipment, and shall be reasonably determined from time to time at the request of City, but not more frequently than once every three (3) years.

(4) Developer shall notify City immediately in the case of damage exceeding two hundred thousand dollars (\$200,000) in amount to, or destruction of, the Minimum Improvements or any portion thereof resulting from fire or other casualty. Net proceeds of any such insurance ("Net Proceeds"), shall be paid directly to Developer

and/or PinSeekers as their interests may appear, and Developer shall forthwith facilitate the repair, reconstruction and restoration of the Minimum Improvements to substantially the same or an improved condition or value as they existed prior to the event causing such damage and, to the extent necessary to accomplish such repair, reconstruction and restoration, Developer shall facilitate the application of the Net Proceeds of any insurance relating to such damage received by Developer and/or PinSeekers to the payment or reimbursement of the costs thereof, subject, however, to the terms of any mortgage encumbering title to the Property (as its interests may appear).

5.6 Preservation of Property. During the term of this Agreement, Developer shall maintain, preserve and keep, or cause others to maintain, preserve and keep, the Minimum Improvements in good repair and working order, ordinary wear and tear accepted, and from time to time shall make or cause to be made all necessary repairs, replacements, renewals and additions. Nothing in this Section 5.8 or in this Agreement, however, shall limit or otherwise affect Developer's sole discretion with respect to the means, methods and expenses in carrying out such maintenance and repairs.

5.7 Non-Discrimination. In carrying out the project, Developer shall not discriminate against any employee or applicant for employment because of age, color, familial status, gender identity, marital status, mental/physical disability, national origin, race, religion/creed, sex, or sexual orientation.

5.8 Conflict of Interest. Developer agrees that no member, officer or employee of City, or its designees or agents, nor any consultant or member of the governing body of City, and no other public official of City who exercises or has exercised any functions or responsibilities with respect to the Project during his or her tenure, or who is in a position to participate in a decision-making process or gain insider information with regard to the Project, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed in connection with the Project, or in any activity, or benefit therefrom, which is part of this project at any time during or after such person's tenure. In connection with this obligation, Developer shall have the right to rely upon the representations of any party with whom it does business and shall not be obligated to perform any further examination into such party's background.

5.9 Non-Transferability. During the term of this Agreement, this Agreement may not be assigned by Developer nor may any portion of the Property be sold or otherwise transferred by Developer without prior written consent of City, which shall not be unreasonably withheld. City has no obligation to consent to any assignment or sale.

5.10 No change in Tax Classification. Developer agrees that it will not take any action to change, or otherwise allow, the classification of the Property for property tax purposes to become other than commercial property and to be taxed as such under Iowa law.

5.11 Restrictions on Use. Developer agrees for itself, and its successors and assigns, and every successor in interest to the Property or any part thereof that they, and their respective successors and assigns, shall:

(1) Devote the Property to, and only to and in accordance with, the uses specified in the Urban Renewal Plan (and City represents and agrees that use of the Property as retail/commercial, is in full compliance with the Urban Renewal Plan) (however, Developer shall not have any liability to City to the extent that a successor in interest or sublessee (including PinSeekers) shall breach this covenant and City shall seek enforcement of this covenant directly against the party in breach of same); and

(2) Not discriminate upon the basis of age, color, familial status, gender identity, marital status, mental/physical disability, national origin, race, religion/creed, sex, or sexual orientation in the sale, lease, rental, use or occupancy of the Property or any improvements erected or to be erected thereon, or any part thereof (however, Developer shall not have any liability to City to the extent that a successor in interest or sublessee (including PinSeekers) shall breach this covenant and City shall seek enforcement of this covenant directly against the party in breach of same).

5.12 Compliance with Laws. Developer shall comply with all laws, rules and regulations relating to its businesses, other than laws, rules and regulations the failure to comply with or the sanctions and penalties resulting therefrom, would not have a material adverse effect on the business, property, operations, financial or otherwise, of Developer.

SECTION 6. EVENTS OF DEFAULT AND REMEDIES

6.1 Events of Default Defined. The following shall be Events of Default under this Agreement, and the term Event of Default shall mean, whenever it is used in this Agreement, any one or more of the following events:

(1) Failure by Developer to pay or cause to be paid, before delinquency, all real property taxes assessed with respect to the Minimum Improvements and the Property.

(2) Failure by Developer to cause the construction of the Minimum Improvements to be commenced and completed pursuant to the terms, conditions and limitations of this Agreement.

(3) Transfer of any interest by Developer of the Minimum Improvements in violation of the provisions of this Agreement prior to the issuance of the final Certificate of Completion (it being acknowledged and agreed that Developer's sublease of the Property to PinSeekers shall not constitute or be deemed to constitute a breach of this Section 6.1(3)).

(4) Failure by Developer or City to substantially observe or perform any other material covenant, condition, obligation or agreement on its part to be observed or performed under this Agreement.

6.2. Remedies on Default by Developer. Whenever any Event of Default referred to in Section 6.1 of this Agreement occurs and is continuing, City, as specified below, may take any one or more of the following actions after the giving of written notice by City to Developer (and the holder of any mortgage encumbering any interest in the Property of which City has been notified of in writing) of the Event of Default, but only if the Event of Default has not been cured within sixty (60) days following such notice, or if the Event of Default cannot be cured within sixty (60) days and Developer does not provide assurances to City that the Event of Default will be cured as soon as reasonably possible thereafter:

- (1) City may suspend its performance under this Agreement until it receives assurances from Developer deemed adequate by City, that Developer will cure its default and continue its performance under this Agreement;
- (2) Until the Closing Date, City may cancel and rescind this Agreement; or
- (3) City may withhold the Certificate of Completion; or
- (5) City may require Developer to take action, including legal, equitable or administrative action, which may appear necessary or desirable to enforce performance and observance of any obligation, agreement, or covenant under this Agreement or terminate the sublease agreement with PinSeekers.

Notwithstanding to the contrary herein, the parties acknowledge and agree that, due to the fact that Developer's obligations hereunder relate to the facilitation of the construction of the Minimum Improvements, Developer shall have no monetary liability upon the occurrence of any Event of Default hereunder but shall have the affirmative obligation to attempt to identify a suitable third party capable of completing the Minimum Improvements, subject to City approval, and that the sole consequence to Developer of any Event of Default would be the loss of entitlement to the Economic Development Grants hereunder.

6.3 No Remedy Exclusive. Except as otherwise provided in the last sentence of Section 6.2 or elsewhere in this Agreement, no remedy herein conferred upon or reserved to City is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

6.4 No Implied Waiver. In the event any agreement contained in this Agreement should be breached by any party and thereafter waived by any other party, such waiver shall be

limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

6.5 [Reserved].

6.6 Remedies on Default by City. If City defaults in the performance of this Agreement, Developer may take any action, including legal, equitable or administrative action that may appear necessary or desirable to collect any payments due under this Agreement, to recover expenses of Developer, or to enforce performance and observance of any obligation, agreement, or covenant of City under this Agreement. Developer may suspend their performance under this Agreement until they receive assurances from City, deemed adequate by Developer, that City will cure its default and continue its performance under this Agreement.

SECTION 7. GENERAL TERMS AND PROVISIONS

7.1 Notices and Demands. Whenever this Agreement requires or permits any notice or written request by one party to another, it shall be deemed to have been properly given if and when delivered in person or three (3) business days after having been deposited in any U.S. Postal Service and sent by registered or certified mail, postage prepaid, addressed as follows:

or at such other address with respect to either party as that party may, from time to time designate in writing and forward to the other as provided in this Section.

- 7.2 Binding Effect. This Agreement shall be binding upon and shall inure to the benefit of City and Developer and their respective successors and assigns.
- 7.3 Force Majeure. A party shall be excused from its obligations under this Agreement if and to the extent and during such time as the party is prevented, impeded, or hindered, unable to perform its obligations or is delayed in doing so due to events or conditions outside of the party's reasonable control and after the party has taken reasonable steps to avoid or mitigate such event or its consequences (each a "Force Majeure Event") including, without limitation in any way, as the result of any acts of God, war, fire, or other casualty, riot, civil unrest, extreme weather conditions, terrorism, strikes and/or labor disputes, pandemic, epidemic, quarantines, government stay-at-home orders, municipal and other government orders, or other matter beyond the control of such party. Upon the occurrence of a Force Majeure Event, the party incurring such Force Majeure Event will promptly give notice to the other party identifying the Force Majeure Event, explaining how it impacts performance and the estimated duration, identifying the relief requested, agreeing to limit damages to the other party and to immediately resume performance upon termination of the Force Majeure Event, and agreeing to supplement the notice as more information becomes available, and thereafter the parties shall meet and confer in good faith in order to identify a cure of the condition affecting its performance as expeditiously as possible. No obligation to make a payment required by this Agreement is excused by a Force Majeure Event. The nonperforming party shall not be entitled to any damages or additional payments of any kind for any such delay.
- 7.4 Termination Date. This Agreement and the rights and obligations of the parties hereunder shall terminate on June 1, 2037 (the "Termination Date").
- 7.5 Execution by Facsimile or Electronic Signature; Counterparts. The parties agree that this Agreement may be transmitted between them by facsimile machine or other electronic means. The parties intend that the faxed or electronic signatures constitute original signatures and that a faxed or emailed Agreement containing the signatures (original, faxed or electronic) of all the parties is binding on the parties. The parties further agree that this Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original and all of which, when taken together, shall constitute but one and the same Agreement.
- 7.6 Memorandum of Development Agreement. City shall promptly record a Memorandum of Development Agreement in the form attached hereto as Exhibit E in the office of the Recorder of Dubuque County, Iowa. Developer shall pay the costs for so recording.

IN WITNESS WHEREOF, City has caused this Agreement to be duly executed in its name and behalf by its Mayor and attested to by its City Clerk and Developer has caused this Agreement to be duly executed on or as of the first above written.

Re: Development Agreement Between the City of Dubuque, Iowa and
Dubuque Racing Association, Ltd.

Dear Mayor and City Councilmembers:

We have acted as counsel for Dubuque Racing Association, Ltd. (Developer) in connection with the execution and delivery of a certain Development Agreement (Development Agreement) between Developer and the City of Dubuque, Iowa ("City") dated for reference purposes the 18th day of November, 2024.

We have examined the original certified copy, or copies otherwise identified to our satisfaction as being true copies, of the Development Agreement and such other documents and records as we have deemed relevant and necessary as a basis for the opinions set forth herein.

Based on the pertinent law, the foregoing examination and such other inquiries as we have deemed appropriate, we are of the opinion that:

1. Developer is a corporation organized and existing under the laws of the State of Iowa and has full power and authority to execute, deliver and perform in full Development Agreement. The Development Agreement has been duly and validly authorized, executed and delivered by Developer and, assuming due authorization, execution and delivery by City, is in full force and effect and is valid and legally binding instrument of Developer enforceable in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization or other laws relating to or affecting creditors' rights generally.

2. The execution, delivery and performance by Developer of the Development Agreement and the carrying out of the terms thereof, will not result in violation of any provision of, or in default under, the articles of incorporation and bylaws of Developer, any indenture, mortgage, deed of trust, indebtedness, agreement, judgment, decree, order, statute, rule, regulation or restriction to which Developer is a party or by which Developer's property is bound or subject.

3. There are no actions, suits or proceedings pending or threatened against or affecting Developer in any court or before any arbitrator or before or by any governmental body in which there is a reasonable possibility of an adverse decision which could materially adversely affect the business (present or prospective), financial position or results of operations of Developer or which in any manner raises any questions affecting the validity of the Agreement or the Developer's ability to perform Developer's obligations thereunder.

Very truly yours,

Dear _____:

I am the City Manager of the City of Dubuque, Iowa and have acted in that capacity in connection with the execution and delivery of a certain Development Agreement between Dubuque Racing Association, Ltd. (Developer) and the City of Dubuque, Iowa (City) dated for reference purposes the 18th day of November, 2024.

On behalf of the City of Dubuque, I hereby represent and warrant to Developer that:

- (1) City has duly obtained all necessary approvals and consents for its execution, delivery and performance of this Agreement and that it has full power and authority to execute, deliver and perform its obligations under this Agreement. City's attorney shall issue a legal opinion to Developer at time of closing confirming the representation contained herein, in the form attached hereto as Exhibit B.
- (2) City shall exercise its best efforts to cooperate with Developer in the development process.
- (3) City shall exercise its best efforts to resolve any disputes arising during the development process in a reasonable and prompt fashion.
- (4) The execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, and the fulfillment of or compliance with the terms and conditions of this Agreement are not prevented by, limited by, in conflict with, or result in a violation or breach of, the terms, conditions or provisions of the charter of City, any evidence of indebtedness, agreement or instrument of whatever nature to which City is now a party or by which it or its property is bound, or constitute a default under any of the foregoing.
- (5) There are no actions, suits or proceedings pending or threatened against or affecting City in any court or before any arbitrator or before or by any governmental body in which there is a reasonable possibility of an adverse decision which could materially adversely affect the financial position or operations of City or which affects

the validity of the Agreement or City's ability to perform its obligations under this Agreement.

(6) No ordinance or hearing is now or before any local governmental body that either contemplates or authorizes any public improvements or special tax levies, the cost of which may be assessed against the Property. To the best of City's knowledge, there are no plans or efforts by any government agency to widen, modify, or re-align any street or highway providing access to the Property and there are no pending or intended public improvements or special assessments affecting the Property which will result in any charge or lien be levied or assessed against the Property.

(7) The representations and warranties contained in this article shall be correct in all respects on and as of the Closing Date with the same force and effect as if such representations and warranties had been made on and as of the Closing Date.

Sincerely,

Michael C. Van Milligen
City Manager

RE: Iowa Amphitheater on Schmitt Island Project
Bid Backage No. 2 (Utilities, Paving & Amphitheater Stage)
Initiate Public Bidding Process and Setting Date for Public Hearing
Project Code: 5575000022

INTRODUCTION

This memorandum requests the City Council authorize initiating the public bidding process and set a public hearing on November 18th, 2024 for the Iowa Amphitheater on Schmitt Island Project - Bid Package 2.

BACKGROUND

The City of Dubuque has previously applied for and been awarded a Destination Iowa Outdoor Recreation Fund grant administered by the Iowa Economic Development Authority (IEDA). Prior to the grant being awarded, city staff received an IEDA request to consider a singular focus for the grant. Several outdoor recreation amenities were included in the original grant application. City and Dubuque Racing Association (DRA) staff chose to update the application with a singular focus of the outdoor amphitheater (now called the Iowa Amphitheater on Schmitt Island) as staff and the DRA felt it best met the criteria of the Destination Iowa Outdoor Recreation grant program and would produce the strongest application in a very competitive pool of applications. On March 10, 2023 the City was notified of the grant award by IEDA and that the amount of grant funding would be \$3,000,000 with a local match of \$12,442,961 for a total project cost of \$15,442,961.

Funding for the local match in the required amount of \$12,442,961 is as follows:

Greater Downtown TIF Taxable Debt:	\$8,784,961
DRA contribution:	\$3,658,000

The project vision is to create Schmitt Island as “Dubuque’s Gateway to Entertainment and the Mississippi” and was set forth in a Schmitt Island Master Plan developed in 2014 and updated in 2017 and also in the Schmitt Island Placemaking & Implementation Plan adopted in June 2017. The mission adopted for this exciting project is to create “*a connected island that welcomes visitors and the community to recreation, entertainment and the outdoors.*” The City and DRA are partnering on this impactful project to create a

unique and exciting gateway into Iowa that will help grow the economy across the State, build upon current outdoor recreational amenities already on the island, connect people to new economic opportunities, and attract tourists from all over the nation.

The overall project addresses the master plan, creative placemaking goals, and a top priority of the Dubuque City Council: increase foot traffic on Schmitt Island; build a recreational landmark and create a gateway and the “front door” to Iowa and Dubuque; bring people to Schmitt Island; leverage island programming for economic development; connect the island to Dubuque and the region; create a year-round destination; and create opportunities for education.

The open-air performance amphitheater will attract “A” and “B” national acts, as well as be a venue for local symphony, college and university performing groups, nonprofit events, and regional performances. The stage will be constructed with an “artful” stage canopy that will help create a sense of place, enhance acoustics, and protect performers from sun and weather. The amphitheater is planned as a versatile space to host varied audiences and sized for regional acts of up to 2,500 people and for national acts of 5,000 to 8,000 people.

The amphitheater will be accessed by ADA-compliant paths and trails connecting from other places on the island. The amphitheater will be constructed to allow the City and DRA to provide assistive technologies including I-Caption units (handheld closed caption devices), assistive listening devices (headphones that amplify the sound on stage), closed captioned performances, sign language interpreted performances, and D-scriptive audio devices that provide a detailed account of all onstage activity.

The three main components of the outdoor amphitheater are:

- Open air shelter with stage that will accommodate varied audience sizes from regional events of up to 2,500 people to national acts of 5,000 to 8,000 people with built in flexibility that will open up the facility for a variety of events and destination activities.
- Flexible open space to utilize the amphitheater for local events and activities in addition to a concert series with the ability to host local food trucks and experiential activities such as regional poetry events, arts and crafts festivals, sidewalk chalk competitions, etc.
- ADA-compliant outdoor amphitheater with ADA compliant connecting spaces leading to the amphitheater from other areas on the Island.

DISCUSSION

The Iowa Amphitheater on Schmitt Island Project will be bid as two separate public improvement contracts.

- Bid Package No. 1 (Demolition and Mass Grading)
- Bid Package No. 2 (Utilities, Paving & Amphitheater Stage)

Bid Package No.1 was previously bid and contract was awarded on October 21st which includes the demolition and removal of existing structures including the dog kennel buildings, site clearing and mass grading for the amphitheater.

Bid Package No. 2 includes all the remaining work to construct the Amphitheater project including:

- Sanitary Sewer, Storm Sewer & Water Main Utility Work and Plumbing
- Electrical Controls and Lighting
- Structural Foundations
- Food and Beverage Facilities
- Parking and Walkway Paving
- Stage and Artful Canopy
- Newly Located Maintenance Building
- Irrigation Final Grading and Landscaping

PROJECT SCHEDULE

The project schedule for Bid Package No. 2 is as follows:

Initiate Public Bidding Process	November 4, 2024
Publish Notice to Bidders, Advertise for Bids	November 8, 2024
Publish Public Hearing Notice on Plans & Specs	November 8, 2024
Public Hearing on Plans & Specs	November 18, 2024
Receipt of Bid Proposals (Bid-Letting)	December 5, 2024
Award Construction Contract	December 16, 2024
Project Final Completion Date	January 23, 2026

The destination Iowa Grant requires that all work be under contract by December 31st, 2024.

RECOMMENDATION

I recommend preliminary approval of the proposed plans, specifications, form of contract and construction estimate for the Iowa Amphitheater on Schmitt Island Project - Bid Package No. 2. I further recommend establishing the date of November 18th, 2024 for the public hearing and authorizing the City to advertise for bids for the project.

BUDGET IMPACT

The current estimate of probable cost for Iowa Amphitheater on Schmitt Island Project – Bid Package No. 2 is as follows:

Description	Cost Estimate
Construction Contract (Bid Package No. 2)	\$ 9,702,000.00
Contingency (10%)	949,709.55
Consultant Design Services	1,161,375.00
Construction Admin, Engineering & Inspection	248,000.00
Total Project Cost Estimate	\$ 12,061,084.55

The anticipated funding for Bid Package No. 2 is as follows:

Project No.	Fund Description	Fund Amount
5575000022	State Grant – Destination Iowa	\$ 3,000,000.00
	Greater Downtown TIF Taxable Debt	8,561,084.54
	DRA Contribution - Local Match	500,000.00
Total Project Funding		\$ 12,061,084.54

The current estimate of probable cost for the entire Iowa Amphitheater on Schmitt Island Project is as follows:

Description	Cost Estimate
Construction Contract (Bid Package No. 1)	\$ 819,676.45
Construction Contract (Bid Package No. 2)	9,702,000.00
Remaining DRA Local Match ¹	2,108,000.00
Contingency (10%)	1,051,509.55
Consultant Design Services	1,451,775.00
Construction Admin, Engineering & Inspection	310,000.00
Total Project Cost Estimate	\$ 15,442,961.00

The project funding is summarized as follows:

Project No.	Fund Description	Fund Amount
5575000022	State Grant - Destination Iowa	\$ 3,000,000.00
	Greater Downtown TIF Taxable Debt	8,784,961.00
	DRA Contribution - Local Match	3,658,000.00
Total Project Funding		\$ 15,442,961.00

The Greater Downtown TIF Taxable Debt will be paid by the Dubuque Racing Association (DRA). Additionally, in accordance with the Destination Iowa Grant Agreement, the DRA will be contributing \$3,658,000.00 upfront as part of the local match for the overall project. The items associated with the DRA local match funds include deconstructing the current dog track and kennels to provide the location where the new amphitheater will be constructed (Bid Package No. 1). In addition, the DRA will be revamping its surface parking lot to accommodate the additional parking demand created by the new outdoor amphitheater and tourists visiting Schmitt Island. A portion of the parking lot work will be incorporated into Bid Package No. 2.

¹The use of remaining DRA funds associated with the local match are to be used in the vicinity to enhance the overall amphitheater project.

The bid proposal for the Bid Package No. 2 project includes a list of desired add-on amenities that are not included in the base bid estimate. The add-on amenities would enhance the overall project and may be chosen depending on the actual bid prices

received and the available budget. The add-on amenities may also be added to the project during construction via change order if it is determined that there is sufficient funding available. The list of add-on amenities is as follows:

- Entrance Cut Walls
- Additional Parking Lot Improvements
- Decomposed Granite Pathways
- Replace Seeding with Sod
- Stage Rigging
- Dog Track Drum Lighting Re-use and Retrofit for Artistic Welcoming Entry Sign
- Pavement Steel Reinforcement

REQUESTED ACTION

I respectfully request the City Council authorize initiating the public bidding process and set a public hearing on November 18th, 2024, and to preliminary approve the plans, specifications, form of contract and estimated cost for the Iowa Amphitheater on Schmitt Island Project - Bid Package No. 2 through the adoption of the attached resolution.

SUBJECT: Initiate Bid Process and Set Public Hearing for the Bunker Hill Irrigation Replacement Project Phase 3
DATE: October 28, 2024

INTRODUCTION

The purpose of this memorandum is to request approval to initiate the bid process and set the public hearing for the Bunker Hill Irrigation Replacement Project Phase 3.

BACKGROUND

The irrigation system for the tees and greens was installed around 1980 and the fairway system was added in 1992. In Fiscal Year 2011 the satellite controllers, master control panel, variable speed pump, backflow preventer, pump shelter and electrical controls were replaced. This project was Phase 1.

In Fiscal Year 2016, \$205,000 in CIP funding was approved to hire a consultant to design, develop bid specs and monitor construction for the 18-hole golf course irrigation system. This replacement project was designed by JBC landscape architects into 2 phases. These we called Phases 2 and 3. Each phase was made up of 9 holes (half) of the course. This project included full replacement of both greens and fairway lines and heads. Phase 2 was completed in the Spring of 2016.

The remaining PVC pipe has a life expectancy of 25 years in the ground. This means that the tees and greens were ready to be replaced in 2005 while the fairway lines have reached their expected lifespan. The PVC pipe is now brittle and cracks easily. We continue to see additional staff time fixing leaks as they occur more often as the system has aged.

In FY20 there was \$200,000 in CIP funds for Phase 3 of the project. The Council approved to initiate the bid process at their September 16, 2019 meeting. Bids were

solicited in the Fall of 2019. Unfortunately, all bids received were over budget and therefore rejected.

DISCUSSION

As designed, this project will result in efficiencies in overall water usage/monitoring, better irrigation coverage of the course, and the reduction in staff time due to lengthy repairs. These improvements will ultimately result in a better experience for the patrons.

At the September 21, 2015 City Council Public Hearing, the Bunker Hill Irrigation Plans and Specs developed by landscape architects, JBC, were approved for both Phase 2 and Phase 3 of the project. During the construction of Phase 2, there were minor adjustments to the plans due to the rocky terrain as well as adjusted head locations for improved irrigation results. These adjustments will have little effect to the plans and scope of project for Phase 3. The goal for this final phase of the project is to begin construction in the Fall of 2025. Based on current supply and contractor schedules, a contract will need to be committed this winter in order to get this project on the schedule for next fall. Per Assistant City Attorney Jason Lehman, staff may retain the original approved architect for this project.

PROJECT SCHEDULE

The schedule for the project is as follows:

Initiate Public Bidding Process & Set Public Hearing	November 4, 2024
Publish Notice to Bidders	November 5, 2024
Public Hearing	November 18, 2024
Receipt of Bid Proposals	November 27, 2024
Award Construction Contract	December 16, 2024
Project Completion Date	December 1, 2025

BUDGET IMPACT

In FY25, there is currently \$259,356 in CIP funding (Project #3444000011) to complete Phase 3 and finalize the irrigation replacement for the golf course. However, based on the current estimate of probable cost for the Bunker Hill Irrigation Project Phase 3, this project will cost closer to \$360,000 including the up to \$9,000 in construction administration fees for JBC. To cover the remaining balance, staff will be using available Golf Enterprise funding. Chief Financial Officer Jenny Larson approves of the use of the Golf Enterprise fund.

The project cost estimate is as follows:

Project Estimated Cost	\$ 360,000.00
Funding Sources	
Project #3444000011	\$ 259,356.00
Golf Enterprise Funds	\$ 100,644.00

RECOMMENDATION

I respectfully request Mayor and City Council approval of the construction plans and specifications; and establish November 18, 2024 as the date of the public hearing and hereby authorize the Recreation Division Manager to advertise bids for the Bunker Hill Irrigation Replacement Project Phase 3 through adoption of the attached resolution.

BYLAWS GOVERNING THE ADMINISTRATION, DEVELOPMENT, OPERATION AND
MANAGEMENT OF THE

CATFISH CREEK WATERSHED MANAGEMENT AUTHORITY

PREAMBLE

The Catfish Creek Watershed Management Authority is a Watershed Management Authority as defined in Iowa Code chapter 466B. Iowa Code section 466B.22 provides that two or more political subdivisions (defined as including cities, counties and/or soil and water conservation districts located within the same United States Geological Survey Hydrologic Unit Code 10 watershed), may create by chapter 28E agreement pursuant to Iowa Code chapter 466B, subchapter II, a Watershed Management Authority. The purpose of such authorities is to enable cooperation in supporting watershed planning and improvements for the mutual advantage of the political subdivisions involved.

These Bylaws are intended to create an organized structure to ensure a system to manage the activities of the Catfish Creek Watershed Management Authority and to serve as a communications link with participating political subdivisions.

ARTICLE I – AUTHORITY

- A. The Catfish Creek Watershed Management Authority is a Watershed Management Authority pursuant to Iowa Code Chapter 466B.
- B. The Catfish Creek Watershed Management Authority is established pursuant to the intergovernmental cooperation clause as set forth in Chapter 28E of the Iowa Code.
- C. Membership in the Catfish Creek Watershed Management Authority is limited to cities, counties, and soil and water conservation districts located within the Iowa portion of the Catfish Creek Watershed.
- D. The Catfish Creek Watershed Management Authority shall not make policy that would require a Member to change policies as set by its governing body or require a Member to contribute funds without official action of approval by that Member's governing body.
- E. No Member shall be required to contribute funds to the Authority and no action to contribute funds by a Director appointed by the Member is binding on the Member without approval by the governing board of that Member.

ARTICLE II – DEFINITIONS

- A. BOARD of DIRECTORS -- Comprised of the authorized representatives of the participating political subdivisions.
- B. MEMBER -- A political subdivision participating in the 28E Agreement that forms the Catfish Creek Watershed Management Authority.

- C. DIRECTOR – Authorized representative of a participating political subdivision (Member). Based upon watershed demographics, each political jurisdiction will
- D. INTERGOVERNMENTAL AGREEMENT – Legal document (Iowa 28E) signed by each participating subdivision to form a legal entity.

- F. CCWMA – acronym for the Catfish Creek Watershed Management Authority
- G. CCWMA Administrators – Administration of the Authority will be co-coordinated by the Dubuque Soil and Water Conservation District's urban conservationist and a member of the City of Dubuque's engineering staff as appointed by the City Manager.

ARTICLE III – NAME AND PURPOSE

- A. The name of the organization shall be Catfish Creek Watershed Management Authority.
- B. The purpose of the organization shall be to enable cooperation in supporting watershed planning and improvements in the Iowa portion of the Catfish Creek Watershed for the mutual advantage of the Members. As outlined in Iowa Code Section 466B23, a Watershed Management Authority may perform all of the following:
 - 1. Assess the flood risks in the watershed.
 - 2. Assess the water quality in the watershed.
 - 3. Assess options for reducing flood risk and improving water quality in the watershed.
 - 4. Monitor federal flood risk planning and activities.
 - 5. Educate residents of the watershed area regarding water quality and flood risks.
 - 6. Allocate monies made available to the authority for purposes of water quality and flood mitigation.
 - 7. Make and enter into contracts and agreements and execute all instruments necessary or incidental to the performance of the duties of the authority. A watershed management authority shall not acquire property by eminent domain.

ARTICLE IV – GOVERNANCE

- A. The affairs of the Catfish Creek Watershed Management Authority shall be conducted by the Board of Directors. Based upon watershed demographics, each member shall appoint representative's as follows:

- The City of Dubuque = 3 Directors
 - Dubuque County = 2 Directors

- C. A special meeting may be called by the Chair, or by petition of five (5) or more Directors or Members, when necessary for specific purposes requiring Board action.
- D. All meetings shall be in compliance with the Iowa Open Meetings Law (Iowa Code chapter 21A). All documents will be available to the public and may be copied at cost, on demand.

ARTICLE IX – VOTING

- A. Elections shall be by ballot or in such manner as the Executive Committee determines.
- B. Successful candidates shall be elected by a majority of the membership.
- C. A simple majority of those present at a board of directors meeting shall suffice to pass a measure submitted for vote at a regular meeting.
- D. A simple majority of those present at a committee meeting shall suffice to pass a measure submitted for vote at a committee meeting.

ARTICLE X – CONTRACTS AND OBLIGATIONS

The Board of the Catfish Creek Watershed Management Authority shall not acquire, liquidate, dissolve, or sell all or substantially all of its assets; merge; consolidate; or

enter into external contracts without approval of a two-thirds majority of the Members.

ARTICLE XI – ENFORCEMENT PROCEDURES

A. Disputes.

1. Any dispute that arises concerning violations of policies and guidelines or concerning the terms of the Intergovernmental Agreement shall be heard by the Board of Directors.

ARTICLE XII – WITHDRAWAL FROM MEMBERSHIP

Any Member may withdraw from the Authority by the action of its governing board, unless the Authority then has unpaid debts or legal obligations, in which case the consent of the governing boards of the remaining Members to the withdrawal is required.

A. Obligations upon withdrawal from membership

1. A participating political subdivision terminating its participation in the Catfish Creek Watershed Management Authority shall continue to be fully obligated for all payments and other duties owed by such subdivision.
2. After terminating its participation, a political subdivision may re-apply to become an acting member of the CCWMA upon approval of the board by a majority vote.

B. Rights upon withdrawal membership

1. A participating political subdivision may request a copy of records pertaining to the participant.

ARTICLE XIII – PARLIAMENTARY AUTHORITY

All meetings of all committees, including the Assembly of the Whole, shall be conducted according to the latest edition of Robert's Rules of Order.

ARTICLE XIV – AMENDMENT OF BYLAWS

- A. These bylaws can be amended at any regular meeting of the Assembly of the Whole by a two-thirds vote of the membership, provided that the amendment has been submitted in writing at the previous regular meeting.
- B. Members shall be responsible for informing their governing body, if necessary, so their governing body may take action when the contract is renewed.
